Item 8.01. Other Events.

Boyd Gaming Corporation ("Boyd") and MGM Resorts International ("MGM") each hold a 50% interest in Marina District Development Holding Co., LLC ("Holding Company"). Holding Company owns all the equity interests in Marina District Development Company, LLC, d.b.a. Borgata Hotel Casino and Spa ("Borgata"). Boyd is the managing member of Holding Company and is responsible for and directs the day-to-day operations of Borgata.

In February 2010, Boyd entered into an agreement with MGM to amend the operating agreement to, among other things, facilitate the transfer of MGM's interest in the Holding Company ("MGM Interest") to a divestiture trust (the "Divestiture Trust") established for the purpose of selling the MGM Interest to a third party. Upon the transfer of the MGM Interest into the Divestiture Trust on March 24, 2010, Boyd determined that it had control, as defined in the relevant accounting literature, of Holding Company and commenced consolidating the business as of that date.

On February 13, 2013, the New Jersey Casino Control Commission (the "NJCCC") approved amendments to the settlement agreement which permitted MGM to file an application for a statement of compliance, which, if approved, would permit MGM to retain its ownership interest in Holding Company. On April 24, 2013, MGM submitted its application. On September 10, 2014, the NJCCC approved MGM's application. As a result, the Divestiture Trust is expected to be dissolved and MGM will retain its ownership interest in Holding Company and its substantive participation rights in management of Holding Company will be restored. Consequently, Boyd is re-evaluating its accounting for Holding Company and will potentially deconsolidate Holding Company as of the date the Divestiture Trust is dissolved. If Boyd determines that it should deconsolidate, Boyd will determine the fair value of its investment in Holding Company as of the date of deconsolidation, eliminate the assets, liabilities and non-controlling interests recorded for Holding Company from Boyd's consolidated financial statements, record an investment equal to the fair value of its investment and recognize a gain or loss due to the deconsolidation. Boyd would account for its investment on the equity method for periods subsequent to the date of deconsolidation. Boyd anticipates completing this analysis and, if appropriate, reflecting the deconsolidation of Holding Company in a current report or its periodic report filed with the SEC following dissolution of the Divestiture Trust, as applicable.
