**PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS
To Be Held on May 18, 2005**

INTRODUCTION

The Board of Directors of Cullen/Frost Bankers, Inc. (Cullen/Frost or the Company) is soliciting proxies to be used at the Annual Meeting of Shareholders. The meeting will be held in the Commanders Room at The Frost National Bank, 100 West Houston Street, San Antonio, Texas, on Wednesday, May 18, 2005 at 10:00 a.m., San Antonio time. This Proxy Statement and the accompanying proxy card will be mailed to shareholders beginning on or about April 18, 2005.

Record Date and Voting Rights

The close of business on April 8, 2005 has been fixed as the record date for the determination of shareholders entitled to vote at the Annual Meeting. The only class of securities of Cullen/Frost outstanding and entitled to vote at the Annual Meeting is Common Stock, par value \$0.01 per share. On April 8, 2005, there were outstanding 51,841,353 shares of Common Stock, with each share entitled to one vote.

Proxies

All shares of Cullen/Frost Common Stock represented by properly executed proxies, if timely returned and not subsequently revoked, will be voted at the Annual Meeting in the manner directed in the proxy. If a properly executed proxy does not provide directions, it will be voted for all proposals listed on the proxy and in the discretion of the persons named as proxies with respect to any other business that may properly come before the meeting.

A shareholder may revoke a proxy at any time before it is voted by delivering a written revocation notice to the Corporate Secretary of Cullen/Frost Bankers, Inc., 100 West Houston Street, San Antonio, Texas 78205. A shareholder who attends the Annual Meeting may, if desired, vote by ballot at the meeting, and such vote will revoke any proxy previously given.

Quorum and Voting Requirements

A quorum of shareholders is required to hold a valid meeting. If the holders of at least a majority of the issued and outstanding shares of Company Common Stock are present at the Annual Meeting in person or represented by proxy, a quorum will exist. Shares for which votes are withheld, as well as abstentions and broker non-votes, are counted as present for establishing a quorum.

Directors are elected by a plurality of the votes cast at the Annual Meeting. Accordingly, the nominees receiving the highest number of votes will be elected. In the election of Directors, votes may be cast for or withhold authority with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Table of Contents

With respect to other matters, including approval of the Cullen/Frost Bankers, Inc. 2005 Omnibus Incentive Plan (the Plan) and ratification of the selection of Ernst & Young LLP to act as independent auditors of Cullen/Frost for the fiscal year that began January 1, 2005, the affirmative vote of the holders of a majority of the outstanding shares having voting power present in person or represented by proxy will be the act of the shareholders. In the voting for these other matters, shares may be voted for or against or abstain . An abstention will have the effect of a vote against these other matters.

Under the rules of the National Association of Securities Dealers, Inc., member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the New York Stock Exchange, Inc. (NYSE), a member broker that holds shares in street name for customers has the authority to vote on certain items if it has transmitted proxy soliciting materials to the beneficial owner but has not received instructions from that owner. NYSE rules permit member brokers that do not receive instructions to vote on the election of Directors and the proposal to ratify the selection of Ernst & Young LLP to act as Cullen/Frost s independent auditors, but do not permit such brokers to vote on the proposal to approve the Plan. Under NYSE rules, the proposal to approve the Plan is a

non-discretionary item, which means that NYSE member brokers that have not received instructions from beneficial owners of Company Common Stock do not have discretion to vote the shares of Company Common Stock held by those beneficial owners on the Plan. Because the affirmative vote of the holders of a majority of the outstanding shares having voting power present in person or represented by proxy is necessary to approve the Plan, any such broker non-votes will have no effect on the outcome of the vote.

Expenses of Solicitation

Cullen/Frost will pay the expenses of the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, Directors, officers, and employees of Cullen/Frost may solicit proxies by telephone, facsimile, in person or by other means of communication. Cullen/Frost also has retained Georgeson Shareholder Communications Inc. (Georgeson) to assist with the solicitation of proxies. Directors, officers, and employees of Cullen/Frost will receive no additional compensation for the solicitation of proxies, and Georgeson will receive a fee not to exceed \$6,500.00, plus reimbursement for out-of-pocket expenses. Cullen/Frost has requested that brokers, nominees, fiduciaries, and other custodians forward proxy-soliciting material to the beneficial owners of Cullen/Frost Common Stock. Cullen/Frost will reimburse these persons for out-of-pocket expenses they incur in connection with its request.

Table of Contents**ELECTION OF DIRECTORS****(Item 1 on Proxy Card)**

The Company's Bylaws provide for a classified Board of Directors. Directors are assigned to one of three classes, and all classes are as equal in number as possible. The term of office of Class III will expire at the 2005 Annual Meeting. The term of office of Class I will expire at the 2006 Annual Meeting, and the term of office of Class II will expire at the 2007 Annual Meeting.

The following four Directors currently assigned to Class III have been nominated to serve for a new three-year term: Mr. R. Denny Alexander, Mr. Carlos Alvarez, Mr. Ruben M. Escobedo and Ms. Ida Clement Steen. The following two Directors currently assigned to Class III are not standing for re-election and will be retiring from the Board of Directors after the Annual Meeting pursuant to the Board of Directors' retirement age policy: Mr. Eugene H. Dawson, Sr. and Mr. Joe R. Fulton. If any Director is unable to stand for re-election the Board may fill a directorship. The Board has nominated Mr. Royce S. Caldwell, who currently serves as a Class II Director, for election as a Class III Director to assist in equalizing the number of Directors in Class III. If any nominee is unable to serve, the individuals named as proxies on the enclosed proxy card will vote the shares to elect the remaining nominees and any substitute nominee or nominees designated by the Board.

The Board has adopted written charters for the Audit Committee, the Compensation and Benefits Committee and the Corporate Governance and Nominating Committee. The charter for the Audit Committee is attached as Annex A to this Proxy Statement. It is also available, together with the charter for the Compensation and Benefits Committee and the charter for the Corporate Governance and Nominating Committee, at www.frostbank.com.

As described in more detail below under "Certain Corporate Governance Matters" Director Independence, the Board has determined that each member of the Audit Committee, the Compensation and Benefits Committee and the Corporate Governance and Nominating Committee is independent within the meaning of the rules of the NYSE. The Board has also determined that each member of the Audit Committee is independent within the meaning of the rules of the Securities and Exchange Commission (the "SEC"). In addition, the Board has determined that each member of the Audit Committee is financially literate and that at least one member of the Audit Committee has accounting or related financial management expertise, in each case within the meaning of the NYSE's rules. The Board has also determined that Mr. Ruben M. Escobedo is an audit committee financial expert within the meaning of the SEC's rules.

Director Nomination Process

The Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to become members of the Board of Directors and for recommending to the Board the nominees to stand for election as Directors.

In identifying Director candidates, the Corporate Governance and Nominating Committee may seek input from Cullen/Frost's management and from current members of the Board. In addition, it may use the services of an outside consultant, although it has not done so in the past. The Corporate Governance and Nominating Committee will consider candidates recommended by shareholders. Shareholders that wish to recommend candidates may do so by writing to the Corporate Governance and Nominating Committee of Cullen/Frost Bankers, Inc., c/o Corporate Secretary, 100 West Houston Street, San Antonio, Texas 78205. Recommendations may be submitted at any time, but recommendations for consideration as nominees at the Annual Meeting of Shareholders must be received not less than 120 days before the first anniversary of the date of the proxy statement released to shareholders in connection with the previous year's Annual Meeting. Therefore, to recommend a candidate for consideration as a nominee for Director at the 2006 Annual Meeting, a shareholder must submit the recommendation by December 19, 2005. The written recommendation must include the name of the candidate, the number of shares of Cullen/Frost Common Stock owned by the candidate and the information regarding the candidate that would be included in a proxy statement for the election of Directors pursuant to paragraphs (a), (e) and (f) of Item 401 of Regulation S-K adopted by the SEC.

In evaluating Director candidates, the Corporate Governance and Nominating Committee initially considers the Board's need for additional or replacement Directors. It also considers the criteria approved by the Board and set forth in Cullen/Frost's Corporate Governance Guidelines, which include, among other things, the candidate's personal qualities (in light of the Company's core values and mission statement), accomplishments and reputation in the business community, the fit of the candidate's skills and personality

Table of Contents

with those of other Directors and candidates and the ability of the candidate to commit adequate time to Board and committee matters. The objective is to build a Board that is effective, collegial and responsive to the needs of Cullen/ Frost. In addition, considerable emphasis is given to Cullen/ Frost's mission statement and core values, statutory and regulatory requirements, the Board's goal of having a substantial majority of independent directors and the Board's retirement policy.

The Corporate Governance and Nominating Committee evaluates all Director candidates in the same manner, including candidates recommended by shareholders. In considering whether candidates satisfy the criteria described above, it will initially utilize the information it receives with the recommendation or otherwise possesses. If it determines, in consultation with other Board members, including the Chairman, that more information is needed, it may, among other things, conduct interviews.

Director Compensation

Cullen/ Frost employees receive no fees for their services as members of the Board of Directors or any of its committees. Non-employee Directors receive an annual retainer fee of \$8,000 and \$2,000 for each Board meeting attended. In addition, non-employee Directors receive \$1,000 for attending each meeting of a committee of the Board to which they have been appointed, except that the Chairman of the Audit Committee receives \$1,500 for each meeting of the Audit Committee attended. Non-employee Directors are also eligible to receive stock options each year under Cullen/ Frost's 1997 Director Stock Plan. In July 2004, each non-employee Director received options to purchase 2,000 shares of the Company's Common Stock. A total of 32,000 stock options were granted to non-employee Directors in 2004. The options have a term of six years from the date of the grant, are exercisable immediately from the date of the grant and have an exercise price of \$43.08, which is equal to the closing price of the Company's Common Stock on the date of the grant.

In addition, the Board of Directors also serves as the Board of Directors for The Frost National Bank, a subsidiary of Cullen/ Frost, and non-employee Directors receive fees for serving in this capacity. In particular, non-employee Directors receive \$2,000 for each meeting of such Board attended and \$1,000 for attending each meeting of a committee of such Board to which they have been appointed.

Other Directorships

The following are directorships held by nominees and Directors in public companies other than Cullen/ Frost, or in registered investment companies:

Mr. Arnold	Plains Exploration & Production Company
Mr. Caldwell	SABRE Corporation
Mr. Escobedo	Valero Energy Corporation
Mr. Geren	Anadarko Petroleum Corporation

Miscellaneous Information

There are no arrangements or understandings between any nominee or Director of Cullen/ Frost and any other person regarding such nominee's or Director's selection as such, except that Mr. Robert S. McClane's retirement agreement with Cullen/ Frost provides that, until he reaches age 70, subject to the sole discretion of the Board of Directors, he will be considered as a candidate for reelection to the Board. In addition, pursuant to such retirement agreement, Mr. McClane is entitled to office space and secretarial services and support until he reaches age 70. The only family relationships among the Directors or executive officers of Cullen/ Frost that are first cousin or closer are those of Messrs. T.C. Frost and Patrick B. Frost, who are father and son, and Messrs. Harry H. Cullen and Isaac Arnold, Jr., who are first cousins.

Table of Contents

CERTAIN CORPORATE GOVERNANCE MATTERS

Cullen/ Frost believes that it has operated over the years with sound corporate governance practices that exemplify its commitment to integrity and protect both the interests of its shareholders and the other constituencies that it serves. These practices include a substantially independent Board of Directors, periodic meetings of non-management Directors and a sound and comprehensive code of conduct, which obligates Directors and all employees to adhere to the highest legal and ethical business practices. A review of some of Cullen/ Frost's corporate governance measures is set forth below.

Director Independence

The Board of Directors believes that a substantial majority of its members should be independent within the meaning of the NYSE's rules. To this end, the Board reviews annually the relevant facts and circumstances regarding relationships between Directors and Cullen/ Frost. The purpose of the Board's review is to determine whether any Director has a material relationship with Cullen/ Frost (either directly or as a partner, shareholder or officer of an organization that has a relationship with Cullen/ Frost).

In connection with the Board's latest review, the Board determined that the following Directors, which compose 84% of the Board, are independent within the meaning of the NYSE's rules: Mr. R. Denny Alexander, Mr. Carlos Alvarez, Mr. Isaac Arnold, Jr., Mr. Royce S. Caldwell, Mr. Harry H. Cullen, Mr. Eugene H. Dawson, Sr., Mr. Ruben M. Escobedo, Mr. Joe R. Fulton, Mr. Preston M. Geren III, Mr. James L. Hayne, Ms. Karen E. Jennings, Mr. Richard M. Kleberg, III, Mr. Robert S. McClane, Ms. Ida Clement Steen, Mr. Horace Wilkins, Jr. and Ms. Mary Beth Williamson. Mr. T.C. Frost, Mr. Richard W. Evans and Mr. Patrick B. Frost are not independent because they are executive officers of Cullen/ Frost.

In making its independence determinations, the Board considers the NYSE's rules, as well as the standards set forth below. The Board adopted these standards pursuant to the NYSE's rules to assist it in making independence determinations. For purposes of the standards, the term "Cullen/ Frost entity" means, collectively, Cullen/ Frost and each of its subsidiaries.

Credit Relationships. A proposed or outstanding relationship that consists of an extension of credit by a Cullen/ Frost entity to a Director or a person or entity that is affiliated, associated or related to a Director should not be deemed to be a material relationship if it satisfies each of the following criteria:

It is not categorized as "classified" by the Cullen/ Frost entity or any regulatory authority that supervises the Cullen/ Frost Entity.

It is made on terms and under circumstances, including credit standards, that are substantially similar to those prevailing at the time for comparable relationships with other unrelated persons or entities and, if subject to the Federal Reserve Board's Regulation O (12 C.F.R. Part 215), is made in accordance with Regulation O.

In the event that it was not made, in the case of a proposed extension of credit, or it was terminated in the normal course of the Cullen/ Frost entity's business, in the case of an outstanding extension of credit, the action would not reasonably be expected to have a material adverse effect on the Director or the business, results of operations or financial condition of any person or entity related to such Director.

Non-Credit Banking or Financial Products or Services Relationships. EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation and Benefits Committee Report on Executive Compensation

The Compensation and Benefits Committee of the Board of Directors is composed of three Directors that the Board has determined to be independent within the meaning of the NYSE's rules. The duties and responsibilities of the Compensation and Benefits Committee, as well as certain components of Cullen/Frost's compensation philosophy, are set forth below.

Compensation and Benefits Committee Duties and Responsibilities

The duties and responsibilities of the Compensation and Benefits Committee include, among other things, the following:

In consultation with management, to establish Cullen/Frost's general compensation philosophy and oversee the development of Cullen/Frost's compensation and benefit programs;

To review and approve corporate goals and objectives relevant to the compensation of Cullen/Frost's Chief Executive Officer, evaluate his performance in light of those goals and objectives, and set his compensation level based on this evaluation.

Certain Components of Cullen/Frost's Compensation Philosophy

Compensation levels should be competitive with the median of comparable financial organizations to attract and maintain a stable, successful management team;

Executives' total compensation packages should depend upon the level of success in meeting specified Company and individual performance goals;

Executive ownership of the Company's Common Stock should be encouraged to align executives' interests with shareholders' interests; and

Sustained superior performance by individual executives should be rewarded.

Each year an independent consultant engaged by the Compensation and Benefits Committee provides a comprehensive analysis of competitive market data for senior executives, which compares Cullen/Frost's compensation practices and programs to a group of comparator companies that have similar business operations, total assets, market capitalizations, and lines of business. These companies include, but are not limited to, the companies in the Standard & Poor's (S&P) Bank Index. The Compensation and Benefits Committee has chosen not to use the S&P's Bank Index as its sole comparator group for compensation purposes since detailed data for all senior executives at the banks comprising the index is not available.

The S&P's Bank Index was used for comparison of total shareholder return shown in the Performance Graph on page 20.

The elements of Cullen/Frost's executive compensation are base salary, annual incentives, and long-term compensation, which are discussed below. The Compensation and Benefits Committee considers all elements of an executive's total compensation package, including severance plans, insurance, and other benefits, as set forth below.

Base Salary

Reviewed annually for each of the Company's four named executive officers.

Based on subjective evaluation of individual performance, achievement, and contribution to growth.

May be adjusted to reflect competitive market levels following performance evaluations.

Table of Contents

May be adjusted to attract and retain appropriate officers.

Company base salary levels for the senior executive group were overall slightly above market levels of comparator companies in 2004.

Annual Incentives

Designed to promote and reward teamwork as measured by overall corporate performance and also recognize individual contributions.

Generally, bonus pools are established when the Company achieves a predetermined level of financial performance, as established by the Compensation and Benefits Committee.

Compensation and Benefits Committee has authority to adjust the total bonus pool up or down based on Company's overall performance.

Compensation and Benefits Committee authorized payouts at target for 2004 based on Company's superior performance.

Actual award sizes recognized individual contributions and teamwork.

Long-Term Incentives

Size of award depends on levels of responsibility, prior experience, individual performance, and compensation practices at comparator companies.

Current stock holdings and the magnitude of outstanding long-term incentives are not considered in making current awards.

Stock Options

Primary long-term incentive award.

Nonqualified stock options granted at a price not less than the fair market value of Company Common Stock on the date of grant.

Size of stock option grants determined based on numerous factors including Company and individual performance, level of responsibility, competitive market, historical awards, and available option pool.

Compensation and Benefits Committee's objective is to deliver a competitive award opportunity.

Number awarded varies from year to year.

Awards granted in 2004 vest 100% three years from the date of grant.

Restricted Stock

Provides executives with immediate link to shareholder interests.

Helps maintain a stable executive team.

Restricted stock was granted to selected senior executives in 2004 as part of the annual long-term incentive package.

Awards granted in 2004 vest 100% four years from the date of grant to promote executive retention.

CEO Compensation

The Compensation and Benefits Committee continued Mr. Evans' base salary at \$630,000 for 2005, which approximates the median level of CEOs at comparator companies. The Compensation and Benefits

Table of Contents

Committee awarded Mr. Evans a bonus of \$410,000 for 2004, based on the Company's superior financial performance and Mr. Evans' outstanding leadership during 2004. In addition, Mr. Evans was granted 32,700 options with an exercise price of \$47.40 as detailed in the table on page 16. Mr. Evans also received 25,000 shares of restricted stock, which will vest in October 2008. As of December 31, 2004, Mr. Evans had beneficial ownership of 803,491 shares of stock, which includes 507,000 shares that he has a right to acquire pursuant to presently exercisable options.

Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code generally limits the corporate tax deduction to \$1,000,000 in a taxable year for compensation paid to each covered employee of the Company, which, under Section 162(m), includes the Company's Chief Executive Officer and the three other named executive officers, unless the compensation is performance-based. Under Section 162(m), one condition to qualify compensation as performance-based is to establish the amount of an incentive award by an objective formula that precludes any discretion. In order to preserve the Company's tax deduction, the Compensation and Benefits Committee has approved the Cullen/ Frost Bankers, Inc. Deferred Compensation Plan For Covered Employees. This plan requires that the compensation of a covered employee that would exceed the amount deductible under Section 162(m) be deferred until the plan year after he or she ceases to be a covered employee or upon his or her death or disability. Currently, Cullen/ Frost's Chief Executive Officer is the only covered employee under this plan. In 2004, \$40,000 of the Chief Executive Officer's annual compensation was deferred into the plan. While the Compensation and Benefits Committee will continue to review the impact of Section 162(m), the Committee also believes it is in the Company's and shareholders' best interests to retain the discretionary evaluation of individual performance as provided in the annual incentive plan.

Conclusion

The Compensation and Benefits Committee believes that Cullen/ Frost's executive compensation policies and programs effectively serve the interests of the Company and its shareholders. The various compensation arrangements offered are appropriately balanced to provide increased motivation for executives to contribute to the Company's overall future successes, thereby enhancing the value of the Company for the shareholders' benefit.

The Compensation and Benefits Committee will continue to monitor the effectiveness of the Company's total compensation program to meet the current needs of the Company.

Compensation and Benefits Committee Interlocks and Insider Participation

Some of the members of the Compensation and Benefits Committee, and some of these persons' associates, are current or past customers of one or more of the Company's subsidiaries. Since January 1, 2004, the transactions between these persons and such subsidiaries have occurred, including borrowings. In the opinion of management, all of the transactions have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility. Additional transactions may take place in the future.

The frozen Retirement Plan provides a monthly benefit based on a percentage of an eligible employee's final average compensation based on the highest three years of compensation during the last ten years of service prior to January 1, 2002. Included in compensation according to the Retirement Plan are salary, overtime, bonuses, commissions, and wages deferred for the Company 401(k) Plan or used to pay health care premiums, expenses, or parking under the Company Pre Tax Plan (IRS Section 125 Plan). Participants in the Retirement Plan are fully vested in their accrued benefits under such plan upon attaining age 65 or after five years of service, whichever occurs first. Death benefits are provided to married participants who have completed five years of service. Normal retirement is at age 65, but early retirement is available starting at age 55. Early Retirement benefits are provided on a reduced basis. The benefit amounts listed in the table represent amounts payable from the plans and are not subject to any additional deduction for Social Security benefits or other offset amounts.

The years of credited service under the Retirement Plan as of December 31, 2001 for each person named in the Summary Compensation Table on page 15 are: Mr. T.C. Frost 52 years; Mr. Richard W. Evans 31 years; Mr. Phillip D. Green 21 years; and Mr. Patrick B. Frost 17 years. Mr. T.C. Frost activated his retirement benefit effective July 1, 1994, but still remains an active employee.

The Company also maintains a supplemental executive retirement plan (SERP). The plan provides for target retirement benefits, as a percentage of annual cash compensation, beginning at age 55. The target percentage is 45% of annual cash compensation at age 55, increasing to 60% at age 60 and later. Benefits under the SERP are reduced dollar-for-dollar by benefits received under the Retirement Plan and Restoration Plan, described previously, and any Social Security benefits. Effective January 1, 2002, SERP benefits will also be reduced by the annuity equivalent of any account balance in the Company's Profit Sharing Plan at retirement. The Profit Sharing Plan was implemented by the Company effective January 1, 2002. Contributions to the Profit Sharing Plan are made annually to each participant's account based on the profitability of the Company.

Table of Contents

Mr. Evans currently participates in the SERP. At current salary levels, at age 60, it is estimated that Mr. Evans will receive \$211,965 annually. This benefit has been reduced by a projected Profit Sharing Plan account balance.

Change-in-Control Agreements

Cullen/Frost has change-in-control agreements with three of the four named executives above and other key employees. The main purposes of these agreements are (i) to help executives evaluate objectively whether a potential change in control is in the best interests of shareholders, (ii) to help protect against the departure of executives, thus assuring continuity of management, in the event of an actual or threatened merger or change in control; and (iii) to maintain compensation and benefits comparable to those available from competing employers. Change-in-control is generally defined in the agreements as (a) an acquisition of beneficial ownership of 20 percent or more of Cullen/Frost Common Stock by an individual, corporation, partnership, group, association, or other person; (b) certain changes in the composition of a majority of the Board of Directors; or (c) certain other events involving a merger or consolidation of Cullen/Frost or a sale of substantially all of its assets.

Under the change-in-control agreements, Messrs. Richard W. Evans, Phillip D. Green and Patrick B. Frost could receive severance payments equal to three times their base salary and target bonus if their position is terminated by the Company within two years following a change-in-control, if the termination is for reasons other than cause, death, disability or retirement. Cause is generally defined in the agreements as an executive's (i) willful and continued failure to substantially perform his duties after delivery of a written demand for substantial performance, (ii) willful engagement in conduct materially injurious to Cullen/Frost; or (iii) conviction of a felony. In addition, the change-in-control agreements provide that Messrs. Richard W. Evans, Phillip D. Green and Patrick B. Frost could receive severance payments described above if they terminate their employment for good reason within two years following a change-in-control. Good reason is generally defined in the agreements as the occurrence of one or more of the following events: (a) a significant change or reduction in the executive's responsibilities, (b) an involuntary transfer of the executive to a location that is 50 miles further than the distance between the executive's current residence and Cullen/Frost's headquarters, (c) a significant reduction in the executive's current compensation, (d) the failure of any successor to Cullen/Frost to assume the executive's change-in-control agreement; or (e) any termination of the executive's employment that is not effected pursuant to a written notice which indicates the reasons for the termination. The change-in-control agreements also provide for a continuation of certain employee benefits and a tax gross-up payment in an amount necessary to make the executive whole for any excise taxes paid as a result of the severance payments.

CERTAIN TRANSACTIONS AND RELATIONSHIPS

Some of the Directors and executive officers of Cullen/Frost, and some of these persons' associates, are current or past customers of one or more of the Company's subsidiaries. Since January 1, 2004, transactions between these persons and such subsidiaries have occurred, including borrowings. In addition, the offices of the Hulen Financial Center of The Frost National Bank in Fort Worth, Texas are leased on a long-term basis from OPNB Building J.V., a Texas joint venture of which Mr. R. Denny Alexander, a Director of Cullen/Frost, owns a 13.3 percent interest and is the managing general partner. During 2004, lease payments of \$822,677.39 were made by The Frost National Bank and Frost Insurance Agency, Inc. to OPNB Building J.V. In the opinion of management, all of the foregoing transactions, including borrowings, have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility. Additional transactions may take place in the future.

**APPROVAL OF 2005 OMNIBUS INCENTIVE PLAN
(Item 2 on Proxy Card)**

The Board of Directors has adopted the Plan, subject to shareholder approval. The Plan permits grants of incentive stock options (ISOs), nonqualified stock options (NQSOs), stock appreciation rights (SARs), restricted stock, restricted stock units, performance shares, performance units, cash-based awards, other stock-based awards and substitute awards. The purpose of the Plan is to enable the Company and its subsidiaries and affiliates to retain and motivate key employees, and to encourage stock ownership by such key employees, by providing them with a means to acquire and increase their proprietary interest in the success of the Company.

If the Plan is approved by shareholders, it will become effective as of May 18, 2005 and will expire on May 18, 2015. In addition, if the Plan is approved by shareholders, the Company will not, as of the Plan's effective date, grant any future awards under the Cullen/Frost Bankers, Inc. 2001 Stock Plan (the 2001 Plan). In general, the Plan updates the 2001 Plan to permit certain awards to be considered qualifying performance-based compensation under Section 162(m) of the Internal Revenue Code. Section 162(m) limits the deductibility of remuneration in excess of \$1,000,000 paid by a public corporation to certain covered employees unless it is qualifying performance-based compensation. Under regulations promulgated pursuant to Section 162(m), at least three conditions must be satisfied in order for compensation to qualify as performance-based: (i) the compensation must be payable on account of the attainment of one or more pre-established, objective performance goals, (ii) the material terms of the compensation and the performance goals must be disclosed to and approved by shareholders before payment and (iii) a committee of the board of directors that is comprised solely of two or more outside directors must certify that the performance goals have been satisfied before payment. Notwithstanding the adoption of the Plan and its submission to shareholders, the Company reserves the right to pay its employees, including participants in the Plan, other amounts which may or may not be deductible under Section 162(m) or other provisions of the Internal Revenue Code.

The Plan is summarized below. The summary is subject, in all respects, to the terms of the Plan, which is attached as Annex B to this Proxy Statement.

Administration of the Plan

The Compensation and Benefits Committee of the Board is responsible for administering the Plan and has the discretionary power to:

interpret the terms and intent of the Plan and any Plan-related documentation;

determine eligibility for awards and the terms and conditions of awards; and

adopt Plan-related rules, regulations, forms, instruments, and guidelines.

Determinations of the Compensation and Benefits Committee made under the Plan will be final and binding. The Compensation and Benefits Committee may delegate its administrative duties and powers under the Plan to one or more of its members or to one or more officers, agents or advisors of the Company and its subsidiaries and affiliates. The Committee may also delegate to one or more officers the power to designate other employees (other than executive officers) to be recipients of awards.

Eligibility and Participation

Employees of the Company and its subsidiaries and affiliates who are selected by the Compensation and Benefits Committee will be eligible to participate in the Plan. There are currently approximately 300 eligible employees.

Table of Contents

Shares Available for Awards

The maximum number of shares available under the Plan will be 4,000,000 shares of the Company's Common Stock. Of the shares available, no more than 400,000 of such shares may be granted pursuant to full value awards, which are awards settled in shares other than ISOs, NQSOs and SARs.

Shares covered by an award will be counted against the shares available under the Plan only to the extent that such shares are issued. However, the full number of SARs granted that are to be settled by the issuance of shares will be counted against the shares available under the Plan, regardless of the number of shares actually issued upon the settlement of such SARs. Shares related to awards that are (i) terminated by expiration, forfeiture, cancellation or otherwise without the issuance of such shares, (ii) settled for cash in lieu of shares or (iii) exchanged with the Compensation and Benefits Committee's permission, prior to the issuance of shares, for awards not involving shares, will, in each case, be available again for grant under the Plan.

Limits on Awards

The Plan imposes annual per-participant award limits, as follows:

The maximum number of shares of Company Common Stock subject to stock options that may be granted to a participant in a calendar year is 400,000 plus the participant's unused limit for stock options as of the end of the prior year.

The maximum number of shares of Company Common Stock subject to SARs that may be granted to a participant in a calendar year is 400,000 plus the participant's unused limit for SARs as of the end of the prior year.

The maximum number of shares of restricted stock or restricted stock units that may be granted to a participant in a calendar year is 150,000 plus the participant's unused limit for restricted stock or restricted stock units as of the end of the prior year.

The maximum number of performance shares or performance units that may be granted to a participant in a calendar year is 150,000 shares or the value of 150,000 shares determined as of the date of vesting or payout, as applicable, plus the participant's unused limit for performance shares or performance units as of the end of the prior year.

The maximum amount of cash-based awards that may be granted to a participant in a calendar year is \$2,000,000 plus the participant's unused limit for cash-based awards as of the end of the prior year.

The maximum number of shares of Company Common Stock subject to other stock-based awards that may be granted to a participant in a calendar year is 150,000 plus the participant's unused limit for other stock-based awards as of the end of the prior year.

The number and kind of shares that may be issued, the number and kind of shares subject to outstanding awards, the option price or grant price applicable to outstanding awards, the annual per-participant award limits, and other value determinations are subject to adjustment by the Compensation and Benefits Committee to reflect stock dividends, stock splits, reverse stock splits, and other corporate events or transactions, other than normal cash dividends.

Types of Awards

Under the Plan, the Compensation and Benefits Committee may grant various types of awards. A description of each of the types of awards is set forth below.

Table of Contents

Stock Options

The Plan permits the Compensation and Benefits Committee to grant options to purchase the Company's Common Stock. Stock options can be both ISOs and NQSOs. The exercise price for stock options cannot be less than the fair market value of the Company's Common Stock on the date of grant. Fair market value under the Plan may be determined by reference to market prices on a particular trading day or on an average of trading days. The exercise price may be paid with cash or its equivalent or, subject to the sole discretion of the Compensation and Benefits Committee, with previously acquired shares of Company Common Stock, by means of a broker-assisted exercise or by other means approved by the Compensation and Benefits Committee. The expiration date for stock options cannot be later than the tenth anniversary of the date of grant.

Stock Appreciation Rights

The Compensation and Benefits Committee may grant SARs under the Plan either alone or in tandem with stock options. The grant price of a SAR cannot be less than the fair market value of the Company's Common Stock on the date of grant. The grant price of a SAR granted in tandem with a stock option will be the same as the exercise price of the tandem option. SARs cannot be exercised later than the tenth anniversary of the date of grant.

Freestanding SARs may be exercised on such terms as the Compensation and Benefits Committee determines, and tandem SARs may be exercised by relinquishing the related portion of the tandem option. Upon exercise of a SAR, the holder will receive shares of Company Common Stock that are equal in value to the difference between the fair market value of the Company Common Stock subject to the SAR, determined as described above, and the grant price.

Restricted Stock and Restricted Stock Units

Under the Plan, the Compensation and Benefits Committee may award shares of restricted stock and restricted stock units. Restricted stock awards consist of shares of Company Common Stock that are transferred to the participant subject to restrictions that may result in forfeiture if specified conditions are not satisfied. Restricted stock units are awards that result in a transfer of shares of Company Common Stock, cash or a combination thereof to the participant only after specified conditions are satisfied. A holder of restricted stock is treated as a current shareholder of the Company and is entitled to dividend and voting rights, whereas a holder of restricted stock units is treated as a shareholder only to the extent that shares of Company Common Stock are delivered in the future. The Compensation and Benefits Committee will determine the restrictions and conditions applicable to each award of restricted stock or restricted stock units.

Performance Shares and Performance Units

The Compensation and Benefits Committee may grant performance shares and performance units under the Plan. Performance shares will have an initial value that is based on the fair market value of the Company's Common Stock on the date of grant. Performance units will have an initial value that is determined by the Compensation and Benefits Committee. Generally, performance shares and performance units may be paid in the form of shares of Company Common Stock, cash or a combination thereof, as determined by the Compensation and Benefits Committee.

Performance shares and performance units will be earned only if performance goals are met over performance periods established by or under the direction of the Compensation and Benefits Committee. The performance goals may vary from participant to participant, group to group and period to period. The performance goals for performance shares and performance units and any other awards granted under the Plan

Table of Contents

that are intended to constitute qualified performance-based compensation will be based upon one or more of the following:

net earnings or net income (before or after taxes);

earnings per share;

net sales or revenue growth;

net operating profit;

return measures (including return on assets, capital, invested capital, equity, sales or revenue);

cash flow (including operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);

earnings before or after taxes, interest, depreciation, and/or amortization;

gross or operating margins;

productivity ratios;

share price (including growth measures and total shareholder return);

expense targets;

margins;

operating efficiency;

market share;

customer satisfaction;

working capital targets;

economic value added or EVA® (net operating profit after tax minus the sum of capital multiplied by the cost of capital); and

performance against budget.

The Compensation and Benefits Committee will determine whether the performance targets or goals that have been chosen for a particular performance award have been met. The Compensation and Benefits Committee may provide in an award that any evaluation of performance may include or exclude any of the following events that occur during the applicable performance period:

asset write-downs;

litigation, claims, judgments or settlements;

the effect of changes in tax laws, accounting principles or other laws or provisions affecting reporting results;

reorganization and restructuring programs;

extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in Management's Discussion and Analysis of Financial Condition and Results of Operations appearing in the Company's annual report to shareholders for the applicable year;

acquisitions or divestitures; and

foreign exchange gains and losses.

Table of Contents

Awards that are designed to qualify as performance-based compensation may not be adjusted upward. However, the Compensation and Benefits Committee has the discretion to adjust such awards downward. In addition, the Compensation and Benefits Committee has the discretion to make awards that do not qualify as performance-based compensation.

Cash-Based Awards

The Plan permits the Compensation and Benefits Committee to grant cash-based awards. The terms and conditions of the awards, including whether vesting is dependent upon the achievement of specific performance goals, will be determined by the Compensation and Benefits Committee. Payment under any cash-based award will be made in Company Common Stock or cash, as determined by the Compensation and Benefits Committee.

Other Stock-Based Awards

Under the Plan, the Compensation and Benefits Committee may grant equity-based or equity-related awards, referred to as other stock-based awards, other than stock options, SARs, restricted stock, restricted stock units or performance shares. The terms and conditions of each other stock-based award will be determined by the Compensation and Benefits Committee. Payment under any other stock-based awards will be made in Company Common Stock or cash, as determined by the Compensation and Benefits Committee.

Substitute Awards

If the Company or a subsidiary acquires or combines with another company, the Compensation and Benefits Committee may grant substitute awards in assumption of, or in substitution or exchange for, awards previously granted, or the right or obligation to make future awards. The terms and conditions of each substitute award will be determined by the Compensation and Benefits Committee. Payment under any substitute award will be made in Company Common Stock or cash, as determined by the Compensation and Benefits Committee.

Transferability and Other Terms of Awards

The Plan provides that neither ISOs nor, except as the Compensation and Benefits Committee otherwise expressly determines, other awards may be transferred other than by will or by the laws of descent and distribution. During a participant's lifetime, an ISO and, except as the Compensation and Benefits Committee may determine, other nontransferable awards requiring exercise, may be exercised only by the recipient.

If provided in an award agreement, a participant's rights to an award may be subject to the participant agreeing not to compete with the Company or its subsidiaries or affiliates, and not to solicit the business or employees of the Company or its subsidiaries or affiliates. In addition, participants may be subject to nondisclosure and nondisparagement requirements. A breach of these restrictions may result in cancellation of awards or the recovery by the Company of gain realized under awards.

To comply with applicable law in other countries in which the Company and its subsidiaries and affiliates operate or may operate or have employees, the Compensation and Benefits Committee may modify the terms of awards made to such participants or establish a subplan for such participants.

Amendment of Awards or Plan

The Compensation and Benefits Committee may at any time alter, amend, modify, suspend, or terminate an outstanding award or the Plan or in whole or in part. No amendment of an outstanding award may adversely affect the rights of a participant under the award without his or her consent, unless specifically provided for in the Plan. No amendment of the Plan will be made without shareholder approval if shareholder approval is required by applicable law.

Table of Contents

Termination of Employment

The Compensation and Benefits Committee will determine how each award will be treated following termination of the participant's employment with or service for the Company, including the extent to which unvested portions of the award will be forfeited and the extent to which options, SARs, or other awards requiring exercise will remain exercisable.

Change of Control of the Company

If there is a change of control of the Company, then, at the time of such change of control, all awards whose exercisability is based on satisfaction of a service obligation will vest and become fully exercisable, and any other equity awards will be treated as determined by the Compensation and Benefits Committee in connection with the grant of such awards.

Furthermore, unless a replacement award is provided to a participant to replace an award upon a change of control, the Compensation and Benefits Committee may determine that any or all outstanding awards granted under the Plan, whether or not then-exercisable, will be cancelled and terminated, and that the participant holding such cancelled or terminated award will receive a cash payment (or shares, other securities or a combination of cash, shares and other securities equivalent to such cash payment) equal to the difference, if any, between the consideration received by shareholders of the Company in respect of a share of Company Common Stock in connection with such transaction and the purchase price per share, if any, under the award multiplied by the number of shares of Company Common Stock subject to the award. However, if such product is zero or less or to the extent that the award is not then exercisable, the award will be cancelled and terminated without any payment. Alternatively, the Compensation and Benefits Committee may provide that the period to exercise stock options or SARs granted under the Plan will be extended, but not beyond the expiration date of such stock options or SARs.

An award qualifies as a replacement award if it meets all the following conditions:

it has a value at least equal to the value of the replaced award as determined by the Compensation and Benefits Committee in its sole discretion;

it relates to publicly traded equity securities of the Company or its successor following the change of control or another entity that is affiliated with the Company or its successor following the change of control; and

its other terms and conditions are not less favorable to the participant than the terms and conditions of the replaced award.

A replacement award may take the form of a continuation of the replaced award if the requirements listed above are met. The Compensation and Benefits Committee, as constituted immediately before the change of control, in its sole discretion, will determine whether the requirements for a replacement award are satisfied.

Under the Plan, a change of control may be triggered if:

a person becomes the beneficial owner of 20% or more of the Company's then-outstanding securities eligible to vote for the election of the Board of Directors;

a merger, consolidation or sale of the Company or one of its subsidiaries that requires approval of the Company's shareholders is consummated, unless, immediately following such transaction, (1) the Company's shareholders own more than 60% of the surviving corporation's securities eligible to elect the directors of the surviving corporation, (2) no person beneficially owns 20% or more of the surviving corporation's securities eligible to elect the directors of the surviving corporation and (3) at least 50% of the directors of the surviving corporation were members of the Board of Directors of the Company prior to the transaction.

Table of Contents

during a period of two consecutive years, Directors serving on the Board of Directors of the Company at the beginning of such period cease to constitute a majority of the Board; or

a liquidation, dissolution or sale of all or substantially all of the Company's assets is approved.

Certain Federal Income Tax Consequences

Set forth below is a summary of certain federal income tax consequences of the issuance and receipt of stock options under the Plan under the law as in effect on the date of this Proxy Statement. The summary does not purport to cover all federal employment tax or other federal tax consequences that may be associated with the Plan, nor does it cover state, local, or non-U.S. taxes.

Incentive Stock Options

A participant will not be subject to tax upon the grant of an ISO or upon the exercise of an ISO. However, the excess of the fair market value of the shares of Company Common Stock on the date of exercise over the exercise price paid will be included in a participant's alternative minimum taxable income. Whether a participant is subject to the alternative minimum tax will depend on the participant's particular circumstances. The participant's basis in the shares received will be equal to the exercise price paid, and the participant's holding period in the shares will begin on the day following the date of exercise.

If a participant disposes of the shares of Company Common Stock on or after the later of (1) the second anniversary of the grant date of the ISO and (2) the first anniversary of the exercise date of the ISO (the "statutory holding period"), the participant will recognize capital gain or loss in an amount equal to the difference between the amount realized on such disposition and the participant's basis in the shares. If a participant disposes of the shares before the end of the statutory holding period, the participant will have engaged in a "disqualifying disposition." As a result, the participant will be subject to tax:

on the excess of the fair market value of the shares on the exercise date (or the amount realized on the disqualifying disposition, if less) over the exercise price paid, as ordinary income; and

on the excess, if any, of the amount realized on the disqualifying disposition over the fair market value of the shares on the exercise date, as capital gain.

If the amount a participant realizes from a disqualifying disposition is less than the exercise price paid (*i.e.*, the participant's basis) and the loss sustained upon such disposition would otherwise be recognized, a participant will not recognize any ordinary income from such disqualifying disposition and instead the participant will recognize a capital loss. In the event of a disqualifying disposition, the Company or one of its subsidiaries can generally deduct the amount recognized as ordinary income by the participant.

The current position of the Internal Revenue Service is that income tax withholding and FICA and FUTA taxes (employment taxes) do not apply upon the exercise of an ISO or upon any subsequent disposition, including a disqualifying disposition, of shares acquired pursuant to the exercise of the ISO.

Nonqualified Stock Options

A participant will not be subject to tax upon the grant of an NQSO. Upon exercise of an NQSO, an amount equal to the excess of the fair market value of the shares of Company Common Stock acquired on the exercise date over the exercise price paid is taxable to the participant as ordinary income, and such amount is generally deductible by the Company or one of its subsidiaries. This amount of income will be subject to income tax withholding and employment taxes. The participant's basis in the shares of Company Common Stock received will equal the fair market value of the shares on the exercise date, and the participant's holding period in such shares will begin.

Table of Contents

Other Federal Income Tax Consequences

In general, under Section 162(m) of the Internal Revenue Code, remuneration paid by a public corporation to its chief executive officer or any of its other top four named executive officers, ranked by pay, is not deductible to the extent it exceeds \$1,000,000 for any year. Taxable payments or benefits under the Plan may be subject to this deduction limit. However, under Section 162(m), qualifying performance-based compensation, including income from stock options and other performance-based awards that are made under shareholder approved plans and that meet certain other requirements, is exempt from the deduction limitation. The Plan has been designed so that the Compensation and Benefits Committee in its discretion may grant qualifying exempt performance-based awards under the Plan.

Under the so-called "golden parachute" provisions of the Internal Revenue Code, the accelerated vesting of stock options and benefits paid under other awards in connection with a change of control of a corporation may be required to be valued and taken into account in determining whether participants have received compensatory payments, contingent on the change of control, in excess of certain limits. If these limits are exceeded, a portion of the amounts payable to the participant may be subject to an additional 20% federal tax and may be nondeductible to the corporation.

If any award granted under the Plan is considered deferred compensation under Section 409A of the Internal Revenue Code, then certain requirements must be met to have the deferral be effective for federal tax purposes. These requirements include:

time periods for making the election to defer;

limitations on distributions; and

a prohibition on accelerating the time or schedule of any payment of deferred amounts except in circumstances permitted by the United States Department of the Treasury.

If the requirements set forth above are not met, a participant will immediately be taxed on such purportedly deferred amounts, a penalty of 20% of such amounts deferred after December 31, 2004 will be imposed, and penalty interest will accrue at the underpayment rate plus one percent.

New Plan Benefits

The benefits or amounts under the Plan that will be received by or allocated to the Company's CEO, other named executive officers and employees who are not executive officers are discretionary and, accordingly, are not presently determinable. In addition, the benefits or amounts that would have been received by or allocated to such persons for 2004 if the Plan had been in effect cannot be determined.

The Board of Directors recommends that the shareholders of the Company ratify the selection of Ernst & Young LLP, certified public accountants, as independent auditors of Cullen/Frost. Ernst & Young LLP has audited the financial statements of Cullen/Frost since 1969.

Neither Cullen/Frost's Articles of Incorporation nor Bylaws requires that the shareholders ratify the selection of Ernst & Young LLP as its independent auditors. Cullen/Frost is doing so because it believes it is a matter of good corporate practice. Should the shareholders not ratify the selection, the Audit Committee will reconsider its determination to retain Ernst & Young LLP, but may elect to continue to retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that the change would be in the best interests of Cullen/Frost and its shareholders.

Pursuant to the Audit Committee's charter, the Audit Committee has delegated to each of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting.

No director may serve as a member of the Committee if such director serves on the audit committees of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee, and discloses this determination in Cullen/ Frost's annual proxy statement.

The Committee shall designate one member of the Committee as its chairperson.

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars.

Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination.

6.8 Notification of Disqualifying Disposition. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 12.1.

Article 13. Dividend Equivalents

Any Participant selected by the Committee may be granted dividend equivalents based on the dividends declared on Shares that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such dividend equivalents may, in the sole discretion of the Committee, accrue interest or be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee.

Article 14. Benefits Upon Death

Awards remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to the Participant's estate and may be exercised by the Participant's executor, administrator, or authorized legal representative.

Article 15. Rights of Participants

15.1 *Employment.* Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Affiliates, and/or its Subsidiaries, to terminate any Participant's employment at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment for any specified period of time.

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Affiliates, and/or its Subsidiaries and, accordingly, subject to Articles 3 and 17, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Affiliates, and/or its Subsidiaries.

15.2 *Participation.* No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

15.3 *Rights as a Shareholder.* Except as otherwise provided herein, a Participant shall have none of the rights of a stockholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 16. Change of Control

16.1 *Change of Control.* If at any time there shall occur a Change of Control, then the time at which all then-outstanding Stock Options and Stock Appreciation Rights may be exercised shall be accelerated and the Stock Options and Stock Appreciation Rights shall immediately become fully vested and exercisable at the time of such Change of Control, and all other then-outstanding Awards whose exercisability depends merely on the satisfaction of a service obligation by a Participant to the Company, any Subsidiary or an Affiliate thereof shall vest in full and be free of restrictions related to the vesting of such Awards at the time of such Change of Control. The treatment of any other Awards shall be as determined by the Committee in connection with the grant thereof, as reflected in the applicable Award Agreement.

Except to the extent that another Award meeting the requirements of Section 16.2 (a Replacement Award) is provided to the Participant to replace such Award (the Replaced Award), the Committee may, in its sole discretion, (i) determine that any or all outstanding Awards granted under the Plan, whether or not exercisable, will be canceled and terminated and that in connection with such cancellation and termination the holder of such Award may receive for each Share subject to such Awards a cash payment (or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment) equal to the difference, if any, between the consideration received by shareholders of the Company in respect of a Share in connection with such transaction and the purchase price per share, if any, under the Award multiplied by the number of Shares subject to such Award; provided that if such product is zero or less or to the extent that the Award is not then exercisable, the Awards will be canceled and terminated without payment therefor; or (ii) provide that the period to exercise Stock Options or Stock Appreciation Rights shall be extended (but not beyond the expiration of such Stock Option or Stock Appreciation Right).

16.2 *Replacement Awards.* An Award shall meet the conditions of this Section 16.2 (and hence qualify as a Replacement Award) if: (i) it has a value at least equal to the value of the Replaced Award as determined by the Committee in its sole discretion; (ii) it relates to publicly traded equity securities of the Company or its successor in the Change of Control or another entity that is affiliated with the Company or its successor following the Change of Control; and (iii) its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent Change of Control). Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Award if the requirements of the preceding sentence are satisfied. The determination of whether the conditions of this Section 16.2 are satisfied shall be made by the Committee, as constituted immediately before the Change of Control, in its sole discretion.

Article 17. Amendment, Modification, Suspension, and Termination

17.1 *Amendment, Modification, Suspension, and Termination.* Subject to Section 17.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's stockholders and except as provided in Section 4.4, Options or SARs issued under this Plan will not be repriced, replaced, or regranted through cancellation, or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, and no material amendment of this Plan shall be made without stockholder approval if stockholder approval is required by law, regulation, or stock exchange rule, including, but not limited to, the Securities Exchange Act of 1934, as amended, the Internal Revenue Code of 1986, as amended, and, if applicable, the New York Stock Exchange Listed Company Manual issuer rules.

17.2 *Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events.* The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

17.3 *Awards Previously Granted.* Notwithstanding any other provision of this Plan to the contrary (other than Section 17.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

17.4 *Amendment to Conform to Law.* Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend the Plan or an Award Agreement, to take effect retroactively or

otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations and rulings promulgated thereunder.

Article 18. Withholding

18.1 *Tax Withholding.* The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

18.2 *Share Withholding.* With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 19. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 20. General Provisions

20.1 *Forfeiture Events.*

- (a) The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for cause, termination of the Participant's provision of services to the Company, Affiliate, and/or Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.
- (b) If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, and if the Participant knowingly or grossly negligently engaged in the misconduct, or knowingly or grossly negligently failed to prevent the misconduct, or if the Participant is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, the Participant shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the twelve- (12-) month period following the first public issuance or filing with the United States Securities and Exchange Commission (whichever just occurred) of the financial document embodying such financial reporting requirement.

20.2 *Legend.* The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

20.3 *Gender and Number.* Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

20.4 *Severability.* In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

20.5 *Requirements of Law.* The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

20.6 *Delivery of Title.* The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

20.7 *Inability to Obtain Authority.* The inability or failure of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

20.8 *Investment Representations.* The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

20.9 *Employees Based Outside of the United States.* Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and/or its Subsidiaries operate or have Employees, the Committee, in its sole discretion, shall have the power and authority to:

- (a) Determine which Affiliates and Subsidiaries shall be covered by this Plan;
- (b) Determine which Employees outside the United States are eligible to participate in this Plan;
- (c) Modify the terms and conditions of any Award granted to Employees outside the United States to comply with applicable foreign laws;
- (d) Establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 20.9 by the Committee shall be attached to this Plan document as appendices; and
- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

20.10 *Uncertificated Shares.* To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

20.11 *Unfunded Plan.* Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its Subsidiaries, and/or its Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any person acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

20.12 *No Fractional Shares.* No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

20.13 *Retirement and Welfare Plans.* Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and non-qualified), welfare benefit plans or employment contracts or arrangements unless such other plan or contract or arrangement expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

20.14 *No Deferred Compensation.* No deferral of compensation (as defined under Code Section 409A or guidance thereto) is intended under this Plan. However, the Committee may permit deferrals of compensation pursuant to the terms of an individual's Award, a separate plan or a subplan which meets the requirements of Code Section 409A and the regulations thereunder. Additionally, to the extent any Award is subject to Code Section 409A, notwithstanding any provision herein to the contrary, the Plan does not permit the acceleration of the time or schedule of any distribution related to such Award, except as permitted by Code Section 409A, the regulations thereunder, and/or the Secretary of the United States Treasury.

20.15 *Nonexclusivity of this Plan.* The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

20.16 *No Constraint on Corporate Action.* Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets or engage in any other type of transaction; or, (ii) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

20.17 *No Golden Parachute Payments.* Notwithstanding any other provision in this Plan to the contrary, the Company shall not be required to make any payment under this Plan or an Award Agreement that would be a golden parachute payment within the meaning of Section 18(k) of the Federal Deposit Insurance Act that is prohibited by applicable law.

20.18 *Governing Law.* The Plan and each Award Agreement shall be governed by the laws of the State of Texas, excluding any conflicts or choice of law rule or principle that might otherwise refer

construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Texas, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

20.19 *Indemnification.* Subject to requirements of Texas law, each individual who is or shall have been a member of the Board, or a Committee appointed by the Board, or an employee of the Company to whom authority was delegated in accordance with Article 3, (each, an Indemnified Person) shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him in connection with or resulting from any claim, action, suit, or proceeding to which he may be a party or in which he or she may be involved by reason of any action taken or failure to act under this Plan and against and from any and all amounts paid by him in settlement thereof, with the Company's approval, or paid by him in satisfaction of any judgement in any such action, suit, or proceeding against him, provided he shall give the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall not be available to an Indemnified Person to the extent that a court of competent jurisdiction in a final judgment or other final adjudication, in either case, not subject to further appeal, determines that the acts or omissions of such Indemnified Person giving rise to the indemnification claim resulted from such Indemnified Person's bad faith, fraud or willful criminal act or omission.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.
