Effective January 1, 2009, the Company modified the presentation of expenses on the Consolidated Statement of Operations, expanding the presentation to include separate line items for *selling, general and administrative expenses*, and *other (income) expense, net*. Prior to the modification, the Consolidated Statements of Operations included a line item for *general and administrative expenses*, which reflected only the expenses associated with the Company's corporate office, while all operating segment expenses were reported within *cost of revenues*. Following this change, \$54.8 million and \$2.0 million of operating segment expenses previously reported within *cost of revenues* for the year

ended December 31, 2008 were reclassified to *selling, general and administrative expenses* and *other (income) expense, net*, respectively. This reclassification did not impact previously reported revenues, operating income, net income or cash flows as reported in our Annual Report on Form 10-K for the year ended December 31, 2008.
