The companies appreciate the concern that motivated CADE to issue the Writ of Prevention and have already started to prepare analyses and information to be submitted to CADE, demonstrating that the transaction would benefit competitiveness of the petrochemical sector and would consolidate the Brazilian fuel distribution market without causing any harm to consumer interests.

The Writ of Prevention did not affect the closing of the acquisition of the controlling interest of Ipiranga Group - as described in the Material Event released on March 19 this year - which was concluded today.

The companies will comply with the provisions contained in the Writ of Prevention, as set forth below:

- “(i) *Petróleo Brasileiro S.A. - Petrobras, or any of its subsidiaries or affiliates, is forbidden to take part in deliberating, negotiating, discussing or any meeting, under any excuse, on matters concerning commercial and strategic aspects of Copesul - Companhia Petroquímica do Sul, as well as to request, as a shareholder, documents, papers and information which cover, even indirectly, decisions taken in these matters;*
