TURKCELL'S PETITION FOR THE CANCELLATION OF INFRASTRUCTURE USAGE
DIRECTIVE IS REJECTED

Subject: Statement made pursuant to Circular VIII, No: 39 of the Capital
Markets Board.

Istanbul Stock Exchange

ISTANBUL

Special Subjects:

In 2001, Turk Telekom issued a new "Infrastructure Usage Directive," demanding price increases in infrastructure usage fees, which were found unacceptable by Turkcell. Consequently, Turkcell filed a petition at the Ankara 1st Commercial Court for the cancellation of the new Directive. At the same time, Tukcell obtained an injunction from the Ankara 22nd Court and secured the continuation of Turk Telekom's services, subject to conflict, without interruption.

During the session dated May 13, 2004, Ankara 1st Commercial Court rejected Turkcell's filing and ruled for the new "Infrastructure Usage Directive" to be effective and for the removal of the injunction attained by Turkcell.

Turkcell will file an appeal against this ruling after receiving the official written statement of the Court.

We hereby confirm that the above-mentioned explanations are furnished as per the provisions of the Communique Serial no VIII/39, that they reflect all information we have gathered so far, that they are in accordance with our corporate documents, that we have used all endeavours to collect the complete and true related information and that we assume the responsibility for this disclosure.

UPDATE FROM TURKCELL CONCERNING THE LEGAL DISPUTE OVER THE
DEFINITION OF "GROSS REVENUE"

Subject: Statement made pursuant to Circular VIII, No: 39 of the Capital
Markets Board.

Istanbul Stock Exchange

ISTANBUL

Special Subjects:

Previously, Turkcell stated that the International Court of Arbitration of the International Chamber of Commerce ("ICC") had issued its verdict regarding Turkcell's petition for the definition of items that should be included within the "gross revenue" item used for the calculation of the fifteen percent Treasury share payment. The ICC's decision stated that all the revenue items originating from telecommunication services should be included in the calculation of gross revenue, while the late payment interest charges and taxes collected by Turkcell under its "tax responsibility" should be excluded.

Subsequently, the Treasury and the Telecommunication Authority ("TA") filed a petition in the Ankara 20th Civil Court, requesting cancellation of parts of the aforementioned decision in favour of Turkcell by the ICC. The Civil Court granted the petition of the Turkish Treasury and the TA and thus cancelled the ICC ruling on the ground that it conflicts with a ruling issued by the Danistay, the highest administrative court in Turkey.

Turkcell will file an appeal against this ruling when it receives the official written statement of the Civil Court.

We hereby confirm that the above-mentioned explanations are furnished as per the provisions of the Communiqué Serial no VIII/39, that they reflect all information we have gathered so far, that they are in accordance with our corporate documents, that we have used all endeavours to collect the complete and true related information and that we assume the responsibility for this disclosure.
