STURM, RUGER & COMPANY, INC.
LACEY PLACE, SOUTHPORT, CONNECTICUT 06890
PROXY STATEMENT
2003 ANNUAL MEETING OF THE STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Sturm, Ruger & Company, Inc. (the "Company") for use at the 2003 Annual Meeting of Stockholders (the "Meeting") of the Company to be held at 10:30 a.m. on May 6, 2003 at the Lake Sunapee Country Club, 100 Country Club Lane, New London, New Hampshire 03257 or at any adjournment or postponement thereof for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and enclosed proxy are first being sent to stockholders on or about March 26, 2003.

The mailing address of the principal executive office of the Company is Lacey Place, Southport, Connecticut 06890.

If the enclosed proxy is signed and returned, it will be voted in accordance with its terms. However, a stockholder of record may revoke his or her proxy before it is exercised by (i) giving written notice to the Company's Secretary at the Company's address indicated above, (ii) duly executing a subsequent proxy relating to the same shares and delivering it to the Company's Secretary at or before the Meeting, or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not, in and of itself, constitute revocation of a proxy). All expenses in connection with the solicitation of these proxies will be borne by the Company.

The Annual Report of the Company for the year ended December 31, 2002, including financial statements, is enclosed herewith.

Only holders of Common Stock, \$1.00 par value, of the Company (the "Common Stock") of record at the close of business on March 19, 2003 will be entitled to vote at the Meeting. Each holder of record of the issued and outstanding shares of voting Common Stock is entitled to one vote per share. As of March 19, 2003, 26,910,720 shares of Common Stock were issued and outstanding and there were no outstanding shares of any other class of stock. The stockholders holding a majority of the issued and outstanding Common Stock, either present in person or represented by proxy, will constitute a quorum for the transaction of business at the Meeting. In accordance with the Company's by-laws and applicable law, the election of Directors will be determined by a plurality of the votes cast by the holders of shares present in person or by proxy and entitled to vote. Consequently, the eight nominees who receive the greatest number of votes cast for election as Directors will be elected. Shares present which are properly withheld as to voting with respect to any one or more nominees, and shares present with respect to which a broker indicates that it does not have authority to vote ("broker non-votes") will be counted as being present at the Meeting. However, these shares will not be counted as voting on the election of Directors, with the result that such abstentions and broker non-votes will have the same effect as votes against the election of Directors. The affirmative vote of shares representing a majority of the shares present and entitled to vote is required to approve the other proposal to be voted on at the Meeting. Shares which are voted to abstain on these matters and broker non-votes

Edgar Filing: STURM RUGER & CO INC - Form DEF 14A

will be considered present at the Meeting but will not be counted as voting for these matters, with the result that abstention and broker non-votes will have the same effect as votes against the proposal.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Eight Directors will be elected at the Meeting, each to hold office until the next Annual Meeting of Stockholders and until his successor is elected and has qualified, which shall be two fewer Directors than were elected at the last Annual Meeting. William B. Ruger, founder of the Company and Chairman Emeritus, passed away on July 6, 2002. In addition, Stanley B. Terhune, a Director since 1975, has informed the Company of his decision to retire as a Director effective May 6, 2003. All of the eight nominees for Director listed below were elected at the last Annual Meeting. If no contrary instructions are indicated, proxies will be voted for the election of the nominees for Director. Should any of the said nominees for Director not remain a candidate at the time of the Meeting (a condition which is not now anticipated), proxies solicited hereunder will be voted in favor of those nominees for Director selected by management of the Company. Directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote on the election of Directors.

The following table sets forth certain information concerning each nominee's age, principal occupation, other directorships in publicly-held corporations and the number and percentage of shares of Common Stock of the Company beneficially owned by such nominee as of February 1, 2003.

6

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION*

Edgar Filing: STURM RUGER & CO INC - Form DEF 14A

Overall Policy

The Company's executive compensation program is designed to reflect both corporate performance and individual responsibilities and performance. The Compensation Committee administers the Company's overall compensation strategy in an attempt to relate executive compensation appropriately to the Company's overall growth and success and to the executive's duties and demonstrated abilities. The objectives of this strategy are to attract and retain the best possible executives, to motivate these executives to achieve the Company's business goals and to provide a compensation package that recognizes individual contributions as well as overall business results. The Compensation Committee and the Board of Directors as a whole have ultimate responsibility for executive compensation.

These reviews permit an ongoing evaluation of the relationship between the size and scope of the Company's operations, its performance and its executive compensation. The Compensation Committee also considers the legal and tax effect (including, without limitation, the effects of Section 162(m) of the Internal Revenue Code of 1986, as amended) of the Company's executive compensation program in order to provide the most favorable legal and tax consequences for the Company and its executive officers.

The Compensation Committee determines the compensation of the Company's executive officers, including the individuals whose compensation is detailed in this proxy statement. The key elements of the Company's executive compensation consist of base salary, annual bonus and stock options, as discussed below.

Base Salaries

Base salaries for executive officers are determined by considering historical salaries paid by the Company to officers having certain duties and responsibilities and then evaluating the current responsibilities of the position, the scope of the operations under management and the experience of the individual. Salary adjustments are determined by evaluating on an individual basis new responsibilities of the executive's position, changes in the scope of the operations managed, the performance of such operations, the performance of the executive in the position and annual increases in the cost of living.

Annual Bonus

The Company's executive officers are eligible for an annual cash bonus. Annual bonuses are determined on the basis of corporate performance. The most significant corporate performance measure for bonus payments is earnings of the Company. In determining annual bonuses, the Compensation Committee considers the views of the Chief Executive Officer and discusses with him the appropriate bonuses for all officers.

* The report of the Compensation Committee not be deemed shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under either the Securities Act of 1993, as amended, or the Exchange Act (together, this "Acts"), except to the extent that the Company specifically incorporates such report by reference; and further, shall not otherwise be deemed filed under the Acts.

Edgar Filing: STURM RUGER & CO INC - Form DEF 14A

Stock Options

Under the Company's 1998 Stock Incentive Plan, stock options may be granted to the Company's executive officers. The Compensation Committee sets guidelines for the size of stock option awards based on factors similar to those used to determine base salaries and annual bonuses. Stock options are designed to align the interests of executives with those of the stockholders.

Under the 1998 Stock Incentive Plan, stock options are typically granted with an exercise price equal to the market price of the Company's common stock on the date of grant and vest over time. This approach is designed to encourage the creation of stockholder value over the long term since the full benefit of the compensation package cannot be realized unless stock price appreciation occurs over time.

Chief Executive Officer's Compensation

Following William B. Ruger, Jr.'s appointment as Chief Executive Officer on October 24, 2000, the Compensation Committee reviewed Mr. Ruger, Jr.'s compensation as well as the compensation of the Company's other executive officers who had been assigned positions of increased responsibility. Based on the Committee's recommendations as a result of this review, the Board of Directors approved an increase to William B. Ruger, Jr.'s base salary from \$225,000 per year to \$400,000. Mr. Ruger, Jr.'s base salary has not increased since October 24, 2000. Prior thereto, Mr. Ruger, Jr.'s base salary had not increased since January 1, 1998.

Conclusion

Through the programs described above, a significant portion of the Company's executive compensation is linked directly to individual and corporate performance. The Compensation Committee intends to continue the policy of linking executive compensation to corporate and individual performance, recognizing that the ups and downs of the business cycle from time to time may result in an imbalance for a particular period.

- (1) All options granted under the Company's 1998 Stock Incentive Plan vest in five equal annual installments.
- (2) The exercise price for options granted under the Company's 1998 Stock Incentive Plan is the closing price of the Common Stock as of the date of grant.
- (3) Amounts represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on assumed annual rates of share price appreciation mandated by the Securities and Exchange Commission of 5% and 10% of the fair value of the Common Stock on the date of grant of the options, compounded annually from the date of the grant to the option expiration date. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, are dependent upon the performance of

Edgar Filing: STURM RUGER & CO INC - Form DEF 14A

the Common Stock and the date on which the option is exercised. There can be no assurance that the values reflected will be achieved.

The Sturm, Ruger & Company, Inc. Supplemental Executive Retirement Plan (the "SERP") is a nonqualified supplemental retirement plan for certain senior executives of the Company. Three of the executive officers who appear in the Summary Compensation Table, William B. Ruger, Jr., Erle G. Blanchard and Stephen L. Sanetti participate in the SERP. The SERP provides an annual benefit beginning at age 65 in an amount equal to 2% of the participant's average annual compensation for each complete year of service with the Company up to a maximum of 50% of such average compensation. The annual benefit is reduced by the amount the participant is entitled to receive under the Pension Plan, and is further

Edgar Filing: STURM RUGER & CO INC - Form DEF 14A

reduced by the amount of Social Security benefit the participant is entitled to receive commencing at age 65. The SERP benefit is payable as an annuity over the life of the participant, with 50% to continue for the life of the participant's surviving spouse after the participant's death.

The average annual compensation shown in the above table includes the participant's base pay, bonuses and other compensation for the participant's highest consecutive 36 months of service (or, if the participant's service was less than 36 months, then for the entire period of service) as reported in the Summary Compensation Table, except that benefits received under the Salaried Employees' Profit Sharing Plan and taxable premiums paid by the Company for group term life insurance are excluded from the SERP compensation formula. The annual compensation upon which the SERP benefit is calculated is limited to \$400,000. As of December 31, 2002, William B. Ruger, Jr. had more than 25 years of credited service, and Erle G. Blanchard and Stephen L. Sanetti each had 22 years of credited service. The estimated amounts presented above assume that the participant attained age 65 in 2002.

John M. Kingsley, Jr., a Company Director who retired as Executive Vice President of the Company on December 31, 1996, received \$139,200 in benefits from the SERP during 2002.

13

The SERP provides that in the event of a change in control of the Company participants in pay status shall be entitled to receive a lump-sum payment equal to the present value of the participant's benefit. Those not in pay status shall become fully vested and generally, if terminated within three years of a change in control, become entitled to a lump-sum payment. The payment shall be computed based upon the participant's average compensation and years of service with the Company on the date of change in control (provided, however, that in the event of a change in control, the participant's years of service with the Company for purposes of computing the benefit amount shall not be less than ten). A change in control is defined to mean the effective date of one of the following events: (i) sale or exchange of substantially all of the capital stock of the Company; (ii) sale of substantially all of the assets of the Company; (iii) sale of substantially all of the capital stock of the Company owned of record and beneficially held by members of the William B. Ruger family; or (iv) the merger or consolidation of the Company with or into one or more other corporations; and, in each of such four cases, the sale of stock or assets is to, or the exchange of stock is with, or the merger or consolidation is with or into one or more persons, firms or corporations which does not own at least 10% of the capital stock of the Company.

REPORT OF THE AUDIT COMMITTEE*

During fiscal 2002, Townsend Hornor, Richard T. Cunniff and Paul X. Kelley served on the Audit Committee (the "Committee"), with Mr. Hornor serving as Chairman. Each of Messrs. Hornor, Cunniff and Kelley is an "independent director" as defined in Rule 4200(a)(15) of the National Association of Securities Dealers, Inc. listing standards. Under the guidance of a written charter adopted by the Board of Directors, the Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion of the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by Independence Standard Board Standard No. 1 (Independence Discussions with Audit Committees), and considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with the independent auditors the overall scope and plans for their audit. The Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held four meetings during fiscal 2002.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

PROPOSAL NO. 2

APPROVAL OF INDEPENDENT AUDITORS

Effective August 27, 2001, the Audit Committee of the Company dismissed Ernst & Young LLP and appointed KPMG LLP as its independent auditors. The stockholders of the Company ratified KPMG LLP as the Company's independent auditors at the Company's Annual Meeting held in May, 2002. This change was the result of an extensive search made at the request of the Audit Committee to review the services and costs associated with the external audit function. Subject to the ratification of the stockholders, the Board of Directors has reappointed KPMG LLP as the Company's independent auditors for the 2003 fiscal year.

Ernst & Young LLP's report on the Company's financial statements for fiscal years 1999 and 2000 did not contain an adverse opinion, disclaimer of opinion, or qualification or modification as to uncertainty, audit scope, or accounting principles.

During fiscal years 1999 and 2000 and the subsequent interim period preceding August 27, 2001, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of Ernst & Young LLP, would have caused it to make reference to the subject matter of the disagreement in connection with its report.

The Company (or someone on its behalf) did not consult KPMG LLP during fiscal years 1999 and 2000 and the subsequent interim period preceding August 27, 2001 regarding the application of accounting principles to a specified transaction or the type of audit opinion that might be rendered on the Company's financial statements.

Audit Fees

KPMG LLP's aggregate fees, including expenses reimbursed, for professional services rendered for the audit of the Company's financial statements for 2002 and the reviews of the Company's quarterly financial statements for the year 2002 were \$204,750.

Audit Related Fees

Edgar Filing: STURM RUGER & CO INC - Form DEF 14A

Ernst & Young LLP's aggregate fees, including expenses reimbursed, for audit related services for the year 2001 to August 27, 2001, which were charged in the year 2002, were \$7,500.

KPMG LLP's aggregate fees, including expenses reimbursed, for audit related services for the year 2002 were \$ 45,000, and included audits of certain employee benefit plan financial statements.

Financial Information Systems Design and Implementation Fees

KPMG LLP did not provide services related to financial information systems design and implementation to the Company for the year 2002.

20

All Other Fees

KPMG LLP's aggregate fees, including expenses reimbursed, for services rendered to the Company other than for services described above, including tax compliance services, for the year 2002 were \$18,150.

The Company's Audit Committee has considered whether the provision of the non-audit related services provided by KPMG LLP to the Company is compatible with maintaining the independence of KPMG LLP.

Representatives of KPMG LLP will be present at the Meeting, will have the opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL NO. 2.
