PRESS RELEASE

EXOR Committed to Communicating Directly with PartnerRe Shareholders Regarding Superior All-Cash Binding Offer for PartnerRe

PartnerRe’s Refusal to Provide Customary Shareholder Information is Further Attempt to Keep its Shareholders Uninformed about EXOR’s Superior Offer

EXOR Will Actively Solicit PartnerRe Shareholders to Vote AGAINST Inferior AXIS Transaction

EXOR S.p.A. (“EXOR”; EXO.IM), one of Europe’s leading listed investment companies and the largest shareholder of PartnerRe Ltd. (“PartnerRe”; NYSE:PRE), announced today that the Supreme Court of Bermuda has denied EXOR’s request to obtain customary beneficial ownership information from PartnerRe. Despite PartnerRe’s refusal to provide the requested information, EXOR will actively solicit PartnerRe’s common and preferred shareholders to vote AGAINST the AXIS transaction at the PartnerRe Special General Meeting on July 24, 2015 in light of EXOR’s superior all-cash \$137.50 per share binding offer for PartnerRe.

EXOR believes that PartnerRe’s position impedes its own shareholders from being fully and correctly informed of their options in a further attempt by the PartnerRe Board to protect the inferior AXIS transaction. EXOR’s superior offer clearly affords substantial benefits to PartnerRe common and preferred shareholders as well as employees.

Mailing of EXOR’s proxy materials has begun. PartnerRe shareholders seeking copies of the proxy statement or with questions about the EXOR offer or voting their shares can contact EXOR’s proxy solicitor, Okapi Partners LLC, at info@okapipartners.com or toll free at (877) 796-5274 (banks and brokerage firms should call +1 (212) 297-0720). Information about EXOR’s offer and access to proxy materials are also available at www.exor-partnerre.com.

Certain statements and information contained in this communication that are not statements or information of historical fact constitute forward-looking statements, notwithstanding that such statements are not specifically identified as such. These statements may include terminology such as “may”, “will”, “expect”, “could”, “should”, “intend”, “commit”, “estimate”, “anticipate”, “believe”, “remain”, “on track”, “design”, “target”, “objective”, “goal”, “forecast”, “project”, “prospects”, “plan”, “intend”, or similar terminology, including by way of example and without limitation plans, intentions and expectations regarding the proposal to acquire PartnerRe, the financing of a potential transaction, and the anticipated results, benefits, synergies, earnings accretion, costs, timing and other expectations of the benefits of a potential transaction.

Forward-looking statements are related to future, not past, events and are not guarantees of future performance. These statements are based on current expectations and projections about future events and, by their nature, address matters that are, to different degrees, uncertain and are subject to inherent risks and uncertainties. They relate to events and depend on circumstances that may or may not occur or exist in the future, and, as such, undue reliance should not be placed on them. Actual results may differ materially from those expressed in such statements as a result of a variety of factors, including changes in general economic, financial and market conditions and other changes in business conditions, changes in commodity prices, the level of demand and financial performance of the major industries our portfolio companies serve, changes in regulations and institutional framework (in each case, in Italy or abroad), and many other factors, most of which are outside of the control of EXOR. EXOR expressly disclaims and does not assume any liability in connection with any inaccuracies in any of these forward-looking statements or in connection with any use by any party of such forward-looking statements. Any forward-looking statements contained in this communication speak only as of the date of this communication.

EXOR undertakes no obligation to update or revise its outlook or forward-looking statements, whether as a result of new developments or otherwise. Names, organizations and company names referred to may be the trademarks of their respective owners. This communication does not represent investment advice neither a solicitation, nor a recommendation nor an invitation, nor an offer for the purchase or sale of financial products and/or of any kind of financial services as contemplated by the laws in any country or state.

IMPORTANT INFORMATION FOR INVESTORS AND SHAREHOLDERS

This communication does not constitute an offer to buy or sell or the solicitation of an offer to buy or sell any securities or a solicitation of any vote or approval. EXOR has filed a proxy statement (the “Proxy Statement”) with the SEC in connection with the upcoming special meeting of the shareholders of PartnerRe at which the PartnerRe shareholders will consider certain proposals regarding the proposed transaction with AXIS (the “Special Meeting Proposals”).

This material is not a substitute for the Proxy Statement that EXOR has filed with the SEC or any other documents which EXOR may send to its or PartnerRe’s shareholders in connection with the proposed transaction. **INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE PROXY STATEMENT AND ANY OTHER RELEVANT DOCUMENTS IF AND WHEN THEY BECOME AVAILABLE BECAUSE THEY CONTAIN OR WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION.** All such documents, when filed, are available free of charge at the SEC’s website (www.sec.gov) or by directing a request to EXOR through the investor contacts listed above.

PARTICIPANTS IN THE SOLICITATION

EXOR and its directors, executive officers and other employees may be deemed to be participants in any solicitation of shareholders in connection with the Special Meeting Proposals. Information regarding EXOR's directors and executive officers is available in EXOR's public announcements and filings with Consob and the Borsa Italiana, which can also be found at www.exor.com. Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, is available in the Proxy Statement.

While EXOR's legal advisors and PartnerRe's legal advisors were satisfied that the tax treatment under the two transactions are the same, as indicated in the PartnerRe/AXIS Proxy Statement/Prospectus, this discussion also does not address the tax consequences to holders of PartnerRe preferred shares that receive surviving company shares in the amalgamation or the merger. Holders of PartnerRe preferred shares are urged to consult their tax advisors as to the United States federal, state, local and non-United States tax consequences to them of participating in the amalgamation, some of which are uncertain and may depend on such holders' individual circumstances.
