As of the Record Date, there were 24,592,092 outstanding shares of Common Stock, each share entitled to one vote on each matter to be voted on at the Annual Meeting. As of the Record Date, the Company had approximately 370 holders of record of Common Stock. Only holders of shares of Common Stock on the Record Date will be entitled to vote at the Annual Meeting. The holders of Common Stock are entitled to one vote on all matters presented at the meeting for each share held of record. If a quorum should not be present, the Annual Meeting may be adjourned until a quorum is obtained.

Each nominee to be elected as a director named in Proposal 1 must receive the vote of a plurality of the votes of the shares of Common Stock present in person or represented by proxy at the meeting. For the purposes of election of directors, although abstentions will count toward the presence of a quorum, they will not be counted as votes cast and will have no effect on the result of the vote. BROKERS WHO HOLD SHARES IN STREET NAME MAY VOTE ON BEHALF OF BENEFICIAL OWNERS WITH RESPECT TO PROPOSAL 1.

The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the meeting is required for the approval of each of Proposal 2, Proposal 3, Proposal 4 and Proposal 5. For purposes of approval of each of Proposal 2, Proposal 3, Proposal 4 and Proposal 5, abstentions will not be counted as votes entitled to be cast on each of these matters and will have no effect on the result of the vote. "Broker non-votes," which occur when brokers are prohibited from exercising discretionary voting authority for beneficial owners who have not provided voting instructions, will not be counted for the purpose of determining the number of shares present in person or by proxy on either Proposal 2, Proposal 3, Proposal 4 or Proposal 5 and will have no effect on the outcome of the vote.

The expense of preparing, printing and mailing this Proxy Statement, exhibits and the proxies solicited hereby will be borne by the Company. In addition to the use of the mails, proxies may be solicited by officers and directors and regular employees of the Company, without additional remuneration, by personal interviews, telephone or facsimile transmission. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of Common Stock held of record and will provide reimbursements for the cost of forwarding the material in accordance with customary charges.

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

Proxies given by stockholders of record for use at the Annual Meeting may be revoked at any time prior to the exercise of the powers conferred. In addition to revocation in any other manner permitted by law, stockholders of record giving a proxy may revoke the proxy by an instrument in writing, executed by the stockholder or his attorney authorized in writing or, if the stockholder is a corporation, under its corporate seal, by an officer or attorney thereof duly authorized, and deposited either at the corporate headquarters of the Company at any time up to and including the last business day preceding the day of the Annual Meeting, or any adjournments thereof, at which the proxy is to be used, or with the chairman of such Annual Meeting on the day of the Annual Meeting or adjournments thereof, and upon either of such deposits the proxy is revoked. Stockholder attending the meeting may revoke their proxies at the meeting.

ALL PROXIES RECEIVED WILL BE VOTED IN ACCORDANCE WITH THE CHOICES SPECIFIED ON SUCH PROXIES. PROXIES WILL BE VOTED IN FAVOR OF A PROPOSAL IF NO CONTRARY SPECIFICATION IS MADE. In April 2005, we entered into an employment agreement with Mr. David Clark pursuant to which he will serve as our Senior Vice President of Business Development. The agreement provides for an initial term of three years, an annual salary to Mr. Clark of \$150,000 and an annual bonus to be determined by our board of directors. In connection with the agreement, Mr. Clark was issued non-qualified options to purchase up to 800,000 shares of our common stock at an exercise price of \$0.01 per share. One-third of the options vested immediately upon the execution of the employment agreement, one-third vested on April 3, 2006 and one-third shall vest on April 2, 2007. The agreement also provides for the executive's ability to participate in our health insurance program. In the event that Mr. Clark's employment is terminated other than with good cause, he will receive a payment of the lesser of his then remaining salary due pursuant to the employment agreement or six months of base salary at his then current annual salary.

MANUFACTURING

All of our products are manufactured by Syscan Technology Holdings (STH), the parent company of our majority stockholder. We and STH have established an internal-pricing agreement that is updated on a semi-annual basis. STH currently serves as the manufacturer of all current image capture products produced by us. We believe, for quality control and pricing reasons, that this type of relationship is more favorable than could be attained from unaffiliated third-parties. We purchase and provide STH with critical parts and components necessary to manufacture our products.

We purchase significantly all of our finished scanner imaging products from the parent company of our majority stockholder, Syscan Technology Holdings Limited ("STH"). Our Chairman and CEO, Darwin Hu, was formerly the CEO of STH, and beneficially owns approximately 5.33% of the issued and outstanding capital stock of STH. The following is a summary of significant related party transactions, which were carried out in the normal course of the Company's business, during the years ended December 31, 2005 and 2004:

PROPOSAL 2

APPROVAL OF THE 2002 AMENDED AND RESTATED STOCK OPTION PLAN

On May 17, 2002, the Company's stockholders approved the 2002 Stock Option Plan under which 200,000 shares of the Company's common stock were reserved for issuance. On April 16, 2004, the Board of Directors (the "Board"), subject to stockholder approval, increased the number of shares of the Company's common stock reserved for issuance to 2,200,000 shares (8.95% of the outstanding shares as of May 1, 2006) ("2002 Amended and Restated Stock Option Plan" or the "Plan"). In July 2004, the Board of Directors, subject to stockholder approval, increased the number of shares of the Company's common stock reserved for issuance to 3,200,000 shares (13.0% of the outstanding shares as of May 1, 2006) ("2002 Amended and Restated Stock Option Plan" or the "Plan"). On July 15, 2004, the Board of Directors granted, subject to shareholder approval of the Plan, options to purchase 2,200,000 shares at \$2.00 per share of the Company's common stock (see "2002 Amended and Restated Stock Option Plan" on Page 14 for more details including the number of options granted to Officers and Directors), 220,000 of which were subsequently cancelled in May 2005. On December 8, 2005, the Board of Directors granted, subject to shareholder approval of the Plan, options to purchase 230,000 shares at \$0.65 per share of the Company's common stock (see "2002 Amended and Restated Stock Option Plan" on Page 14 for more details). The additional shares approved by the Board of Directors will not be exercisable until the amendments to the Plan are approved by the Company's stockholders. The Board is asking the Company's stockholders to approve the Plan, as amended, so that the Company may issue stock options thereunder, thereby providing additional incentives to those persons responsible for the success of the Company and allowing the Company to continue its policy of allowing those persons to share in the appreciation of the value of the Company's stock. The stockholders should be aware that since the Directors have been granted an aggregate of 1,120,000 of the 2,200,000 shares granted under the Plan they will receive a personal benefit from the approval of this proposal by the Stockholders.

DESCRIPTION OF THE 2002 AMENDED AND RESTATED STOCK OPTION PLAN

The following is a description of the purpose and certain of the provisions of the 2002 Amended and Restated Stock Option Plan. The summary is qualified in its entirety by reference to the complete text of the 2002 Amended and Restated Stock Option Plan, which is attached hereto as Exhibit A.

DESCRIPTION OF THE PLAN

THE PURPOSE OF THE PLAN. The purpose of the Plan is to provide additional incentive to the directors, officers, employees and consultants of the Company who are primarily responsible for the management and growth of the

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

Company. Each option shall be designated at the time of grant as either an incentive stock option (an "ISO") or as a non-qualified stock option (a "NQSO").

The Board of Directors believes that the ability to grant stock options to employees which qualify for ISO treatment provides an additional material incentive to certain key employees. The Internal Revenue Code requires that ISOs be granted pursuant to an option plan that receives stockholder approval within one year of its adoption. The Company adopted the Plan in order to comply with this statutory requirement and preserve its ability to grant ISOs.

The benefits to be derived from the Plan, if any, are not quantifiable or determinable.

-13-

ADMINISTRATION OF THE PLAN. The Plan shall be administered by the Board of Directors of the Company, or by any committee that the Company may in the future form and to which the Board of Directors may delegate the authority to perform such functions (in either case, the "Administrator"). The Board of Directors shall appoint and remove members of the committee in its discretion in accordance with applicable laws. In the event that the Company establishes such a committee and is required to comply with Rule 16b-3 under the Exchange Act and Section 162(m) of the Internal Revenue Code (the "Code"), the committee shall, in the Board of Director's discretion, be comprised solely of "non-employee directors" within the meaning of said Rule 16b-3 and "outside directors" within the meaning of Section 162(m) of the Code. Notwithstanding the foregoing, the Administrator may delegate non-discretionary administrative duties to such employees of the Company as it deems proper and the Board of Directors, in its absolute discretion, may at any time and from time to time exercise any and all rights and duties of the Administrator under the Plan.

Subject to the other provisions of the Plan, the Administrator shall have the authority, in its discretion: (i) to grant options; (ii) to determine the fair market value of the Common Stock subject to options; (iii) to determine the exercise price of options granted; (iv) to determine the persons to whom, and the time or times at which, options shall be granted, and the number of shares subject to each option; (v) to interpret the Plan; (vi) to prescribe, amend, and rescind rules and regulations relating to the Plan; (vii) to determine the terms and provisions of each option granted (which need not be identical), including but not limited to, the time or times at which options shall be exercisable; (viii) with the consent of the optionee, to modify or amend any option; (ix) to defer (with the consent of the optionee) the exercise date of any option; (x) to authorize any person to execute on behalf of the Company any instrument evidencing the grant of an option; and (xi) to make all other determinations deemed necessary or advisable for the administration of the Plan. The Administrator may delegate non-discretionary administrative duties to such employees of the Company as it deems proper.

SHARES OF STOCK SUBJECT TO THE PLAN. Subject to the conditions outlined below, the total number of shares of stock which may be issued under options granted pursuant to the Plan shall not exceed 3,200,000 shares of Common Stock, \$.001 par value per share.

The number of shares of Common Stock subject to options granted pursuant to the Plan may be adjusted under certain conditions. If the stock of the Company is changed by reason of a stock split, reverse stock split, stock dividend, recapitalization, combination or reclassification, appropriate adjustments shall be made by the Board of Directors in (i) the number and class

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

of shares of stock subject to the Plan, and (ii) the exercise price of each outstanding option; provided, however, that the Company shall not be required to issue fractional shares as a result of any such adjustments. Each such adjustment shall be subject to approval by the Board of Directors in its sole discretion.

In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each optionee at least thirty days prior to such proposed action. To the extent not previously exercised, all options will terminate immediately prior to the consummation of such proposed action; provided, however, that the Administrator, in the exercise of its sole discretion, may permit exercise of any options prior to their termination, even if such options were not otherwise exercisable. In the event of a merger or consolidation of the Company with or into another corporation or entity in which the Company does not survive, or in the event of a sale of all or substantially all of the assets of the Company in which the Stockholders of the Company receive securities of the acquiring entity or an affiliate thereof, all options shall be assumed or equivalent options shall be substituted by the successor corporation (or other entity) or a parent or subsidiary of such successor corporation (or other entity); provided, however, that if such successor does not agree to assume the options or to substitute equivalent options therefor, the Administrator, in the exercise of its sole discretion, may permit the exercise of any of the options prior to consummation of such event, even if such options were not otherwise exercisable.

-14-

PARTICIPATION. Every person who at the date of grant of an option is an employee of the Company or of any Affiliate (as defined below) of the Company is eligible to receive NQSOs or ISOs under the Plan. Every person who at the date of grant is a consultant to, or non-employee director of, the Company or any Affiliate (as defined below) of the Company is eligible to receive NQSOs under the Plan. The term "Affiliate" as used in the Plan means a parent or subsidiary corporation as defined in the applicable provisions (currently Sections 424(e) and (f), respectively) of the Code. The term "employee" includes an officer or director who is an employee of the Company. The term "consultant" includes persons employed by, or otherwise affiliated with, a consultant.

OPTION PRICE. The exercise price of a NQSO shall be not less than 85% of the fair market value of the stock subject to the option on the date of grant. To the extent required by applicable laws, rules and regulations, the exercise price of a NQSO granted to any person who owns, directly or by attribution under the Code (currently Section 424(d)), stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of any Affiliate (a "10% Stockholder") shall in no event be less than 110% of the fair market value of the stock covered by the option at the time the option is granted. The exercise price of an ISO shall be determined in accordance with the applicable provisions of the Code and shall in no event be less than the fair market value of the stock covered by the option at the time the option is granted. The exercise price of an ISO granted to any 10% Stockholder shall in no event be less than 110% of the fair market value of the stock covered by the Option at the time the Option is granted.

TERM OF THE OPTIONS. The Administrator, in its sole discretion, shall fix the term of each option, provided that the maximum term of an option shall be ten years. ISOs granted to a 10% Stockholder shall expire not more than five years after the date of grant. The Plan provides for the earlier expiration of options in the event of certain terminations of employment of the holder.

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

RESTRICTIONS ON GRANT AND EXERCISE. Except with the express written approval of the Administrator which approval the Administrator is authorized to give only with respect to NQSOs, no option granted under the Plan shall be assignable or otherwise transferable by the optionee except by will or by operation of law. During the life of the optionee, an option shall be exercisable only by the optionee.

TERMINATION OF THE PLAN. The Plan shall become effective upon adoption by the Board or Directors; provided, however, that no option shall be exercisable unless and until written consent of the Stockholders of the Company, or approval of Stockholders of the Company voting at a validly called Stockholders' meeting, is obtained within twelve months after adoption by the Board of Directors. If such Stockholder approval is not obtained within such time, options granted pursuant to the Plan shall be of the same force and effect as if such approval was obtained except that all ISOs granted pursuant to the Plan shall be treated as NQSOs. Options may be granted and exercised under the Plan only after there has been compliance with all applicable federal and state securities laws. The Plan shall terminate within ten years from the date of its adoption by the Board of Directors.

TERMINATION OF EMPLOYMENT. If for any reason other than death or permanent and total disability, an optionee ceases to be employed by the Company or any of its Affiliates (such event being called a "Termination"), options held at the date of Termination (to the extent then exercisable) may be exercised in whole or in part at any time within three months of the date of such Termination, or such other period of not less than thirty days after the date of such Termination as is specified in the Option Agreement or by amendment thereof (but in no event after the expiration date of the option (the "Expiration Date")); provided, however, that if such exercise of the option would result in liability for the optionee under Section 16(b) of the Exchange Act, then such three-month period automatically shall be extended until the tenth day following the last date upon which optionee has any liability under Section 16(b) (but in no event after the Expiration Date). If an optionee dies or becomes permanently and totally disabled (within the meaning of Section 22(e)(3) of the Code) while

-15-

employed by the Company or an Affiliate or within the period that the option remains exercisable after Termination, options then held (to the extent then exercisable) may be exercised, in whole or in part, by the optionee, by the optionee's personal representative or by the person to whom the option is transferred by devise or the laws of descent and distribution, at any time within twelve months after the death or twelve months after the permanent and total disability of the optionee or any longer period specified in the Option Agreement or by amendment thereof (but in no event after the Expiration Date). "Employment" includes service as a director or as a consultant. For purposes of the Plan, an optionee's employment shall not be deemed to terminate by reason of sick leave, military leave or other leave of absence approved by the Administrator, if the period of any such leave does not exceed 90 days or, if longer, if the optionee's right to reemployment by the Company or any Affiliate is guaranteed either contractually or by statute.

AMENDMENTS TO THE PLAN. The Board of Directors may at any time amend, alter, suspend or discontinue the Plan. Without the consent of an optionee, no amendment, alteration, suspension or discontinuance may adversely affect outstanding options except to conform the Plan and ISOs granted under the Plan to the requirements of federal or other tax laws relating to ISOs. No amendment, alteration, suspension or discontinuance shall require Stockholder approval unless (i) stockholder approval is required to preserve incentive stock option treatment for federal income tax purposes or (ii) the Board of Directors

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

otherwise concludes that stockholder approval is advisable.

TAX TREATMENT OF THE OPTIONS. Under the Code, neither the grant nor the exercise of an ISO is a taxable event to the optionee (except to the extent an optionee may be subject to alternative minimum tax); rather, the optionee is subject to tax only upon the sale of the Common Stock acquired upon exercise of the ISO. Upon such a sale, the entire difference between the amount realized upon the sale and the exercise price of the option will be taxable to the optionee. Subject to certain holding period requirements, such difference will be taxed as a capital gain rather than as ordinary income. Optionees who receive NQSOs will be subject to taxation upon exercise of such options on the spread between the fair market value of the Common Stock on the date of exercise and the exercise price of such options. This spread is treated as ordinary income to the optionee, and the Company is permitted to deduct as an employee expense a corresponding amount. NQSOs do not give rise to a tax preference item subject to the alternative minimum tax.

REQUIRED VOTE AND RECOMMENDATION

Stockholder approval of the 2002 Amended and Restated Stock Option Plan is required under the Internal Revenue Code of 1986, as amended, in order for options granted under the 2002 Amended and Restated Stock Option Plan to be considered "incentive stock options." The affirmative vote of a majority of all the votes cast at a meeting at which a quorum is present is required to approve the 2002 Amended and Restated Stock Option Plan as set forth in this Proposal 2. For purposes of the vote on Proposal 2, abstentions and broker non-votes will not be counted as votes cast and thus will have no effect on the result of the vote although they will count towards the presence of a quorum for Proposal 2. Properly executed, unrevoked proxies will be voted FOR Proposal 2 unless a vote against Proposal 2 or abstention is specifically indicated in the proxy.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE COMPANY'S
2002 AMENDED AND RESTATED STOCK OPTION PLAN

PROPOSAL 3

APPROVAL OF THE 2006 STOCK OPTION PLAN

On May 1, 2006, the Company's Board of Directors adopted a resolution approving the 2006 Stock Option Plan under which 1,500,000 shares of the Company's common stock will be reserved for issuance (6.1% of the outstanding shares as of May 1, 2006) ("2006 Stock Option Plan"). The Plan will not become effective until it is approved by the Company's stockholders. The Board is asking the Company's stockholders to approve the 2006 Stock Option Plan so that the Company may issue stock options thereunder, thereby providing additional incentives to those persons responsible for the success of the Company and allowing the Company to continue its policy of allowing those persons to share in the appreciation of the value of the Company's stock. No options have been granted under the 2006 Stock Option Plan to date, and there is no plan by the Company to issue any options at this time.

DESCRIPTION OF THE 2006 STOCK OPTION PLAN

The following is a description of the purpose and certain of the provisions of the 2006 Stock Option Plan. The summary is qualified in its entirety by reference to the complete text of the 2006 Stock Option Plan, which is attached hereto as Exhibit B.

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

DESCRIPTION OF THE PLAN

THE PURPOSE OF THE PLAN. The purpose of the Plan is to provide additional incentive to the directors, officers, employees and consultants of the Company who are primarily responsible for the management and growth of the Company. Each option shall be designated at the time of grant as either an incentive stock option (an "ISO") or as a non-qualified stock option (a "NQSO").

The Board of Directors believes that the ability to grant stock options to employees which qualify for ISO treatment provides an additional material incentive to certain key employees. The Internal Revenue Code requires that ISOs be granted pursuant to an option plan that receives stockholder approval within one year of its adoption. The Company adopted the Plan in order to comply with this statutory requirement and preserve its ability to grant ISOs.

The benefits to be derived from the Plan, if any, are not quantifiable or determinable.

ADMINISTRATION OF THE PLAN. The Plan shall be administered by the Board of Directors of the Company, or by any committee that the Company may in the future form and to which the Board of Directors may delegate the authority to perform such functions (in either case, the "Administrator"). The Board of Directors shall appoint and remove members of the committee in its discretion in accordance with applicable laws. In the event that the Company establishes such a committee and is required to comply with Rule 16b-3 under the Exchange Act and Section 162(m) of the Internal Revenue Code (the "Code"), the committee shall, in the Board of Director's discretion, be comprised solely of "non-employee directors" within the meaning of said Rule 16b-3 and "outside directors" within the meaning of Section 162(m) of the Code. Notwithstanding the foregoing, the Administrator may delegate non-discretionary administrative duties to such employees of the Company as it deems proper and the Board of Directors, in its absolute discretion, may at any time and from time to time exercise any and all rights and duties of the Administrator under the Plan.

Subject to the other provisions of the Plan, the Administrator shall have the authority, in its discretion: (i) to grant options; (ii) to determine the fair market value of the Common Stock subject to options; (iii) to determine the exercise price of options granted; (iv) to determine the persons to whom, and the time or times at which, options shall be granted, and the number of shares subject to each option; (v) to interpret the Plan; (vi) to prescribe, amend, and rescind rules and regulations relating to the Plan; (vii) to

-17-

determine the terms and provisions of each option granted (which need not be identical), including but not limited to, the time or times at which options shall be exercisable; (viii) with the consent of the optionee, to modify or amend any option; (ix) to defer (with the consent of the optionee) the exercise date of any option; (x) to authorize any person to execute on behalf of the Company any instrument evidencing the grant of an option; and (xi) to make all other determinations deemed necessary or advisable for the administration of the Plan. The Administrator may delegate non-discretionary administrative duties to such employees of the Company as it deems proper.

SHARES OF STOCK SUBJECT TO THE PLAN. Subject to the conditions outlined below, the total number of shares of stock which may be issued under options granted pursuant to the Plan shall not exceed 1,500,000 shares of Common Stock, \$.001 par value per share.

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

The number of shares of Common Stock subject to options granted pursuant to the Plan may be adjusted under certain conditions. If the stock of the Company is changed by reason of a stock split, reverse stock split, stock dividend, recapitalization, combination or reclassification, appropriate adjustments shall be made by the Board of Directors in (i) the number and class of shares of stock subject to the Plan, and (ii) the exercise price of each outstanding option; provided, however, that the Company shall not be required to issue fractional shares as a result of any such adjustments. Each such adjustment shall be subject to approval by the Board of Directors in its sole discretion.

In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each optionee at least thirty days prior to such proposed action. To the extent not previously exercised, all options will terminate immediately prior to the consummation of such proposed action; provided, however, that the Administrator, in the exercise of its sole discretion, may permit exercise of any options prior to their termination, even if such options were not otherwise exercisable. In the event of a merger or consolidation of the Company with or into another corporation or entity in which the Company does not survive, or in the event of a sale of all or substantially all of the assets of the Company in which the Stockholders of the Company receive securities of the acquiring entity or an affiliate thereof, all options shall be assumed or equivalent options shall be substituted by the successor corporation (or other entity) or a parent or subsidiary of such successor corporation (or other entity); provided, however, that if such successor does not agree to assume the options or to substitute equivalent options therefor, the Administrator, in the exercise of its sole discretion, may permit the exercise of any of the options prior to consummation of such event, even if such options were not otherwise exercisable.

PARTICIPATION. Every person who at the date of grant of an option is an employee of the Company or of any Affiliate (as defined below) of the Company is eligible to receive NQSOs or ISOs under the Plan. Every person who at the date of grant is a consultant to, or non-employee director of, the Company or any Affiliate (as defined below) of the Company is eligible to receive NQSOs under the Plan. The term "Affiliate" as used in the Plan means a parent or subsidiary corporation as defined in the applicable provisions (currently Sections 424(e) and (f), respectively) of the Code. The term "employee" includes an officer or director who is an employee of the Company. The term "consultant" includes persons employed by, or otherwise affiliated with, a consultant.

OPTION PRICE. The exercise price of a NQSO shall be not less than 85% of the fair market value of the stock subject to the option on the date of grant. To the extent required by applicable laws, rules and regulations, the exercise price of a NQSO granted to any person who owns, directly or by attribution under the Code (currently Section 424(d)), stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of any Affiliate (a "10% Stockholder") shall in no event be less than 110% of the fair market value of the stock covered by the option at the time the option is granted. The exercise price of an ISO shall be determined in accordance with the applicable provisions of the Code and shall in no event be less than the fair market value of the stock covered by the option at the time the option is granted. The exercise price of an ISO granted to any 10% Stockholder shall in no event be less than 110% of the fair market value of the stock covered by the Option at the time the Option is granted.

-18-

TERM OF THE OPTIONS. The Administrator, in its sole discretion,

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

shall fix the term of each option, provided that the maximum term of an option shall be ten years. ISOs granted to a 10% Stockholder shall expire not more than five years after the date of grant. The Plan provides for the earlier expiration of options in the event of certain terminations of employment of the holder.

RESTRICTIONS ON GRANT AND EXERCISE. Except with the express written approval of the Administrator which approval the Administrator is authorized to give only with respect to NQSOs, no option granted under the Plan shall be assignable or otherwise transferable by the optionee except by will or by operation of law. During the life of the optionee, an option shall be exercisable only by the optionee.

TERMINATION OF THE PLAN. The Plan shall become effective upon adoption by the Board or Directors; provided, however, that no option shall be exercisable unless and until written consent of the Stockholders of the Company, or approval of Stockholders of the Company voting at a validly called Stockholders' meeting, is obtained within twelve months after adoption by the Board of Directors. If such Stockholder approval is not obtained within such time, options granted pursuant to the Plan shall be of the same force and effect as if such approval was obtained except that all ISOs granted pursuant to the Plan shall be treated as NQSOs. Options may be granted and exercised under the Plan only after there has been compliance with all applicable federal and state securities laws. The Plan shall terminate within ten years from the date of its adoption by the Board of Directors.

TERMINATION OF EMPLOYMENT. If for any reason other than death or permanent and total disability, an optionee ceases to be employed by the Company or any of its Affiliates (such event being called a "Termination"), options held at the date of Termination (to the extent then exercisable) may be exercised in whole or in part at any time within three months of the date of such Termination, or such other period of not less than thirty days after the date of such Termination as is specified in the Option Agreement or by amendment thereof (but in no event after the expiration date of the option (the "Expiration Date")); provided, however, that if such exercise of the option would result in liability for the optionee under Section 16(b) of the Exchange Act, then such three-month period automatically shall be extended until the tenth day following the last date upon which optionee has any liability under Section 16(b) (but in no event after the Expiration Date). If an optionee dies or becomes permanently and totally disabled (within the meaning of Section 22(e)(3) of the Code) while employed by the Company or an Affiliate or within the period that the option remains exercisable after Termination, options then held (to the extent then exercisable) may be exercised, in whole or in part, by the optionee, by the optionee's personal representative or by the person to whom the option is transferred by devise or the laws of descent and distribution, at any time within twelve months after the death or twelve months after the permanent and total disability of the optionee or any longer period specified in the Option Agreement or by amendment thereof (but in no event after the Expiration Date). "Employment" includes service as a director or as a consultant. For purposes of the Plan, an optionee's employment shall not be deemed to terminate by reason of sick leave, military leave or other leave of absence approved by the Administrator, if the period of any such leave does not exceed 90 days or, if longer, if the optionee's right to reemployment by the Company or any Affiliate is guaranteed either contractually or by statute.

-19-

AMENDMENTS TO THE PLAN. The Board of Directors may at any time amend, alter, suspend or discontinue the Plan. Without the consent of an optionee, no amendment, alteration, suspension or discontinuance may adversely

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

affect outstanding options except to conform the Plan and ISOs granted under the Plan to the requirements of federal or other tax laws relating to ISOs. No amendment, alteration, suspension or discontinuance shall require Stockholder approval unless (i) stockholder approval is required to preserve incentive stock option treatment for federal income tax purposes or (ii) the Board of Directors otherwise concludes that stockholder approval is advisable.

TAX TREATMENT OF THE OPTIONS. Under the Code, neither the grant nor the exercise of an ISO is a taxable event to the optionee (except to the extent an optionee may be subject to alternative minimum tax); rather, the optionee is subject to tax only upon the sale of the Common Stock acquired upon exercise of the ISO. Upon such a sale, the entire difference between the amount realized upon the sale and the exercise price of the option will be taxable to the optionee. Subject to certain holding period requirements, such difference will be taxed as a capital gain rather than as ordinary income. Optionees who receive NQSOs will be subject to taxation upon exercise of such options on the spread between the fair market value of the Common Stock on the date of exercise and the exercise price of such options. This spread is treated as ordinary income to the optionee, and the Company is permitted to deduct as an employee expense a corresponding amount. NQSOs do not give rise to a tax preference item subject to the alternative minimum tax.

REQUIRED VOTE AND RECOMMENDATION

Stockholder approval of the 2006 Stock Option Plan is required under the Internal Revenue Code of 1986, as amended, in order for options granted under the 2006 Stock Option Plan to be considered "incentive stock options." The affirmative vote of a majority of all the votes cast at a meeting at which a quorum is present is required to approve the 2006 Stock Option Plan as set forth in this Proposal 3. For purposes of the vote on Proposal 3, abstentions and broker non-votes will not be counted as votes cast and thus will have no effect on the result of the vote although they will count towards the presence of a quorum for Proposal 3. Properly executed, unrevoked proxies will be voted FOR Proposal 3 unless a vote against Proposal 3 or abstention is specifically indicated in the proxy.

VOTING OF PROXIES

Proxies may be revoked by stockholders at any time prior to the voting thereof by giving notice of revocation in writing to the Secretary of the Company or in person at the Annual Meeting. If the enclosed proxy is properly signed, dated and returned, the Common Stock represented thereby will be voted in accordance with the instructions thereon. If no instructions are indicated, the Common Stock represented thereby will be voted FOR the election of all the Directors, FOR the approval of the Company's 2002 Amended and Restated Stock Option Plan, FOR the approval of the Company's 2006 Stock Option Plan, FOR the change of the Company's corporate name to Sysview, Inc. and FOR the approval of the appointment of Clancy and Co., P.L.L.C. as the Company's independent auditors for the year ended December 31, 2006.

REVOCABILITY OF PROXY

Shares represented by valid proxies will be voted in accordance with instructions contained therein, or, in the absence of such instructions, in accordance with the Board of Directors' recommendations. Any person signing and mailing the enclosed proxy may, nevertheless, revoke the proxy at any time prior to the actual voting thereof by attending the Annual Meeting and voting in person, by providing written notice of revocation of the proxy or by submitting a signed proxy bearing a later date. Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

proxy at any time prior to the voting thereof by any action inconsistent with the proxy, including notifying the Secretary of the Company in writing, executing a subsequent proxy, or personally appearing at the Annual Meeting and casting a contrary vote. However, no such revocation will be effective unless and until such notice of revocation has been received by the Company at or prior to the Annual Meeting.

METHOD OF COUNTING VOTES

Unless a contrary choice is indicated, all duly executed proxies will be voted in accordance with the instructions set forth on the proxy card. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote (the "non-vote") on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, the election of directors is a routine matter on which a broker has the discretion to vote if instructions are not received from the client in a timely manner. Abstentions will be counted as present for purposes of determining a quorum but will not be counted for or against the election of directors. As to Item 1, the Proxy confers authority to vote for all of the four persons listed as candidates for a position on the Board of Directors even though the block in Item 1 is not marked unless the names of one or more candidates are lined out. The Proxy will be voted "For" Item 2 unless "Against" or "Abstain" is indicated. The Proxy will be voted "For" Item 3 unless "Against" or "Abstain" is indicated. The Proxy will be voted "For" Item 4 unless "Against" or "Abstain" is indicated. The Proxy will be voted "for" Item 5 unless "Against" or "Abstain" is indicated. If any other business is presented at the meeting, the Proxy shall be voted in accordance with the recommendations of the Board of Directors.

4. ADMINISTRATION

(a) The Plan shall be administered by either the Board of Directors of the Company (the "Board") or by a committee (the "Committee") to which administration of the Plan, or of part of the Plan, may be delegated by the Board (in either case, the "Administrator"). The Board shall appoint and remove members of such Committee, if any, in its discretion in accordance with applicable laws. If necessary in order to comply with Rule 16b-3 under the Exchange Act and Section 162(m) of the Code, the Committee shall, in the Board's discretion, be comprised solely of "non-employee directors" within the meaning of said Rule 16b-3 and "outside directors" within the meaning of Section 162(m) of the Code. The foregoing notwithstanding, the Administrator may delegate nondiscretionary administrative duties to such employees of the Company as it deems proper and the Board, in its absolute discretion, may at any time and from time to time exercise any and all rights and duties of the Administrator under the Plan.

(b) Subject to the other provisions of this Plan, the Administrator shall have the authority, in its discretion: (i) to grant Options; (ii) to determine the fair market value of the Shares subject to Options; (iii) to determine the exercise price of Options granted; (iv) to determine the persons to whom, and the time or times at which, Options shall be granted, and the number of shares subject to each Option; (v) to interpret this Plan; (vi) to prescribe, amend, and rescind rules and regulations relating to this Plan; (vii)

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

The Administrator may delegate nondiscretionary administrative duties to such employees of the Company as it deems proper.

(c) All questions of interpretation, implementation, and application of this Plan shall be determined by the Administrator. Such determinations shall be final and binding on all persons.

5. GRANTING OF OPTIONS; OPTION AGREEMENT

(a) No Options shall be granted under this Plan after 10 years from the date of adoption of this Plan by the Board.

(b) Each Option shall be evidenced by a written stock option agreement, in form satisfactory to the Administrator, executed by the Company and the person to whom such Option is granted.

(c) The stock option agreement shall specify whether each Option it evidences is an NQSO or an ISO.

(d) Subject to Section 6.3.3 with respect to ISOs, the Administrator may approve the grant of Options under this Plan to persons who are expected to become employees, directors or consultants of the Company, but are not employees, directors or consultants at the date of approval, and the date of approval shall be deemed to be the date of grant unless otherwise specified by the Administrator.

6. TERMS AND CONDITIONS OF OPTIONS

Each Option granted under this Plan shall be subject to the terms and conditions set forth in Section 6.1. NQSOs shall also be subject to the terms and conditions set forth in Section 6.2, but not those set forth in Section 6.3. ISOs shall also be subject to the terms and conditions set forth in Section 6.3, but not those set forth in Section 6.2.

A-2

6.1 Terms and Conditions to Which All Options Are Subject. All Options granted under this Plan shall be subject to the following terms and conditions:

6.1.1 Changes in Capital Structure. Subject to Section 6.1.2, if the stock of the Company is changed by reason of a stock split, reverse stock split, stock dividend, or recapitalization, combination or reclassification, appropriate adjustments shall be made by the Board in (a) the number and class of shares of stock subject to this Plan and each Option outstanding under this Plan, and (b) the exercise price of each outstanding Option; provided, however, that the Company shall not be required to issue fractional shares as a result of any such adjustments. Each such adjustment shall be subject to approval by the Board in its sole discretion.

6.1.2 Corporate Transactions. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each optionee at least 30 days prior to such proposed action. To the extent not

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

previously exercised, all Options will terminate immediately prior to the consummation of such proposed action; provided, however, that the Administrator, in the exercise of its sole discretion, may permit exercise of any Options prior to their termination, even if such Options were not otherwise exercisable. In the event of a merger or consolidation of the Company with or into another corporation or entity in which the Company does not survive, or in the event of a sale of all or substantially all of the assets of the Company in which the shareholders of the Company receive securities of the acquiring entity or an affiliate thereof, all Options shall be assumed or equivalent options shall be substituted by the successor corporation (or other entity) or a parent or subsidiary of such successor corporation (or other entity); provided, however, that if such successor does not agree to assume the Options or to substitute equivalent options therefor, the Administrator, in the exercise of its sole discretion, may permit the exercise of any of the Options prior to consummation of such event, even if such Options were not otherwise exercisable.

6.1.3 Time of Option Exercise. Subject to Section 5 and Section 6.3.4, Options granted under this Plan shall be exercisable (a) immediately as of the effective date of the stock option agreement granting the Option, or (b) in accordance with a schedule as may be set by the Administrator (each such date on such schedule, the "Vesting Base Date") and specified in the written stock option agreement relating to such Option. In any case, no Option shall be exercisable until a written stock option agreement in form satisfactory to the Company is executed by the Company and the optionee.

6.1.4 Option Grant Date. The date of grant of an Option under this Plan shall be the date as of which the Administrator approves the grant.

6.1.5 Nontransferability of Option Rights. Except with the express written approval of the Administrator which approval the Administrator is authorized to give only with respect to NQSOs, no Option granted under this Plan shall be assignable or otherwise transferable by the optionee except by will, by the laws of descent and distribution or pursuant to a qualified domestic relations order. During the life of the optionee, an Option shall be exercisable only by the optionee.

6.1.6 Payment. Except as provided below, payment in full, in cash, shall be made for all stock purchased at the time written notice of exercise of an Option is given to the Company, and proceeds of any payment shall constitute general funds of the Company. The Administrator, in the exercise of its absolute discretion, may authorize any one or more of the following additional methods of payment:

(a) Subject to the discretion of the Administrator and the terms of the stock option agreement granting the Option, delivery by the optionee of Shares already owned by the optionee for all or part of the Option price, provided the fair market value (determined as set forth in Section 6.1.10) of such Shares being delivered is equal on the date of exercise to the Option price, or such portion thereof as the optionee is authorized to pay by delivery of such stock; and

A-3

(b) Subject to the discretion of the Administrator, through the surrender of Shares then issuable upon exercise of the Option, provided the fair market value (determined as set forth in Section 6.1.10) of such Shares is equal on the date of exercise to the Option price, or such portion thereof as the optionee is authorized to pay by surrender of such stock.

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

6.1.7 Termination of Employment. If for any reason other than death or permanent and total disability, an optionee ceases to be employed by the Company or any of its Affiliates (such event being called a "Termination"), Options held at the date of Termination (to the extent then exercisable) may be exercised in whole or in part at any time within three months of the date of such Termination, or such other period of not less than 30 days after the date of such Termination as is specified in the Option Agreement or by amendment thereof (but in no event after the Expiration Date); provided, however, that if such exercise of the Option would result in liability for the optionee under Section 16(b) of the Exchange Act, then such three-month period automatically shall be extended until the tenth day following the last date upon which optionee has any liability under Section 16(b) (but in no event after the Expiration Date). If an optionee dies or becomes permanently and totally disabled (within the meaning of Section 22(e)(3) of the Code) while employed by the Company or an Affiliate or within the period that the Option remains exercisable after Termination, Options then held (to the extent then exercisable) may be exercised, in whole or in part, by the optionee, by the optionee's personal representative or by the person to whom the Option is transferred by devise or the laws of descent and distribution, at any time within twelve months after the death or twelve months after the permanent and total disability of the optionee or any longer period specified in the Option Agreement or by amendment thereof (but in no event after the Expiration Date). For purposes of this Section 6.1.7, "employment" includes service as a director or as a consultant. For purposes of this Section 6.1.7, an optionee's employment shall not be deemed to terminate by reason of sick leave, military leave or other leave of absence approved by the Administrator, if the period of any such leave does not exceed 90 days or, if longer, if the optionee's right to reemployment by the Company or any Affiliate is guaranteed either contractually or by statute.

6.1.8 Withholding and Employment Taxes. At the time of exercise of an Option and as a condition thereto, or at such other time as the amount of such obligations becomes determinable (the "Tax Date"), the optionee shall remit to the Company in cash all applicable federal and state withholding and employment taxes. Such obligation to remit may be satisfied, if authorized by the Administrator in its sole discretion, after considering any tax, accounting and financial consequences, by the optionee's (i) delivery of a promissory note in the required amount on such terms as the Administrator deems appropriate, (ii) tendering to the Company previously owned Shares or other securities of the Company with a fair market value equal to the required amount, or (iii) agreeing to have Shares (with a fair market value equal to the required amount) which are acquired upon exercise of the Option withheld by the Company.

6.1.9 Other Provisions. Each Option granted under this Plan may contain such other terms, provisions, and conditions not inconsistent with this Plan as may be determined by the Administrator, and each ISO granted under this Plan shall include such provisions and conditions as are necessary to qualify the Option as an "incentive stock option" within the meaning of Section 422 of the Code.

6.1.10 Determination of Value. For purposes of the Plan, the fair market value of Shares or other securities of the Company shall be determined as follows:

A-4

(a) Fair market value shall be the closing price of such stock on the date before the date the value is to be determined on the principal recognized securities exchange or recognized securities market on

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

which such stock is reported, but if selling prices are not reported, its fair market value shall be the mean between the high bid and low asked prices for such stock on the date before the date the value is to be determined (or if there are no quoted prices for such date, then for the last preceding business day on which there were quoted prices).

(b) In the absence of an established market for the stock, the fair market value thereof shall be determined in good faith by the Administrator, with reference to the Company's net worth, prospective earning power, dividend-paying capacity, and other relevant factors, including the goodwill of the Company, the economic outlook in the Company's industry, the Company's position in the industry, the Company's management, and the values of stock of other corporations in the same or similar line of business.

6.1.11 Option Term. Subject to Section 6.3.4, no Option shall be exercisable more than 10 years after the date of grant, or such lesser period of time as is set forth in the stock option agreement (the end of the maximum exercise period stated in the stock option agreement is referred to in this Plan as the "Expiration Date").

6.2 Terms and Conditions to Which Only NQSOs Are Subject. Options granted under this Plan which are designated as NQSOs shall be subject to the following terms and conditions:

6.2.1 Exercise Price.

(a) Except as set forth in Section 6.2.1(b), the exercise price of an NQSO shall be not less than 85% of the fair market value (determined in accordance with Section 6.1.10) of the stock subject to the Option on the date of grant.

(b) To the extent required by applicable laws, rules and regulations, the exercise price of a NQSO granted to any person who owns, directly or by attribution under the Code (currently Section 424(d)), stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or of any Affiliate (a "Ten Percent Shareholder") shall in no event be less than 110% of the fair market value (determined in accordance with Section 6.1.10) of the stock covered by the Option at the time the Option is granted.

6.3 Terms and Conditions to Which Only ISOs Are Subject. Options granted under this Plan which are designated as ISOs shall be subject to the following terms and conditions:

6.3.1 Exercise Price.

A-5

(a) Except as set forth in Section 6.3.1(b), the exercise price of an ISO shall be determined in accordance with the applicable provisions of the Code and shall in no event be less than the fair market value (determined in accordance with Section 6.1.10) of the stock covered by the Option at the time the Option is granted.

(b) The exercise price of an ISO granted to any Ten Percent Shareholder shall in no event be less than 110% of the fair market value (determined in accordance with Section 6.1.10) of the stock covered by the Option at the time the Option is granted.

6.3.2 Disqualifying Dispositions. If stock acquired by

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

exercise of an ISO granted pursuant to this Plan is disposed of in a "disqualifying disposition" within the meaning of Section 422 of the Code (a disposition within two years from the date of grant of the Option or within one year after the transfer such stock on exercise of the Option), the holder of the stock immediately before the disposition shall promptly notify the Company in writing of the date and terms of the disposition and shall provide such other information regarding the Option as the Company may reasonably require.

6.3.3 Grant Date. If an ISO is granted in anticipation of employment as provided in Section 5(d), the Option shall be deemed granted, without further approval, on the date the grantee assumes the employment relationship forming the basis for such grant, and, in addition, satisfies all requirements of this Plan for Options granted on that date.

6.3.4 Term. Notwithstanding Section 6.1.11, no ISO granted to any Ten Percent Shareholder shall be exercisable more than five years after the date of grant.

7. MANNER OF EXERCISE

(a) An optionee wishing to exercise an Option shall give written notice to the Company at its principal executive office, to the attention of the officer of the Company designated by the Administrator, accompanied by payment of the exercise price and withholding taxes as provided in Sections 6.1.6 and 6.1.8. The date the Company receives written notice of an exercise hereunder accompanied by payment of the exercise price will be considered as the date such Option was exercised.

(b) Promptly after receipt of written notice of exercise of an Option and the payments called for by Section 7(a), the Company shall, without stock issue or transfer taxes to the optionee or other person entitled to exercise the Option, deliver to the optionee or such other person a certificate or certificates for the requisite number of shares of stock. An optionee or permitted transferee of the Option shall not have any privileges as a shareholder with respect to any shares of stock covered by the Option until the date of issuance (as evidenced by the appropriate entry on the books of the Company or a duly authorized transfer agent) of such shares.

8. EMPLOYMENT OR CONSULTING RELATIONSHIP

Nothing in this Plan or any Option granted hereunder shall interfere with or limit in any way the right of the Company or of any of its Affiliates to terminate any optionee's employment or consulting at any time, nor confer upon any optionee any right to continue in the employ of, or consult with, the Company or any of its Affiliates.

A-6

9. CONDITIONS UPON ISSUANCE OF SHARES

Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended (the "Securities Act").

10. NON-EXCLUSIVITY OF THE PLAN

The adoption of the Plan shall not be construed as creating any

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

limitations on the power of the Company to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options other than under the Plan.

11. AMENDMENTS TO PLAN

The Board may at any time amend, alter, suspend or discontinue this Plan. Without the consent of an optionee, no amendment, alteration, suspension or discontinuance may adversely affect outstanding Options except to conform this Plan and ISOs granted under this Plan to the requirements of federal or other tax laws relating to incentive stock options. No amendment, alteration, suspension or discontinuance shall require shareholder approval unless (a) shareholder approval is required to preserve incentive stock option treatment for federal income tax purposes or (b) the Board otherwise concludes that shareholder approval is advisable.

12. EFFECTIVE DATE OF PLAN; TERMINATION

This Plan shall become effective upon adoption by the Board; provided, however, that no Option shall be exercisable unless and until written consent of the shareholders of the Company, or approval of shareholders of the Company voting at a validly called shareholders' meeting, is obtained within twelve months after adoption by the Board. If such shareholder approval is not obtained within such time, Options granted hereunder shall be of the same force and effect as if such approval was obtained except that all ISOs granted hereunder shall be treated as NQSOs. Options may be granted and exercised under this Plan only after there has been compliance with all applicable federal and state securities laws. This Plan shall terminate within ten years from the date of its adoption by the Board.

4. ADMINISTRATION

(a) The Plan shall be administered by either the Board of Directors of the Company (the "Board") or by a committee (the "Committee") to which administration of the Plan, or of part of the Plan, may be delegated by the Board (in either case, the "Administrator"). The Board shall appoint and remove members of such Committee, if any, in its discretion in accordance with applicable laws. If necessary in order to comply with Rule 16b-3 under the Exchange Act and Section 162(m) of the Code, the Committee shall, in the Board's discretion, be comprised solely of "non-employee directors" within the meaning of said Rule 16b-3 and "outside directors" within the meaning of Section 162(m) of the Code. The foregoing notwithstanding, the Administrator may delegate nondiscretionary administrative duties to such employees of the Company as it deems proper and the Board, in its absolute discretion, may at any time and from time to time exercise any and all rights and duties of the Administrator under the Plan.

(b) Subject to the other provisions of this Plan, the Administrator shall have the authority, in its discretion: (i) to grant Options; (ii) to determine the fair market value of the Shares subject to Options; (iii) to determine the exercise price of Options granted; (iv) to determine the persons to whom, and the time or times at which, Options shall be granted, and the number of shares subject to each Option; (v) to interpret this Plan; (vi) to prescribe, amend, and rescind rules and regulations relating to this Plan; (vii) to determine the terms and provisions of each Option granted (which need not be identical), including but not limited to, the time or times at which Options shall be exercisable; (viii) with the consent of the optionee, to modify or amend any Option; (ix) to defer (with the consent of the optionee) the exercise date of any Option; (x) to authorize any person to execute on behalf of the Company any instrument evidencing the grant of an Option; and (xi) to make all other determinations deemed necessary or advisable for the administration of this Plan. The Administrator may delegate nondiscretionary administrative duties to such employees of the Company as it deems proper.

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

(c) All questions of interpretation, implementation, and application of this Plan shall be determined by the Administrator. Such determinations shall be final and binding on all persons.

5. GRANTING OF OPTIONS; OPTION AGREEMENT

(a) No Options shall be granted under this Plan after 10 years from the date of adoption of this Plan by the Board.

(b) Each Option shall be evidenced by a written stock option agreement, in form satisfactory to the Administrator, executed by the Company and the person to whom such Option is granted.

(c) The stock option agreement shall specify whether each Option it evidences is an NQSO or an ISO.

(d) Subject to Section 6.3.3 with respect to ISOs, the Administrator may approve the grant of Options under this Plan to persons who are expected to become employees, directors or consultants of the Company, but are not employees, directors or consultants at the date of approval, and the date of approval shall be deemed to be the date of grant unless otherwise specified by the Administrator.

A-9

6. TERMS AND CONDITIONS OF OPTIONS

Each Option granted under this Plan shall be subject to the terms and conditions set forth in Section 6.1. NQSOs shall also be subject to the terms and conditions set forth in Section 6.2, but not those set forth in Section 6.3. ISOs shall also be subject to the terms and conditions set forth in Section 6.3, but not those set forth in Section 6.2.

6.1 Terms and Conditions to Which All Options Are Subject. All Options granted under this Plan shall be subject to the following terms and conditions:

6.1.1 Changes in Capital Structure. Subject to Section 6.1.2, if the stock of the Company is changed by reason of a stock split, reverse stock split, stock dividend, or recapitalization, combination or reclassification, appropriate adjustments shall be made by the Board in (a) the number and class of shares of stock subject to this Plan and each Option outstanding under this Plan, and (b) the exercise price of each outstanding Option; provided, however, that the Company shall not be required to issue fractional shares as a result of any such adjustments. Each such adjustment shall be subject to approval by the Board in its sole discretion.

6.1.2 Corporate Transactions. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each optionee at least 30 days prior to such proposed action. To the extent not previously exercised, all Options will terminate immediately prior to the consummation of such proposed action; provided, however, that the Administrator, in the exercise of its sole discretion, may permit exercise of any Options prior to their termination, even if such Options were not otherwise exercisable. In the event of a merger or consolidation of the Company with or into another corporation or entity in which the Company does not survive, or in the event of a sale of all or substantially all of the assets of the Company in which the shareholders of the Company receive securities of the acquiring entity or an affiliate thereof, all Options shall be assumed or equivalent options shall be

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

substituted by the successor corporation (or other entity) or a parent or subsidiary of such successor corporation (or other entity); provided, however, that if such successor does not agree to assume the Options or to substitute equivalent options therefor, the Administrator, in the exercise of its sole discretion, may permit the exercise of any of the Options prior to consummation of such event, even if such Options were not otherwise exercisable.

6.1.3 Time of Option Exercise. Subject to Section 5 and Section 6.3.4, Options granted under this Plan shall be exercisable (a) immediately as of the effective date of the stock option agreement granting the Option, or (b) in accordance with a schedule as may be set by the Administrator (each such date on such schedule, the "Vesting Base Date") and specified in the written stock option agreement relating to such Option. In any case, no Option shall be exercisable until a written stock option agreement in form satisfactory to the Company is executed by the Company and the optionee.

6.1.4 Option Grant Date. The date of grant of an Option under this Plan shall be the date as of which the Administrator approves the grant.

6.1.5 Nontransferability of Option Rights. Except with the express written approval of the Administrator which approval the Administrator is authorized to give only with respect to NQSOs, no Option granted under this Plan shall be assignable or otherwise transferable by the optionee except by will, by the laws of descent and distribution or pursuant to a qualified domestic relations order. During the life of the optionee, an Option shall be exercisable only by the optionee.

A-10

6.1.6 Payment. Except as provided below, payment in full, in cash, shall be made for all stock purchased at the time written notice of exercise of an Option is given to the Company, and proceeds of any payment shall constitute general funds of the Company. The Administrator, in the exercise of its absolute discretion, may authorize any one or more of the following additional methods of payment:

(a) Subject to the discretion of the Administrator and the terms of the stock option agreement granting the Option, delivery by the optionee of Shares already owned by the optionee for all or part of the Option price, provided the fair market value (determined as set forth in Section 6.1.10) of such Shares being delivered is equal on the date of exercise to the Option price, or such portion thereof as the optionee is authorized to pay by delivery of such stock; and

(b) Subject to the discretion of the Administrator, through the surrender of Shares then issuable upon exercise of the Option, provided the fair market value (determined as set forth in Section 6.1.10) of such Shares is equal on the date of exercise to the Option price, or such portion thereof as the optionee is authorized to pay by surrender of such stock.

6.1.7 Termination of Employment. If for any reason other than death or permanent and total disability, an optionee ceases to be employed by the Company or any of its Affiliates (such event being called a "Termination"), Options held at the date of Termination (to the extent then exercisable) may be exercised in whole or in part at any time within three months of the date of such Termination, or such other period of not less than 30 days after the date of such Termination as is specified in the Option Agreement or by amendment thereof (but in no event after the Expiration Date); provided, however, that if such exercise of the Option would result in liability for the optionee under

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

Section 16(b) of the Exchange Act, then such three-month period automatically shall be extended until the tenth day following the last date upon which optionee has any liability under Section 16(b) (but in no event after the Expiration Date). If an optionee dies or becomes permanently and totally disabled (within the meaning of Section 22(e)(3) of the Code) while employed by the Company or an Affiliate or within the period that the Option remains exercisable after Termination, Options then held (to the extent then exercisable) may be exercised, in whole or in part, by the optionee, by the optionee's personal representative or by the person to whom the Option is transferred by devise or the laws of descent and distribution, at any time within twelve months after the death or twelve months after the permanent and total disability of the optionee or any longer period specified in the Option Agreement or by amendment thereof (but in no event after the Expiration Date). For purposes of this Section 6.1.7, "employment" includes service as a director or as a consultant. For purposes of this Section 6.1.7, an optionee's employment shall not be deemed to terminate by reason of sick leave, military leave or other leave of absence approved by the Administrator, if the period of any such leave does not exceed 90 days or, if longer, if the optionee's right to reemployment by the Company or any Affiliate is guaranteed either contractually or by statute.

6.1.8 Withholding and Employment Taxes. At the time of exercise of an Option and as a condition thereto, or at such other time as the amount of such obligations becomes determinable (the "Tax Date"), the optionee shall remit to the Company in cash all applicable federal and state withholding and employment taxes. Such obligation to remit may be satisfied, if authorized by the Administrator in its sole discretion, after considering any tax, accounting and financial consequences, by the optionee's (i) delivery of a promissory note in the required amount on such terms as the Administrator deems appropriate, (ii) tendering to the Company previously owned Shares or other securities of the Company with a fair market value equal to the required amount, or (iii) agreeing to have Shares (with a fair market value equal to the required amount) which are acquired upon exercise of the Option withheld by the Company.

A-11

6.1.9 Other Provisions. Each Option granted under this Plan may contain such other terms, provisions, and conditions not inconsistent with this Plan as may be determined by the Administrator, and each ISO granted under this Plan shall include such provisions and conditions as are necessary to qualify the Option as an "incentive stock option" within the meaning of Section 422 of the Code.

6.1.10 Determination of Value. For purposes of the Plan, the fair market value of Shares or other securities of the Company shall be determined as follows:

(a) Fair market value shall be the closing price of such stock on the date before the date the value is to be determined on the principal recognized securities exchange or recognized securities market on which such stock is reported, but if selling prices are not reported, its fair market value shall be the mean between the high bid and low asked prices for such stock on the date before the date the value is to be determined (or if there are no quoted prices for such date, then for the last preceding business day on which there were quoted prices).

(b) In the absence of an established market for the stock, the fair market value thereof shall be determined in good faith by the Administrator, with reference to the Company's net worth, prospective earning

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

power, dividend-paying capacity, and other relevant factors, including the goodwill of the Company, the economic outlook in the Company's industry, the Company's position in the industry, the Company's management, and the values of stock of other corporations in the same or similar line of business.

6.1.11 Option Term. Subject to Section 6.3.4, no Option shall be exercisable more than 10 years after the date of grant, or such lesser period of time as is set forth in the stock option agreement (the end of the maximum exercise period stated in the stock option agreement is referred to in this Plan as the "Expiration Date").

6.2 Terms and Conditions to Which Only NQSOs Are Subject. Options granted under this Plan which are designated as NQSOs shall be subject to the following terms and conditions:

6.2.1 Exercise Price.

(a) Except as set forth in Section 6.2.1(b), the exercise price of an NQSO shall be not less than 85% of the fair market value (determined in accordance with Section 6.1.10) of the stock subject to the Option on the date of grant.

(b) To the extent required by applicable laws, rules and regulations, the exercise price of a NQSO granted to any person who owns, directly or by attribution under the Code (currently Section 424(d)), stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or of any Affiliate (a "Ten Percent Shareholder") shall in no event be less than 110% of the fair market value (determined in accordance with Section 6.1.10) of the stock covered by the Option at the time the Option is granted.

6.3 Terms and Conditions to Which Only ISOs Are Subject. Options granted under this Plan which are designated as ISOs shall be subject to the following terms and conditions:

A-12

6.3.1 Exercise Price.

(a) Except as set forth in Section 6.3.1(b), the exercise price of an ISO shall be determined in accordance with the applicable provisions of the Code and shall in no event be less than the fair market value (determined in accordance with Section 6.1.10) of the stock covered by the Option at the time the Option is granted.

(b) The exercise price of an ISO granted to any Ten Percent Shareholder shall in no event be less than 110% of the fair market value (determined in accordance with Section 6.1.10) of the stock covered by the Option at the time the Option is granted.

6.3.2 Disqualifying Dispositions. If stock acquired by exercise of an ISO granted pursuant to this Plan is disposed of in a "disqualifying disposition" within the meaning of Section 422 of the Code (a disposition within two years from the date of grant of the Option or within one year after the transfer such stock on exercise of the Option), the holder of the stock immediately before the disposition shall promptly notify the Company in writing of the date and terms of the disposition and shall provide such other information regarding the Option as the Company may reasonably require.

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

6.3.3 Grant Date. If an ISO is granted in anticipation of employment as provided in Section 5(d), the Option shall be deemed granted, without further approval, on the date the grantee assumes the employment relationship forming the basis for such grant, and, in addition, satisfies all requirements of this Plan for Options granted on that date.

6.3.4 Term. Notwithstanding Section 6.1.11, no ISO granted to any Ten Percent Shareholder shall be exercisable more than five years after the date of grant.

7. MANNER OF EXERCISE

(a) An optionee wishing to exercise an Option shall give written notice to the Company at its principal executive office, to the attention of the officer of the Company designated by the Administrator, accompanied by payment of the exercise price and withholding taxes as provided in Sections 6.1.6 and 6.1.8. The date the Company receives written notice of an exercise hereunder accompanied by payment of the exercise price will be considered as the date such Option was exercised.

(b) Promptly after receipt of written notice of exercise of an Option and the payments called for by Section 7(a), the Company shall, without stock issue or transfer taxes to the optionee or other person entitled to exercise the Option, deliver to the optionee or such other person a certificate or certificates for the requisite number of shares of stock. An optionee or certificate transferee of the Option shall not have any privileges as a shareholder with respect to any shares of stock covered by the Option until the date of issuance (as evidenced by the appropriate entry on the books of the Company or a duly authorized transfer agent) of such shares.

A-13

8. EMPLOYMENT OR CONSULTING RELATIONSHIP

Nothing in this Plan or any Option granted hereunder shall interfere with or limit in any way the right of the Company or of any of its Affiliates to terminate any optionee's employment or consulting at any time, nor confer upon any optionee any right to continue in the employ of, or consult with, the Company or any of its Affiliates.

9. CONDITIONS UPON ISSUANCE OF SHARES

Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended (the "Securities Act").

10. NON-EXCLUSIVITY OF THE PLAN

The adoption of the Plan shall not be construed as creating any limitations on the power of the Company to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options other than under the Plan.

11. AMENDMENTS TO PLAN

The Board may at any time amend, alter, suspend or discontinue this Plan. Without the consent of an optionee, no amendment, alteration, suspension

Edgar Filing: SYSCAN IMAGING INC - Form PRE 14A

or discontinuance may adversely affect outstanding Options except to conform this Plan and ISOs granted under this Plan to the requirements of federal or other tax laws relating to incentive stock options. No amendment, alteration, suspension or discontinuance shall require shareholder approval unless (a) shareholder approval is required to preserve incentive stock option treatment for federal income tax purposes or (b) the Board otherwise concludes that shareholder approval is advisable.

12. EFFECTIVE DATE OF PLAN; TERMINATION

This Plan shall become effective upon adoption by the Board; provided, however, that no Option shall be exercisable unless and until written consent of the shareholders of the Company, or approval of shareholders of the Company voting at a validly called shareholders' meeting, is obtained within twelve months after adoption by the Board. If such shareholder approval is not obtained within such time, Options granted hereunder shall be of the same force and effect as if such approval was obtained except that all ISOs granted hereunder shall be treated as NQSOs. Options may be granted and exercised under this Plan only after there has been compliance with all applicable federal and state securities laws. This Plan shall terminate within ten years from the date of its adoption by the Board.
