(NewMil) entered into an Agreement and Plan of Merger (the Agreement), pursuant to which the Company will acquire NewMil and its wholly owned subsidiary, NewMil Bank. Under the terms of the agreement, NewMil shareholders will receive \$41.00 in Webster common stock for each share of NewMil common stock so long as Webster's average stock price (as defined in the agreement) is between \$44.85 and \$50.25 per share. If Webster's average stock price is below \$44.85, the exchange ratio will be fixed at .9142. If Webster's average stock price is above \$50.25, the exchange ratio will be fixed at .8159.

The Agreement contains customary representations and warranties of the parties. The Agreement contains certain termination rights for both the Company and NewMil, and further provides that, upon termination of the Agreement upon specified circumstances, the Company or NewMil may be required to pay the other party a termination fee of \$8,750,000 plus up to \$750,000 in expenses. The transaction is subject to customary closing conditions, including approval from shareholders of NewMil and banking regulators, and is expected to be completed in the fourth quarter of 2006.

The description of the Agreement set forth above is qualified in its entirety by reference to the actual terms of the Agreement, which will be filed by the Company as an exhibit to its Quarterly Report on Form 10-Q for the three months ended March 31, 2006 and its Registration Statement on Form S-4 related to the proposed merger.
