The Reporting Person intends to continue to have discussions and other communications with the Company's management and members of its board of directors regarding the strategic direction of the Company, maximizing shareholder value, and/or the possibility of a business combination transaction that would be mutually agreeable to the Reporting Person and the Company. The Reporting Person may also continue to have conversations with other stockholders. In the course of such conversations with members of management, the board of directors and other stockholders, the Reporting Person may suggest actions that could result in, among other things: (a) the acquisition by the Reporting Person of additional securities of the Company, or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Reporting Person and the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) changes in the present board of directors or management of the Company; (e) a material change in the present capitalization or dividend policy of the Company; (f) any other material change in the Company's business or corporate structure; (g) causing any class of the Company's securities to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (h) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (i) any action similar to those enumerated above.

The Reporting Person currently holds the shares reported herein for investment purposes but intends to review its investment in the issuer on a continuing basis and may determine to acquire additional interests in the Company. In addition, depending on various factors including, without limitation, the Company's financial position and strategic direction, the outcome of the discussions and actions referenced above, actions taken by the board of directors, changes to the composition of the board of directors, price levels of the shares, conditions in the securities market and general economic and industry conditions, the Reporting Person may in the future take such actions with respect to its investment in the Company as it deems appropriate including, without limitation, acquiring or selling additional Ordinary Shares, which transactions may be significant in amount, and/or otherwise changing its intention with respect to any and all matters referred to in Item 4 of this Schedule 13D.
