2002 SPECIAL MEETING OF STOCKHOLDERS  
IN LIEU OF ANNUAL MEETING

PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors ("MicroFinancial Board") of MicroFinancial Incorporated ("MicroFinancial" or the "Corporation") in connection with the Special Meeting of Stockholders in Lieu of Annual Meeting (the "Special Meeting") to be held on May 16, 2002. This proxy statement and the enclosed proxy are first being sent to stockholders on or about April 18, 2002. The proxy will be voted at the Special Meeting in accordance with the instructions indicated on the proxy by the stockholder. If no instructions are indicated, all shares represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted FOR Proposal No. 1 and FOR Proposal No. 2.

The record date for determining stockholders entitled to vote at the Special Meeting is the close of business on April 11, 2002. On this date, there were outstanding and entitled to vote 12,911,532 shares of Common Stock, par value \$0.01 per share, of the Corporation (the "Common Stock"), each of which is entitled to one vote on each matter to be voted on at the Special Meeting. The presence (in person or by proxy) of a majority of the aggregate number of shares of Common Stock outstanding and entitled to vote on the record date is necessary to constitute a quorum at the Special Meeting. Abstentions and "broker non-votes" will be counted as present at the Special Meeting for purposes of determining whether there is a quorum. A "broker non-vote" occurs when a broker or other nominee, holding shares for a beneficial owner, has not received voting instructions on a matter from such owner and is barred by stock exchange rules from exercising discretionary authority to vote on the matter.

Management is not aware of any matter to be considered at the Special Meeting other than those referred to in this proxy statement. If any other business should properly come before the Special Meeting, the persons named in the proxy will vote according to their best judgment.

# Edgar Filing: MICROFINANCIAL INC - Form DEF 14A

## VOTING PROCEDURES

The affirmative vote of a majority of the shares of Common Stock represented at the Special Meeting and entitled to vote is required to ratify the election of Mr. Latour for a two-year term and to ratify the selection of auditors. A plurality of votes of the shares of Common Stock represented at the Special Meeting is required to elect directors. In voting for the election of directors, stockholders may cast their votes in favor of or against, but abstentions may not be specified. If a broker's authority to vote on a particular matter is limited, thus resulting in a broker non-vote, such broker non-vote will not be counted in determining the number of votes cast or entitled to vote at the Special Meeting. Abstentions are counted for this purpose. Since a broker's authority is not limited with respect to Proposal Nos. 1, 2 and 3, MicroFinancial does not expect to receive any broker non-votes with respect to the Special Meeting.

A stockholder of record may revoke a proxy by delivering written notice of revocation to Richard F. Latour, Clerk of MicroFinancial, at the address set forth above, by filing a duly executed proxy bearing a later date, or by attending the Special Meeting in person, notifying the Clerk, and voting by ballot at the Special Meeting. Any stockholder of record attending the Special Meeting may vote in person whether or not a proxy has been previously given, but the mere presence (without notifying the Clerk) of a stockholder at the Special Meeting will not constitute revocation of a previously given proxy. In addition, stockholders whose shares of Common Stock are not registered in their own name will need additional documentation from the record holder of the shares to vote in person at the Special Meeting.

### PROPOSAL 1

#### ELECTION OF DIRECTORS

As of the date of this proxy statement, the MicroFinancial Board consists of 6 persons. The MicroFinancial Board is divided into three classes, with each class serving staggered terms of three years, so that only one class is elected in any one year. Two directors are to be elected at the Special Meeting to serve

Edgar Filing: MICROFINANCIAL INC - Form DEF 14A

until the 2005 Special Meeting and until their successors are elected and have qualified. The nominees for this class of directors are Torrence C. Harder and Jeffrey P. Parker. The nominees for director are presently directors of MicroFinancial. They have consented to being named a nominee in this proxy statement and have agreed to serve as a director if elected at the Special Meeting. In the event that the nominees are unable to serve, the persons named in the proxy have discretion to vote for other persons if those other persons are designated by the MicroFinancial Board. The MicroFinancial Board has no reason to believe that the nominees will be unavailable for election.

THE MICROFINANCIAL BOARD RECOMMENDS

CERTAIN INFORMATION REGARDING THE MICROFINANCIAL BOARD

MEETINGS AND COMMITTEES

During 2001, the MicroFinancial Board met four times and acted by unanimous

## Edgar Filing: MICROFINANCIAL INC - Form DEF 14A

written consent three times. The committees of the Board met as follows: the Compensation Committee met one time and the Audit Committee met three times. In 2001, all MicroFinancial Board members attended 75% of the aggregate of the meetings of the MicroFinancial Board and its committees on which they served.

The Audit Committee oversees the scope of MicroFinancial's internal auditing, the independence of the outside auditors, the adequacy of MicroFinancial's system of internal accounting controls and procedures, and the adequacy of management's action with respect to recommendations thereon by MicroFinancial's auditors. MicroFinancial is required by the rules of the NYSE to satisfy certain requirements with respect to its Audit Committee. In conformity with those requirements, the MicroFinancial Board has approved the Audit Committee's written charter which was included as an appendix to last year's proxy statement. In addition, the MicroFinancial Board has determined that all of the members of the Audit Committee satisfy the independence and other applicable requirements of the NYSE's listing standards.

The Compensation Committee is responsible for compensation and benefit plans (including management bonuses).

The MicroFinancial Board has no nominating committee, as the MicroFinancial Board as a whole studies the qualifications and recommends to the stockholders the election of MicroFinancial directors. A stockholder may nominate a person for election as a director by complying with Section 3.1 of the MicroFinancial By-laws, which provides that advance notice of a nomination must be delivered to MicroFinancial and must contain the name and certain information concerning the nominee and the stockholders who support the nominee's election. A copy of this By-law provision may be obtained by writing to Richard F. Latour, Clerk of MicroFinancial, at 950 Winter Street, Waltham, Massachusetts 02451.

### COMPENSATION OF DIRECTORS

The MicroFinancial Board is comprised of six Directors, two of whom, Peter Bleyleben and Richard F. In 2001, the Non-Employee Directors each received stock options to purchase 25,000 shares of Common Stock. In February 2002, the options granted in 2001 were voluntarily cancelled, and the Directors received new options to purchase 45,000 shares of Common Stock. Directors also are reimbursed for out-of-state travel expenses incurred in connection with attendance at meetings of the MicroFinancial Board and committees thereof. In addition, the Corporation pays for health care insurance for each Non-Employee Director other than Mr. Harder.

- (1) Stock options were granted under the Plan. No stock appreciation rights were awarded with these grants. The options first become exercisable, in five equal annual installments, beginning one year from the grant date, and have a ten-year term. If a change of control of MicroFinancial were to occur, the options would become immediately exercisable in full.
  - (2) The percentages in the table for the stock options granted in 2001 are based on a total of 550,000 stock options granted in 2001 to MicroFinancial employees, all of which were granted on the same material terms described in footnote (1) above.
  - (3) The dollar amounts under these columns represent the potential realizable value of each grant assuming that the market value of the Common Stock appreciates from the date of grant to the expiration of the option at annualized rates of 5% and 10%. These assumed rates of appreciation have been specified by the SEC for illustrative purposes only and are not intended to forecast future financial performance or possible future appreciation in the price of the Common Stock. The actual amount the executive officer may realize will depend on the extent to which the stock price exceeds the exercise price of the options on the date the option is exercised.

### PROFIT SHARING PLAN AND DISCRETIONARY BOARD OF DIRECTOR BONUS PROGRAMS

The Corporation pays annual bonuses and makes profit sharing payments as determined by the Compensation Committee of the MicroFinancial Board. Each year the Compensation Committee indicates to the executive officers the percentage of the following year's pre-tax profits on which profit sharing plan payments will be based. Upon the conclusion of the audit of the prior year's financial results, the Compensation Committee determines the total percentage of pre-tax profits eligible for profit-sharing plan payments, and awards payments to Dr. Bleyleben and one other executive of the Corporation. To enhance long-term retention of these executives, only one-third of the amount awarded is paid at that point in time. The remaining two-thirds may be paid out over the next two years in the discretion of the Compensation Committee and are subject to separate annual approvals of the Compensation Committee.

### EMPLOYMENT AGREEMENTS

The Corporation has entered into Employment Agreements with Dr. Bleyleben and Mr. Latour for a three-year period commencing June 12, 1998, subject to automatic successive one-year renewals unless terminated pursuant to the terms thereof. In the event of a termination of the Employment Agreements by the Corporation without cause, or by Dr. Bleyleben or Mr. Latour for specified good reason, the Employment Agreements provide for three years of severance payments to Dr. Bleyleben and Mr. Latour, respectively, on the basis of their highest base salary during the employment period. In addition, Dr. Bleyleben and Mr. Latour would also be entitled to a prorated payment of base salary and bonus to the date of termination, and the acceleration of deferred compensation and accrued but unpaid amounts under the Corporation's bonus and/or profit sharing plans. Dr. Bleyleben's and Mr. Latour's current base salaries, respectively, are \$265,000 and \$230,000. The bonus for the current fiscal year will be determined by the MicroFinancial Board. If, in connection with a payment under their Employment Agreement, either Dr. Bleyleben or Mr. Latour shall incur any excise tax liability on the receipt of "excess parachute payments" as defined in Section 280G of the Internal Revenue Code of 1986, as amended, the Employment Agreements provide for gross-up payments to return them to the after-tax position they would have been in if no excise tax had been imposed. As used in each Employment Agreement, "for good reason" means the assignment to the executive of duties inconsistent with the executive's position, authority, duties or responsibilities; the failure by the Corporation to pay the agreed base salary and provide the executive with benefits; moving the executive to a location outside of the metropolitan Boston, Massachusetts area; and the failure by the Corporation to require a successor to assume all obligations under the Employment Agreement.

The Corporation has also entered into separate employment agreements with each of the remaining Named Executive Officers which are designed to provide an incentive to each executive to remain with the Corporation pending and following a Change in Control (as defined below). Each employment agreement has an initial

## Edgar Filing: MICROFINANCIAL INC - Form DEF 14A

term of one year following a Change in Control, with automatic extensions upon the expiration of the initial one-year term for successive one-month periods (such date and each annual anniversary thereof, the "Renewal Date"). Pursuant to each employment agreement, the executive will be entitled to receive an annual base salary of not less than twelve times the highest monthly base salary paid or payable to the executive within the twelve months preceding the Change in Control. If the employment agreement is terminated by the MicroFinancial Board other than for cause, death or disability, or is terminated by the executive for specified good reason, the Corporation shall pay to the executive in a cash lump sum within 30 days after the date of termination, the aggregate of the following amounts: (i) the greater of executive's annual base salary through (x) the next applicable Renewal Date following the date of termination or (y) the six month period following the date of termination, in each case to the extent not theretofore paid; (ii) a special bonus of \$75,000 for each of Mr. Plumlee, Ms. Salvo and Ms. Lincoln; (iii) any other compensation

12

previously deferred by the executive, together with any accrued interest or earnings thereon; and (iv) any accrued vacation pay.

"Change in Control" means (i) the acquisition by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 50% or more of either the then outstanding shares of Common Stock or the combined voting power of the then outstanding voting securities of the Corporation entitled to vote generally in the election of directors; (ii) individuals who, as of the date of the original employment agreements constitute the MicroFinancial Board, cease for any reason to constitute at least a majority of the MicroFinancial Board except with respect to any director who was approved by a vote of at least a majority of the directors then comprising the MicroFinancial Board; (iii) approval by the shareholders of the Corporation of a reorganization, merger or consolidation, in each case, unless, following such reorganization, merger or consolidation, more than 60% of the then outstanding shares of Common Stock continues to be owned by the shareholders who were the beneficial holders of such stock prior to such transaction; or (iv) approval by the shareholders of the Corporation of a complete liquidation or dissolution of the Corporation or the sale or other disposition of all or substantially all of the assets of the Corporation.

### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (as amended, the "Exchange Act") requires the Corporation's directors, officers and persons who beneficially own more than ten percent (10%) of the Common Shares (each, a "Reporting Person") to file reports of ownership and changes of ownership with the Securities and Exchange Commission. Copies of all filed reports are required to be furnished to the Corporation pursuant to Section 16(a) of the Exchange Act. Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to the Corporation pursuant to Rule 16a-3(e) of the Exchange Act during fiscal year ending December 31, 2000 and on written representations from Reporting Persons, the Corporation believes that each Reporting Person complied with all applicable filing requirements during its fiscal year ended December 31, 2001, with the exception of Mr. Boyle who inadvertently failed to file a timely Form 4 to report three transactions occurring in June 2001 which involved a total of 3,000 shares; Mr. Harder who inadvertently failed to file timely Forms 4 to report 10 transactions occurring in May 2001 which involved a total of 120,000 shares, one transaction occurring in June 2001 which involved a total of 5,000 shares, one transaction occurring in July 2001 which involved a total of 5,000 shares, and 20 transactions occurring in August 2001 which involved a total of 78,000 shares; and Steven J. LaCreta who inadvertently failed to file a timely Form 4 to report one transaction occurring in July 2001 which involved a total of 6,000 shares. These transactions were subsequently reported by the Reporting Person.

### COMPENSATION COMMITTEE REPORT

#### OVERVIEW AND PHILOSOPHY

The Compensation Committee of the Board of Directors (the "Compensation Committee") is composed of three members, all of whom are outside directors of the Corporation. The Compensation Committee provides overall guidance on the Corporation's compensation and benefits philosophy. In addition, the Compensation Committee approves and monitors the Corporation's:

## Edgar Filing: MICROFINANCIAL INC - Form DEF 14A

- executive compensation and benefits programs
- executive employment agreements, if any
- 1998 Equity Incentive Plan

The primary objectives of the Compensation Committee are to assure that the Corporation's executive compensation and benefits programs:

- reflect the Corporation's entrepreneurial orientation
- are competitive with other growing companies of similar size and business
- safeguard the interests of the Corporation and its stockholders
- are effective in driving performance to achieve financial goals and create stockholder value
- foster teamwork on the part of management

14

- are cost-efficient and fair to employees, management and stockholders
- are well communicated to and understood by program participants

The Corporation's executive compensation policies are designed to attract, motivate and retain highly qualified executive officers who can enhance stockholder value, and to support a performance-oriented environment that rewards achievement of the Corporation's financial goals. The Compensation Committee meets at least once during each fiscal year to review the Corporation's existing compensation and benefits programs and to consider modifications that seek to provide a direct relationship between executive compensation and sustained corporate performance.

The Corporation compensates its executive officers through four principal types of compensation: annual base salary, profit-sharing payments, board bonus payments, and long-term incentive awards through stock options. The Corporation, as a matter of policy, places substantial emphasis on both the profit sharing plan and long-term stock options since the Corporation believes that correlating both annual financial performance of the Corporation and long term share valuation with executive officer compensation is in the best interest of the shareholders.

### BASE SALARY

The annual base salary of each executive officer is based on the scope of his or her responsibility and accountability within the Corporation, as well as on performance and experience criteria. In addition, the Compensation Committee considers salary and other compensation arrangements of other companies of similar size, business and similar growth to determine appropriate levels required to attract, motivate and retain the most qualified management personnel.

The Compensation Committee determines and makes final decisions regarding base salary of executives on an annual basis. The Compensation Committee recognizes that, to some degree, the determination of an executive officer's base salary involves subjective considerations.

### PROFIT SHARING PLAN

## Edgar Filing: MICROFINANCIAL INC - Form DEF 14A

A significant component of an executive officer's total cash compensation may consist of a profit sharing plan payment, which is intended to make the executive officer's compensation dependent on the Corporation's performance and to provide executive officers with incentives to achieve the Corporation's goals, increase stockholder value, and work as a team.

For purposes of determining profit sharing payments, the Corporation, since the early days of its existence, has placed a heavy emphasis on financial profits achieved by the Corporation. Each year the Compensation Committee indicates to the executive officers the percentage of the following year's pre-tax profits on which profit sharing plan payments will be based. Upon the conclusion of the audit of the prior year's financial results, the Compensation Committee determines the total percentage of pre-tax profits eligible for profit-sharing plan payments, and awards payments to Dr. Bleyleben and one other executive of the Corporation. To enhance long term retention of these executives, only one-third of the amount awarded is paid at that point in time. The remaining two-thirds may be paid out over the next two years in the discretion of the Compensation Committee and are subject to separate annual approvals of the Compensation Committee.

To enhance the retention of other senior personnel and to foster a spirit of teamwork, the Compensation Committee also establishes a pool along the same philosophy as for the two executives, and delegates to the Chairman and Chief Executive Officer the decision as to how and to whom to allocate the approved funds. Any such bonuses are also determined and paid upon completion of the Corporation's annual audit.

15

### BOARD BONUS PAYMENTS

In addition, the Compensation Committee may approve an additional bonus based on the Committee's subjective evaluation of the quality and success of the executive.

### LONG TERM STOCK OPTION COMPENSATION

The Compensation Committee believes that providing key employees, including executive officers, with the opportunity to acquire stock ownership over time is the most desirable way to align their interests with those of the Corporation's stockholders. Stock options, awarded under the Plan, provide an incentive that focuses the attention of executive officers on managing the Corporation from the perspective of an owner with an equity interest in the business. In addition, stock options are a key part of the Corporation's program for motivating and rewarding managers and other employees over the long term. Through the grant of stock options, the Corporation has encouraged its managers and other employees to obtain and hold the Corporation's stock. Stock options granted to employees are tied to future performance of the Corporation's stock and will provide value only when the price of the Corporation's stock exceeds the option grant price.

The Compensation Committee determines and makes final decisions regarding stock option awards made under the Plan. Such factors as performance and responsibilities of individual managers and the management team as a whole, as well as general industry practices play an integral role in the determination of the number of options awarded to a particular executive officer or employee. In determining the size of the individual award of options, the Compensation Committee also considers the number of options outstanding and previously granted, the amount of options remaining available for grant under the Plan, the aggregate amount of current awards, and the amount necessary to retain qualified personnel.

## Edgar Filing: MICROFINANCIAL INC - Form DEF 14A

In accordance with its business strategy and compensation philosophy, the Corporation has granted stock options to key executives and managers to afford them an opportunity to participate in the Corporation's future growth and to focus them on the contributions which are necessary for the financial success and business growth of the Corporation and, thereby, the creation of value for its stockholders.

Stock options are typically awarded based on an assessment of each recipient's ongoing contribution to overall corporate performance. The Corporation's Chief Executive Officer's input for the size and timing of option grants to other executives and managers is an important determinant of the actual grants given. As a means to encourage a stock option recipient to remain in service with the Corporation, stock option awards vest over a period of five years from the date of grant. All incentive stock options have exercise prices at least equal to the fair market value of the Corporation's stock on the date of grant.

### 2001 COMPENSATION FOR THE CHIEF EXECUTIVE OFFICER

The general policies described above for the compensation of the executive officers also apply to the compensation approved by the Compensation Committee with respect to the 2001 compensation for Dr. Peter R. von Bleyleben, the Corporation's Co-Founder, Chairman and Chief Executive Officer.

Dr. Bleyleben's base salary was \$265,000 in 2001, \$270,000 in 2000, \$260,000 in 1999, \$250,000, in 1998, \$220,000 in 1997 and \$190,000 in 1996. Dr. Bleyleben was paid a profit sharing plan payment in 2001 of approximately \$400,000, in 2000 of approximately \$366,873, in 1999 of approximately \$369,000, approximately \$304,000 in 1998, approximately \$222,000 in 1997 and approximately \$164,000 in 1996 and an additional board bonus of \$70,000, \$70,000, \$70,000, \$60,000, \$55,000, and \$50,000, respectively, for the same years. During the same time period, the Corporation's pre-tax profits increased from \$4.2 million in 1995 to \$26.4 million in 2001.

16

Although the Compensation Committee and the Board of Directors approved a \$375,854 profit sharing plan payment to be paid in 2002, Dr. Bleyleben declined to accept this payment because the Corporation has recently implemented salary freezes for higher paid executives and other cost-cutting measures at the Corporation.

At December 31, 2001, Dr. Bleyleben had options to purchase 200,000 shares of Common Stock. Options to acquire 100,000 shares of common stock were granted to him on February 25, 1999: 59,391 options at an exercise price equal to the then fair market value of \$12.313 per underlying share; and 40,609 options at an exercise price of \$13.544 per share which was 10% higher than the then fair market value of \$12.313 per underlying share in order to follow regulations of the Internal Revenue Service with regard to issuing qualified incentive stock options. Options to acquire 100,000 shares of common stock were granted to him on February 24, 2000 at an exercise price equal to the then fair market value of \$9.781 per underlying share. Due to the relatively large number of shares held and options granted to and exercised by Dr. Bleyleben in the past, the Compensation Committee is of the opinion that the financial incentive of Dr. Bleyleben is fully aligned with those of all other shareholders.

Dr. Bleyleben continues to fulfill a central and critical role in the development of the Corporation as a whole, including but not limited to the achievement of the Corporation's 2002 goals, and it is the Compensation Committee's expectation that he will continue to have an important influence on

## Edgar Filing: MICROFINANCIAL INC - Form DEF 14A

the Corporation's goals outlined for 2002. The Compensation Committee believes that Dr. Bleyleben's compensation arrangement reflects the above-described compensation philosophy of the Corporation designed to align management compensation closely with financial performance and increased stockholder value.

### IRS MATTERS

Under Section 162(m) of the Internal Revenue Code and the regulations promulgated thereunder, deductions for employee remuneration in excess of \$1 million which is not performance-based are disallowed for publicly traded companies. Since levels of compensation paid by the Corporation are expected to be significantly below \$1 million, the Compensation Committee has determined that it is unnecessary at this time to seek to qualify the components of its compensation program as performance-based compensation within the meaning of Section 162(m).
