Item 1. SECURITY AND ISSUER

This statement on Schedule 13D relates to the shares ("Shares") of common stock, par value \$0.01 per share, of Hertz Global Holdings, Inc., a Delaware corporation (the "Issuer"). The principal executive office of the Issuer is located at 999 Vanderbilt Beach Road, 3rd Floor, Naples, Florida 34108.

Item 2. IDENTITY AND BACKGROUND.

(a) This statement is filed by JANA Partners LLC, a Delaware limited liability company (the "Reporting Person"). The Reporting Person is a private money management firm which holds Shares of the Issuer in various accounts under its management and control. The principal owner of the Reporting Person is Barry Rosenstein ("Mr. Rosenstein" or the "Principal").

(b) The principal business address of the Reporting Person and the Principal is 767 Fifth Avenue, 8th Floor, New York, New York 10153.

(c) The principal business of the Reporting Person and the Principal is investing for accounts under their management.

(d) Neither the Reporting Person nor the Principal has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) Neither the Reporting Person nor the Principal has, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The Reporting Person is a limited liability company organized in Delaware. The Principal is a citizen of the United States of America.

Item 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

The 32,046,708 Shares (including options to purchase 11,378,815 Shares) reported herein by the Reporting Person were acquired at an aggregate purchase price of approximately \$579 million. Such Shares were acquired with investment funds in accounts managed by the Reporting Person and margin borrowings described in the following sentence. Such Shares are held by the investment funds managed by the Reporting Person in commingled margin accounts, which may extend margin credit to the Reporting Person from time to time, subject to applicable federal margin regulations, stock exchange rules and credit policies. In such instances, the positions held in the margin account are pledged as collateral security for the repayment of debit balances in the account. The margin accounts bear interest at a rate based upon the broker's call rate from time to time in effect. Because other securities are held in the margin accounts, it is not possible to determine the amounts, if any, of margin used to purchase the Shares reported herein.

Item 4. PURPOSE OF TRANSACTION.

The Reporting Person acquired the Shares because it believes the Shares are undervalued and represent an attractive investment opportunity. The Reporting Person has had and may continue to have discussions with the Issuer's board of directors and management regarding management succession and board composition. The Reporting Person may also seek to discuss other topics with the Issuer's board of directors and management including capital allocation, strategy and future plans. The Reporting Person may also have such discussions with shareholders and other parties relating to such matters.

The Reporting Person may also take other steps to increase shareholder value as well as pursue other plans or proposals that relate to or would result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D, excluding (i) acquiring a control stake in the Issuer's Shares, or grouping with any other party or parties to do so, (ii) engaging in an extraordinary transaction, such as a merger, with the Issuer, or acquiring a material amount of the Issuer's assets, or grouping with any other party or parties to do either, or (iii) seeking to exert negative control over the important corporate actions of the Issuer, or grouping with any other party or parties to do so, although the Reporting Person may seek to influence such actions through customary means including presenting its views for consideration to the Issuer, shareholders and other interested parties, privately or publicly, and, if necessary, through the exercise of its shareholder rights including the right to propose new directors for the Issuer's board of directors.

Depending on various factors including, without limitation, the Issuer's financial position and strategic direction, the outcome of the discussions and actions referenced above, actions taken by the Issuer's board of directors, price levels of the Shares, other investment opportunities available to the Reporting Person, conditions in the securities market and general economic and industry conditions, the Reporting Person may in the future take such actions with respect to its investment position in the Issuer as it deems appropriate including, without limitation, purchasing additional Shares or selling some or all of its Shares, and/or engaging in short selling of or hedging or similar transactions with respect to the Shares.

Item 5. INTEREST IN SECURITIES OF THE COMPANY.

(a) The aggregate percentage of Shares reported to be beneficially owned by the Reporting Person is based upon 457,810,116 Shares outstanding, which is equal to the sum of (i) the 447,693,207 Shares outstanding as of March 21, 2014, as reported in the Issuer's Definitive Proxy Statement on Schedule 14A filed on April 11, 2014, *plus* (ii) the 10,116,909 Shares issued by the Issuer between May 16, 2014 and May 29, 2014 as reported in the Issuer's Current Report on Form 8-K filed on June 3, 2014.

At the close of business on October 17, 2014, the Reporting Person may be deemed to beneficially own 32,046,708 Shares (including options to purchase 11,378,815 Shares), constituting approximately 7.0% of the Shares outstanding.

(b) The Reporting Person has sole voting and dispositive powers over 32,046,708 Shares (including options to purchase 11,378,815 Shares), which powers are exercised by the Principal.

(c) Information concerning transactions in the Shares effected by the Reporting Person during the past sixty days is set forth in Exhibit A hereto and is incorporated herein by reference. All of the transactions in Shares listed hereto were effected in the open market through various brokerage entities.

(d) No person (other than the Reporting Person) is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares.

(e) Not applicable.

Item 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

The Reporting Person beneficially owns 46,315, 9,531.15 and 23,038 call options with strike prices of \$18.00, \$20.00 and \$22.00, respectively, which expire on November 21, 2014, for a total of 7,888,415 Shares. In addition, the Reporting Person beneficially owns 34,904 call options with a strike price of \$22.00, which expire on January 16, 2015, for a total of 3,490,400 Shares.

Except as otherwise set forth herein, the Reporting Person does not have any contract, arrangement, understanding or relationship with any person with respect to the securities of the Issuer.

Item 7. MATERIAL TO BE FILED AS EXHIBITS.

Exhibit A: Transactions in the Shares During the Last 60 Days.

SIGNATURES

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
