PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

To Be Held May 22, 2003

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Hungarian Telephone and Cable Corp. (the Company) to be used at the Annual Meeting of Stockholders of the Company, to be held at 10:00 a.m. local time, on May 22, 2003 at the Boston Marriott Long Wharf Hotel, 296 State Street, Boston, Massachusetts 02109, or at any adjournment or postponement thereof (the Meeting). This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and form of proxy are first being sent or given to stockholders on or about April 10, 2003.

At the Meeting, the stockholders of the Company are being asked to consider and vote upon: (i) the election of eight directors of the Company to serve until the 2004 Annual Meeting of Stockholders or until their successors are duly elected and qualified; and (ii) the ratification of the appointment of KPMG Hungaria Kft. as auditors of the Company for the fiscal year ending December 31, 2003.

Voting Rights and Proxy Information

All shares of common stock, par value \$.001 per share, of the Company (the Common Stock), represented at the Meeting by properly executed proxies received prior to or at the Meeting, and not revoked, will be voted at the Meeting in accordance with the instructions thereon. If no instructions are indicated, properly executed proxies will be voted for election of all nominees for director named below and for the ratification

Edgar Filing: HUNGARIAN TELEPHONE & CABLE CORP - Form DEF 14A

of the appointment of auditors. The Company does not know of any matters, other than as described in the Notice of Annual Meeting, that are to come before the Meeting. If any other matters are properly presented at the Meeting for action, the persons named in the enclosed form of proxy and acting thereunder will have the discretion to vote on such matters in accordance with their best judgment. Proxies should not be sent by the stockholder to the Company, but to Continental Stock Transfer & Trust Company, the Company's Registrar and Transfer Agent, at 17 Battery Place South, 8th Floor, New York, New York 10004. Vote Required for Approval

The presence, in person or by proxy, of a majority of the shares of Common Stock entitled to vote is required to constitute a quorum for the transaction of business at the Meeting. The election of directors requires the affirmative vote of a plurality of the shares of Common Stock voting in person or by proxy at the Meeting. Thus, abstentions and proxies returned by brokers as "non-votes" on behalf of shares held in "street name" will have no effect on the outcome of the election of directors. For the vote with respect to the ratification of the appointment of auditors, abstentions will have the same effect as a vote against such matter and proxies returned by brokers as "non-votes" will not affect the outcome of such vote. Proxies submitted which contain abstentions or broker "non-votes" will be deemed present at the Meeting in determining the presence of a quorum.

Your Board of Directors has unanimously approved the nomination of the persons named herein for election as directors and the appointment of KPMG Hungaria Kft. Accordingly, the Board recommends a vote FOR the election of the nominees named herein as directors and the ratification of the appointment of auditors.

Voting Securities

April 7, 2003 has been set as the record date (the "Record Date") for determining stockholders entitled to notice of, and to vote at, the Meeting. As of the close of business on the Record Date, there were outstanding 12,185,680 shares of Common Stock. Each holder thereof is entitled to one vote per share.

Table of Contents**Stock Ownership of Certain Beneficial Owners**

The following table sets forth, as of April 5, 2003, certain information as to those persons who were known by management to be beneficial owners of more than 5% of the Common Stock.

Name and Address of Beneficial Owner	Shares Beneficially Owned (1)	Percent of Class (1)
CU CapitalCorp. c/o Citizens Communications Company High Ridge Park Stamford, Connecticut 06905	2,605,908(2)	20.9%

TDC A/S Noerregade 21 0900 Copenhagen C, Denmark	3,865,302	31.7%

- (1) Shares Beneficially Owned includes shares held directly as well as shares which such entity may have the right to acquire within 60 days of April 5, 2003. Percent of Class is calculated by dividing the Shares Beneficially Owned by such entity by the shares of Common Stock outstanding as of April 5, 2003 plus only those shares which such entity may have the right to acquire within 60 days of April 5, 2003.
- (2) Includes 300,000 shares of Common Stock which are issuable upon the conversion by CU CapitalCorp. of its 30,000 shares of the Company's Series A Preferred Stock.

Potential Changes in Control

Pursuant to certain agreements from 1994 through 1999, the Company has issued 2,579,588 shares of Common Stock to TDC A/S, formerly known as Tele Danmark A/S (together with its affiliates, TDC). The agreements with TDC provide TDC with certain preemptive rights to purchase, upon the issuance of Common Stock in certain circumstances to third parties, shares of Common Stock in order to maintain its percentage ownership interest in the outstanding Common Stock of the Company. In July 2002 TDC acquired an additional 1,285,714 shares of Common Stock from the Danish Investment Fund for Central and Eastern Europe. TDC now owns 31.7% of the Company's outstanding Common Stock.

In 1999 as part of a revision of its capital structure, the Company issued 2,428,572 shares of Common Stock, warrants to purchase 2,500,000 shares of Common Stock and notes maturing in 2007 in the aggregate amount of \$25 million to Postabank Rt., a Hungarian commercial bank (Postabank). Postabank is also one of the banks in a banking syndicate with which the Company has an outstanding bank credit facility in the amount of approximately \$104 million at the end of 2002. Postabank's warrants entitle it to purchase 2,500,000 shares of Common Stock for \$10 per share. The exercise period for such warrants begins on January 1, 2004 and expires on March 31, 2007. If Postabank were to exercise its warrants in full, it would own up to 33.6% of the Company's outstanding Common Stock. Until the beginning of the exercise period of the

warrants, the Company has the right to

Table of Contents

terminate the warrants in full or proportionately provided the Company (i) repays a proportionate amount of the outstanding principal on the notes issued to Postabank and (ii) pays an additional 7.5% of the aggregate principal amount of the notes repaid concurrently with the termination of the warrants.

As a result of certain agreements with subsidiaries of Citizens Communications Company (together with its affiliates, Citizens), the Company has issued 1,902,908 shares of Common Stock to Citizens and 30,000 shares of the Company's preferred stock convertible into 300,000 shares of Common Stock. Citizens has also purchased 300,000 shares of Common Stock from a former officer of the Company and 103,000 shares of Common Stock on the open market. Presently Citizens owns 18.9% of the Company's outstanding Common Stock. The agreements with Citizens provide Citizens with certain preemptive rights to purchase, upon the issuance of Common Stock in certain circumstances to third parties, shares of Common Stock in order to maintain its percentage ownership interest in the outstanding Common Stock of the Company on a fully diluted basis.

Pursuant to the Company's By-laws, directors are elected to serve for a one-year term or until their respective successors have been elected and qualified. Seven of the eight nominees are incumbent directors who were elected at the last annual meeting of stockholders. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to one or more nominees) will be voted at the Meeting for the election of the nominees identified below. If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend. The Company has standing Compensation-Stock Option, Audit and Executive Committees. The full Board of Directors acts as a nominating committee for the annual selection of its nominees for election of directors. While the Board of Directors will consider nominees recommended by stockholders, it has not actively solicited such nominations. Such recommendations about potential nominees, together with appropriate biographical information, should be submitted to the Secretary of the Company by January 2nd of each year for that year's annual meeting of stockholders, which is customarily held in the 3rd or 4th week of May each year.

The Executive Committee consists of Ole Bertram, Daryl A. Ferguson and Torben V. Holm. The committee was formed on May 25, 2000. Its duties include providing strategic policy and operational oversight for the Company. During the fiscal year ended December 31, 2002, the Executive Committee held three meetings.

Since May 25, 2000 the Compensation Stock Option Committee (the Compensation Committee) has consisted of John B. Ryan, William E. Starkey (Chairman) and Leonard Tow. The function of the Compensation Committee is to administer the 2002 Incentive Stock Option Plan and the Director Stock Option Plan, and negotiate and determine the compensation of executive officers. The Compensation Committee held one meeting during the fiscal year ended December 31, 2002. See Compensation Committee Report on Executive Compensation.

From December 2000 to February 18, 2002 the Audit Committee consisted of Soren Eriksen (of TDC), John B. Ryan (Chairman), and William E. Starkey. Thomas Gelting replaced Soren Eriksen as a representative of TDC on the Company's Board and on the Audit Committee on February 18, 2002. The Company deems the Audit Committee members independent pursuant to Section 121(a) of the American Stock Exchange's listing standards. The Audit Committee's duties have included, among other things, recommending to the Board of Directors the appointment of independent auditors, reviewing their charges for services, reviewing the independence of the auditors, reviewing the scope

and results of the audits performed, reviewing the adequacy and operation of the Company's financial reporting and internal auditing, and performing such other duties or functions with respect to the Company's accounting, financial and operating controls as deemed appropriate by it or the Board of Directors. During 2000, the Audit Committee adopted a written charter, which approval was ratified by the Company's Board of Directors. During the fiscal year ended December 31, 2002 the Audit Committee held four meetings. In light of the enactment of the Sarbanes-Oxley Act of 2002 and the recent rules promulgated and proposed by the U.S. Securities and Exchange Commission in response thereto and the proposed corporate governance changes by the American Stock Exchange, the Company and its Audit Committee are in the process of reviewing such corporate governance rules and will make such changes as are necessary to ensure full compliance with the revised corporate governance rules. See - Report of the Audit Committee.

Report of the Audit Committee

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

During the fiscal year ending December 31, 2000, the Audit Committee of the Board of Directors developed and approved a charter for the Committee, which was approved and ratified by the full Board of Directors on March 23, 2001.

As provided in the charter of the Audit Committee, the Audit Committee's responsibilities include the following areas:

the adequacy of the Company's internal controls and financial reporting process and the reliability of the Company's financial statements;

the independence and performance of the Company's independent auditors; and

the Company's compliance with legal and regulatory requirements.

The Company has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters addressed in the Audit Committee's charter. To carry out its responsibilities, the Audit Committee met four times during fiscal 2002.

We meet with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We also discussed these matters with the Company's independent auditors and with appropriate Company financial personnel.

We regularly meet with the independent auditors who have unrestricted access to the Audit Committee.

We also recommend to the Board the appointment of the independent auditors and review periodically their fees, performance and independence from management.

Table of Contents

The Directors who serve on the Audit Committee are all Independent for purposes of the American Stock Exchange listing standards. That is, the Board of Directors has determined that none of us has a relationship to Hungarian Telephone and Cable Corp. that may interfere with our independence from Hungarian Telephone and Cable Corp. and its management.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls.

The independent auditors audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles and discuss with us any issues they believe should be raised with us.

We reviewed the Company's audited financial statements and met with both management and KPMG Hungaria Kft., the Company's independent auditors, to discuss those financial statements. Management has represented to us that the financial statements were prepared in accordance with generally accepted accounting principles.

We have received from and discussed with KPMG Hungaria Kft. the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from the Company. We also discussed with KPMG Hungaria Kft. the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee continued to monitor the scope and adequacy of the Company's accounting staff, including proposals for adequate staffing and to strengthen internal procedures and controls where appropriate.

On the basis of these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange Commission.

the 2002 Incentive Stock Option Plan and the Director Stock Option Plan, and negotiate and determine the compensation of executive officers. The Compensation-Stock Option Committee held one meeting during the fiscal year ended December 31, 2002.

Executive Officer Compensation Policy

General. The Company's compensation policy is designed to motivate, reward and retain the managerial and technical talent needed to achieve the Company's business objectives. This policy provides for incentives to achieve short- and long-term objectives and rewards exceptional performance and accomplishments that contribute to the Company's business. Compensation arrangements for the Company's executive officers have been designed to align such compensation with the achievement of the Company's business objectives and growth strategy. The Company has traditionally sought to achieve such alignment through employment contracts providing for fixed-base salaries, cash bonuses and the grant of stock options.

Employment Contracts. The Company has traditionally entered into an employment agreement with an executive officer effective with the individual's appointment to an executive position. Employment agreements for executive officers, including the Chief Executive Officer, have been for terms from two to three years, and provide for fixed annual salaries over their terms. Base salaries are initially established through negotiations with the executive officer during the hiring process. The Company has also granted options to its executive officers in order to align the interests of such executives with those of the shareholders of the Company generally.

Chief Executive Officer's Compensation. In 2001, the Compensation Committee negotiated a three-year employment agreement with the Company's Chief Executive Officer, Ole Bertram, which was set to expire at the end of 2003. The Compensation Committee provided Mr. Bertram with a base salary based on comparable industry standards and a grant of options also based on comparable industry standards. The options are intended to provide Mr. Bertram with incentive to increase the Company's market value. The employment agreement with Mr. Bertram also provides for a potential cash bonus tied to certain Company objectives established by the Compensation Committee. For the Company's performance in 2001, the Company awarded Mr. Bertram a cash bonus of \$95,000 in January 2002, which was based on the achievement of Company objectives relating to revenues, operating income, line connections, Internet Service customers, revenue per subscriber and an organizational restructuring. The Company also agreed to award Mr. Bertram 25,000 shares of Common Stock provided that Mr. Bertram maintains continuous employment with the Company through December 31, 2003. For the Company's performance in 2002, the Company awarded Mr. Bertram a bonus of \$98,000 in February 2003, which was based on the achievement of Company objectives relating to revenues, operating income, line connections, revenue per subscriber and certain services related to the long-term goals of the Company. The Company's current objectives for Mr. Bertram are tied to its revenue growth, operating income, line connections, revenue per subscriber and strategic initiatives. The Company and Mr. Bertram also agreed to enter into a new employment agreement based on an indefinite term which gives each party the ability to terminate the agreement subject to certain notice requirements. Finally, Mr. Bertram's cash compensation is in U.S. dollars. In response to the recent significant devaluation in the value of the dollar in relation to both the euro and the Hungarian forint and the higher inflation rate in Hungary as compared to the U.S. over the last several years, the Compensation Committee agreed to a one-time cash payment for Mr. Bertram and other ex-patriate employees in order to compensate such employees for the lower purchasing power of the dollar.

Table of Contents

For a description of certain provisions of the Company's employment contracts with certain of its executive officers, see - Employment Agreements.

In 1993, Section 162(m) was added to the Internal Revenue Code of 1986, as amended, the effect of which is to eliminate the deductibility of compensation of over \$1 million, with certain exceptions, paid to each of certain highly compensated executive officers of publicly held corporations, such as the Company. Section 162(m) applies to all remuneration (both cash and non-cash) that would otherwise be deductible for tax years beginning on or after January 1, 1994, unless expressly excluded. Because the compensation of the Company's current officers is well below the \$1 million threshold, the Company has not yet considered its policy regarding this provision.

Standard Remuneration of Directors and Other Arrangements

In May 2000, the Board adopted the current compensation structure for its non-employee directors pursuant to which the Co-Chairmen (Messrs. Ferguson and Holm) are to be compensated with a fixed quarterly fee of \$3,000, a per meeting fee of \$1,100 and \$550 for meetings held via telephonic conference call. The other directors are compensated with a fixed quarterly fee of \$2,500, a per meeting fee of \$800 and \$400 for meetings held via telephonic conference call. For committee meetings, the directors are paid \$500 (\$800 for the Chairman) for attendance at meetings and \$250 (\$400 for the Chairman) for meetings held via telephonic conference call. The Company also reimburses the directors for out-of-pocket expenses.

Director Stock Option Plan

The Board adopted the Hungarian Telephone and Cable Corp. Non-Employee Director Stock Option Plan (the Director Stock Option Plan) to award options to the Company's directors who are not officers or employees of the Company.

The Director Stock Option Plan has 250,000 shares of Common Stock available for issuance pursuant to option issuances to the eligible directors. The Compensation Committee administers the Director Stock Option Plan. The options have ten-year terms and may not be transferred except for limited estate planning purposes and by will or the laws of descent and distribution.

As of the date each year that any non-employee director is elected or re-elected to serve as a director by the stockholders of the Company at an Annual Meeting of Stockholders of the Company, each non-employee director is automatically granted an option to purchase 5,000 shares of

Edgar Filing: HUNGARIAN TELEPHONE & CABLE CORP - Form DEF 14A

Common Stock with an exercise price per share equal to the fair market value of a share of Common Stock on the date of such grant. Each automatic grant of any such options vests in the optionee, and thus become exercisable, at the earlier of (x) the date of the next Annual Meeting of Stockholders of the Company, or (y) one year from the date of such annual grant. On May 22, 2002, the Company granted each of Messrs. Ferguson, Gelting, Holm, Ryan, Starkey and Tow an option to purchase 5,000 shares of Common Stock, which options vest on May 21, 2003.
