Item 4.01. Changes in Registrant's Certifying Accountant.

The Audit Committee of the Board of Directors of Oriental Financial Group Inc. (the Company) requested proposals from several registered public accounting firms in Puerto Rico to audit the Company's financial statements for the transition period ending December 31, 2005 and the fiscal year ending December 31, 2006. On October 25, 2005, the Audit Committee appointed KPMG LLP (KPMG), as the Company's independent registered public accountant for such periods. The engagement of Deloitte & Touche LLP (Deloitte & Touche), as the Company's current independent registered public accountant, will terminate with the Company's filing of the Form 10-Q for the quarter ended September 30, 2005.

Deloitte & Touche's report on the Company's financial statements for each of the past two fiscal years did not contain an adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope, or accounting principles. During such two-year period and the interim period through the date of KPMG's appointment, there were no disagreements between the Company and Deloitte & Touche on any matter of accounting principles or practices, financial statement disclosure, or audit scope or procedure, which disagreements if not resolved to Deloitte & Touche's satisfaction, would have caused it to make reference to the subject matter thereof in connection with its report. Furthermore, during such two-year and interim periods, there were no reportable events, as such term is defined in Item 304(a)(1)(v) of SEC Regulation S-K, advised by Deloitte & Touche to the Company.

During the past two fiscal years and the current interim period prior to the engagement of KPMG, the Company did not consult KPMG on the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or any matter that was either the subject of a disagreement with Deloitte & Touche (as described above) or a reportable event advised by Deloitte & Touche to the Company.
