The Change of Control Conversion Date will be a business day that is no less than 20 days nor more than 35 days after the date on which the Issuer provides the required notice of the occurrence of a Change of Control to the holders of Series H Preferred Stock.

The Common Share Price will be: (i) the amount of cash consideration per share of common stock, if the consideration to be received in the Change of Control by holders of the Issuer's common stock is solely cash; and (ii) the average of the closing prices for the Issuer's common stock on the New York Stock Exchange for the 10 consecutive trading days immediately preceding, but not including, the effective date of the Change of Control, if the consideration to be received in the Change of Control by holders of the Issuer's common shares is other than solely cash.
