-

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 5, 2010, Elwood Spedden notified Advanced Energy Industries, Inc. of his intent to retire from the Board of Directors of Advanced Energy at the end of his current term. Mr. Spedden's term will expire at the next annual meeting of stockholders, expected to be held in May 2010.

Mr. Spedden has served as a director of Advanced Energy since 1995, bringing to the board executive management and sales experience in the flat panel display equipment and semiconductor capital equipment industries. The company has benefited from his insight and understanding, particularly in the areas of customer relations, sales and marketing and organizational development. The company intends to negotiate terms for, and enter into, an advisory agreement with Mr. Spedden, effective as of his retirement from the board, to enable the senior management team to retain access to the benefits of Mr. Spedden's experience.

Douglas Schatz, Chairman and co-founder of Advanced Energy, noted, "Woody has been a tremendous contributor to Advanced Energy, serving as one of the company's first outside directors and providing us with the benefit of his experience and guidance for the last 15 years. We very much appreciate his willingness to serve as a consultant and assist the company through a transition period. He has all of our best wishes for a well-deserved and enjoyable retirement."

---
