When notice to Holders of Subordinated Debt Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Subordinated Debt Securities Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

Except as otherwise specified as contemplated by Section 3.01 hereof, any Global Security shall be exchangeable for definitive Subordinated Debt Securities only as provided in this paragraph. A Global Security shall be exchangeable pursuant to this Section only (i) if the relevant Depositary notifies the Trustee that it is unwilling or unable to continue to act as Depositary, (ii) if, in the event of a winding-up of the Company, the Company fails to make a payment on the Subordinated Debt Securities when due, or (iii) at any time if the Company at its option and in its sole discretion determines that the Global Securities of a particular series should be exchanged for definitive Subordinated Debt Securities of that series. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for, unless otherwise specified or contemplated by Section 3.01, definitive Subordinated Debt Securities bearing interest (if any) at the same rate or pursuant to the same formula, having the same date of issuance, the same date or dates from which such interest shall accrue, the same Interest Payment Dates on which such interest shall be payable or the manner of determination of such Interest Payment Dates, redemption provisions, if any, specified currency and other terms and of differing denominations aggregating a like amount as the Global Security so exchangeable. Definitive Subordinated Debt Securities shall be registered in the names of the owners of the beneficial interests in such Global Securities as such names are from time to time provided by the Holder to the Trustee.

Any Global Security that is exchangeable pursuant to the preceding paragraph, unless otherwise specified as contemplated by Section 3.01, shall be exchangeable for Subordinated Debt Securities issuable in authorized denominations of a like aggregate principal amount and tenor.

No Global Security may be transferred except as a whole by the Holder to a nominee of the Holder or by the Holder or any such nominee to a successor of the Holder or a nominee of such successor. Except as provided above, owners solely of beneficial interests in a Global Security shall not be entitled to receive physical delivery of Subordinated Debt Securities in definitive form and will not be considered the holders thereof for any purpose under this Subordinated Debt Securities Indenture.

In the event that a Global Security is surrendered for redemption or exchange for Preference Shares or Exchange Securities in part pursuant to Section 11.07 or Section 13.05, the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Global Security, without service charge, a new Global Security in a denomination equal to and in exchange for the unredeemed or unexchanged portion of the principal of the Global Security so surrendered.

The Agent Members and any other beneficial owners shall have no rights under this Subordinated Debt Securities Indenture with respect to any Global Security held on their behalf by a Holder, and such Holder may be treated by the Company, the Trustee, and any agent of the Company or the Trustee as the owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall (i) prevent the Company, the Trustee, or any agent of the Company or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by a Holder or (ii) impair, as between any such Holder or other clearance service and its Agent Members and Holders, the operation of customary practices governing the exercise of the rights of a holder of any security, including without limitation the granting of proxies or other authorization of participants to give or take any request, demand, authorization, direction, notice, consent, waiver or other action which a Holder is entitled to give or take under this Subordinated Debt Securities Indenture.

In connection with any exchange of interests in a Global Security for definitive Subordinated Debt Securities of another authorized form, as provided in this subsection 3.05(a), then without unnecessary delay but in any event not later than the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee definitive Subordinated Debt Securities in aggregate principal amount equal to the principal amount of such Global Security or the portion to be exchanged executed by the Company. On or after the earliest date on which such interests may be so exchanged, such Global Security shall be surrendered by the Holder to the Trustee, as the Company's agent for such purpose, to be exchanged, in whole or from time to time in part, for definitive Subordinated Debt Securities without charge (in which case the Company or Trustee may require payment of any taxes or governmental charges arising) and the Trustee shall authenticate and deliver, in exchange for each portion of such Global Security, an equal aggregate principal amount of definitive Subordinated Debt Securities of authorized denominations as the portion of such Global Security to be exchanged. Any Global Security that is exchangeable pursuant to

this Section 3.05 shall be exchangeable for Subordinated Debt Securities issuable in the denominations specified as contemplated by Section 3.01 and registered in such names as the Holder of such Global Security shall direct. If a definitive Subordinated Debt Security is issued in exchange for any portion of a Global Security after the close of business at the office or agency where such exchange occurs on any record date and before the opening of business at such office or agency on the relevant Interest Payment Date, interest will not be payable on such Interest Payment Date in respect of such definitive Subordinated Debt Security, but will be payable on such Interest Payment Date only to the person to whom payments of interest in respect of such portion of such Global Security are payable.

A Depositary may grant proxies and otherwise authorize any person, including Agent Members and persons that may hold interests through Agent Members, to take any action which a holder is entitled to take under this Subordinated Debt Securities Indenture with respect to the Subordinated Debt Securities.

(a) Except as otherwise specified pursuant to Section 3.01, Subordinated Debt Securities of any series and any Deferred Amounts thereon may only be exchanged for a like aggregate principal amount of Subordinated Debt Securities of such series of other authorized denominations containing identical terms and provisions and right to any Deferred Amounts. Subordinated Debt Securities to be exchanged shall be surrendered at an office or agency of the Company designated pursuant to Section 10.02 for such purpose, and the Company shall execute, and the Trustee shall authenticate and deliver, in exchange therefor the Subordinated Debt Security or Subordinated Debt Securities of the same series which the Holder making the exchange shall be entitled to receive.

Except as otherwise specified pursuant to Section 3.01, the Company shall cause to be kept in the principal Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes collectively referred to as the "Subordinated Debt Security Register" provided, no such Subordinated Debt Security Register shall be maintained in any office or agency in the United Kingdom other than in Scotland) in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Subordinated Debt Securities and of transfers of such Subordinated Debt Securities. The Trustee is hereby appointed "Subordinated Debt Security Registrar" for the purpose of registering Subordinated Debt Securities and transfers of Subordinated Debt Securities as herein provided.

Subordinated Debt Securities shall be transferable only on the Subordinated Debt Security Register. Upon surrender for registration of transfer of any Subordinated Debt Security of any series, together with the form of transfer endorsed on it, duly completed and executed at an office or agency of the

Company designated pursuant to Section 10.02 for such purpose, the Company shall execute, and the Trustee shall authenticate and deliver to the address specified in the form of transfer, within three Business Days, in the name of the designated transferee or transferees, one or more new Subordinated Debt Securities of the same series of any authorized denominations containing identical terms and provisions, of a like aggregate principal amount. If only part of a Subordinated Debt Security is transferred, a new Subordinated Debt Security of an aggregate principal amount equal to the amount not being transferred shall be executed by the Company, and authenticated and delivered by the Trustee to the transferor, in the name of the transferor, within three Business Days after the Trustee acting as Paying Agent pursuant to Section 10.02 received the Subordinated Debt Security. The new Subordinated Debt Security will be delivered to the transferor by uninsured post at the risk of the transferor to the address of the transferor appearing in the Subordinated Debt Security Register.

All Subordinated Debt Securities issued upon any registration of transfer or exchange of Subordinated Debt Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Subordinated Debt Securities Indenture, as the Subordinated Debt Securities surrendered upon such registration of transfer or exchange.

Every Subordinated Debt Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Subordinated Debt Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Subordinated Debt Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Subordinated Debt Securities, other than exchanges pursuant to Section 3.04, 9.06 or 11.07 not involving any transfer.

The Company shall not be required (i) to issue, register the transfer of or exchange any Subordinated Debt Security of any series during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Subordinated Debt Securities of such series selected for redemption under Section 11.03 and ending at the close of business on the day of the giving of such notice, or (ii) to register the transfer of or exchange any Subordinated Debt Security so selected for redemption in whole or in part, except the unredeemed portion of any Subordinated Debt Securities being redeemed in part.

Section 3.06. Mutilated, Destroyed, Lost and Stolen Subordinated Debt Securities. If any mutilated Subordinated Debt Security (including any Global Security) is surrendered to the Trustee, the Company may execute and the Trustee shall, in the case of a Subordinated Debt Security, authenticate and deliver in

exchange therefor a new Subordinated Debt Security of the same series containing identical terms and provisions and of like amount, and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Subordinated Debt Security (including any Global Security) and (ii) such security or indemnity as may be required by them to save each of them and any agent of any of them harmless, then, in the absence of notice to the Company or the Trustee that such Subordinated Debt Security has been acquired by a bona fide purchaser, the Company shall execute and upon its request the Trustee shall authenticate and deliver in lieu of any such destroyed, lost or stolen Subordinated Debt Security a new Subordinated Debt Security of the same series containing identical terms and provisions and of like amount, and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Subordinated Debt Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Subordinated Debt Security, pay such Subordinated Debt Security.

Upon the issuance of any new Subordinated Debt Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Subordinated Debt Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Subordinated Debt Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Subordinated Debt Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Subordinated Debt Securities Indenture equally and proportionately with any and all other Subordinated Debt Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Subordinated Debt Securities.

Section 3.07. Payment; Interest Rights Preserved. (a) Except as otherwise provided as contemplated by Section 3.01 with respect to any series of Subordinated Debt Securities, if the Company does not make a payment of principal of (and premium, if any, on) or interest, if any, with respect to any series of Subordinated Debt Securities on the original due date for payment, the obligation to make such payment shall (subject to Sections 5.08, 12.01 and (b) below) be deferred until (i) in the case of a payment of interest, the date upon which a dividend is paid on any class of the Company's share capital and (ii) in

the case of a payment of principal (and premium, if any), the first Business Day after the date that falls six months after the original due date for payment (a “Deferred Payment Date”). Failure by the Company to make any such payment prior to such Deferred Payment Date (otherwise then pursuant to (b) below) shall not constitute a Default by the Company or otherwise allow any Holder to sue the Company for such payment or take any other action. Each payment so deferred will accrue interest at the rate prevailing immediately before the original due date with respect to such payment subject to Sections 12.01, 5.08 and (b) below. Any amount the due date of which is deferred pursuant to the above shall not be treated as due for any purpose (including, without limitation, for the purposes of ascertaining whether or not a Default has occurred) until the Deferred Payment Date.

(a) The Company shall satisfy in full any amounts deferred pursuant to this Article 3.07 which have not been satisfied at the relevant time in cash:

- (i) on the Stated Maturity of the Subordinated Debt Securities;
- (ii) on any redemption of the Subordinated Debt Securities in accordance with Article 11;
- (iii) on any exchange of the Subordinated Debt Securities in accordance with Article 13; and/or
- (iv) in a case where Section 12.01 applies.

(b) Except as otherwise provided as contemplated by Section 3.01 with respect to any series of Subordinated Debt Securities, interest, if any, on any Subordinated Debt Securities which is payable, and is paid or duly provided for, on any Interest Payment Date shall be paid to the Holder (including through a Paying Agent of the Company designated pursuant to Section 3.01 outside the United Kingdom for collection by the Holder) at the close of business on the Regular Record Date for such interest.

In the case of Subordinated Debt Securities where payment is to be made in Dollars, payment at any Paying Agent’s office outside The City of New York will be made in Dollars by check drawn on, or, at the request of the Holder, by transfer to a Dollar account maintained by the payee with, a bank in The City of New York.

In the case of Subordinated Debt Securities where payment is to be made in a Foreign Currency, payment will be made as established pursuant to Section 3.01.

Any interest on any Subordinated Debt Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date is called “Deferred Interest”. Deferred Amounts on any Subordinated Debt

Security of any series shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue then of having been such Holder, and such Deferred Amounts may be paid, in the case of Subordinated Debt Securities, to the extent such Deferred Amounts are paid on a Deferred Payment Date, to the Person in whose name that Subordinated Debt Security (or one or more Predecessor Subordinated Debt Securities) is registered at the close of business on the Deferred Record Date for such Deferred Amounts or may be paid by the Company, at its election, to the person who is the Holder on the record date established by the Company for such purpose and to the extent such Deferred Amounts are paid on any other date pursuant to (b) above, to the person who is the Holder on the record date established by the Company for such purpose.

Subject to the foregoing provisions of this Section, each Subordinated Debt Security delivered under this Subordinated Debt Securities Indenture upon registration of transfer of or in exchange for or in lieu of any other Subordinated Debt Security shall carry the rights to interest accrued and unpaid (including any Deferred Amounts), and to accrue, which were carried by such other Subordinated Debt Security.

Section 3.08. Persons Deemed Owners. Prior to due presentment of a Subordinated Debt Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Subordinated Debt Security is registered as the owner of such Subordinated Debt Security for the purpose of receiving payment (subject to Section 3.07) of principal of (and premium, if any) and interest, if any, on such Subordinated Debt Security and for all other purposes whatsoever, whether or not such Subordinated Debt Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Section 3.09. Cancellation. All Subordinated Debt Securities surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Subordinated Debt Securities previously authenticated and delivered hereunder and all Subordinated Debt Securities so delivered shall be promptly cancelled by the Trustee. No Subordinated Debt Securities shall be authenticated in lieu of or in exchange for any Subordinated Debt Securities cancelled as provided in this Section, except as expressly permitted by the provisions of the Subordinated Debt Securities of any series or pursuant to the provisions of this Subordinated Debt Securities Indenture. The Trustee shall deliver to the Company all cancelled Subordinated Debt Securities held by the Trustee.

Section 3.10. Computation of Interest. Except as otherwise specified pursuant to Section 3.01 for Subordinated Debt Securities of any series, payments of interest on the Subordinated Debt Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.11. CUSIP Numbers. The Company in issuing any series of the Subordinated Debt Securities may use CUSIP, "ISIN" and/or "Common Code" numbers (if then generally in use) or any successor to such numbers and thereafter with respect to such series, the Trustee shall use "CUSIP", "ISIN" and/or "Common Code" numbers or successor numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Subordinated Debt Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Subordinated Debt Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the "CUSIP", "ISIN" and/or "Common Code" numbers or successor numbers.

Section 3.12. Additional Subordinated Debt Securities. The Company may, from time to time, without the consent of the Holders of the Subordinated Debt Securities of any series, issue additional Subordinated Debt Securities of one or more of the series of Subordinated Debt Securities issued under this Subordinated Debt Securities Indenture, having the same ranking and same interest rate, Maturity, redemption terms and other terms, except for the price to the public and issue date and first Interest Payment Date, as the Subordinated Debt Securities. Any such additional Subordinated Debt Securities, together with the Subordinated Debt Securities of the applicable series, may constitute a single series of Subordinated Debt Securities under this Subordinated Debt Securities Indenture and shall be included in the definition of "Subordinated Debt Securities" in this Subordinated Debt Securities Indenture where the context requires; provided, however, that if the original Subordinated Debt Securities are determined by the Company to be debt for U.S. federal income tax purposes and the additional Subordinated Debt Securities are not fungible with the outstanding Subordinated Debt Securities for U.S. federal income tax purposes, the additional Subordinated Debt Securities must have CUSIP, ISIN and/or other identifying numbers different from those used for the outstanding Subordinated Debt Securities.

ARTICLE 4 Satisfaction and Discharge

Section 4.01. Satisfaction and Discharge of Subordinated Debt Securities Indenture. This Subordinated Debt Securities Indenture shall upon Company Request, subject to Section 4.04, cease to be of further effect with respect to Subordinated Debt Securities of any series (except as to any surviving rights of registration of transfer or exchange of Subordinated Debt Securities of such series herein expressly provided for), and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this

Subordinated Debt Securities Indenture with respect to the Subordinated Debt Securities of such series when:

(a) either

(i) all Subordinated Debt Securities of such series theretofore authenticated and delivered (other than (A) Subordinated Debt Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (B) Subordinated Debt Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 10.03) have been delivered to the Trustee for cancellation; or

(ii) all such Subordinated Debt Securities not theretofore delivered to the Trustee for cancellation:

(A) have become due and payable or will become due and payable at their Stated Maturity within one year, or

(B) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, or

(C) are to be exchanged for Preference Shares or Exchange Securities and notice of exchange of such Subordinated Debt Securities for Preference Shares or Exchange Securities pursuant to Article 13 shall have been given,

and the Company has deposited or caused to be deposited with the Trustee, as trust funds in trust for the purpose, an amount in cash, or U.S. Government Obligations (with respect to Subordinated Debt Securities denominated in Dollars) or Foreign Government Securities (with respect to Subordinated Debt Securities denominated in the same Foreign Currency) maturing, in the case of (A) and (B) above, as to principal and interest (including any Deferred Amounts), if any, and, in the case of (C) above, as to accrued interest, if any, and any Deferred Amounts in such amounts and at such times as will ensure the availability of cash sufficient to pay and discharge all claims with respect to such Subordinated Debt Securities not theretofore delivered to the Trustee for cancellation, in the case of (A) and (B) above, for principal (and premium, if any) and accrued interest (including any Deferred Amounts), if any, and, in the case of (C) above, as to accrued interest, if any, and any Deferred Amounts to the date of such deposit (in the case of Subordinated Debt Securities which have become due and payable) or to the Redemption Date or the Exchange Date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder (including any accrued but unpaid interest and any Deferred Amounts) by the Company with respect to the Subordinated Debt Securities of such series; and

(c) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Subordinated Debt Securities Indenture with respect to the Subordinated Debt Securities of such series have been complied with.

Notwithstanding any satisfaction and discharge of this Subordinated Debt Securities Indenture, the obligations of the Company to the Trustee under Section 6.07, the obligations of the Trustee to any Authenticating Agent under Section 6.14 and, if cash, U.S. Government Obligations and/or Foreign Government Securities shall have been deposited with the Trustee pursuant to subclause 4.01(a)(ii) of clause 4.01(a) of this Section, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 10.03 shall survive such satisfaction and discharge.

Section 4.02. Application of Trust Money. Subject to the provisions of the last paragraph of Section 10.03, all cash, U.S. Government Obligations and Foreign Government Securities deposited with the Trustee pursuant to Section 4.01 shall be held in trust and such cash and the proceeds from such U.S. Government Obligations and/or Foreign Government Securities shall be applied by it, in accordance with the provisions of the Subordinated Debt Securities of such series, and this Subordinated Debt Securities Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for the payment of which such cash, U.S. Government Obligations and/or Foreign Government Securities have been deposited with the Trustee.

Section 4.03. Repayment to Company. The Trustee, the Calculation Agent and any Paying Agent promptly shall pay to the Company upon Company Request any excess money, U.S. Government Obligations and/or Foreign Government Securities held by them at any time with respect to any series of Subordinated Debt Securities.

Section 4.04. PRA Authority Consent. The Company may only make a Company Request as provided under Article 4 of this Subordinated Debt Securities Indenture provided that (a) the Company has notified the PRA of its intention to do so at least one month (or such other period, longer or shorter, as the PRA may then require or accept) prior to the Company making such Company Request and no objection thereto has been raised by the PRA or, if required, a Relevant Supervisory Consent has been received prior to the Company making such Company Request, (b) the Company has satisfied the PRA that, after

satisfaction and discharge of this Subordinated Debt Securities Indenture with respect to the Subordinated Debt Securities of such series, the Company will be able to meet its Capital Resources Requirement and have sufficient financial resources to meet its Overall Financial Adequacy Rule, and (c) such Company Request shall only be applicable if, when and to the extent not prohibited by the Applicable Banking Regulations.

ARTICLE 5 Remedies

Section 5.01. Events of Default. “Event of Default”, wherever used herein with respect to Subordinated Debt Securities of a particular series, means the making of an order by a court of competent jurisdiction which is not successfully appealed within 30 days of the making of such order, or valid adoption by the shareholders of the Company of an effective resolution, for the winding-up of the Company (other than under or in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency).

Section 5.02. Acceleration of Maturity; Rescission and Annulment. If an Event of Default occurs with respect to Subordinated Debt Securities of any series and is continuing, then in every such case the Trustee or the Holder or Holders of not less than 25% in aggregate principal amount of the Outstanding Subordinated Debt Securities of such series may declare the principal amount, together with accrued interest (if any), Deferred Amounts (if any) and Additional Amounts (if any), payable on such Subordinated Debt Securities (or, in the case of Discount Securities, the accreted face amount together with accrued interest, if any, and Additional Amounts (if any) on such Discount Securities), of all the Subordinated Debt Securities of that series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holder or Holders), and upon any such declaration such amount shall become immediately due and payable.

At any time after such a declaration of acceleration with respect to Subordinated Debt Securities of any series has been made but before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holder or Holders of a majority in aggregate principal amount of the Outstanding Subordinated Debt Securities of such series, by written notice to the Company and the Trustee, may rescind or annul such declaration of acceleration and its consequences (including any Event of Default under another series of Subordinated Debt Securities arising therefrom) but only if

- (a) the Company has paid or deposited with the Trustee a sum sufficient to pay

- (i) the principal (including any deferred principal) of, and premium, if any, on, any Subordinated Debt Securities of such series which have become due otherwise than by such declaration of acceleration and any due and payable interest, and Deferred Interest, if any, thereon at the rate or rates prescribed therefor in such Subordinated Debt Securities,
- (ii) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and
- (b) all Events of Default with respect to Subordinated Debt Securities of such series have been cured or waived as provided by Section 5.13.

No such rescission or annulment shall affect any subsequent default or impair any right consequent thereon.

If the Subordinated Debt Securities become due and payable (whether pursuant to this Section 5.02 above or Article 11 below) and the Company fails to pay such amounts (or any damages awarded for breach of any obligations in respect of the Subordinated Debt Securities or this Indenture) forthwith upon demand, notwithstanding the continuing right of any Holder to receive payment of the principal of and interest together with Deferred Amounts (if any) on Subordinated Debt Securities, or to institute suit for the enforcement of any such payment, the Trustee, in its own name and as trustee of an express trust, may institute proceedings for the winding up of the Company in Scotland but not elsewhere, and/or prove in a winding up of the Company or in a Qualifying Administration for all such due and payable amounts (including any damages awarded for breach of any obligations in respect of the Subordinated Debt Securities or this Indenture) but no other remedy shall be available to the Trustee.

Section 5.03. Defaults; Collection of Indebtedness and Suits for Enforcement by Trustee. Except as otherwise provided as contemplated by Section 3.01 with respect to any series of Subordinated Debt Securities, "Default" wherever used herein with respect to Subordinated Debt Securities of a particular series, means any one of the following events (subject as provided below, whatever the reason for such Default and whether it shall be voluntary or involuntary or be effected by operation of law pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (a) the Company fails to pay any instalment of interest on any Subordinated Debt Security of such series on or before its Deferred Payment Date or other date specified for the payment of Deferred Amounts in Section 3.07(b) and such failure continues for 14 days; or
- (b) the Company fails to pay all or any part of the principal of (and premium, if any, on) any Subordinated Debt Security of such series on its

Deferred Payment Date, or when such principal shall otherwise become due and payable, whether upon redemption or otherwise, and such failure continues for seven days.

If a Default occurs and is continuing, the Trustee may institute proceedings in Scotland (but not elsewhere) for the winding-up of the Company and/or prove in a winding-up of the Company or a Qualifying Administration.

The Trustee and Holders of Subordinated Debt Securities by their acceptance thereof will be deemed to have waived any right of set-off or counterclaim or combination of accounts with respect to the Subordinated Debt Securities or this Subordinated Debt Securities Indenture (or between the obligations under or in respect of any Subordinated Debt Securities and any liability owed by a Holder or the Trustee to the Company) that they might otherwise have against the Company, whether before or during a winding-up, liquidation of the Company or a Qualifying Administration. Notwithstanding the above, if any of such rights and claims of any such Holder against the Company are discharged by set-off, such Holder will immediately pay an amount equal to the amount of such discharge to the Company or, in the event of the winding up of the Company or a Qualifying Administration, the liquidator or administrator (or other relevant insolvency official), as the case may be, and until such time as payment is made will hold a sum equal to such amount in trust for the Company or the liquidator or administrator (or other relevant insolvency official), as the case may be, and accordingly such discharge shall be deemed not to have taken place.

Notwithstanding the foregoing, failure to make any payment in respect of a series of Subordinated Debt Securities shall not be a Default in respect of such Subordinated Debt Securities if such payment is withheld or refused and we deliver an Opinion of Counsel concluding that such sums were not paid in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction, provided, however, that the Trustee may by notice to the Company require the Company to take such action (including but not limited to proceedings for a declaration by a court of competent jurisdiction) as the Trustee may be advised in an Opinion of Counsel, upon which opinion the Trustee may conclusively rely, is appropriate and reasonable in the circumstances to resolve such doubt, in which case the Company shall forthwith take and expeditiously proceed with such action and shall be bound by any final resolution of the doubt resulting therefrom. If any such action results in a determination that the relevant payment can be made without violating any applicable law, regulation or order then the provisions of the preceding sentence shall cease to have effect and the payment shall become due and payable on the expiration of 14 days (in the case of payments under clause 5.03(a) above) or seven days (in the case of payments under clause 5.03(b) above) after the Trustee gives written notice to the Company informing it of such resolution.

Except as otherwise provided in this Article 5, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Subordinated Debt Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

No recourse for the payment of the principal of (or premium, if any) or interest, if any, on any Subordinated Debt Security, or for any claim based thereon or otherwise in respect thereof and no recourse under or upon any obligation, covenant or agreement of the Company in this Subordinated Debt Securities Indenture, or in any Subordinated Debt Security, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, officer or director, past, present or future, of the Company or of any successor corporation of the Company, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that to the extent lawful all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Subordinated Debt Securities Indenture and the issue of the Subordinated Debt Securities.

Section 5.04. Trustee May File Proofs of Claim. In case of the pendency of any winding-up relative to the Company or any Qualifying Administration upon the Subordinated Debt Securities of any series (other than under or in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency), the Trustee (irrespective of whether the principal of the Subordinated Debt Securities of such series shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal (and premium, if any) or interest, if any) shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding; provided that the Company shall not, as a result of the bringing of such proceedings, be obliged to pay any sum representing or measured by reference to principal, premium or interest on the Subordinated Debt Securities sooner than the same would otherwise have been payable by it. In particular, the Trustee shall be authorized to collect and receive any moneys and other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder of a Subordinated Debt Security to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to such Holders or holders, to first pay to the Trustee any amount due to it for the reasonable compensation,

expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 6.07.

Subject to Article 8 and Section 9.02, nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of any Subordinated Debt Security any plan of reorganization, arrangement, adjustment, or composition affecting any Subordinated Debt Securities or the rights of any Holder of any Subordinated Debt Security or to authorize the Trustee to vote in respect of the claim of any such Holder or holder in any such proceeding.

The provisions of this Section 5.04 are subject to the provisions of Section 12.01.

Section 5.05. Trustee May Enforce Claims Without Possession of Subordinated Debt Securities. All rights of action and claims under this Subordinated Debt Securities Indenture or the Subordinated Debt Securities may be prosecuted and enforced by the Trustee without the possession of any of the Subordinated Debt Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel (subject, with regard to the Company, to the provisions of Section 12.01) be for the ratable benefit of the Holders of the Subordinated Debt Securities in respect of which such judgment has been recovered.

Section 5.06. Application of Money Collected. Any money collected by the Trustee pursuant to this Article in respect of any series of Subordinated Debt Securities shall, subject to the provisions of Section 5.03 in relation to waiver and set-off and Section 12.01 in relation to subordination, be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal (and premium, if any) or interest, if any, upon presentation of such Subordinated Debt Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts applicable to such series of Subordinated Debt Securities in respect of which or for the benefit of which such money has been collected due the Trustee under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for principal of (and premium, if any) and interest (including Deferred Amounts), if any, on such series of Subordinated Debt Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Subordinated Debt Securities for principal (and premium, if any) and interest, if any, respectively; and

THIRD: To the payment of the balance, if any, to the Company or any other Person or Persons legally entitled thereto.

Section 5.07. Limitation on Suits. No Holder of any Subordinated Debt Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Subordinated Debt Securities Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder has previously given written notice to the Trustee of a continuing Event of Default or Default with respect to Subordinated Debt Securities of the same series specifying such Event of Default or Default and stating that such notice is a "Notice of Default" hereunder;
- (b) the Holders of not less than 25% in aggregate principal amount of the Outstanding Subordinated Debt Securities of such series shall have made written request to the Trustee to institute proceedings in accordance with Sections 5.02 to 5.05 hereof in respect of such Event of Default or Default in its own name, as Trustee hereunder;
- (c) such Holder of a Subordinated Debt Security has offered to the Trustee reasonable indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;
- (d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (e) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Subordinated Debt Securities of such series;

it being understood and intended that no one or more Holders of Subordinated Debt Securities of a particular series shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Subordinated Debt Securities Indenture to affect, disturb or prejudice the rights of any other such Holders or holders, or to obtain or to seek to obtain priority or preference over any other such Holders or holders or to enforce any right under this Subordinated Debt Securities Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders of Subordinated Debt Securities of such series.

Section 5.08. Unconditional Right of Holders to Receive Principal, Premium and Interest, if any. Subject to Section 12.01 in relation to subordination (subject to Section 3.07), notwithstanding any other provision in this Subordinated Debt Securities Indenture, the Holder of any Subordinated Debt Security shall have the right, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and interest, if any, on such Subordinated Debt Security on the respective Stated Maturities as expressed in such Subordinated Debt Security (or, in the case of redemption or exchange, on

the Redemption Date or Exchange Date, as the case may be) or in the case of deferral of such amounts under Article 3.07, on the relevant Deferred Payment Date or date otherwise specified in Section 3.07(b) for payment of Deferred Amounts and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder or holder.

Section 5.09. Restoration of Rights and Remedies. If the Trustee or any Holder of any Subordinated Debt Security has instituted any proceeding to enforce any right or remedy under this Subordinated Debt Securities Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders of Subordinated Debt Securities shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders of Subordinated Debt Securities shall continue as though no such proceeding had been instituted.

Section 5.10. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Subordinated Debt Securities in the last paragraph of Section 3.06 and without prejudice to Section 5.02, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders of Subordinated Debt Securities is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not, subject as aforesaid, prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Subordinated Debt Security to exercise any right or remedy accruing upon any Event of Default or Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders of Subordinated Debt Securities may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of Subordinated Debt Securities, as the case may be.

Section 5.12. Control by Holders. The Holders of a majority in aggregate principal amount of the Outstanding Subordinated Debt Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee hereunder, or exercising any trust or power conferred on the Trustee hereunder with respect to the Subordinated Debt Securities of such series, provided that the direction is in writing and the Trustee has been offered indemnity and/or security satisfactory to it in its sole discretion and:

- (a) such direction shall not be in conflict with any rule of law or with this Subordinated Debt Securities Indenture;
- (b) the action so directed would not be unjustly prejudicial to the Holders of any Subordinated Debt Securities of any series not taking part in such direction with respect to which the Trustee is acting as the Trustee; and
- (c) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 5.13. Waiver of Past Defaults. The Holders of not less than a majority in aggregate principal amount of the Outstanding Subordinated Debt Securities of any series may on behalf of the Holders of all the Subordinated Debt Securities of such series waive any past Event of Default or Default hereunder with respect to such series and its consequences, except an Event of Default or Default

- (a) in the payment of the principal of (or premium, if any) or interest, if any, on any Subordinated Debt Security of such series, or
- (b) in respect of a covenant or provision hereof which under Article 9 cannot be modified or amended without the consent of the Holder of each Outstanding Subordinated Debt Security of such series affected.

Upon any such waiver, such Event of Default or Default shall cease to exist, and any Event of Default or Default with respect to any series arising therefrom shall be deemed to have been cured and not to have occurred for every purpose of this Subordinated Debt Securities Indenture, but no such waiver shall extend to any subsequent or other Event of Default or Default or impair any right consequent thereon.

Section 5.14. Undertaking for Costs. All parties to this Subordinated Debt Securities Indenture agree, and each Holder of any Subordinated Debt Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Subordinated Debt Securities Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant to such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder or group of Holders holding in the aggregate more than 10% in principal amount of the Outstanding Subordinated Debt Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest, if any, on any Subordinated Debt Security on or after the respective

Stated Maturities expressed in such Subordinated Debt Security (or, in the case of redemption or exchange, on or after the Redemption Date or the Exchange Date, as the case may be).

ARTICLE 6
The Trustee

Section 6.01. Certain Duties and Responsibilities. The duties and responsibilities of the Trustee shall be as provided by the Trust Indenture Act. Notwithstanding the foregoing, no provision of this Subordinated Debt Securities Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Subordinated Debt Securities Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.01.

Section 6.02. Notice of Defaults. Within 90 days after the occurrence of any Event of Default or Default hereunder with respect to Subordinated Debt Securities of any series of which a Responsible Officer of the Trustee has written knowledge of such Event of Default or Default the Trustee shall transmit in the manner and to the extent provided in Section 1.06 to Holders of Subordinated Debt Securities of such series notice of such Event of Default or Default hereunder known to the Trustee, unless such Event of Default or Default shall have been cured or waived; provided, however, that, the Trustee shall be protected in withholding such notice (except for a payment default) if it determines in good faith that the withholding of such notice is in the interest of the Holders of Subordinated Debt Securities of such series.

Section 6.03. Certain Rights of Trustee. Subject to the provisions of Section 6.01:

- (a) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, Officer's Certificate, or any other certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other evidence of indebtedness or other paper or document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties;
- (b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors of the Company may be sufficiently evidenced by a Board Resolution;

- (c) whenever in the administration of this Subordinated Debt Securities Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate and/or an Opinion of Counsel;
- (d) the Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in conclusive reliance thereon;
- (e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Subordinated Debt Securities Indenture at the request or direction of any of the Holders pursuant to this Subordinated Debt Securities Indenture, unless such Holders shall have offered to the Trustee security and/or indemnity satisfactory to it in the Trustee's sole discretion against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction, and the Trustee may act at the direction of the requisite percentage of Holders without liability;
- (f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit at the reasonable expense of the Company and shall incur no liability by reason of such inquiry or investigation; provided that the Trustee shall not be entitled to such information which the Company is prevented from disclosing as a matter of law or contract;
- (g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent (other than an officer or employee of the Trustee) or attorney appointed with due care by it hereunder;
- (h) the Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Subordinated Debt Securities Indenture;
- (i) the Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has received, at the Corporate Trust Office of the Trustee, written notice of any event which is in fact such a default;

(j) the Trustee shall not be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if it has been advised of the likelihood of such loss or damage and regardless of the form of action; and

(k) the Trustee shall not be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, strikes, work stoppages, civil or military disturbances, nuclear or natural catastrophes, fire, riot, embargo, loss or malfunctions of utilities, communications or computer (software and hardware) services, government action, including any laws, ordinances, regulations, governmental action or the like which delay, restrict or prohibit the providing of the services contemplated by this Subordinated Debt Securities Indenture; and

(l) the Trustee bank in any other agency role hereunder shall have the same rights, protections, reimbursement and indemnity as is accorded the Trustee pursuant to this Section 6.03.

Section 6.04. Not Responsible for Recitals or Issuance of Subordinated Debt Securities. The recitals contained herein and in the Subordinated Debt Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Subordinated Debt Securities Indenture or of the Subordinated Debt Securities, except that the Trustee represents and warrants that it has duly authorized, executed and delivered this Subordinated Debt Securities Indenture. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of Subordinated Debt Securities or the proceeds thereof.

Section 6.05. May Hold Subordinated Debt Securities. The Trustee, any Authenticating Agent, any Paying Agent, any Subordinated Debt Security Registrar and any Calculation Agent or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Subordinated Debt Securities and, subject to Sections 6.08 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Subordinated Debt Security Registrar, Calculation Agent or such other agent.

Section 6.06. Money Held in Trust. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company.

Section 6.07. Compensation and Reimbursement.

The Company agrees

(a) to pay to the Trustee from time to time compensation for all services rendered by it hereunder as agreed upon in writing by the Company in a fee letter which may be amended from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Subordinated Debt Securities Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as shall be determined by a court of competent jurisdiction to have been caused by its own negligence or bad faith; and

(c) to indemnify the Trustee (which for purposes of this subparagraph Section 6.07(c) shall be deemed to include its directors, officers, employees and agents) for, and to hold it harmless against, any and all loss, liability, claim, damage or expense (including legal fees and expenses) incurred without negligence or bad faith on its part with respect to duties expressly stated in this Indenture, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder but excluding any tax liabilities of the Trustee in respect of its net profits.

(d) the fee, costs and expenses of the Trustee and its counsel incurred in connection with services rendered by the Trustee under Section 5.01 hereof shall constitute administration expenses in any bankruptcy proceedings.

The Trustee shall notify the Company in writing of the commencement of any action or claim in respect of which indemnification may be sought promptly after a Responsible Officer of the Trustee becomes aware of such commencement (provided that the failure to make such notification shall not affect the Trustee's rights hereunder) and the Company shall be entitled to participate in, and to the extent it shall wish, to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Trustee. If the Company and the Trustee are being represented by the same counsel and the Company has assumed the defense of the claim, the Trustee shall not be authorized to settle a claim without the written consent of the Company, which consent shall not be unreasonably withheld. In the case where the Company has assumed the defense of a claim and the Trustee and the Company are represented by the same legal counsel, the Trustee should not settle such a claim without the written consent of the Company, which shall not be unreasonably withheld.

If the Trustee is represented by separate counsel due to a conflict of interest or its need for separate representation due to a need to assert defenses which are different from the Company's in the Trustee's sole discretion, the Trustee shall be entitled to enter into any settlement without the written consent of the Company and any and all fees, costs and expenses of such separate legal representation of the Trustee will be paid by the Company.

As security for the performance of the obligations of the Company under this Section, the Trustee shall have a senior lien to which the Subordinated Debt Securities are hereby made subordinate, upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of (or premium, if any) or interest, if any, on the Subordinated Debt Securities.

The Trustee's right to reimbursement and indemnity under this Section 6.07 shall survive the payment in full of the Subordinated Debt Securities, the discharge of the Subordinated Debt Securities Indenture, and the resignation or removal of the Trustee.

Section 6.08. Disqualification; Conflicting Interests. If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Subordinated Debt Securities Indenture.

Section 6.09. Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder with respect to each series which shall be a banking corporation organized and doing business under the laws of the United States, any State thereof or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or State or District of Columbia authority and, if there be such banking corporation willing and able to act as trustee on reasonable and customary terms, having its corporate trust office or agency in the Borough of Manhattan, The City of New York, New York. If such banking corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

Section 6.10. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the

acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 6.11.

(b) The Trustee may resign at any time with respect to the Subordinated Debt Securities of one or more series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Subordinated Debt Securities of such series.

(c) The Trustee may be removed at any time with respect to the Subordinated Debt Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Subordinated Debt Securities of such series delivered to the Trustee and to the Company. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of removal, the Trustee may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Subordinated Debt Securities of such series.

(d) If at any time:

(i) the Trustee shall fail to comply with Section 6.08 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Subordinated Debt Security of the series as to which the Trustee has a conflicting interest for at least six months, or

(ii) the Trustee shall cease to be eligible under Section 6.09 and shall fail to resign after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Subordinated Debt Security for at least six months, or

(iii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge, or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, or

(iv) the Trustee shall fail to perform its obligations to the Company under the Subordinated Debt Securities Indenture in any material respect,

then, in any such case, (A) the Company by a Board Resolution may remove the Trustee with respect to any or all series of Subordinated Debt Securities or (B) subject to Section 5.14 (and except in the case of subparagraph 6.10(d)(iv) above), any Holder who has been a bona fide Holder of a Subordinated Debt Security for

at least six months (and, in the case of Section 6.10(d)(i) above, who is a Holder of a Subordinated Debt Security of the series as to which the Trustee has a conflicting interest) may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Subordinated Debt Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Subordinated Debt Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Subordinated Debt Securities of such series (it being understood that any successor Trustee may be appointed with respect to the Subordinated Debt Securities of one or more or all of such series and at any time there shall be only one Trustee with respect to the Subordinated Debt Securities of any particular series), and shall comply with the applicable requirements of Section 6.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Subordinated Debt Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Subordinated Debt Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 6.11, become the successor Trustee with respect to the Subordinated Debt Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Subordinated Debt Securities of any series shall have been so appointed by the Company or the Holders of Subordinated Debt Securities of such series and accepted appointment in the manner hereinafter required by Section 6.11, any Holder who has been a bona fide Holder of a Subordinated Debt Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Subordinated Debt Securities of such series.

(f) The Company shall give notice of each resignation and each removal of the Trustee with respect to the Subordinated Debt Securities of any series and each appointment of a successor Trustee with respect to the Subordinated Debt Securities of any series in the manner and to the extent provided in Section 1.06. Each notice shall include the name of the successor Trustee with respect to the Subordinated Debt Securities of such series and the address of its Corporate Trust Office.

Section 6.11. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee with respect to all Subordinated Debt Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the

retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee, all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Subordinated Debt Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Subordinated Debt Securities of such series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (i) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Subordinated Debt Securities of such series to which the appointment of such successor Trustee relates, (ii) if the retiring Trustee is not retiring with respect to all Subordinated Debt Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Subordinated Debt Securities of such series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (iii) shall add to or change any of the provisions of this Subordinated Debt Securities Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Subordinated Debt Securities of such series to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Subordinated Debt Securities of such series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in paragraph (a) or (b) of this Section 6.11, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article 6.

Section 6.12. Merger, Conversion, Consolidation or Succession to Business. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Subordinated Debt Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Subordinated Debt Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Subordinated Debt Securities.

Section 6.13. Preferential Collection of Claims. If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Subordinated Debt Securities of a series), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

Section 6.14. Appointment of Authenticating Agent. The Trustee may at any time appoint an Authenticating Agent or Agents with respect to one or more series of Subordinated Debt Securities which shall be authorized to act on behalf of the Trustee to authenticate Subordinated Debt Securities of such series upon original issue, or issued upon exchange, registration of transfer or partial redemption thereof or in lieu of destroyed, lost or stolen Subordinated Debt Securities, and Subordinated Debt Securities so authenticated shall be entitled to the benefits of this Subordinated Debt Securities Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Subordinated Debt Securities Indenture to the authentication and delivery of Subordinated Debt Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation or banking association organized and doing business under the laws of the United States, any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State or District of Columbia authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority,

then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.14, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation or national banking association into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation or national banking association resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation or national banking association succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation or national banking association shall be otherwise eligible under this Section 6.14, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.14, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall give notice to the Holders of Subordinated Debt Securities in the manner and to the extent provided in Section 1.06. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section 6.14.

The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 6.14.

If an appointment with respect to one or more series is made pursuant to this Section, the Subordinated Debt Securities of such series may have endorsed thereon, in lieu of the Trustee's certificate of authentication, an alternate certificate of authentication in the following form:

This is one of the Subordinated Debt Securities referred to in the within-mentioned Subordinated Debt Securities Indenture.

Holders Lists and Reports by Trustee and Company

Section 7.01. Company to Furnish Trustee Names and Addresses of Holders. The Company, with respect to any series of Subordinated Debt Securities, will furnish or cause to be furnished to the Trustee:

(a) quarterly, not more than 15 days after each Regular Record Date (or after each of the dates to be specified for such purpose for non-interest bearing Subordinated Debt Securities and Subordinated Debt Securities on which interest is paid less frequently than quarterly as contemplated by Section 3.01), a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Subordinated Debt Securities as of such Regular Record Date or such specified date, and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished.

The Company need not furnish or cause to be furnished to the Trustee pursuant to this Section 7.01 the names and addresses of Holders of Subordinated Debt Securities so long as the Trustee acts as Subordinated Debt Security Registrar with respect to such series of Subordinated Debt Securities.

Section 7.02. Preservation of Information; Communication to Holders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders (i) contained in the most recent list furnished to the Trustee as provided in Section 7.01 and (ii) received by the Trustee in its capacity as Paying Agent or Subordinated Debt Security Registrar

(if so acting). The Trustee may destroy any list furnished to it as provided in Section 7.01 upon receipt of a new list so furnished.

(b) The rights of the Holders of Subordinated Debt Securities of any series to communicate with other Holders with respect to their rights under this Subordinated Debt Securities Indenture or under the Subordinated Debt Securities, and the corresponding rights and privileges of the Trustee, shall be as provided by the Trust Indenture Act.

(c) Every Holder, by receiving and holding a Subordinated Debt Security, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of any of them shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders in accordance with Section 7.02(b) or otherwise made pursuant to the Trust Indenture Act.

Section 7.03. Reports by Trustee.

(a) On or before November 4 in each year following the date hereof, so long as any Subordinated Debt Securities are Outstanding hereunder, the Trustee shall transmit to Holders as provided in the Trust Indenture Act a brief report dated as of a date required by and in compliance with the Trust Indenture Act.

(b) A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each securities exchange upon which the Trustee has been notified that the Subordinated Debt Securities are listed, with the Commission and with the Company. The Company will notify the Trustee when Subordinated Debt Securities are listed on any securities exchange.

(c) The Company will furnish the Trustee with interim and annual reports and upon receipt thereof, the Trustee will mail such reports to all record holders of Subordinated Debt Securities. In addition, the Company will furnish the Trustee with all notices of meetings at which holders of Subordinated Debt Securities of a particular series are entitled to vote, and all other reports and communications that are made generally available to holders of Subordinated Debt Securities. The Trustee will, at the Company's expense, make such notices, reports and communications available for inspection by holders of Subordinated Debt Securities in such manner as the Company may determine and, in the case of any notice received by the Trustee in respect of any meeting at which holders of Subordinated Debt Securities of a particular series are entitled to vote, will mail to all such record holders of Subordinated Debt Securities, at the Company's expense, a notice containing a summary of the information set forth in such notice of meeting.

Section 7.04. Reports by Company. The Company shall:

(a) file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act; or, if the Company is not required to file information, documents or reports pursuant to either of such Sections, then it shall file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate);

(b) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants of this Subordinated Debt Securities Indenture as may be required from time to time by such rules and regulations. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate); and

(c) transmit to Holders, in the manner and to the extent required by the Trust Indenture Act, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Company pursuant to paragraphs (a) and (b) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

ARTICLE 8

Consolidation, Merger, Conveyance or Transfer

Section 8.01. Company May Consolidate, etc., Only on Certain Terms. Subject always to Section 8.04 below, the Company may, without the consent of Holders of any Subordinated Debt Securities of any series Outstanding under this Subordinated Debt Securities Indenture, consolidate or amalgamate with or merge

into any other corporation or convey or transfer or lease its properties and assets substantially as an entirety to any Person, provided that:

- (a) the corporation formed by such consolidation or amalgamation or into which the Company is merged or the Person which acquires by conveyance or transfer the properties and assets of the Company substantially as an entirety (i) shall be a company organized and existing under the laws of the United Kingdom or any political subdivision thereof, and (ii) shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, the due and punctual payment of the principal of (and premium, if any) and interest (including any Deferred Amounts), if any, on all the Subordinated Debt Securities in accordance with the provisions of such Subordinated Debt Securities and this Subordinated Debt Securities Indenture and the performance of every covenant of this Subordinated Debt Securities Indenture on the part of the Company to be performed or observed;
- (b) immediately after giving effect to such transaction, no Event of Default or Default, and no event which, after notice or lapse of time or both; would become an Event of Default or Default, shall have happened and be continuing; and
- (c) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, amalgamation, merger, conveyance or transfer and such supplemental indenture comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with.

Section 8.02. Successor Corporation Substituted. Upon any consolidation, amalgamation or merger or any conveyance or transfer of the properties and assets of the Company substantially as an entirety in accordance with Section 8.01, the successor corporation formed by such consolidation or amalgamation or into which the Company is merged or to which such conveyance or transfer is made shall succeed to and be substituted for, and may exercise every right and power of, the Company under this Subordinated Debt Securities Indenture with the same effect as if such successor corporation had been named as the Company, herein, and thereafter, the predecessor corporation shall be relieved of all obligations and covenants under the Subordinated Debt Securities Indenture and the Subordinated Debt Securities.

Section 8.03. Assumption of Obligations. With respect to the Subordinated Debt Securities of any series, a wholly-owned subsidiary of the Company (a "successor entity") may without the consent of any Holder assume the obligations of the Company (or any corporation which shall have previously assumed the obligations of the Company) for the due and punctual payment of the principal of (and premium, if any, on) and interest (including any Deferred Amounts), if any, on any series of Subordinated Debt Securities in accordance with the provisions of such Subordinated Debt Securities and this Subordinated

Debt Securities Indenture and the performance of every covenant of this Subordinated Debt Security Indenture and such series of Subordinated Debt Securities on the part of the Company to be performed or observed provided, that:

- (a) there is no Event of Default or Default continuing in relation to the relevant series of Subordinated Debt Securities;
- (b) the successor entity shall expressly assume such obligations by an amendment to the Subordinated Debt Securities Indenture, executed by the Company and such successor entity, if applicable, and delivered to the Trustee, in form satisfactory to the Trustee, and the Company shall, by amendment to the Subordinated Debt Securities Indenture, unconditionally guarantee (such guarantee shall be given on a subordinated basis consistent with Article 12 hereof) all of the obligations of such successor entity under the Subordinated Debt Securities of such series and the Subordinated Debt Securities Indenture as so modified by such amendment;
- (c) such successor entity shall confirm in such amendment to the Subordinated Debt Securities Indenture that such successor entity will pay all Additional Amounts, if any, payable pursuant to Section 10.04 in respect of all the Subordinated Debt Securities (subject to the exceptions specified therein) provided, however, that for these purposes such successor entity's country of organization will be substituted for the references to the United Kingdom in the definition of "Taxing Jurisdiction";
- (d) immediately after giving effect to such assumption of obligations, no Event of Default or Default and no event which, after notice or lapse of time or both, would become an Event of Default or Default, shall have occurred and be continuing; and
- (e) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such assumption complies with this Article and that all conditions precedent herein provided for relating to such assumption have been complied with.

Upon any such assumption, the successor entity shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Subordinated Debt Securities Indenture with respect to any such Subordinated Debt Securities with the same effect as if such successor entity had been named as the Company in this Subordinated Debt Securities Indenture (provided, however, that the right of the successor to redeem the Subordinated Debt Securities of the relevant series shall only apply with respect to any change or amendment to, or change in the application or official interpretation of, the laws or regulations (including any treaty) of the successor's jurisdiction of incorporation which occurs after the date of assumption), and the Company or any legal and valid successor corporation which shall theretofore have become such in the manner

prescribed herein, shall be released from all liability as obligor upon any such Subordinated Debt Securities except as provided in clause (a) of this Section 8.03.

If the Company makes payment under the guarantee, the Company shall be required to pay all Additional Amounts, if any, payable pursuant to Section 10.04 in respect of the Subordinated Debt Securities (subject to the exceptions set forth therein), provided, however, that for purposes of payment by the Company under the guarantee, the definition of "Taxing Jurisdiction" shall include the successor entity's country of organization and the United Kingdom.

Section 8.04. Notification of Assumption Or Substitution To the PRA. No such assumption or substitution as is referred to in either Section 8.02 or 8.03 shall be effected in relation to any series of Subordinated Debt Securities, unless the Company has notified the PRA of its intention to do so at least one month (or such other period, longer or shorter, as the PRA may then require or accept) prior to the date scheduled therefor and no objection thereto has been raised by the PRA or, if required, a Relevant Supervisory Consent therefor has been received.

ARTICLE 9 Supplemental Indentures

Section 9.01. Supplemental Indentures without Consent of Holders. Subject always to Section 9.07 below, without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (a) to evidence the succession of another corporation to the Company and the assumption by any such successor of the covenants of the Company herein and in the Subordinated Debt Securities;
- (b) to add to the covenants of the Company for the benefit of the Holders of all or any series of Subordinated Debt Securities (and, if such covenants are to be for the benefit of fewer than all series of Subordinated Debt Securities, stating that such covenants are expressly being included solely for the benefit of such series) or to surrender any right or power herein conferred upon the Company;
- (c) to add any additional Events of Default or Defaults;
- (d) to add to, change or eliminate any of the provisions of this Subordinated Debt Securities Indenture, or any supplemental indenture, provided that any such change or elimination shall become effective only when there is no Subordinated Debt Security Outstanding of any series created prior to the execution of such supplemental indenture effecting such change or elimination

which is entitled to the benefit of such provision, and adversely affected by such addition, change or elimination;

- (e) to secure the Subordinated Debt Securities;
- (f) to establish the form or terms of Subordinated Debt Securities of any series as permitted by Sections 2.01 or 3.01;
- (g) to change any Place of Payment, so long as the Place of Payment as required by Section 3.01 is maintained;
- (h) to cure any ambiguity, to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein or in any supplemental indenture;
- (i) to make any other provisions with respect to matters or questions arising under this Subordinated Debt Securities Indenture, provided such action shall not adversely affect the interests of the Holders of Subordinated Debt Securities of any series in any material respect;
- (j) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Subordinated Debt Securities of one or more series and to add to or change any of the provisions of this Subordinated Debt Securities Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 6.11(b); or
- (k) to change or eliminate any provision of this Subordinated Debt Securities Indenture as permitted by Section 1.07.

Section 9.02. Supplemental Indentures with Consent of Holders. Subject always to Section 9.07 below, with the consent of the Holders of not less than 2/3 (two thirds) in aggregate principal amount of the Outstanding Subordinated Debt Securities of each series affected by such supplemental Subordinated Debt Securities Indenture (voting as a class), by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Subordinated Debt Securities Indenture or of modifying in any manner the rights of the Holders of Subordinated Debt Securities of such series under this Subordinated Debt Securities Indenture; provided, however, that no such supplemental indenture may, without the consent of the Holder of each Outstanding Subordinated Debt Security affected thereby,

- (a) change the Stated Maturity, if any, of any principal amount or any interest amounts in respect of any such Subordinated Debt Security, reduce the principal amount thereof or the rate of interest, if any, thereon, or any premium

payable upon the redemption thereof, or reduce the amount of principal of an Original Issue Discount Security that would be due and payable upon an acceleration of the Maturity thereof pursuant to Section 5.02, or change the obligation of the Company (or its successor) to pay Additional Amounts pursuant to Section 10.04 (except as contemplated by Section 8.01(a) and permitted by Section 9.01(a)) on the Subordinated Debt Securities, or the currency of payment of the principal amount of, premium, if any, or interest on, any such Subordinated Debt Security, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof or the date any such payment is otherwise due and payable (or, in the case of redemption or exchange, on or after the Redemption Date or the Exchange Date as the case may be); or

(b) reduce the percentage in aggregate principal amount of the Outstanding Subordinated Debt Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Subordinated Debt Securities Indenture or of certain defaults hereunder and their consequences) provided for in this Subordinated Debt Securities Indenture; or

(c) modify any of the provisions of this Section or Section 5.13 except to increase any such percentage or to provide that certain other provisions of this Subordinated Debt Securities Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Subordinated Debt Security affected thereby; provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to “the Trustee” and concomitant changes in this Section, or the deletion of this proviso, in accordance with the requirements of Sections 6.11(b) and 9.01(j); or

(d) change in any manner adverse to the interests of the Holders of any Subordinated Debt Securities, the subordination provisions of the Subordinated Debt Securities or the terms and conditions of the obligations of the Company in respect of the due and punctual payment of any amounts due and payable on the Subordinated Debt Securities.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

A supplemental indenture which changes or eliminates any covenant or other provision of this Subordinated Debt Securities Indenture which has expressly been included solely for the benefit of one or more particular series of Subordinated Debt Securities, or which modifies the rights of the Holders of Subordinated Debt Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Subordinated Debt Securities Indenture of the Holders of Subordinated Debt Securities of any other series.

Section 9.03. Execution of Supplemental Indentures. In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Subordinated Debt Securities Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Subordinated Debt Securities Indenture and constitutes a legal, valid and binding obligation of the Company. The Trustee may, but shall not be obliged to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Subordinated Debt Securities Indenture or otherwise.

Section 9.04. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article, this Subordinated Debt Securities Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Subordinated Debt Securities Indenture for all purposes; and every Holder of Subordinated Debt Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby, except as otherwise expressed therein.

Section 9.05. Conformity with Trust Indenture Act. Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

Section 9.06. Reference in Subordinated Debt Securities to Supplemental Indentures. Subordinated Debt Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Subordinated Debt Securities of any series so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and such Subordinated Debt Securities may be authenticated and delivered by the Trustee in exchange for Outstanding Subordinated Debt Securities of such series.

Section 9.07. Notification of Modification or Supplemental Indenture to PRA. No such modification shall be effected in relation to any series of Subordinated Debt Securities, unless the Company has notified the PRA of its intention to do so at least one month (or such other period, longer or shorter, as the PRA may then require or accept) prior to the date scheduled therefor and no objection thereto has been raised by the PRA or, if required, a Relevant Supervisory Consent has been received.

ARTICLE 10
Covenants

Section 10.01. Payment of Principal, Premium, and Interest. The Company covenants and agrees for the benefit of each series of Subordinated Debt Securities that it will duly and punctually pay the principal of (and premium, if any) and (subject to Section 3.07) interest if any, on, the Subordinated Debt Securities of that series in accordance with the terms of the Subordinated Debt Securities and this Subordinated Debt Securities Indenture.

Section 10.02. Maintenance of Office or Agency. The Company will maintain in each Place of Payment for any series of Subordinated Debt Securities an office or agency where Subordinated Debt Securities of that series may be presented or surrendered for payment, where Subordinated Debt Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Subordinated Debt Securities of that series and this Subordinated Debt Securities Indenture may be served; provided, however, that at the option of the Company in the case of Subordinated Debt Securities of such series, payment of any interest thereon may be made by check mailed to the address of the Person entitled herein as such address shall appear in the Subordinated Debt Security Register. With respect to the Subordinated Debt Securities of any series, such office or agency in each Place of Payment shall be specified as contemplated by Section 3.01, and if not so specified, initially shall be the Corporate Trust Office of the Trustee. Unless otherwise specified pursuant to Section 3.01, the Company will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Company in respect of Subordinated Debt Securities of any series and this Subordinated Debt Securities Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee. The Company hereby appoints the Trustee as its agent to receive all presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies (in or outside the Borough of Manhattan, The City of New York) where the Subordinated Debt Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of any obligation to maintain an office or agency in each Place of Payment (except as otherwise indicated in this Section) for Subordinated Debt Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 10.03. Money for Payments to be Held in Trust. If the Company shall at any time act as Paying Agent with respect to the Subordinated Debt Securities of any series, it will, on or before each due date for payment of the principal of (and premium, if any) or interest, if any, on any of the Subordinated Debt Securities of that series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its failure so to act.

Whenever the Company shall have one or more Paying Agents for any series of Subordinated Debt Securities, it will, prior to each due date for payment of the principal of (and premium, if any) or interest, if any, on any Subordinated Debt Securities of that series deposit with a Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest, if any, so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or its failure so to act. Unless otherwise specified as contemplated by Section 3.01, the Trustee shall be the Company's Paying Agent. The Company will cause each Paying Agent for any series of Subordinated Debt Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (a) hold all sums held by it for the payment of the principal of (and premium, if any) or interest, if any, on Subordinated Debt Securities of that series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (b) give the Trustee notice of any default by the Company (or any other obligor upon the Subordinated Debt Securities of that series) in the making of any payment, when due and payable, or principal of (and premium, if any) or interest, if any, on Subordinated Debt Securities of that series; and
- (c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at the time, for the purpose of obtaining the satisfaction and discharge of this Subordinated Debt Securities Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of (and premium, if any) or interest, if any, on any Subordinated Debt Security of any series and remaining unclaimed for two years after such principal (and premium, if any) or interest, if any, have become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Subordinated Debt Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published at least once, in an Authorized Newspaper, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be paid to the Company.

Section 10.04. Additional Amounts. Unless otherwise specified in any Board Resolution establishing the terms of Subordinated Debt Securities of a series in accordance with Section 3.01, all amounts of principal, and premium, if any, and interest, if any, on any series of Subordinated Debt Securities will be paid by the Company without deduction or withholding for, or on account of, any and all present and future income, stamp and other taxes, levies, imposts, duties, charges, fees, deductions or withholdings now or hereafter imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any political subdivision or authority thereof or therein having the power to tax (the "Taxing Jurisdiction"), unless such deduction or withholding is required by law.

If deduction or withholding of any such taxes, levies, imposts, duties, charges, fees, deductions or withholdings shall at any time be required by the Taxing Jurisdiction, the Company will pay such additional amounts of, or in respect of, the principal amount of, premium, if any, and interest, if any, on any series of Subordinated Debt Securities ("Additional Amounts") as may be necessary in order that the net amounts paid to the Holders of Subordinated Debt Securities of the particular series, after such deduction or withholding, shall equal the respective amounts of principal, premium, if any, and interest, if any, which would have been payable in respect of such Subordinated Debt Securities had no such deduction or withholding been required; provided, however, that the foregoing will not apply to any such tax, levy, impost, duty, charge, fee, deduction or withholding which would not have been payable or due but for the fact that:

(i) the Holder or the beneficial owner of the Subordinated Debt Security is a domiciliary, national or resident of, or engaging in business or maintaining a permanent establishment or is physically present in, the Taxing Jurisdiction or otherwise has some connection with the Taxing Jurisdiction other than the holding or ownership of a Subordinated

Debt Security, or the collection of any payment of (or in respect of) principal of, premium, if any, or interest, if any, on any Subordinated Debt Security of the relevant series;

(ii) except in the case of a winding-up of the Company in the United Kingdom, the relevant Subordinated Debt Security is presented (where presentation is required) for payment in the United Kingdom;

(iii) the relevant Subordinated Debt Security is presented (where presentation is required) for payment more than 30 days after the date payment became due or was provided for, whichever is later, except to the extent that the Holder would have been entitled to such Additional Amount on presenting (where presentation is required) the same for payment at the close of such 30 day period; or

(iv) the Holder or the beneficial owner of the relevant Subordinated Debt Security or the beneficial owner of any payment of (or in respect of) principal of, premium, if any, or interest, if any, on such Subordinated Debt Security failed to comply with a request of the Company or its liquidator or other authorized person addressed to the Holder (x) to provide information concerning the nationality, residence or identity of the Holder or such beneficial owner or (y) to make any declaration or other similar claim to satisfy any requirement, which in the case of (x) or (y), is required or imposed by a statute, treaty, regulation or administrative practice of the Taxing Jurisdiction as a precondition to exemption from all or part of such tax, assessment or other governmental charge;

(v) the withholding or deduction is imposed on a payment to or for the benefit of an individual and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive;

(vi) the relevant Subordinated Debt Security is presented (where presentation is required) for payment by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting (where presentation is required) the relevant Subordinated Debt Security to another paying agent in a Member State of the European Union; or

(vii) any combination of subclauses (i) through (vi) above;

nor shall Additional Amounts be paid with respect to the principal of, premium, if any, and interest on, the Subordinated Debt Securities to any Holder who is a fiduciary or partnership or settlor with respect to such fiduciary or a member of such partnership or other than the sole beneficial owner of such payment to the

extent such payment would be required by the laws of any Taxing Jurisdiction to be included in the income for tax purposes of a beneficiary or partner or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to such Additional Amounts, had it been the Holder.

Whenever in this Subordinated Debt Securities Indenture there is mentioned, in any context, the payment of the principal (and premium, if any) or interest, if any, on, or in respect of, any Subordinated Debt Security of any series such mention shall be deemed to include mention of the payment of Additional Amounts provided for in this Section to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the provisions of this Section and as if express mention of the payment of Additional Amounts (if applicable) were made in any provisions hereof where such express mention is not made.

Section 10.06. Statement as to Compliance. The Company will deliver to the Trustee, (i) within 120 days after the end of each fiscal year; and (ii) within 5 Business Days of a written request from the Trustee, a certificate in compliance with Section 314(a)(4) of the Trust Indenture Act.

Section 10.07. Original Issue Document. The Company shall provide to the Trustee on a timely basis such information, if any, as the Trustee requires to enable the Trustee to prepare and file any form required to be submitted by the Company with the Internal Revenue Service and the Holders of the Subordinated Debt Securities relating to any original issue discount for U.S. federal income tax purposes.

ARTICLE 11

Redemption Of Subordinated Debt Securities

Section 11.01. Applicability of Article. Subordinated Debt Securities of any series shall be redeemable in accordance with their terms and (except as otherwise specified pursuant to Section 3.01 for Subordinated Debt Securities of any series) in accordance with this Article 11. Subordinated Debt Securities of any series may not be redeemed except in accordance with provisions of applicable law, applicable provisions of the Applicable Banking Regulations and Section 11.10 below. The Subordinated Debt Securities of any series may not be redeemed in whole or in part at the option of the Holder thereof.

Section 11.02. Election to Redeem; Notice to Trustee. The election of the Company to redeem any Subordinated Debt Securities shall be evidenced by a

Board Resolution. The Company shall, at least 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date, of the principal amount of Subordinated Debt Securities of such series to be redeemed and, if applicable, the tenor of the Subordinated Debt Securities to be redeemed. In the case of any redemption of Subordinated Debt Securities of any series prior to the expiration of any provision restricting such redemption provided in the terms of such Subordinated Debt Securities or elsewhere in this Subordinated Debt Securities Indenture, the Company shall furnish the Trustee with respect to such Subordinated Debt Securities with an Officer's Certificate evidencing compliance with or waiver of such provision.

Section 11.03. Selection by Trustee of Subordinated Debt Securities to Be Redeemed. If fewer than all the Subordinated Debt Securities of any series are to be redeemed, the particular Subordinated Debt Securities to be redeemed shall be selected not more than 60 days nor less than 30 days prior to the Redemption Date by the Trustee, from the Outstanding Subordinated Debt Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Subordinated Debt Securities of that series or any multiple thereof) of the principal amount of Subordinated Debt Securities of such series of a denomination larger than the minimum authorized denomination for Subordinated Debt Securities of that series, all in accordance with the rules and regulations of the applicable clearing system.

The Trustee shall promptly notify the Company in writing of the Subordinated Debt Securities selected for redemption and, in the case of any Subordinated Debt Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Subordinated Debt Securities Indenture, unless the context otherwise requires, all provisions relating to the redemption of Subordinated Debt Securities shall relate in the case of any Subordinated Debt Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Subordinated Debt Security which has been or is to be redeemed.

Section 11.04. Notice of Redemption. Notice of redemption shall be given not less than 30 nor more than 60 days prior to the Redemption Date to each Holder of Subordinated Debt Securities to be redeemed in the manner and to the extent provided in Section 1.06.

All notices of redemption shall state:

- (a) the Redemption Date,
- (b) the Redemption Price,

- (c) if fewer than all the Outstanding Subordinated Debt Securities of any series are to be redeemed, the principal amount of the Subordinated Debt Securities to be redeemed,
- (d) that on the Redemption Date the Redemption Price, any accrued but unpaid interest and any Deferred Amounts will become due and payable upon each such Subordinated Debt Security to be redeemed and, if applicable, that interest thereon will cease to accrue on or after the said date,
- (e) the place or places where such Subordinated Debt Securities are to be surrendered for payment of the Redemption Price, and
- (f) the CUSIP, Common Code and/or ISIN number or numbers, if any, with respect to such Subordinated Debt Securities.

Notice of redemption of Subordinated Debt Securities to be redeemed at the selection of the Company shall be given by the Company or, at the Company's Request, by the Trustee in the name and at the expense of the Company, and the Company shall deliver written notice thereof to the Trustee no less than 10 Business Days prior to the date of the notice to Holders of Subordinated Debt Securities.

Section 11.05. Deposit of Redemption Price. On or prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as Paying Agent, segregate and hold in trust as provided in Section 10.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued but unpaid interest (including any Deferred Amounts) on, all the Subordinated Debt Securities which are to be redeemed on that date.

Section 11.06. Subordinated Debt Securities Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Subordinated Debt Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest, if any) such Subordinated Debt Securities shall cease to accrue interest. Upon surrender of any such Subordinated Debt Security for redemption in accordance with said notice, such Subordinated Debt Security shall be paid by the Company at the Redemption Price, together with accrued but unpaid interest to the Redemption Date (including any Deferred Amounts); provided, however, that with respect to any Subordinated Debt Securities, unless otherwise specified as contemplated by Section 3.01, a payment of interest which is payable on an Interest Payment Date which is the Redemption Date, shall be payable to the Holders of such Subordinated Debt Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Regular or Deferred Record Date according to the terms of the Subordinated Debt

Securities and the provisions of Section 3.07. Subordinated Debt Securities in definitive form shall be presented for redemption to the Paying Agent.

If any Subordinated Debt Security called for redemption shall not be so paid upon surrender thereof for redemption, the Subordinated Debt Security shall, until paid, continue to accrue interest from and after the Redemption Date in accordance with its terms and the provisions of Section 3.07.

Section 11.07. Subordinated Debt Securities Redeemed in Part. Any Subordinated Debt Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, only in the case of Subordinated Debt Securities, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Subordinated Debt Security without service charge, a new Subordinated Debt Security or Subordinated Debt Securities of the same series of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Subordinated Debt Security so surrendered.

Section 11.08. Optional Redemption Due to Changes in Tax Treatment. Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Subordinated Debt Securities and subject always to Section 11.10 below, the Company will have the option, subject if so required at the relevant time to the prior consent of, or following the giving of the required notice, no objection thereto having been raised by, the PRA, to redeem the relevant series of Subordinated Debt Securities, as a whole but not in part, having given notice in accordance with Section 11.04 hereof, on any Interest Payment Date at a redemption price equal to 100% of the principal amount, together with accrued but unpaid interest (including any Deferred Amounts), if any, in respect of such series of Subordinated Debt Securities to the date fixed for redemption (or, in the case of Discount Securities, the accreted face amount thereof, together with accrued interest, if any), if, at any time, the Company shall determine that as a result of a change in or amendment to the laws or regulations of the Taxing Jurisdiction (including any treaty to which such Taxing Jurisdiction is a party), or any change in the application or interpretation of such laws or regulations (including a decision of any court or tribunal) or any generally published pronouncement by any relevant tax authority which change, amendment or pronouncement becomes effective or applicable on or after a date included in the terms of such series of Subordinated Debt Securities pursuant to Section 3.01, provided that the PRA is satisfied such change is material and was not reasonably foreseeable by the Company as at such date, and provided further that upon CRD IV taking effect in the United Kingdom, any right of redemption pursuant to this Section 11.08 shall only apply if, when and to the extent such right of redemption would not result in the Subordinated Debt Securities failing or ceasing to qualify as Tier 2 Capital under CRD IV:

- (a) in making payment under the Subordinated Debt Securities in respect of principal or premium, if any, or interest, if any, it has or will or would on the next Interest Payment Date become obligated to pay Additional Amounts;
- (b) the payment of interest on the next Interest Payment Date in respect of any of the Subordinated Debt Securities would be treated as a “distribution” within the meaning of Section 1000 of the Corporation Tax Act 2010 of the United Kingdom (or any statutory modification or re-enactment thereof for the time being); or
- (c) on the next Interest Payment Date the Company would not be entitled to claim a deduction in respect of the payment of interest in computing its United Kingdom taxation liabilities (or the value of such deduction to the Company would be materially reduced).

In any case where the Company shall determine that as a result of any change in the application or interpretation of any laws or regulations it is entitled to redeem the Subordinated Debt Securities of any series, the Company shall be required to deliver to the Trustee prior to the giving of any notice of redemption (i) a written legal opinion of independent United Kingdom counsel of recognized standing (selected by the Company), in a form satisfactory to the Trustee confirming that the relevant change in the application or interpretation of such laws or regulations has occurred and that the Company is entitled to exercise its right of redemption or (ii) an Officer's Certificate confirming that the PRA is satisfied that such change as described in this Section 11.08 is material and was not reasonably foreseeable by the Company on the relevant issue date, evidencing compliance with such provisions and stating that it is entitled to redeem the Subordinated Debt Securities pursuant to the terms of the Subordinated Debt Securities. The Trustee may accept such Officer's Certificate without any further inquiry as sufficient evidence of the existence of the circumstances required to be established in which event it shall be conclusive and binding on the Company, the Trustee and the Holders.

Section 11.09. Optional Redemption For Regulatory Purposes. Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Subordinated Debt Securities and subject always to Section 11.10 below, the Company will have the option, subject if so required at the relevant time to the prior consent of (or, following the giving of the required notice, the receipt of no objection from) the PRA, to redeem the Subordinated Debt Securities, as a whole but not in part, having given notice in accordance with Section 11.04 hereof, at any time at a redemption price equal to 100% of the principal amount, together with accrued but unpaid interest (including any Deferred Amounts), if any, in respect of such series of Subordinated Debt Securities to the date fixed for redemption (or, in the case of Discount Securities, the accreted face amount thereof, together with accrued interest, if any), if, immediately prior to the giving of the notice referred to above, a Capital Disqualification Event has occurred and is continuing, provided that the Company has satisfied the Trustee that a Capital

Disqualification Event has occurred and is continuing, and provided further that upon CRD IV taking effect in the United Kingdom, any right of redemption pursuant to this Section 11.09 shall only apply if, when and to the extent such right of redemption would not result in the Subordinated Debt Securities failing or ceasing to qualify as Tier 2 Capital under CRD IV.

It shall be sufficient for the purposes of this Section 11.09 to establish that a Capital Disqualification Event has occurred and is continuing if the Company delivers to the Trustee an Officer's Certificate confirming that such Capital Disqualification Event has occurred and is continuing, including (expressly) that the PRA is satisfied such Capital Disqualification Event was not reasonably foreseeable by the Company as at the date included in the terms of such series of Subordinated Debt Securities pursuant to Section 3.01. The Trustee may accept such certificate without any further inquiry as sufficient evidence of the existence of the circumstances required to be established in which event it shall be conclusive and binding on the Company, the Trustee and the Holders.

Section 11.10. Early Redemption – PRA Consent. Subordinated Debt Securities may only be redeemed by the Company as provided under Article 11 of this Subordinated Debt Securities Indenture provided that the Company (a) has notified the PRA of its intention to do so at least one month (or such other period, longer or shorter, as the PRA may then require or accept) prior to the Company becoming committed to the proposed repayment and no objection thereto has been raised by the PRA or, if required, a Relevant Supervisory Consent has been received prior to the Company becoming committed to the proposed repayment, (b) has satisfied the PRA that, after such repayment, the Company will be able to meet its Capital Resources Requirement and have sufficient financial resources to meet its Overall Financial Adequacy Rule, and (c) redeems such Subordinated Debt Securities if, when and to the extent not prohibited by the Applicable Banking Regulations.

ARTICLE 12

Subordination of Subordinated Debt Securities

Section 12.01. Subordinated Debt Securities Subordinate to Claims of Senior Creditors.

(a) Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Subordinated Debt Securities, the Company covenants and agrees, and each Holder of Subordinated Debt Securities of each series, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article 12, in the event of:

(i) an order being made, or an effective resolution being passed, for the winding-up of the Company (except, in any such case, a solvent winding-up solely for the purposes of a reorganisation,

reconstruction or amalgamation of the Company, the terms of which reorganisation, reconstruction, amalgamation (x) have previously been approved in writing by the Trustee and (y) do not provide that the Subordinated Debt Securities shall thereby become redeemable or repayable in accordance with these Conditions); or

(ii) a Qualifying Administration,

the Holders will have a right against the Company in respect of or arising under (including any damages awarded for breach of any obligations under) the Subordinated Debt Securities and the Subordinated Debt Securities Indenture relating to them to claim for all amounts due to them in respect of the Subordinated Debt Securities including the principal amount thereof (plus any premium) and any accrued but unpaid interest and any Deferred Amounts thereon. Such rights and claims will be subordinated in the manner provided in this Section 12.01 to the claims of all Senior Creditors but shall rank at least pari passu with the claims of holders of all other subordinated obligations of the Company and shall rank in priority to the claims of holders of all subordinated obligations of the Company which constitute Tier 1 Capital and to the claims of holders of all classes of share capital of the Company.

(b) The provisions of this Article 12 shall apply only to rights or claims payable under Section 12.01 (a) or to amounts payable pursuant thereto and under any Subordinated Debt Securities of any series and nothing herein shall affect or prejudice the payment of the costs, charges, expenses, liabilities, indemnity or remuneration of the Trustee, the first lien rights of the Trustee under Section 5.06 hereof, or the rights and remedies of the Trustee in respect thereof.

(c) The provisions of this Article 12 shall not be applicable to any amounts in respect of any of the Subordinated Debt Securities of any series for the payment of which funds have been deposited in trust with the Trustee or any Paying Agent or have been set aside by the Company in trust in accordance with the provisions of this Subordinated Debt Securities Indenture; provided, however, that at the time of such deposit or setting aside, and immediately thereafter, the foregoing provisions of this Section 12.01 are complied with.

Section 12.02. Provisions Solely to Define Relative Rights. The provisions of this Article 12 are and are intended solely for the purpose of defining the relative rights of the Holders of the Subordinated Debt Securities of each series on the one hand and the Senior Creditors on the other hand. Nothing contained in this Article or elsewhere in this Subordinated Debt Securities Indenture or in such Subordinated Debt Securities is intended to or shall (a) impair, as among the Company and the Holders of the Subordinated Debt Securities, the obligation of the Company, which is absolute and unconditional, to pay to the holders of such claims the principal of, premium, if any, and interest, if

any, on such Subordinated Debt Securities as and when the same shall become due and payable in accordance with their terms and this Subordinated Debt Securities Indenture; or (b) affect the relative rights against the Company of the Holders of such Subordinated Debt Securities; or (c) prevent the Trustee or the Holder of any Subordinated Debt Securities of the series from exercising all remedies otherwise permitted by applicable law upon default under this Subordinated Debt Securities Indenture, subject to the rights, if any, under this Article of the Senior Creditors to receive cash, property or securities otherwise payable or deliverable to the Trustee or such holder.

Section 12.03. Trustee to Effectuate Subordination. Each Holder of a Subordinated Debt Security by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the subordination of the Subordinated Debt Securities provided in this Article 12 and appoints the Trustee his attorney-in-fact for any and all such purposes.

Section 12.04. No Waiver of Subordination Provisions. No right of any present or future Senior Creditors to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such Senior Creditor or by any noncompliance by the Company with the terms, provisions and covenants of this Subordinated Debt Securities Indenture, regardless of any knowledge thereof any such Senior Creditor may have or be otherwise charged with.

Section 12.05. Notice to Trustee. Upon the occurrence of any Event of Default or Default, the Company shall give prompt written notice to the Trustee of any fact known to the Company which would prohibit the making of any payment when due to or by the Trustee in respect of the Subordinated Debt Securities of a series. Notwithstanding the provisions of this Article or any other provisions of this Subordinated Debt Securities Indenture but subject to the provisions of Section 12.01, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment when due to or by the Trustee in respect of such Subordinated Debt Securities unless and until the Trustee shall have received written notice thereof from the Company or a Senior Creditor or from any trustee therefor; and, prior to the receipt of any such written notice by a Responsible Officer of the Trustee, the Trustee, subject to the provisions of Section 6.01, shall be entitled in all respects to assume that no such facts exist; provided, however, that if the Trustee shall not have received the notice provided for in this Section at least three Business Days prior to the date upon which by the terms hereof any money may become payable for any purpose (including, without limitation, the payment of the principal of and any premium and interest, if any, on any Subordinated Debt Security), then, subject to the provisions of Section 12.01, the Trustee shall have full power and authority to receive such money and to apply the same to the purpose for which such money

was received and shall not be affected by any notice to the contrary which may be received by it within three Business Days prior to such date.

Subject to the provisions of Section 6.01, the Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself to be a Senior Creditor or a trustee therefor, to establish that such notice has been given by a Senior Creditor, or a trustee therefor. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a Senior Creditor to participate in any payment or distribution pursuant to this Article, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of claims held by such Person, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

Section 12.06. Reliance on Judicial Order or Certificate of Liquidating Agent. Upon any payment or distribution of assets of the Company referred to in this Article, the Trustee, subject to the provisions of Section 6.01, the Holders of the Subordinated Debt Securities of the series shall be entitled to rely upon (a) any order or decree entered by any court in Scotland (but not elsewhere) in which such winding-up of the Company or similar case or proceeding, including a proceeding for the suspension of payments under Scottish law, is pending, or (b) a certificate of the administrator of the Company (the "Liquidator"), assignee for the benefit of creditors, agent or other person making such payment or distribution, delivered to the Trustee or the Holders of such Subordinated Debt Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the Senior Creditors and other claims against the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 12.

Section 12.07. Trustee Not Fiduciary for Senior Creditors. The Trustee shall not be deemed to owe any fiduciary duty to the Senior Creditors and shall not be liable to any such holders if it shall in good faith mistakenly pay over or distribute to Holders of Subordinated Debt Securities of the series or to the Company or to any other Person cash, property or securities to which any Senior Creditors shall be entitled by virtue of this Article or otherwise.

Section 12.08. Rights of Trustee as Senior Creditor; Preservation of Trustee's Rights. The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article with respect to any claims of Senior Creditors which may at any time be held by it, to the same extent as any other Senior Creditor, and nothing in this Subordinated Debt Securities Indenture shall deprive the Trustee of any of its rights as such holder.

Nothing in this Article shall apply to claims of, or payments to, the Trustee under or pursuant to Section 6.07.

Section 12.09. Article Applicable to Paying Agents. At all times when a Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term “Trustee” as used in this Article shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article in addition to or in place of the Trustee; provided, however, that Section 12.08 shall not apply to the Company or any Affiliate of the Company if it or such Affiliate acts as Paying Agent.

Section 12.10. Exchanges Not Deemed Payment. For the purposes of this Article 12 only, delivery of Preference Shares or Exchange Securities upon exchange of Subordinated Debt Securities in accordance with Article 13, if applicable to a particular series of Subordinated Debt Securities, shall not be deemed to constitute a payment or distribution on account of the principal of Subordinated Debt Securities or on account of the purchase or other acquisition of Subordinated Debt Securities. Nothing contained in this Article or elsewhere in this Subordinated Debt Securities Indenture or in the Subordinated Debt Securities is intended to or shall impair, as among the Company, its creditors and the Holders of the Subordinated Debt Securities, the right, which if applicable to a particular series of Subordinated Debt Securities is absolute and unconditional, of the Company to exchange the Subordinated Debt Securities in accordance with Article 13.

ARTICLE 13

Exchange of Subordinated Debt Securities

Section 13.01. Applicability of Article. If specified pursuant to Section 3.01 for Subordinated Debt Securities of any series and subject always to Section 13.12, the Subordinated Debt Securities of any series shall be convertible (conversion being referred to herein as “exchange”) on any Interest Payment Date as a whole or in part, at the option of the Company, on the basis of the principal amount of each Subordinated Debt Security, into an equivalent amount in liquidation preference of the series of Preference Shares or Exchange Securities specified pursuant to Section 3.01 and (except as otherwise specified as contemplated by Section 3.01 for Subordinated Debt Securities of any series) in accordance with this Article 13.

Section 13.02. Election to Exchange; Notice to Trustee. An election of the Company to exchange Subordinated Debt Securities shall be evidenced by an Officer’s Certificate furnished to the Trustee stating that the Company is entitled to effect such exchange and setting forth a statement of facts demonstrating the same.

Section 13.03. Notice of Exchange. Not less than 45 days nor more than 60 days prior to any date fixed for exchange of Subordinated Debt Securities of a

series (the “Exchange Date”), the Company shall notify the Trustee in writing of its election to exchange the Subordinated Debt Securities of such series. The Trustee shall within 15 days after receipt of notice from the Company, but in no event less than 30 days nor more than 60 days prior to the Exchange Date, cause notice of such election to be (i) mailed to the Holder (if the address of such Holder is known to the Trustee) if the affected Subordinated Debt Securities are in global form, or (ii) mailed to each Holder of registered Subordinated Debt Securities of such series to be exchanged in accordance with Section 1.06.

All notices of exchange shall state:

- (a) the Exchange Date;
- (b) that on the Exchange Date, the Subordinated Debt Securities to be exchanged will cease to exist for any purpose on or after such Exchange Date;
- (c) if less than all the Outstanding Subordinated Debt Securities of any series are to be exchanged, the identification of the particular Subordinated Debt Securities to be exchanged, which Subordinated Debt Securities shall be selected by the Trustee, from the Outstanding Subordinated Debt Securities of such series not previously called for exchange, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for exchange of portions (equal to the minimum authorized denomination for Subordinated Debt Securities of that series or any multiple thereof) of the principal amount of Subordinated Debt Securities of such series of a denomination larger than the minimum authorized denomination for Subordinated Debt Securities of that series;
- (d) the place or places where such Subordinated Debt Securities are to be surrendered for exchange; and
- (e) the form in which the Company will issue the Preference Shares (if not as a single share warrant to bearer delivered to the ADR Depositary) or Exchange Securities.

Notice of any exchange of Subordinated Debt Securities at the election of the Company shall be given by the Company or, pursuant to a Company Request by the Trustee, in the name of and at the expense of the Company.

Section 13.04. Deposit of Interest. Prior to any Exchange Date, the Company shall deposit with the Trustee an amount of money sufficient to pay accrued interest and Deferred Amounts, if any, to the Exchange Date on all Subordinated Debt Securities of such series.

Section 13.05. Surrender of Subordinated Debt Securities. Any Subordinated Debt Security which is to be exchanged shall be surrendered at an office or agency of the Company designated for that purpose pursuant to Section 10.02 not less than 10 days prior to the Exchange Date (with due endorsement by,

or a written instrument of transfer in form satisfactory to the Company and the Trustee) accompanied by written notice specifying the Persons (a) in the case of Preference Shares, to whom ADRs should be issued by the ADR Depositary or, if the Company has notified the Trustee in accordance with Section 13.03 that it will issue Preference Shares in definitive form, any direction the Holder may wish to make as referred to in Section 13.06 or (b) in the case of Exchange Securities, to whom such Exchange Securities are to be issued. The Trustee will inform the Company of all such notices and the Company will, if applicable, direct the ADR Depositary accordingly under the terms of the ADR Deposit Agreement. Subordinated Debt Securities surrendered for exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee for delivery by it to the Company or, if delivered to the Trustee, shall be delivered by it to the Company.

Section 13.06. Issuance of Preference Shares or Exchange Securities. On the Exchange Date with respect to Global Securities of a series, and on or prior to the Exchange Date with respect to definitive Subordinated Debt Securities of a series, in each case surrendered for exchange as provided in Section 13.05, the Company shall (a) in the case of Preference Shares, unless the Company shall have notified the Trustee otherwise in accordance with Section 13.03, deliver or procure the delivery of a single share warrant to bearer to the ADR Depositary representing all of the Preference Shares in respect of which such Subordinated Debt Securities are to be exchanged in accordance with the provisions of this Article 13 or (b) in the case of Securities, deliver or procure the delivery of the Exchange Securities to the Trustee or to such other Person as may be specified pursuant to Section 3.01.

In the event that the Company shall have notified the Trustee in accordance with Section 13.03 that it will not deliver or procure the delivery of a single share warrant to bearer in exchange for the Subordinated Debt Securities of a series surrendered for exchange as provided in Section 13.05, the Company shall, on or prior to the Exchange Date, with respect to definitive Subordinated Debt Securities, deliver or procure the delivery of individual certificates representing the Preference Shares (or the rights to receive such Preference Shares) of such series for which such Subordinated Debt Securities are to be exchanged in accordance with the provisions of this Article 13, in the case of Preference Shares, to and registered in the names of the Holders of such Subordinated Debt Securities in definitive form as they appear on the Subordinated Debt Security Register or, at the direction of such Holder, in the name of the ADR Custodian for the account and benefit of the ADR Depositary who will issue ADRs evidencing ADSs representing the Preference Shares to such Holder and, in the case of Preference Shares in bearer form, to the bearer of the bearer Subordinated Debt Security in definitive form or, at the direction of such bearer, to the ADR Custodian for the account and benefit of the ADR Depositary who will issue ADRs evidencing ADSs representing Preference Shares to such Holder.

Any exchange pursuant to this Section 13.06 shall be deemed to have been made immediately prior to the close of business in New York on the Exchange Date.

Section 13.07. Effect of Exchange. Notice of exchange having been given as aforesaid, the Subordinated Debt Securities so to be exchanged shall on the Exchange Date cease to exist for any purpose. Upon surrender of any such Subordinated Debt Security for exchange in accordance with the said notice and this Article 13, accrued interest, if any, on such Subordinated Debt Security to the Exchange Date shall be paid by the Company to the Holder surrendering such Subordinated Debt Security. Such payment shall be a condition to the exchange and no exchange shall occur unless such payments are made.

On and after the Exchange Date for Subordinated Debt Securities of a particular series, each Subordinated Debt Security of the series to be exchanged, until surrendered shall be deemed to evidence rights to receive Preference Shares or Exchange Securities of the relevant series with a liquidation preference equivalent to the principal amount of such Subordinated Debt Security. Until a Holder has surrendered such Subordinated Debt Security upon such exchange, such Holder shall be entitled to receive dividends, payments or other distributions in respect of such Preference Shares or Exchange Securities and shall have the same rights with respect to, and shall be deemed to be the Holder of, such Preference Shares or Exchange Securities into which such Subordinated Debt Security was exchanged as if it had so surrendered such Subordinated Debt Security.

Section 13.08. Validity of Preference Shares or Exchange Securities. The Company will take all corporate and other action which may be necessary in order that it may validly and legally issue Preference Shares or Exchange Securities upon each exchange of the Outstanding Subordinated Debt Securities. The Company covenants that the Preference Shares or Exchange Securities will when issued upon such exchange be duly authorized and validly issued, fully paid and not subject to calls for further funds.

Section 13.09. Legal and Regulatory Compliance. Notwithstanding any provision of this Subordinated Debt Securities Indenture to the contrary, the right of the Company to cause any exchange of Subordinated Debt Securities of a series for Preference Shares or Exchange Securities on any proposed Exchange Date shall be subject to the fulfilment of the following conditions with respect to such Subordinated Debt Securities:

- (a) as of such Exchange Date, there is no accrued but unpaid interest (including amounts paid on the Exchange Date);
- (b) as of such Exchange Date, no Default or Event of Default shall have occurred and be continuing with respect to the particular series of Subordinated Debt Securities;

- (c) as of such Exchange Date, there has not been, in any one instance or in the aggregate, an adverse effect on the rights, powers, privileges, validity or enforceability of the Preference Shares or Exchange Securities;
- (d) the Preference Shares to be issued on such Exchange Date shall be duly authorized and reserved for issuance upon such exchange and, when issued upon such exchange, will be fully paid and not subject to calls for further funds;
- (e) no consents, authorizations, approvals or exemptions, except in each case such as shall have been obtained, will be required prior to such Exchange Date for the issuance and delivery of the Preference Shares or Exchange Securities to be issued upon such exchange;
- (f) the issuance and delivery of the Preference Shares or Exchange Securities to be issued on such Exchange Date shall not violate (x) the Articles of Association of the Company or (y) any law, rule or regulation applicable to the Company, including CRD IV upon it taking effect in the United Kingdom and any Applicable Banking Regulations;

Section 11.01. Applicability of Article. Subordinated Debt Securities of any series shall be redeemable in accordance with their terms and (except as otherwise specified pursuant to Section 3.01 for Subordinated Debt Securities of any series) in accordance with this Article 11. Subordinated Debt Securities of any series may not be redeemed except in accordance with provisions of applicable law, applicable provisions of the Regulatory Capital Requirements Regulations and Section 11.11 below. The Subordinated Debt Securities of any series may not be redeemed in whole or in part at the option of the Holder thereof.

...

Section 11.08. Optional Tax Redemption.

(a) Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Subordinated Debt Securities and subject always to Section 11.11 below, the Company will have the option to redeem the relevant series of Subordinated Debt Securities, as a whole but not in part, having given notice in accordance with Section 11.04 hereof, 100% of the principal amount of the Subordinated Debt Securities then outstanding, together with any accrued interest to (but excluding) the date fixed for redemption, if at any time:

(i) the Company determines that as a result of a change in or proposed change in, or amendment or proposed amendment to, the laws or regulations of the United Kingdom, or any political subdivision or authority therein or thereof, having the power to tax, including any treaty to which the United Kingdom is a party, or any change in any generally published application or interpretation of such laws, including a decision of any court or tribunal, or any change in the generally published application or interpretation of such laws by any relevant tax authority or any generally published pronouncement by any tax authority, which change, amendment or pronouncement (x) (subject to (y)) becomes, or would become, effective on or after the Issue Date, or (y) in the case of a change or proposed change in law, if such change is enacted (or, in the case of a proposed change, is expected to be enacted) by United Kingdom Act of Parliament or implemented by statutory instrument, on or after the Issue Date (a "Tax Law Change"), the Company has paid or will or would on the next payment date be required to pay Additional Amounts to any Holder of the Subordinated Debt Securities; and/or

(ii) a Tax Law Change would:

- (A) result in the Company not being entitled to claim a deduction in respect of any payments in computing the Company's taxation liabilities or materially reducing the amount of such deduction;
- (B) prevent the Subordinated Debt Securities from being treated as loan relationships for United Kingdom tax purposes;
- (C) as a result of the Subordinated Debt Securities being in issue, result in the Company not being able to have losses or deductions set against the profits or gains, or profits or gains offset by the losses or deductions, of companies with which it is or would otherwise be so grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at the date of issue of the Subordinated Debt Securities or any similar system or systems having like effect as may from time to time exist);
- (D) result in a United Kingdom tax liability, or the receipt of income or profit which would be subject to United Kingdom tax, in respect of a write-down of the principal amount of the Subordinated Debt Securities or the conversion of the Subordinated Debt Securities into shares or other obligations of the Company; or
- (E) result in a Subordinated Debt Security or any part thereof being treated as a derivative or an embedded derivative for United Kingdom tax purposes,

(each such Tax Law Change, a "Tax Event"); provided, however, in each case that the Company could not avoid the consequences of the Tax Event by taking measures reasonably available to it.

(b) Prior to the delivery of any such notice of redemption the Company shall deliver to the Trustee (i) a written legal opinion of independent United Kingdom counsel of recognized standing (selected by the Company), in a form satisfactory to the Trustee, to the effect that a Tax Event has occurred and is continuing, and (ii) an Officer's Certificate confirming (1) that all the conditions necessary for redemption have occurred and that the Company could not avoid the consequences of the Tax Event by taking measures reasonably available to it, and (2) that the Relevant Regulator is satisfied that the relevant change or event is material and was not reasonably foreseeable by the Company on the Issue Date. The Trustee is entitled to conclusively rely on and accept such opinion and Officer's Certificate without any duty whatsoever of further inquiry, in which event such opinion and Officer's Certificate shall be conclusive and binding on the Trustee, the Holders and the Beneficial Owners.

Section 11.09. Optional Redemption Due to a Capital Disqualification Event. Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Subordinated Debt Securities and subject to the conditions set out in Section 11.11 below, the Subordinated Debt Securities are redeemable, as a whole

but not in part, at the option of the Company, on not less than 30 calendar days nor more than 60 calendar days' notice, at any time, at a redemption price equal to 100% of the principal amount, together with accrued but unpaid interest, if any, in respect of such series of Subordinated Debt Securities to, but excluding, the date fixed for redemption if, immediately prior to the giving of the notice referred to above, a Capital Disqualification Event has occurred and is continuing.

Prior to the giving of any notice of redemption, the Company must deliver to the Trustee an Officer's Certificate stating that (i) a Capital Disqualification Event has occurred and is continuing, and (ii) the Company has demonstrated to the satisfaction of the Relevant Regulator that the relevant change was not reasonably foreseeable by the Company as at the Issue Date. The Trustee shall be entitled to accept such Officer's Certificate without any further inquiry, in which even such Officer's Certificate shall be conclusive and binding on the Trustee and the Holders and Beneficial Owners.

Section 11.10. Repurchases. Subject to the conditions set out in Section 11.11 below, the Company may from time to time purchase Subordinated Debt Securities in the open market or by tender or by private agreement, in any manner and at any price or at differing prices.

Section 11.11. Early Redemption or Repurchases – Relevant Regulator. Subordinated Debt Securities may be redeemed or purchased by the Company prior to the Maturity Date as provided under Article 11 of this Subordinated Debt Securities Indenture, subject to:

- (a) the Company giving notice to the Relevant Regulator and the Relevant Regulator granting permission to the Company to redeem or purchase the Subordinated Debt Securities (in each case to the extent, and in the manner, required by the relevant Regulatory Capital Requirements);
- (b) in respect of any redemption of the Subordinated Debt Securities proposed to be made prior to the fifth anniversary of the date of issuance of the Subordinated Debt Securities, if and to the extent then required under the relevant Regulatory Capital Requirements (a) in the case of an optional redemption due to a Tax Event, the Company having demonstrated to the satisfaction of the Relevant Regulator that the relevant change or event is material and was not reasonably foreseeable by the Company as at the Issue Date or (b) in the case of redemption following the occurrence of a Capital Disqualification Event, the Company having demonstrated to the satisfaction of the Relevant Regulator that the relevant change was not reasonably foreseeable by the Company as at the Issue Date; and
- (c) compliance by the Company with any alternative or additional pre-conditions to redemption or purchase, as applicable, set out in the relevant Regulatory Capital Requirements for the time being.

Section 3.13. Exchange of Subordinated Debt Securities. With respect to the Securities only, Article 13 of the Subordinated Indenture is deleted in its entirety.

Section 3.14. Events of Default. With respect to the Securities only, Section 5.01 of the Subordinated Indenture is amended by adding the following sentence at the end of the section:

The exercise of any U.K. bail-in power by the relevant U.K. resolution authority shall not constitute a default or an Event of Default under this Section 5.01.

Section 3.15. Compensation and Reimbursement. With respect to the Securities only, Section 6.07 of the Subordinated Indenture is amended in part to:

(i) restate in its entirety Section 6.07(b) as follows:

except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Subordinated Debt Securities Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as shall be determined in a final, non-appelable order by a court of competent jurisdiction to have been caused by its own negligence or bad faith; and

(ii) to add the following sentence at the end of the section:

The Trustee's right to reimbursement and indemnity under this Section 6.07 shall survive the payment in full of the Subordinated Debt Securities, the discharge of this Subordinated Debt Securities Indenture, the resignation or removal of the Trustee and any exercise of the U.K. bail-in power by the relevant U.K. resolution authority with respect to the Subordinated Debt Securities.

Section 3.16. Certain Rights of Trustee. With respect to the Securities only, Section 6.03 of the Subordinated Indenture is amended in part to add the following at the end of the section:

(m) The Trustee shall not be liable for errors in judgment made in good faith unless it was negligent in ascertaining the relevant facts; and

(n) The Trustee may hold funds uninvested without liability for interest in the absence of an agreement signed by the Trustee to the contrary.

Section 3.17. Subordinated Debt Securities Subordinate to Claims of Senior Creditors. With respect to the Securities only, Section 12.01 of the Subordinated Indenture is amended and restated in its entirety, which shall read as follows:

Section 12.01. Subordinated Debt Securities Subordinate to Claims of Senior Creditors.

(a) Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Subordinated Debt Securities, the Company covenants and agrees, and each Holder of Subordinated Debt Securities of each series, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article 12, in the event of:

(i) an order being made, or an effective resolution being passed, for the winding-up of the Company (except, in any such case, a solvent winding-up solely for the purposes of a reorganisation, reconstruction or amalgamation of the Company, the terms of which reorganisation, reconstruction, amalgamation do not provide that the Subordinated Debt Securities shall thereby become redeemable or repayable in accordance with these Conditions); or

(ii) a Qualifying Administration,

the Holders will have a right against the Company in respect of or arising under (including any damages awarded for breach of any obligations under) the Subordinated Debt Securities and the Subordinated Debt Securities Indenture relating to them to claim for all amounts due to them in respect of the Subordinated Debt Securities including the principal amount thereof (plus any premium) and any accrued but unpaid interest thereon. Such rights and claims will be subordinated in the manner provided in this Section 12.01 to the claims of all Senior Creditors but shall rank at least *pari passu* with the claims of holders of all obligations of the Company which constitute, or would but for any applicable limitation on the amount of such capital constitute, Tier 2 Capital of the Company and in priority to (1) the claims of holders of all obligations of the Company which constitute Tier 1 Capital of the Company, (2) the claims of holders of all undated or perpetual subordinated obligations of the Company and (3) the claims of holders of all share capital of the Company.

(b) The provisions of this Article 12 shall apply only to rights or claims payable under Section 12.01 (a) or to amounts payable pursuant thereto and under any Subordinated Debt Securities of any series and nothing herein shall affect or prejudice the payment of the costs, charges, expenses, liabilities, indemnity or remuneration of the Trustee, the first lien rights of the Trustee under Sections 5.03(a)(i) and 5.06 hereof, or the rights and remedies of the Trustee in respect thereof.

Section 3.18. Agreement with Respect to Exercise of U.K. Bail-In Power. The following provisions relate solely to the Securities established pursuant to this First Supplemental Indenture:

(a) By purchasing the Securities, each Holder (including each Beneficial Owner) of the Securities acknowledges, agrees to be bound by and consents to the exercise of any U.K. bail-in power by the relevant U.K. resolution authority that may

result in (i) the cancellation of all, or a portion, of the principal amount of, or interest on, the Securities and/or (ii) the conversion of all, or a portion, of the principal amount of, or interest on, the Securities into shares or other securities or other obligations of the Company or another person, which U.K. bail-in power may be exercised by means of variation of the terms of the Securities solely to give effect to the above. With respect to (i) and (ii) above, references to principal and interest shall include payments of principal and interest that have become due and payable (including principal that has become due and payable at the maturity date), but which have not been paid, prior to the exercise of any U.K. bail-in power. Each Holder (including each Beneficial Owner) of the Securities further acknowledges and agrees that the rights of the holders under the Securities are subject to, and will be varied, if necessary, solely to give effect to, the exercise of any U.K. bail-in power by the relevant U.K. resolution authority expressed to implement such a cancellation or conversion.

(b) By purchasing the Securities each Holder (including each Beneficial Owner) of the Securities:

(i) acknowledges and agrees that the exercise of the U.K. bail-in power by the relevant U.K. resolution authority in respect of the Securities shall not give rise to a default or an Event of Default for purposes of Section 315(b) (Notice of Default) and Section 315(c) (Duties of the Trustee in Case of Default) of the Trust Indenture Act;

(ii) to the extent permitted by the Trust Indenture Act, waives any and all claims against the Trustee for, agrees not to initiate a suit against the Trustee in respect of, and agrees that the Trustee shall not be liable for, any action that the Trustee takes, or abstains from taking, in either case in accordance with the exercise of the U.K. bail-in power by the relevant U.K. resolution authority with respect to the Securities; and

(iii) acknowledges and agrees that, upon the exercise of any U.K. bail-in power by the relevant U.K. resolution authority, (a) the Trustee shall not be required to take any further directions from holders of the Securities under Section 5.12 of the Subordinated Debt Securities Indenture, and (b) neither the Subordinated Indenture nor this First Supplemental Indenture shall impose any duties upon the Trustee whatsoever with respect to the exercise of any U.K. bail-in power by the relevant U.K. resolution authority. Notwithstanding the foregoing, if, following the completion of the exercise of the U.K. bail-in power by the relevant U.K. resolution authority, any of the Securities remain outstanding (for example, if the exercise of the U.K. bail-in power results in only a partial write-down of the principal of the Securities), then the Trustee's duties under the Indenture shall remain applicable with respect to the Securities following such completion to the extent that the Company and the Trustee shall agree pursuant to a supplemental indenture or an amendment to this First Supplemental Indenture.

(c) By purchasing the Securities, each Holder (including each Beneficial Owner) that acquires its Securities in the secondary market shall be deemed to

acknowledge and agree to be bound by and consent to the same provisions specified in the Indenture to the same extent as the Holders and Beneficial Owners of the Securities that acquire the Securities upon their initial issuance, including, without limitation, with respect to the acknowledgement and agreement to be bound by and consent to the terms of the Securities related to the U.K. bail-in power.

(d) By its purchase of the Securities, each Holder and Beneficial Owner shall be deemed to have (i) consented to the exercise of any U.K. bail-in power as it may be imposed without any prior notice by the relevant U.K. resolution authority of its decision to exercise such power with respect to the Securities and (ii) authorized, directed and requested DTC and any direct participant in DTC or other intermediary through which it holds such Securities to take any and all necessary action, if required, to implement the exercise of any U.K. bail-in power with respect to the Securities as it may be imposed, without any further action or direction on the part of such Holder or Beneficial Owner.

(e) No repayment of the principal amount of the Securities or payment of interest on the Securities shall become due and payable after the exercise of any U.K. bail-in power by the relevant U.K. resolution authority unless, at the time that such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Company under the laws and regulations of the United Kingdom and the European Union applicable to the Company and the Group.

(f) Upon the exercise of the U.K. bail-in power by the relevant U.K. resolution authority with respect to the Securities, the Company shall provide a written notice to DTC as soon as practicable regarding such exercise of the U.K. bail-in power for purposes of notifying Holders of such occurrence. The Company shall also deliver a copy of such notice to the Trustee for information purposes only.

ARTICLE 4
amendments to the subordinated indenture

Section 4.01. Appointment of Agent for Service. With respect to any series of Subordinated Debt Securities issued under the Subordinated Indenture, including the Securities, Section 1.14 of the Subordinated Indenture is amended and restated in its entirety and shall read as follows:

Section 1.14. Appointment of Agent for Service. The Company has designated and appointed the Chief U.S. Counsel, Lloyds Bank plc (or any successor thereto), currently of 1095 Avenue of the Americas, 34th Floor, New York, NY 10036 as its authorized agent upon which process may be served in any suit or proceeding in any Federal or State court in the Borough of Manhattan, The City of New York arising out of or relating to the Subordinated Debt Securities, this Subordinated Debt Securities Indenture or this First Supplemental Indenture, but for that purpose only, and agrees that service of process upon such authorized agent shall be deemed in every respect effective service of process upon it in any such suit or proceeding in any Federal or State court in the Borough of Manhattan,

The City of New York, New York. Such appointment shall be irrevocable so long as any of the Subordinated Debt Securities remain Outstanding until the appointment of a successor by the Company and such successor's acceptance of such appointment. Upon such acceptance, the Company shall notify the Trustee of the name and address of such successor. The Company further agrees to take any and all action, including the execution and filing of any and all such documents and instruments, as may be necessary to continue such designation and appointment of such authorized agent in full force and effect so long as any of the Subordinated Debt Securities shall be Outstanding. The Trustee shall not be obligated and shall have no responsibility with respect to any failure by the Company to take any such action. The Company and the Trustee each hereby submits (for the purposes of any such suit or proceeding) to the jurisdiction of any such court in which any such suit or proceeding is so instituted, and waives, to the extent it may effectively do so, any right to trial by jury and any objection it may have now or hereafter to the laying of the venue of any such suit or proceeding.

Section 4.02. Notices to Trustee. With respect to any series of Subordinated Debt Securities issued under the Subordinated Indenture, including the Securities, Section 1.05 of the Subordinated Indenture is amended and restated in its entirety to read as follows:

Section 1.05. (a) Notices, Etc. to Trustee, Company. Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by the Subordinated Debt Securities Indenture or the First Supplemental Indenture to be made upon, given or furnished to, or filed with,

(i) the Trustee by any Holder or by the Company shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if made, given, furnished or filed in writing (which may be via facsimile) to the Trustee at its Corporate Trust Office and the Trustee agrees to accept and act upon facsimile transmission of written instructions pursuant to the Subordinated Debt Securities Indenture or the First Supplemental Indenture; provided, however, that (x) the party providing such written instructions, subsequent to such transmission of written instructions, shall provide the originally executed instructions or directions to the Trustee in a timely manner, and (y) such originally executed instructions or directions shall be signed by an authorized representative of the party providing such instructions or directions; or

(ii) the Company by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and (i) mailed, in the case of the Company, first-class postage prepaid, addressed to it at the address of its principal office specified in the first paragraph of this Subordinated Debt Securities Indenture (unless another address has been previously furnished in writing to the Trustee by the Company, in which case at the last such address) marked "Attention: Company Secretary", or (ii) faxed to +44 20 7158 3298/3299 marked "Attention: Company Secretary".

(b) The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to the Indenture and delivered using Electronic Means; provided, however, that the Company shall provide to the Trustee evidence of the Executive Officers. If the Company elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Company understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Executive Officer have been sent by such Executive Officer. The Company shall be responsible for ensuring that only Executive Officers transmit such Instructions to the Trustee and that the Company and all Executive Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Company. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Company agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Company; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 4.03. Additional Amounts. With respect to any series of Subordinated Debt Securities issued under the Subordinated Indenture, including the Securities, Section 10.04 of the Subordinated Indenture is hereby amended and replaced in its entirety as follows:

Section 10.04. Additional Amounts. Amounts to be paid on any series of Subordinated Debt Securities will be made without deduction or withholding for, or on account of, any and all present and future income, stamp and other taxes, levies, imposts, duties, charges or fees imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any political subdivision or authority thereof or therein having the power to tax (the “Taxing Jurisdiction”), unless such deduction or withholding is required by law. If at any time a Taxing Jurisdiction requires the Company to make such deduction or withholding, the Company will pay additional amounts with respect to the principal of, interest and any other payment on, the Subordinated Debt Securities (“Additional Amounts”) that are necessary in order that the net amounts paid to the Holders of Subordinated Debt Securities of the

particular series, after the deduction or withholding, shall equal the amounts which would have been payable on the Subordinated Debt Securities if the deduction or withholding had not been required. However, this will not apply to any such tax, levy, impost, duty, charge or fee, which would not have been deducted or withheld but for the fact that:

(i) the Holder or the Beneficial Owner of the Subordinated Debt Security is a domiciliary, national or resident of, or engaging in business or maintaining a permanent establishment or is physically present in, the Taxing Jurisdiction or otherwise has some connection with the Taxing Jurisdiction other than the holding or ownership of a Subordinated Debt Security, or the collection of any payment of (or in respect of) principal of, or any interest, or other payment on, any Subordinated Debt Security of the relevant series,

(ii) except in the case of winding-up in the United Kingdom, the relevant Subordinated Debt Security is presented (where presentation is required) for payment in the United Kingdom,

(iii) the relevant Subordinated Debt Security is presented (where presentation is required) for payment more than 30 days after the date payment became due or was provided for, whichever is later, except to the extent that the Holder would have been entitled to the Additional Amounts on presenting the same for payment at the close of that 30 day period,

(iv) the Holder or the Beneficial Owner of the relevant Subordinated Debt Security or the Beneficial Owner of any payment of (or in respect of) principal of or any interest or other payment on, the Subordinated Debt Security failed to comply with a request of the Company or its liquidator or guarantor or other authorized person addressed to the Holder (x) to provide information concerning the nationality, residence or identity of the Holder or the Beneficial Owner or (y) to make any declaration or other similar claim to satisfy any requirement, which in the case of (x) or (y), is required or imposed by a statute, treaty, regulation or administrative practice of the Taxing Jurisdiction as a precondition to exemption from all or part of the tax, levy, impost, duty, charge or fee,

(v) the withholding or deduction is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income, or any directive amending, supplementing or replacing such directive or any law implementing or complying with, or introduced in order to conform to, such directive or directives,

(vi) the relevant Subordinated Debt Security is presented (where presentation is required) for payment by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Subordinated Debt Security to another paying agent in a Member State of the European Union,

(vii) the deduction or withholding is imposed by reason of Sections 1471-1474 of the US Internal Revenue Code and the U.S. Treasury regulations thereunder or any

agreement with the U.S. Internal Revenue Service in connection with these sections and regulations (“FATCA”), any intergovernmental agreement between the United States and the United Kingdom or any other jurisdiction with respect to FATCA, or any law, regulation or other official guidance enacted in any jurisdiction implementing, or relating to, FATCA or any intergovernmental agreement; or

(viii) any combination of subclauses (i) through (vii) above,

nor shall Additional Amounts be paid with respect to the principal of or any interest or other payment on, the Subordinated Debt Securities to any Holder who is a fiduciary or partnership or any person other than the sole Beneficial Owner of such payment to the extent such payment would be required by the laws of any Taxing Jurisdiction to be included in the income for tax purposes of a beneficiary or partner or settlor with respect to such fiduciary or a member of such partnership or a Beneficial Owner who would not have been entitled to such Additional Amounts, had it been the Holder.

Whenever in this Subordinated Debt Securities Indenture there is mentioned, in any context, the payment of the principal of or any interest or other payments on, in respect of, any Subordinated Debt Security of any series such mention shall be deemed to include mention of the payment of Additional Amounts provided for in this Section to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the provisions of this Section and as if express mention of the payment of Additional Amounts (if applicable) were made in any provisions hereof where such express mention is not made. Upon request from the Trustee or a paying agent, the Company shall provide information reasonably necessary and readily available in order to enable to the Trustee or paying agent to determine whether any withholding obligations under FATCA apply. None of the Company, the Trustee or a paying agent shall have any liability in connection with the Company’s or Trustee’s or paying agent’s compliance with any such withholding obligation under applicable law.

ARTICLE 5 MISCELLANEOUS

Section 5.02. Other Documents to be Given to the Trustee. The Trustee shall be entitled to receive an Officer’s Certificate and an Opinion of Counsel stating the recitals contained in Section 1.02 of the Subordinated Indenture and, in the case of the Opinion of Counsel, stating the Indenture is a legal, binding and valid obligation enforceable in

accordance with its terms. As specified in Section 9.03 of the Subordinated Indenture and subject to the provisions of Section 6.03 of the Subordinated Indenture, the Trustee shall also be entitled to receive an Opinion of Counsel stating that that this First Supplemental Indenture is authorized or permitted by the Indenture, and the First Supplemental Indenture, and the Securities whose terms are incorporated by reference herein are each, subject to Section 1.03 of the Subordinated Indenture, a legal, valid and binding obligation of the Company enforceable in accordance with their terms, except as the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws relating to or affecting creditor's rights generally, by equitable principles of general applicability and by possible judicial actions giving effect to governmental actions or foreign laws affecting creditors' rights, and the First Supplemental Indenture is permitted under the Indenture. The Trustee may rely on such Officer's Certificate and Opinion of Counsel as conclusive evidence that this First Supplemental Indenture complies with the applicable provisions of the Subordinated Indenture.

Section 5.03. Confirmation Of Indenture. The Subordinated Indenture, as supplemented and amended by this First Supplemental Indenture with respect to the Securities or otherwise as applicable, is in all respects ratified and confirmed, and the Subordinated Indenture, this First Supplemental Indenture and all indentures supplemental thereto shall, in respect of the Securities or otherwise as applicable, be read, taken and construed as one and the same instrument. In the event of a conflict between the terms and conditions of the Subordinated Indenture and the terms and conditions of this First Supplemental Indenture, the terms and conditions of this First Supplemental Indenture shall prevail where applicable.

Section 5.04. Concerning The Trustee. The Trustee does not make any representations as to the validity or sufficiency of this First Supplemental Indenture or the Securities. No. [1]	\$500,000,000
---------	---------------

LLOYDS BANKING GROUP plc (herein called the "Company," which term includes any successor person under the Indenture (as defined on the reverse hereof)), for value received, hereby promises to pay to CEDE & CO., or registered assigns, the principal sum of \$500,000,000 (five hundred million dollars) on November 4, 2024 or on such earlier date as the principal hereof may become due in accordance with the terms hereof and to pay interest thereon semi-annually in arrears on May 4 and November 4 of each year, commencing on May 4, 2015, and ending on November 4, 2024 (each, a "Payment Date"). Interest so payable on any Payment Date shall be paid to the holder in whose name this Subordinated Note is registered on the 15th calendar day immediately preceding the relevant Payment Date, whether or not such day is a

Business Day, as defined in the Indenture (each a “Regular Record Date”). If (i) the Company fails to pay any installment of interest on any Subordinated Note on or before its Payment Date and such failure continues for 14 days or (ii) the Company fails to pay all or any part of the principal of any Subordinated Note on any date on which such principal shall otherwise have become due and payable, whether upon redemption or otherwise, and such failure continues for seven days (each of (i) and (ii), a “Default”), the Trustee may commence a proceeding for the winding up of the Company, provided that the Trustee may not, upon the occurrence of a Default, declare the principal amount of any of the Outstanding Subordinated Notes to be due and payable.

Interest shall accrue on this Subordinated Note from day to day from the date of issuance hereof or from the most recent Payment Date at the rate of 4.500% per annum, until the principal amount hereof is paid or made available for payment.

Payments of interest on this Subordinated Note shall be computed on the basis of a 360-day year divided into twelve months of 30 days each and, in the case of an incomplete month, the actual number of days elapsed in such period.

Payment of the principal amount of (and premium, if any) and any interest on, this Subordinated Note will be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts. Such payment shall be made to the Holder including through a Paying Agent of the Company outside the United Kingdom for collection by the Holder. If the date for payment of the principal amount hereof (and premium, if any) or interest thereon is not a Business Day, then (subject as provided in the Indenture) such payment shall be made on the next succeeding Business Day with the same force and effect as if made on such date for payment and without any interest or other payment in respect of such delay.

Prior to due presentment of this Subordinated Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Subordinated Note is registered as the owner of such Subordinated Note for the purpose of receiving payment of principal and interest, if any, on such Subordinated Note and for all other purposes whatsoever, whether or not such Subordinated Note be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Reference is hereby made to the further provisions of this Subordinated Note set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof by manual signature, this Subordinated Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

The exercise of any U.K. bail-in power (as defined below) by the relevant U.K. resolution authority that may result in (i) the cancellation of all, or a portion, of the principal amount of, or interest on, the Subordinated Notes and/or (ii) the conversion of all, or a portion, of the principal amount of, or interest on, the Subordinated Notes into shares or other securities or other obligations of the Company or another person, which U.K. bail-in power may be exercised by

means of variation of the terms of the Subordinated Notes solely to give effect to the above. With respect to (i) and (ii) above, references to principal and interest shall include payments of principal and interest that have become due and payable (including principal that has become due and payable at Maturity), but which have not been paid, prior to the exercise of any U.K. bail-in power. Each holder (including each beneficial owner) of the Subordinated Notes further acknowledges and agrees that the rights of the holders under the Subordinated Notes are subject to, and will be varied, if necessary, solely to give effect to, the exercise of any U.K. bail-in power by the relevant U.K. resolution authority expressed to implement such a cancellation or conversion.

For these purposes, a “U.K. bail-in power” is any write-down and/or conversion power existing from time to time under any laws, regulations, rules or requirements relating to the resolution of banks, banking group companies, credit institutions and/or investment firms incorporated in the United Kingdom in effect and applicable in the United Kingdom to the Company or other members of the Group, including but not limited to any such laws, regulations, rules or requirements which are implemented, adopted or enacted within the context of a European Union directive or regulation of the European Parliament and of the Council establishing a framework for the recovery and resolution of credit institutions and investment firms and/or within the context of a U.K. resolution regime by way of amendment to the Banking Act 2009, as the same may be amended from time to time (whether pursuant to the U.K. Financial Services (Banking Reform) Act 2013 (the “Banking Reform Act 2013”) or otherwise), pursuant to which obligations of a bank, banking group company, credit institution or investment firm or any of its affiliates can be reduced, cancelled, transferred and/or converted into shares or other securities or obligations of the obligor or any other person (and a reference to the “relevant U.K. resolution authority” is to any authority with the ability to exercise a U.K. bail-in power).

IN WITNESS WHEREOF, the Company has caused this Subordinated Note to be duly executed.

[REVERSE OF SECURITY]

This Subordinated Note is one of a duly authorized issue of securities of the Company (herein called the “Subordinated Notes”) issued and to be issued in one or more series under a Subordinated Debt Securities Indenture, dated as of November 4, 2014 (herein called the “Subordinated Indenture”), between the Company, as issuer, and The Bank of New York Mellon, as Trustee (herein called the “Trustee,” which term includes any successor trustee under the Subordinated Indenture), as supplemented by the First Supplemental Indenture, dated as of November 4, 2014, between the Company and the Trustee (the “First Supplemental Indenture, and, together with the Subordinated Indenture, the “Indenture”) to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Subordinated Notes and of the terms upon which the Subordinated Notes are, and are to be, authenticated and delivered.

This Subordinated Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$1,000,000,000. The Company may, from time to time, without the consent of the Holders of the Subordinated Notes, issue additional Subordinated Notes of one or more of the series of Subordinated Notes issued under the Subordinated Debt Securities Indenture, having the same ranking and the same interest rate, Maturity, redemption terms and other terms as the Subordinated Notes, except for the price to the public and issue date and first Interest Payment Date, provided that such additional Subordinated Notes must be fungible with the outstanding Subordinated Notes for U.S. federal income tax purposes. Any such additional Subordinated Notes, together with the Subordinated Notes of the applicable series, may constitute a single series of Subordinated Notes under the Subordinated Debt Securities Indenture and shall be included in the definition of “Subordinated Notes” in the Subordinated Debt Securities Indenture where the context requires.

The Subordinated Notes will constitute our direct, unconditional, unsecured and subordinated obligations ranking *pari passu* without any preference among themselves and ranking junior in right of payment to the claims of any existing and future unsecured and unsubordinated indebtedness of the Company.

The rights of the Holders of the Subordinated Notes of this series are, to the extent and in the manner set forth in Section 12.01 of the Indenture, subordinated to the claims of all Senior Creditors of the Company, and this series of Subordinated Notes is issued subject to the provisions of that Section 12.01, and the holders of this series of Subordinated Notes, by accepting the same, agree to and shall be bound by such provisions. The provisions of Section 12.01 of the Indenture and the terms of this paragraph are governed by, and shall be construed in accordance with, the laws of Scotland.

If an Event of Default occurs with respect to Subordinated Notes of any series and is continuing, then in every such case the Trustee or the Holder or Holders of not less than 25% in aggregate principal amount of the Outstanding Subordinated Notes of this series may declare the principal amount, together with accrued interest (if any), and Additional Amounts (if any), payable on such Subordinated Notes, of all the Subordinated Notes to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holder or

Holder), and upon any such declaration such amount shall become immediately due and payable.

Except as otherwise provided in Article 5 the Subordinated Debt Securities Indenture, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of the Subordinated Notes by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in the Subordinated Debt Securities Indenture or in aid of the exercise of any power granted herein, or to enforce any other legal or equitable right vested in the Trustee by the Subordinated Debt Securities Indenture or by law, provided, however, that the Company shall not, as a result of the bringing of such judicial proceedings, be required to pay any amount representing or measured by reference to the principal of, or any interest on, the Subordinated Notes prior to any date on which the principal of, or any interest on, the Subordinated Notes would have otherwise been payable by the Company.

If a Default occurs and is continuing, the Trustee may institute proceedings for the winding-up of the Company and/or prove in a winding-up of the Company or a Qualifying Administration, provided that the Trustee may not, upon the occurrence of a Default, declare the principal amount of any of the Outstanding Subordinated Notes to be due and payable.

By acceptance of the Subordinated Notes of this Series, the Holder will be deemed to have waived any right of set-off or counterclaim or combination of accounts with respect to the Subordinated Notes or the Subordinated Debt Securities Indenture (or between the obligations under or in respect of any Subordinated Notes and any liability owed by a Holder to the Company) that they might otherwise have against the Company, whether before or during a winding-up, liquidation of the Company or a Qualifying Administration. Notwithstanding the above, if any of such rights and claims of any such Holder against the Company are discharged by set-off, such Holder will immediately pay an amount equal to the amount of such discharge to the Company or, in the event of the winding up of the Company or a Qualifying Administration, the liquidator or administrator (or other relevant insolvency official), as the case may be, and until such time as payment is made will hold a sum equal to such amount in trust for the Company or the liquidator or administrator (or other relevant insolvency official), as the case may be, and accordingly such discharge shall be deemed not to have taken place. The terms of this paragraph are governed by and shall be construed in accordance with the laws of Scotland.

No remedy against the Company other than as referred to in Article 5 of the Subordinated Debt Securities Indenture shall be available to the Trustee or the Holders, whether for the recovery of amounts owing in respect of the Subordinated Notes or under the Subordinated Debt Securities Indenture or in respect of any breach by the Company of any of its other obligations under or in respect of the Subordinated Notes or under the Subordinated Debt Securities Indenture, except that the Trustee and the Holders shall have such rights and powers as they are required to have under the Trust Indenture Act.

Amounts to be paid on the Subordinated Notes will be made without deduction or withholding for, or on account of, any and all present and future income, stamp and other taxes, levies, imposts, duties, charges or fees imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any political subdivision or authority thereof or therein having the power to tax (the "Taxing Jurisdiction"), unless such deduction or withholding is required by

law. If at any time a Taxing Jurisdiction requires the Company to make such deduction or withholding, the Company will pay additional amounts with respect to the principal of, interest and any other payment on, the Subordinated Notes (“Additional Amounts”) that are necessary in order that the net amounts paid to the Holders of Subordinated Notes, after the deduction or withholding, shall equal the amounts which would have been payable on the Subordinated Notes if the deduction or withholding had not been required. However, this will not apply to any such tax, levy, impost, duty, charge or fee, which would not have been deducted or withheld but for the fact that:

(i) the Holder or the Beneficial Owner of the Subordinated Note is a domiciliary, national or resident of, or engaging in business or maintaining a permanent establishment or is physically present in, the Taxing Jurisdiction or otherwise has some connection with the Taxing Jurisdiction other than the holding or ownership of a Subordinated Note, or the collection of any payment of (or in respect of) principal of, or any interest, or other payment on, any Subordinated Note,

(ii) except in the case of winding-up in the United Kingdom, the relevant Subordinated Note is presented (where presentation is required) for payment in the United Kingdom,

(iii) the relevant Subordinated Note is presented (where presentation is required) for payment more than 30 days after the date payment became due or was provided for, whichever is later, except to the extent that the Holder would have been entitled to the Additional Amounts on presenting the same for payment at the close of that 30 day period,

(iv) the Holder or the Beneficial Owner of the relevant Subordinated Note or the Beneficial Owner of any payment of (or in respect of) principal of or any interest or other payment on, the Subordinated Note failed to comply with a request of the Company or its liquidator or guarantor or other authorized person addressed to the Holder (x) to provide information concerning the nationality, residence or identity of the Holder or the Beneficial Owner or (y) to make any declaration or other similar claim to satisfy any requirement, which in the case of (x) or (y), is required or imposed by a statute, treaty, regulation or administrative practice of the Taxing Jurisdiction as a precondition to exemption from all or part of the tax, levy, impost, duty, charge or fee,

(v) the withholding or deduction is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income, or any directive amending, supplementing or replacing such directive or any law implementing or complying with, or introduced in order to conform to, such directive or directives,

(vi) the Subordinated Note is presented (where presentation is required) for payment by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the Subordinated Note to another paying agent in a Member State of the European Union,

(vii) the deduction or withholding is imposed by reason of Sections 1471-1474 of the US Internal Revenue Code and the U.S. Treasury regulations thereunder or any agreement with the U.S. Internal Revenue Service in connection with these sections and regulations (“FATCA”), any intergovernmental agreement between the United States and the United Kingdom or any other jurisdiction with respect to FATCA, or any law, regulation or other official guidance

enacted in any jurisdiction implementing, or relating to, FATCA or any intergovernmental agreement; or

(viii) any combination of subclauses (i) through (vii) above,

nor shall Additional Amounts be paid with respect to the principal of or any interest or other payment on, the Subordinated Notes to any Holder who is a fiduciary or partnership or any person other than the sole Beneficial Owner of such payment to the extent such payment would be required by the laws of any Taxing Jurisdiction to be included in the income for tax purposes of a beneficiary or partner or settlor with respect to such fiduciary or a member of such partnership or a Beneficial Owner who would not have been entitled to such Additional Amounts, had it been the Holder.

Whenever in the Subordinated Debt Securities Indenture there is mentioned, in any context, the payment of the principal of or any interest or other payments on, in respect of, any Subordinated Notes of any series such mention shall be deemed to include mention of the payment of Additional Amounts provided for in this Section to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the provisions of this Section and as if express mention of the payment of Additional Amounts (if applicable) were made in any provisions hereof where such express mention is not made. Upon request from the Trustee or a paying agent, the Company shall provide information reasonably necessary and readily available in order to enable to the Trustee or paying agent to determine whether any withholding obligations under FATCA apply. None of the Company, the Trustee or a paying agent shall have any liability in connection with the Company's or Trustee's or paying agent's compliance with any such withholding obligation under applicable law.

Subordinated Notes may not be redeemed except in accordance with provisions of applicable law, applicable provisions of the Regulatory Capital Requirements Regulations and except as provided in the Indenture. The Subordinated Notes may not be redeemed in whole or in part at the option of the Holder thereof.

Subject to the limitations specified below, the Company may, at the option of the Company, on not less than 30 nor more than 60 days' notice, redeem the Subordinated Notes, as a whole but not in part, at a redemption price equal to 100% of the principal amount, of the Subordinated Notes then outstanding, together with any accrued interest to (but excluding) the date fixed for redemption, if at any time:

(i) the Company determines that as a result of a change in or proposed change in, or amendment or proposed amendment to, the laws or regulations of the United Kingdom, or any political subdivision or authority therein or thereof, having the power to tax, including any treaty to which the United Kingdom is a party, or any change in any generally published application or interpretation of such laws, including a decision of any court or tribunal, or any change in the generally published application or interpretation of such laws by any relevant tax authority or any generally published pronouncement by any tax authority, which change, amendment or pronouncement (x) (subject to (y)) becomes, or would become, effective on or after the Issue Date, or (y) in the case of a change or proposed change in law, if such change is enacted (or, in the case of a proposed change, is expected to be enacted) by United Kingdom Act of Parliament or implemented by statutory instrument, on or after the Issue Date (a "Tax Law Change"), the Company has

paid or will or would on the next payment date be required to pay Additional Amounts to any Holder of the Subordinated Notes; and/or

(ii) a Tax Law Change would:

(A) result in the Company not being entitled to claim a deduction in respect of any payments in computing the Company's taxation liabilities or materially reducing the amount of such deduction;

(B) prevent the Subordinated Notes from being treated as loan relationships for United Kingdom tax purposes;

(C) as a result of the Subordinated Notes being in issue, result in the Company not being able to have losses or deductions set against the profits or gains, or profits or gains offset by the losses or deductions, of companies with which it is or would otherwise be so grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at the date of issue of the Subordinated Notes or any similar system or systems having like effect as may from time to time exist);

(D) result in a United Kingdom tax liability, or the receipt of income or profit which would be subject to United Kingdom tax, in respect of a write-down of the principal amount of the Subordinated Notes or the conversion of the Subordinated Notes into shares or other obligations of the Company; or

(E) result in a Subordinated Note or any part thereof being treated as a derivative or an embedded derivative for United Kingdom tax purposes,

(each such Tax Law Change, a "Tax Event"); provided, however, in each case that the Company could not avoid the consequences of the Tax Event by taking measures reasonably available to it.

Prior to the delivery of any such notice of redemption, the Company shall deliver to the Trustee (i) a written legal opinion of independent United Kingdom counsel of recognized standing (selected by the Company), in a form satisfactory to the Trustee, to the effect that a Tax Event has occurred and is continuing, and (ii) an Officer's Certificate confirming (1) that all the conditions necessary for redemption have occurred and that the Company could not avoid the consequences of the Tax Event by taking measures reasonably available to it, and (2) that the Relevant Regulator is satisfied that the relevant change or event is material and was not reasonably foreseeable by the Company on the Issue Date. The Trustee is entitled to conclusively rely on and accept such opinion and Officer's Certificate without any duty whatsoever of further inquiry, in which event such opinion and Officer's Certificate shall be conclusive and binding on the Trustee, the Holders and the Beneficial Owners.

Subject to the conditions set out below, the Subordinated Notes are redeemable, as a whole but not in part, at the option of the Company, on not less than 30 calendar days nor more than 60 calendar days' notice, at any time, at a redemption price equal to 100% of the principal amount, together with accrued but unpaid interest, if any, in respect of Subordinated Notes to the date fixed for redemption if, immediately prior to the giving of the notice referred to above, a Capital Disqualification Event has occurred and is continuing.

Prior to the giving of any notice of redemption, the Company must deliver to the Trustee an Officer's Certificate stating that (i) a Capital Disqualification Event has occurred and is continuing, and (ii) the Company has demonstrated to the satisfaction of the Relevant Regulator that the relevant change was not reasonably foreseeable by the Company as at the Issue Date. The Trustee shall be entitled to accept such Officer's Certificate without any further inquiry, in which even such Officer's Certificate shall be conclusive and binding on the Trustee and the Holders and Beneficial Owners.

Subject to the conditions set out below, the Company may from time to time purchase Subordinated Notes in the open market or by tender or by private agreement, in any manner and at any price or at differing prices.

The Subordinated Notes may be redeemed or purchased by the Company prior to the Maturity Date as provided in the foregoing paragraphs, subject to:

(a) the Company giving notice to the Relevant Regulator and the Relevant Regulator granting permission to the Company to redeem or purchase the Subordinated Notes (in each case to the extent, and in the manner, required by the relevant Regulatory Capital Requirements);

(b) in respect of any redemption of the Subordinated Notes proposed to be made prior to the fifth anniversary of the date of issuance of the Subordinated Notes, if and to the extent then required under the relevant Regulatory Capital Requirements (a) in the case of an optional redemption following the occurrence of a Tax Event, the Company having demonstrated to the satisfaction of the Relevant Regulator that the relevant change or event is material and was not reasonably foreseeable by the Company as at the Issue Date or (b) in the case of redemption following the occurrence of a Capital Disqualification Event, the Company having demonstrated to the satisfaction of the Relevant Regulator that the relevant change was not reasonably foreseeable by the Company as at the Issue Date; and

(c) compliance by the Company with any alternative or additional pre-conditions to redemption or purchase, as applicable, set out in the relevant Regulatory Capital Requirements for the time being.

If the Company elects to redeem the Subordinated Notes, the Subordinated Notes will cease to accrue interest from the date of redemption, provided the redemption price has been paid in accordance with the Indenture.

Upon payment of (i) the amount of principal (and premium, if any) so declared due and payable and (ii) accrued and unpaid interest, all of the Company's obligations in respect of the payment of the principal of (and premium, if any), and accrued and unpaid interest on, the Subordinated Notes of this series shall terminate.

By purchasing the Subordinated Notes, each Holder (including each Beneficial Owner) of the Subordinated Notes acknowledges, agrees to be bound by and consents to the exercise of any U.K. bail-in power by the relevant U.K. resolution authority that may result in (i) the cancellation of all, or a portion, of the principal amount of, or interest on, the Subordinated Notes and/or (ii) the conversion of all, or a portion, of the principal amount of, or interest on, the Subordinated Notes into shares or other securities or other obligations of the Company or another person, which U.K. bail-in power may be exercised by means of variation of the terms of the

Subordinated Notes solely to give effect to the above. With respect to (i) and (ii) above, references to principal and interest shall include payments of principal and interest that have become due and payable (including principal that has become due and payable at the maturity date), but which have not been paid, prior to the exercise of any U.K. bail-in power. Each Holder (including each Beneficial Owner) of the Subordinated Notes further acknowledges and agrees that the rights of the holders under the Subordinated Notes are subject to, and will be varied, if necessary, solely to give effect to, the exercise of any U.K. bail-in power by the relevant U.K. resolution authority expressed to implement such a cancellation or conversion.

For these purposes, a “U.K. bail-in power” is any write-down and/or conversion power existing from time to time under any laws, regulations, rules or requirements relating to the resolution of banks, banking group companies, credit institutions and/or investment firms incorporated in the United Kingdom in effect and applicable in the United Kingdom to the Company or other members of the Group, including but not limited to any such laws, regulations, rules or requirements which are implemented, adopted or enacted within the context of a European Union directive or regulation of the European Parliament and of the Council establishing a framework for the recovery and resolution of credit institutions and investment firms and/or within the context of a U.K. resolution regime by way of amendment to the Banking Act 2009, as the same may be amended from time to time (whether pursuant to the U.K. Financial Services (Banking Reform) Act 2013 (the “Banking Reform Act 2013”) or otherwise), pursuant to which obligations of a bank, banking group company, credit institution or investment firm or any of its affiliates can be reduced, cancelled, transferred and/or converted into shares or other securities or obligations of the obligor or any other person (and a reference to the “relevant U.K. resolution authority” is to any authority with the ability to exercise a U.K. bail-in power).

By purchasing the Subordinated Notes each Holder (including each Beneficial Owner) of the Subordinated Notes:

- (i) acknowledges and agrees that the exercise of the U.K. bail-in power by the relevant U.K. resolution authority with respect to the Subordinated Notes shall not give rise to a default or event of default for purposes of Section 315(b) (Notice of Default) and Section 315(c) (Duties of the Trustee in Case of Default) of the Trust Indenture Act; and
- (ii) to the extent permitted by the Trust Indenture Act, waives any and all claims against the Trustee for, agrees not to initiate a suit against the Trustee in respect of, and agrees that the Trustee shall not be liable for, any action that the Trustee takes, or abstains from taking, in either case in accordance with the exercise of the U.K. bail-in power by the relevant U.K. resolution authority with respect to the Subordinated Notes; and
- (iii) acknowledges and agrees that, upon the exercise of any U.K. bail-in power by the relevant U.K. resolution authority, (a) the Trustee shall not be required to take any further directions from Holders under Section 5.12 of the Subordinated Debt Securities Indenture, and (b) neither the Subordinated Indenture nor this First Supplemental Indenture shall impose any duties upon the Trustee whatsoever with respect to the exercise of any U.K. bail-in power by the relevant U.K. resolution authority. Notwithstanding the foregoing, if, following the completion of the exercise of the U.K. bail-in power by the relevant U.K. resolution authority, the Subordinated Notes

remain outstanding (for example, if the exercise of the U.K. bail-in power results in only a partial write-down of the principal of the Subordinated Notes), then the Trustee's duties under the Subordinated Indenture shall remain applicable with respect to the Subordinated Notes following such completion to the extent that the Issuer and the Trustee shall agree pursuant to a supplemental indenture or an amendment to the Subordinated Indenture.

By purchasing the Subordinated Notes, each Holder (including each Beneficial Owner) that acquires its Subordinated Notes in the secondary market shall be deemed to acknowledge and agree to be bound by and consent to the same provisions specified in the Indenture to the same extent as the Holders and Beneficial Owners of the Subordinated Notes that acquire the Subordinated Notes upon their initial issuance, including, without limitation, with respect to the acknowledgement and agreement to be bound by and consent to the terms of the Subordinated Notes related to the U.K. bail-in power.

By its purchase of the Subordinated Notes, each Holder and Beneficial Owner shall be deemed to have (i) consented to the exercise of any U.K. bail-in power as it may be imposed without any prior notice by the relevant U.K. resolution authority of its decision to exercise such power with respect to the Subordinated Notes and (ii) authorized, directed and requested DTC and any direct participant in DTC or other intermediary through which it holds such Subordinated Notes to take any and all necessary action, if required, to implement the exercise of any U.K. bail-in power with respect to the Subordinated Notes as it may be imposed, without any further action or direction on the part of such Holder or Beneficial Owner.

No repayment of the principal amount of the Subordinated Notes or payment of interest on the Subordinated Notes shall become due and payable after the exercise of any U.K. bail-in power by the relevant U.K. resolution authority unless, at the time that such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Company under the laws and regulations of the United Kingdom and the European Union applicable to the Company and the Group.

Upon the exercise of the U.K. bail-in power by the relevant U.K. resolution authority with respect to the Subordinated Notes, the Company shall provide a written notice to DTC as soon as practicable regarding such exercise of the U.K. bail-in power for purposes of notifying Holders of such occurrence. The Company shall also deliver a copy of such notice to the Trustee for information purposes only.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Subordinated Notes to be affected thereby by the Company and the Trustee with the consent of the Holders of not less than two-thirds in principal amount of the Subordinated Notes at the time outstanding. The Indenture also contains provisions permitting the Holders of a majority in aggregate principal amount of the Outstanding Subordinated Notes, on behalf of the Holders of all Subordinated Notes, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Subordinated Note shall be conclusive and binding upon such Holder and upon all future Holders of this Subordinated Note and of any Subordinated Note

issued in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Subordinated Note.

No reference herein to the Indenture and no provision of this Subordinated Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay, if and when due and payable, the principal of (and premium, if any) and interest on, this Subordinated Note at the times, place and rate, and in the coin or currency, herein prescribed.

As set forth in, and subject to, the provisions of the Indenture, no Holder of any Subordinated Note of this series shall have any right to institute any proceeding, judicial or otherwise, with respect to the Subordinated Debt Securities Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless such holder fulfills the requirements of Section 5.07 under the Indenture.

No reference herein to the Indenture and no provision of this Subordinated Note or of the Indenture shall alter or impair the right of the Holder of this Subordinated Note, which is absolute and unconditional, to receive payment of the principal of (and premium, if any) and interest on, this Subordinated Note when due and payable in accordance with the provisions of this Subordinated Note and the Indenture.

The Subordinated Indenture, the First Supplemental Indenture and the Subordinated Notes are governed by, and construed in accordance with, the laws of the State of New York, except for the subordination and waiver of set-off provisions relating to the Subordinated Notes, which are governed by, and construed in accordance with, the laws of Scotland.

Unless otherwise defined herein, all terms used in this Subordinated Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Ladies and Gentlemen:

We have acted as special United States counsel for Lloyds Banking Group plc, a public limited company organized under the laws of Scotland (the “Company”), in connection with the Company’s offering of \$1,000,000,000 aggregate principal amount of its 4.500% Fixed Rate Subordinated Debt Securities due 2024 (the “Securities”) in an underwritten public offering pursuant to (i) the Underwriting Agreement dated October 29, 2014 (the “Base Underwriting Agreement”) and (ii) the Pricing Agreement dated as of October 29, 2014 (the “Pricing Agreement” and, together with the Base Underwriting Agreement, the “Underwriting Agreement”). The Securities are to be issued pursuant to the provisions of the subordinated debt securities indenture dated as of the date hereof (the “Subordinated Indenture”) between the Company and The Bank of New York Mellon, London office, as trustee (the “Trustee”), as supplemented by the First Supplemental Indenture dated as of the date hereof between the Company and the Trustee (the “First Supplemental Indenture” and, together with the Subordinated Indenture, the “Indenture”).

We, as your counsel, have examined the originals or copies, certified or otherwise identified to our satisfaction, of such corporate records of the Company and such other documents and certificates as we have deemed necessary as a basis for the opinion hereinafter expressed.

Based upon and subject to the foregoing, we are of the opinion that:

- 1) Assuming that the Subordinated Indenture and the First Supplemental Indenture have been duly authorized, executed and delivered by the Company insofar as Scots law is concerned, the Subordinated Indenture and the First Supplemental Indenture have been duly executed and delivered by the Company, and assuming that the Subordinated Indenture and the First Supplemental Indenture have been duly authorized, executed

and delivered by the Trustee and that each of the Trustee and the Company has full power, authority and legal right to enter into and perform its obligations thereunder, the Subordinated Indenture and the First Supplemental Indenture (other than the terms governed by Scots law as to which we express no opinion) constitute valid and binding agreements of the Company, enforceable against the Company in accordance with their terms; and

2) Assuming that the Securities have been duly authorized, executed and delivered by the Company insofar as Scots law is concerned, the Securities (other than the terms governed by Scots law as to which we express no opinion), when authenticated in accordance with the terms of the Indenture and delivered and paid for in accordance with the terms of the Underwriting Agreement, will be valid and binding obligations of the Company entitled to the benefits of the Indenture, enforceable against the Company in accordance with their terms, provided that we express no opinion as to the validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Securities to the extent determined to constitute unearned interest.

Our opinions in paragraphs (1) and (2) are subject to (i) the effects of applicable bankruptcy, insolvency and similar laws affecting the enforcement of creditors' rights generally, concepts of reasonableness and equitable principles of general applicability and (ii) possible judicial actions giving effect to governmental actions or foreign laws affecting creditors' rights.

We are members of the Bar of the State of New York, and we express no opinion as to the laws of any jurisdiction other than the laws of the State of New York and the federal laws of the United States.

We hereby consent to the filing of this opinion as an exhibit to a report on Form 6-K to be filed by the Company on the date hereof. In giving this consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the U.S. Securities Act of 1933, as amended.

Very truly yours,
/s/ Davis Polk & Wardwell London LLP
