who are independent directors. Said committee operates under a written charter which was approved by the Board of Directors.

The Audit Committee met five times during 2002. Each member of our Audit Committee meets independence standards and financial literacy requirements. The Company does not have an independent Board member who meets the definition of financial expert as defined by the Securities and Exchange Commission and does not know of a qualified person willing to serve on the Audit Committee.

The Audit Committee upon satisfying itself that McElroy, Quirk and Burch, APC, met the standards of independence, recommended to the board the selection of McElroy, Quirk and Burch, APC, as our independent public accountants.

The Audit Committee met quarterly with management and with McElroy, Quirk and Burch, APC, and reviewed and discussed the quarterly reports and the year-end audited financial statements. The Audit Committee recommended to the board of

6

directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange Commission.

The Audit Committee considered the quality and adequacy of our internal controls and the status of pending litigation, taxation matters and other areas of oversight to the financial reporting and audit process that our Audit Committee felt appropriate.
