EXPLANATORY NOTE

This Registration Statement on Form S-8 registers shares of common stock, par value \$0.01 per share (the Common Stock), of Fidelity National Information Services, Inc., a Georgia corporation (the Registrant), which may be issued pursuant to certain equity plans assumed by the Registrant. Pursuant to the Agreement and Plan of Merger, dated as of June 26, 2007, among the Registrant, Agamemnon Merger Corp. and eFunds Corporation (eFunds), eFunds has merged with and into the Registrant effective September 12, 2007. Each option to purchase shares of eFunds common stock outstanding at the time of the merger and each restricted stock unit granted by eFunds were assumed by the Registrant and were converted into options to purchase Common Stock of the Registrant or into units of the Registrant s restricted common stock, respectively, but with equitable adjustments made to the exercise prices and the number of shares thereof.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference

- (2) The Registrant s Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, 2007 and June 30, 2007;
- (3) The Registrant s Current Reports on Form 8-K filed January 19, 2007, March 27, 2007, March 29, 2007, March 30, 2007, April 5, 2007, May 18, 2007, June 29, 2007, July 3, 2007 and July 25, 2007 (but only with respect to Item 8.01); and
- (4) The description of the Registrant s Common Stock, par value \$0.01 per share, contained in the Registrant s Registration Statement on Form 10-12B/A filed with the SEC on June 11, 2001, including any amendment or report filed for the purpose of updating such description.

All documents subsequently filed by the Registrant with the SEC pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), prior to the filing of a post-effective amendment to this Registration Statement which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents with the SEC.

Any statement contained in a document incorporated by reference herein shall be deemed to be modified or superseded for purposes hereof to the extent that a statement contained herein (or in any subsequently filed document which also is incorporated by reference herein or any document which constitutes part of the prospectus relating to the Plan meeting the requirements of Section 10(a) of the Securities Act) modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part hereof.

Item 6. Indemnification of Directors and Officers

The Registrant's articles of incorporation eliminate the liability of its directors to the Registrant or its shareholders for monetary damages for any action taken, or any failure to take action, as a director to the extent permitted under the Georgia Business Corporation Code (the "Code"). The Registrant's directors remain liable, however, for:

- any appropriation, in violation of the director's duties, of any business opportunity;
- acts or omissions that involve intentional misconduct or a knowing violation of law;
- unlawful corporate distributions as set forth in Section 14-2-832 of the Code; or

any transactions from which the director received an improper personal benefit.

If the Code is amended to authorize corporate action further eliminating or limiting the personal liability of directors, the liability of the Registrant's directors will be eliminated or limited to the fullest extent permitted by the Code, as amended, without further action by the Registrant's shareholders. These provisions in the Registrant's articles of incorporation may limit the remedies available to a shareholder in the event of breaches of any director's duties.

The Registrant's bylaws require the Registrant to indemnify and hold harmless any director or officer who was or is a party or is threatened to be made a party, to any threatened, pending, or completed action, suit or proceeding whether civil, criminal, administrative or investigative, including any action or suit by or in the right of the Registrant, because the person is or was a Registrant director or officer against liability incurred in such proceeding. The Registrant's bylaws generally prohibit the Registrant from indemnifying any officer or director who is adjudged liable to the Registrant or is subjected to injunctive relief in favor of the Registrant for:

- any appropriation, in violation of the director's or officer's duties, of any business opportunity;
- acts or omissions that involve intentional misconduct or a knowing violation of law;
- unlawful corporate distributions as set forth in Section 14-2-832 of the Code; or

any transactions from which the director derived an improper personal benefit.

The Registrant's bylaws require the Registrant, under certain circumstances, to advance expenses to Registrant officers and directors who are parties to an action, suit, or proceeding for which indemnification may be sought. The bylaws permit, but do not require, the Registrant to indemnify and advance expenses to its employees or agents who are not officers or directors to the same extent and subject to the same conditions that a corporation could, without shareholder approval under Section 14-2-856 of the Code.

The Agreement and Plan of Merger dated as of September 14, 2005 among the Registrant, one of the Registrant's wholly owned subsidiaries and Fidelity National Information Services, Inc., a Delaware corporation, obligates the Registrant to indemnify and hold harmless anyone who was a director or officer of the Registrant or its subsidiaries before the closing of the merger contemplated by the merger agreement against any costs or expenses, including reasonable attorneys' fees, or other loss or liability incurred in connection with any claim or proceeding arising out of matters existing or occurring at or prior to the effective time of the merger, including any matters arising in connection with the merger and related transactions, to the fullest extent permitted by applicable law. The Registrant is also obligated under the merger agreement to advance expenses as incurred to the fullest extent permitted under applicable law, provided that the person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined that such person is not entitled to indemnification.

The Registrant's directors and officers are insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations. Additionally, under the merger agreement, the Registrant purchased a six-year tail prepaid non-cancelable run-off insurance policy to cover anyone who was a director or officer of the Registrant or its subsidiaries prior to the closing of the merger for events, acts, or omissions occurring on or prior to the closing, including those occurring in connection with the merger and related transactions.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Table of Contents

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof;
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
