PROXY STATEMENT
FOR THE 2003 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 16, 2003

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of Exelixis, Inc. (sometimes referred to as the "Company" or "Exelixis") is soliciting your proxy to vote at the 2003 Annual Meeting of Stockholders. You are invited to attend the Annual Meeting, and Exelixis requests that you vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

The Company intends to mail this proxy statement and accompanying proxy card on or about May 9, 2003 to all stockholders of record entitled to vote at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 21, 2003 will be entitled to vote at the Annual Meeting. On the record date, there were approximately 59,694,141 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 21, 2003 your shares were registered directly in your name with Exelixis' transfer agent, Mellon Investor Services, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, Exelixis urges you to fill out and return the enclosed proxy card.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 21, 2003 your shares were held electronically in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name," and these proxy materials are

Edgar Filing: EXELIXIS INC - Form DEF 14A

being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

- Election of two Class I directors to hold office until the 2006 Annual Meeting of Stockholders; and
- Ratification of the selection by the Audit Committee of the Board of Directors of Ernst & Young LLP as independent auditors of the Company for its fiscal year ending December 31, 2003.

How do I vote?

You may either vote "For" all the nominees to the Board of Directors or you may abstain from voting for any nominee you specify. For any other matter to be voted on, you may vote "For" or "Against" or abstain from voting. The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, Exelixis urges you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the Annual Meeting and Exelixis will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, Exelixis will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

Most beneficial owners whose stock is held in street name receive voting instruction forms from their banks, brokers or other agents, rather than the Company's proxy card. A number of brokers and banks are participating in a program provided through ADP Investor Communication Services that offers the means to grant proxies to vote shares by means of the telephone and Internet. If your shares are held in an account with a broker or bank participating in the ADP Investor Communications Services program, you may grant a proxy to vote those shares telephonically by calling the telephone number shown on the instruction form received from your broker or bank, or via the Internet at ADP Investor Communication Services' web site at (www.proxyvote.com).

Votes submitted via the Internet or by telephone must be received by 3:59 p.m., Eastern Time, on June 13, 2003. Submitting your proxy via the Internet or by telephone will not affect your right to vote in person should you decide to attend the Annual Meeting.

|The telephone and Internet voting procedures are designed to authenticate |

Edgar Filing: EXELIXIS INC - Form DEF 14A

|stockholders' identities, to allow stockholders to give their voting |
|instructions and to confirm that stockholders' instructions have been recorded|
|properly. Stockholders voting via the Internet should understand that there |
|may be costs associated with electronic access, such as usage charges from |
|Internet access providers and telephone companies, that must be borne by the |
stockholder.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 21, 2003.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted "For" the election of each of the two nominees for director and "For" the ratification of the selection by the Audit Committee of the Board of Directors of Ernst & Young LLP as independent auditors of the Company for its fiscal year ending December 31, 2003. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

Exelixis will bear the entire cost of soliciting proxies, including the preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of the Company's common stock beneficially owned by others to forward to such beneficial owners. Exelixis may reimburse persons representing beneficial owners of the Company's common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of the Company. No additional compensation will be paid to directors, officers or other regular employees for such services.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return EACH proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. You may revoke your proxy in any one of three ways:

- Your proxy may be revoked by filing with the secretary of the Company at the Company's principal executive office, 170 Harbor Way, South San Francisco, California 94080, either (1) a written notice of revocation or (2) a duly executed proxy bearing a later date.
- Your proxy may also be revoked by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, by itself, revoke your proxy.

When are stockholder proposals due for next year's Annual Meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by January 9, 2004 to the secretary of the

Edgar Filing: EXELIXIS INC - Form DEF 14A

Company at Exelixis, Inc., 170 Harbor Way, South San Francisco, California 94080. If you wish to submit a proposal that is not to be included in next year's proxy materials, you must submit your proposal in writing, in the manner set forth in the Company's bylaws, to the secretary of the Company at Exelixis, Inc., 170 Harbor Way, South San Francisco, California 94080, not earlier than the close of business on March 18, 2004, nor later than the close of business on April 17, 2004.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count "For" and (with respect to proposals other than the election of directors) "Against" votes, abstentions and broker non-votes. A "broker non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner (despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions.) Abstentions will be counted towards the vote total for each proposal, and will have the same effect as "Against" votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

How many votes are needed to approve each proposal?

- For the election of directors, the two Class I nominees receiving the most "For" votes (among votes properly cast in person or by proxy) will be elected. Broker non-votes will have no effect.
- To be approved, Proposal No. 2, ratifying the selection by the Audit Committee of the Board of Directors of Ernst & Young LLP as independent auditors for the Company for its fiscal year ending December 31, 2003, must receive a "For" vote from the majority of shares present and entitled to vote either in person or by proxy. If you "Abstain" from voting, it will have the same effect as an "Against" vote. Broker non-votes will have no effect.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares are represented by votes at the meeting or by proxy. On the record date, there were approximately 59,694,141 shares outstanding and entitled to vote. Thus 29,847,072 shares must be represented by votes at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, either the chairman of the meeting or a majority of the votes present at the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in the Company's quarterly report on Form 10-Q for the second quarter of 2003.

PROPOSAL 1 ELECTION OF CLASS I DIRECTORS

Our amended and restated certificate of incorporation and bylaws provide

Edgar Filing: EXELIXIS INC - Form DEF 14A

that the Board of Directors shall be divided into three classes, each class consisting, as nearly as possible, of one-third of the total number of directors, with each class having a three-year term. Vacancies on the Board of Directors may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board of Directors to fill a vacancy (including a vacancy created by an increase in the number of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

Our Board of Directors is presently composed of nine members. There are two directors in Class I, the class whose term of office expires in 2003. Each of the nominees for election to this class is currently a director of the Company. If elected at the Annual Meeting, each of the nominees would serve until the 2006 Annual Meeting of stockholders and until his successor is elected and has qualified, or until such director's earlier death, resignation or removal.

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the Annual Meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve.

Set forth below is biographical information for each person nominated and each person whose term of office as a director will continue after the Annual Meeting.

BOARD COMMITTEES AND MEETINGS

During the year ended December 31, 2002, our Board of Directors held four meetings and acted by written consent three times. Our Board of Directors has an Audit Committee and a Compensation Committee.

The Audit Committee of the Board of Directors oversees the Company's corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the independent auditors; determines on behalf of the Board of Directors the engagement of the independent auditors; determines on behalf of the Board of Directors whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; reviews and approves the engagement of the independent auditors to perform any proposed permissible services; monitors the rotation of partners of the independent auditors on the Company engagement team as required by law; reviews the financial statements to be included in the Company's Annual Report on Form 10-K; and discusses with management and the independent auditors the results of the annual audit and the results of the Company's quarterly financial statements.

The Audit Committee was established in January 2000 in connection with our initial public offering. The Audit Committee is currently composed of three non-employee directors: Drs. Fisherman, Formela and Willsey. The Audit Committee met four times during the year ended December 31, 2002. All members of the Audit Committee are independent (as independence is currently defined by the rules of the National Association of Securities Dealers). The Audit Committee has adopted a written Audit Committee Charter that is attached as Appendix A to these proxy materials.

The Compensation Committee of the Board of Directors was established in January 2000 in connection with our initial public offering and reviews and recommends to the Board of Directors the compensation and benefits of all of our officers, establishes and reviews general policies relating to compensation and benefits of our employees that also include executive officers and performs such other functions regarding compensation as the Board of Directors may delegate. The Compensation Committee also administers the issuance of stock options and other awards under our stock plans. The Compensation Committee is currently composed of three non-employee directors: Drs. Cohen, Marchesi and Formela. The Compensation Committee met two times during the year ended December 31, 2002. All members of the Compensation Committee are independent (as independence is currently defined by the rules of the National Association of Securities Dealers).

During the year ended December 31, 2002, all of our directors attended at least 75% or more of the total meetings of the Board of Directors and of the

Edgar Filing: EXELIXIS INC - Form DEF 14A

committees on which they served, held during the period for which they were a director or committee member, respectively.

REPORT OF THE AUDIT COMMITTEE(1)

The Audit Committee of the Board of Directors of Exelixis serves as the representative of the Board of Directors for (a) general oversight of the financial reporting process of the Company, (b) monitoring the integrity of the Company's financial statements, (c) compliance with legal and regulatory requirements related to the preparation and external audit of the Company's financial statements and (d) selection, evaluation and retention of the Company's independent auditors. Each of the members of the Audit Committee is independent as defined under the Audit Committee Policies of the Nasdaq National Market.

The Audit Committee maintains a written charter that outlines its responsibilities. Exelixis management has primary responsibility for preparing the Company's consolidated financial statements and establishing the financial reporting process. Ernst & Young LLP, the Company's independent auditors, are responsible for performing an audit of the Company's consolidated financial statements and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles in the United States. The Audit Committee's responsibility is to oversee and review this process. Based on this background, the Audit Committee reports as follows:

1. We have reviewed and discussed the Company's audited consolidated financial statements as of and for the year ended December 31, 2002 with management and the independent auditors. We have also discussed with management and the independent auditors the process used to support the certifications of the Chief Executive Officer and Chief Financial Officer that are required by the Sarbanes-Oxley Act of 2002 and the Securities and Exchange Commission ("SEC") that are required to accompany the Company's periodic filings with the SEC.

2. We have discussed with the independent auditors the matters required to be discussed under generally accepted auditing standards in the United States, including those matters set forth in Statement of Auditing Standards No. 61, as amended, "Communication with Audit Committees" (Codification of Statements on Auditing Standards, AU Section 380).

3. We have received and reviewed the written disclosures and letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and have discussed with the independent auditors their independence from the Company. We have also considered whether the independent auditors' provision of non-audit services to the Corporation is compatible with maintaining the auditors' independence. We have concluded that the independent auditors are independent from the Company and its management.

4. Based on review and discussion of the matters set forth in paragraphs (1) through (3) above, we have recommended to the Board of Directors (and the Board of Directors approved) that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the SEC.

We have also selected Ernst & Young LLP as the Company's independent auditors for the fiscal year ended December 31, 2003 and have presented our selection to the Board of Directors to present to the stockholders for ratification.

The undersigned members of the Audit Committee have submitted this Audit Committee Report as of this 31st day of March 2003.

(1) The material in this report is not "soliciting material," is not deemed "filed" with the SEC and is not to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act of 1934, as amended (the "Exchange Act"), whether made before or after the date hereof and irrespective of any general incorporation by reference language contained in such filing.

PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2003 and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. Ernst & Young LLP has audited the Company's financial statements for the years ended December 31, 2002 and 2001, respectively. PricewaterhouseCoopers LLP had audited the Company's financial statements from the Company's inception through the year ended December 31, 2000. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's bylaws nor other governing documents or law require stockholder ratification of the selection of Ernst & Young LLP as the Company's independent auditors. However, the Board of Directors is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board of Directors in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Ernst & Young LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

AUDITORS' FEES

(1) "Audit fees" include fees for services necessary to perform the audit of our financial statements for fiscal year 2002 and 2001, statutory audits, attest services and consents and assistance with, and review of, documents filed with the SEC.

(2) "Audit-related fees" include audit-related consultation and consultation concerning financial accounting and reporting standards.

(3) "Tax fees" can include all services performed by professional staff of the auditor's tax division, including fees for tax compliance, tax and planning and tax advice. There were no such fees incurred in either of the last two fiscal years.

Edgar Filing: EXELIXIS INC - Form DEF 14A

The aggregate fees billed by Ernst & Young LLP for the last two fiscal years for the services described above are as follows:

	Year Ended December 31,
