On March 16, 2011, the Board of Directors (the Board) of Digital River, Inc. (the Company) appointed Thomas M. Donnelly as President of the Company. Mr. Donnelly will continue to serve as the Company's Chief Financial Officer while the Company initiates a search to identify a qualified candidate for the Chief Financial Officer position. A press release announcing the appointment is attached hereto as Exhibit 99.1.

Mr. Donnelly, age 46, joined the Company in February 2005 as Vice President of Finance and Treasurer and was named Chief Financial Officer and Secretary in July 2005. From March 1997 to May 2004, he held various positions, including President, Chief Operating Officer and Chief Financial Officer with Net Perceptions, Inc., a developer of software systems used to improve the effectiveness of various customer interaction systems.

In connection with his promotion, the Company entered into an employment agreement with Mr. Donnelly, which supersedes and replaces his existing change of control and severance agreement. The term of the employment agreement is two years with automatic one-year renewals if the agreement is not terminated prior to the end of the initial term. Mr. Donnelly's annual base salary will be not less than \$360,000, and he will continue to be eligible to participate in the Company's equity incentive plans. In the event of Mr. Donnelly's termination by the Company for any reason except upon his retirement, death or disability or for cause, and including, without limitation, the Company's failure to renew his employment agreement, or upon Mr. Donnelly's resignation for Good Reason, as more fully described in the agreement, and including involuntary termination or resignation for Good Reason following a change of control of the Company, he will be entitled to termination payments equal to his base annual salary at the time of termination plus a weighted three-year average of his annual bonus amount, as well as a continuation of certain employee benefits for a period of 12 months. Mr. Donnelly's cash severance will be payable in one lump sum payment at least six months following his termination of employment, in accordance with Section 409A of the Internal Revenue Code. In addition, any unvested equity incentives held by Mr. Donnelly will immediately vest and become exercisable. In the event of a change of control, such payments and benefits may be reduced if any payment or benefit would be subject to the excise tax imposed by Sections 280G or 4999 of the Internal Revenue Code. Mr. Donnelly also has agreed not to compete with the Company for a period of 12 months following his termination as described above in countries or territories where the Company conducts its business.

In the event of Mr. Donnelly's death, we will award to his beneficiaries a pro-rated bonus in an amount equal to the Board's good faith estimate of the bonus Mr. Donnelly would have earned in the year of his death; provided, however, that the good faith estimate of the bonus will be at least equal to the average of Mr. Donnelly's bonuses for the three most recent years. In the event that we terminate Mr. Donnelly following his permanent disability, we will continue to provide him with term life insurance and medical insurance benefits for a period of one year. In addition, Mr. Donnelly will be entitled to termination payments equal to his annual base salary at the time of termination plus a pro-rated bonus in an amount equal to the Board's good faith estimate of the bonus Mr. Donnelly would have earned in the year of his termination due to disability; provided, however, that the good faith estimate of the bonus will be at least equal to the average of Mr. Donnelly's bonuses for the three most recent years.

A complete copy of the employment agreement is attached hereto as Exhibit 99.2 and is incorporated herein by reference. On March 16, 2011, Mr. Donnelly also received certain grants of restricted stock and performance shares as more fully described below.

Compensation of Non-Employee Directors

Non-employee directors will receive cash compensation in the amount of \$1,000 for telephonic special meetings of the Board (meetings other than regularly scheduled quarterly meetings), and each committee member will receive \$1,000 for attending special telephonic meetings of their respective committees. In addition, each non-employee director will continue to receive an annual retainer in the amount of \$15,000, payable quarterly. Further, each non-employee director will continue to

The Board of Directors will annually evaluate and consider whether to maintain or modify the compensation program for the non-employee directors. A summary of the above-described program is filed as Exhibit 99.3 hereto. In addition, the directors will continue to be reimbursed for out-of-pocket costs and expenses incurred in connection with Board or committee business, including travel and other expenses incurred in order to attend meetings.

Performance-Based Shares

On March 16, 2011, the Compensation Committee granted performance-based shares to the Company's named executive officers. The performance-based share program is generally administered by the Compensation Committee pursuant to the terms and conditions of the Company's 2007 Equity Incentive Plan. Performance-based shares are restricted stock awards that vest based on attainment of certain specified performance goals during a specified performance period. With respect to performance-based shares intended to qualify as performance-based compensation for purposes of Internal Revenue Code Section 162(m), the applicable performance goals will be based on objective performance criteria established in advance by the Compensation Committee that are measured in terms of one or more of the following objectives: total shareholder return; earnings per share; stock price; return on equity; net earnings; related return ratios; cash flow; net earnings growth; earnings before interest, taxes, depreciation and amortization (EBITDA); return on assets; revenues; expenses; funds from operations (FFO); and FFO per share, as approved by the Company's shareholders.

Table of Contents

For the 2011 fiscal year, performance-based shares shall vest upon the attainment of performance goals related to revenue, operating income and net income. If, and only if, the performance goals are attained, the shares will vest 25% on the first anniversary of the date of grant, and 25% thereafter on the second, third and fourth anniversaries of the date of grant. If the performance goals for fiscal year 2011 are not attained, then the performance-based shares will be either forfeited or the number of performance-based shares will be adjusted downward in proportion to the goals achieved. All performance-based shares are granted under the 2007 Equity Incentive Plan and are subject to the terms and conditions of the plan and the Performance Share Agreement.
