Closed End Fund Proxy Q&A

FOR INTERNAL USE ONLY

The following Q&A was prepared to help you answer questions from brokers and/or shareholders on the subject of the proxies being mailed to them for their votes. These proxies are sent to shareholders that were shareholders of record on 23 March 2001 for the following Putnam Closed End Funds: Putnam Master Intermediate Income Trust and Putnam Premier Income Trust. The vote is scheduled for 14 June 2001

Q: What are the two funds, the Putnam Master Intermediate Income Trust and Putnam Premier Income Trust, asking shareholders to vote on?

A: Both funds are asking shareholders to vote on the normal yearly election of trustees. In addition, these two funds are asking shareholders to vote on the conversion of the funds from closed-end to open-end status.

Q: How do Open-end and Closed-end fund differ?

A: The differences are as follows:

Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEFA14A

Open End Fund	Closed End Fund
Unlimited number of shares	Fixed number of shares
Fund bought and sold through fund company	Fund bought and sold through broker
Pricing used: NAV and POP	Pricing used: NAV and Market

Q: How are Closed-end funds priced?

A: Many closed-end funds calculate the value of their portfolios every business day. Because closed-end fund's shares trade in the stock market based on investor demand, the fund's market price may trade at a higher price (premium) or lower price (discount) than its NAV. The NAV of a closed end fund is calculated exactly the same as an open-end fund; the NAV of a fund is the market value of all the fund's portfolio securities, minus expenses and liabilities, divided by the number of shares outstanding.

Q: Why are the funds proposing to change their status from Closed-end to Open end?

A: Your fund's governing legal documents require that shareholders be given the opportunity to vote on a proposal to convert your fund from a closed-end status to open-end status. This would occur if the fund's shares have traded at an average discount of more than 10% from their net asset value during the last 12 weeks of the fund's last fiscal year-end.

Q: Who is asking for your vote?

A: The Trustees of the funds.

Q: Why are the Trustees recommending a vote against conversion?

A: The Trustees believe that your fund's closed-end status provides investment benefits not available to open-end fund investors. They believe that your fund's operating expenses are likely to increase if converted to open-end status. That the conversion could cause the funds to shrink due to shareholder redemptions and, everything else being equal, would result in increased expense ratios for the remaining shareholders. The need to sell securities to meet redemptions may have adverse tax consequences to shareholders remaining in the fund. Finally, in light of the potential loss of the advantages of closed-end status and the potential increase of expenses that most likely would follow, conversion could result in a lower yield for shareholders.

Q: What other possible consequences might result from conversion of your fund to Open-end status?

A: Certain legal, accounting and other costs would be incurred in connection with the conversion of the funds to open-end status. Although it is difficult to estimate these costs with precision, these costs are estimated to be at least \$100,000. The Trustees reserve the right to impose a temporary redemption fee of 2.00% of the value of the shares redeemed for a period of up to one-year following the fund's conversion.

Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEFA14A

Q: What changes would be made in your fund's Declaration of Trust if shareholders vote to convert the fund to Open-end status?

A: The Declaration of Trust would be amended to require your fund to purchase all shares offered to it for redemption at a price equal to the net asset value of the shares next determined, less any redemption or sales charge fixed by the Trustees. The Declaration of Trust would also be amended to eliminate certain provisions that relate specifically to the funds' closed-end status, such as the conversion provision that has necessitated this proposal. Finally, the Trustees would make certain necessary technical and non-material changes to your fund's Bylaws.

Q: What percentages of shareholders, votes are required to approve the conversion?

A: Approval of the conversion to open-end status and of the related amendments of your fund's Declaration of Trust will require the "yes" vote of a majority of the fund's outstanding shares.

Q: If the conversion is not approved, will the fund continue in its current form?

A: Yes

Q: What are the Trustees recommending?

A: The Trustees are for the fixing the number of Trustees as proposed and the election of all nominees; and are against the proposal of converting the funds from closed-end to open-end. The Trustees feel the conversion to open-end status would not be in the best long-term interest of shareholders. They believe that your fund's closed-end status provides investment benefits not available to open-end fund investors. Because your fund's shares are not redeemable, your fund is not required to maintain short-term, lower yielding investments in anticipation of possible redemption's, but can be fully invested in higher yielding securities in pursuit of the fund's investment objective.

Q: Who is eligible to vote?

A: Shareholders of record at the close of business on 23 March 2001. Each share is entitled to one vote.

Q: When is the shareholder meeting?

A: The shareholder meeting to determine the results will be on 14 June 2001

Q: How can a shareholder submit their vote?

A: There are several ways to submit your vote. Your vote may be submitted by returning the proxy card by mail or via the internet. Internet voting instructions are located on the proxy card.

Q: I did not receive a copy of the proxy statement; can you send me one?

Edgar Filing: PUTNAM PREMIER INCOME TRUST - Form DEFA14A

A: Additional proxy statements may be ordered off of your literature system.

Q: I misplace my proxy card; how can another one be sent?

A: Additional proxy cards may be ordered via email to Tarah Soares or Betty Creamer in the Proxy department. Shareholder information to be included is the fund name, shareholder address and account number.
