**LEADING INDEPENDENT PROXY ADVISORY FIRM SUPPORTS
ALL OF KONA GRILL, INC. S INCUMBENT DIRECTOR-NOMINEES
AND**

RECOMMENDS WITHHOLD VOTE FOR ALL OF MILL ROAD CAPITAL S OPPOSITION NOMINEES

SCOTTSDALE, ARIZONA April 22, 2010 Kona Grill, Inc. (NASDAQ: KONA) (Kona or the Company announced that Glass Lewis & Co., a leading independent proxy advisory firm, recommends that stockholders vote Kona s WHITE proxy card for the election of Douglas G. Hipkind, Anthony L. Winczewski and Mark A. Zesbaugh and that stockholders withhold authority do not vote for all three dissident, opposition director nominees of stockholder Mill Road Capital (Mill Road). Kona s Annual Meeting of Stockholders will be held at 2:00 p.m. local time on Wednesday, April 28, 2010.

In making its recommendation, Glass Lewis observed that ... the Company s stock price has actually outperformed its peers and the relevant index during the one year period prior to the announcement of Mill Road s proxy contest. Glass Lewis also stated ... the new management team should be given adequate time to address these operational challenges before making any significant changes to the Company s board. As such, we believe the election of the Dissident nominees to the board appears premature at this time.

We are very pleased that Glass Lewis recognizes the steps that the current board has taken in bringing in our new, highly qualified senior management team, commented Marc Buehler, Kona s Chief Executive Officer. This is an active board that is working hard to improve value for all Kona stockholders. We urge stockholders to vote the WHITE proxy card for all of our nominees.

Glass Lewis is widely recognized as a leading independent proxy advisory firm. Its recommendations are relied upon by major institutional investment firms, mutual funds and other fiduciaries throughout the country.

Separately, Mr. Buehler noted the Company s disappointment with independent proxy advisory firm RiskMetrics Group Inc. s recommendation issued on April 20, 2010 that stockholders vote for two of Mill Road s dissident, opposition nominees. Mr. Buehler noted that we believe that RiskMetrics reached the wrong conclusion and, unfortunately, did not give enough credit to Kona s board for the proactive measures taken since last year s annual meeting to bring in our new management team whose efforts are already reflected in the Company s improved performance, as demonstrated by our most recent quarterly sales results.
