**PROXY STATEMENT
VOTING INFORMATION**

Purpose

This Proxy Statement and the accompanying proxy card are being mailed to TSYS shareholders beginning on or about March 20, 2006. The TSYS Board of Directors is soliciting proxies to be used at the 2006 Annual Meeting of TSYS Shareholders which will be held on April 20, 2006, at 10:00 a.m., at the TSYS Riverfront Campus Auditorium, 1600 First Avenue, Columbus, Georgia. Proxies are solicited to give all shareholders of record an opportunity to vote on matters to be presented at the Annual Meeting. In the following pages of this Proxy Statement, you will find information on matters to be voted upon at the Annual Meeting of Shareholders or any adjournment of that meeting.

Who Can Vote

You are entitled to vote if you were a shareholder of record of TSYS stock as of the close of business on February 14, 2006. Your shares can be voted at the meeting only if you are present or represented by a valid proxy.

Quorum and Shares Outstanding

A majority of the outstanding shares of TSYS stock must be present, either in person or represented by proxy, in order to conduct the Annual Meeting of TSYS Shareholders. On February 14, 2006, 197,303,946 shares of TSYS stock were outstanding.

Columbus Bank and Trust Company

Columbus Bank and Trust Company®(CB&T) owned individually 159,630,980 shares, or 81%, of the outstanding shares of TSYS stock on February 14, 2006. CB&T® is a wholly owned banking subsidiary of Synovus Financial Corp.®, a diversified financial services company.

Proxy Card

The Board has designated two individuals to serve as proxies to vote the shares represented by proxies at the Annual Meeting of Shareholders. If you properly submit a proxy card but do not specify how you want your shares to be voted, your shares will be voted by the designated proxies: (1) FOR the election of all of the director nominees; (2) FOR fixing the number of TSYS directors at 19; (3) FOR the Synovus Financial Corp. Executive Cash Bonus Plan; and (4) FOR the ratification of the appointment of KPMG LLP as TSYS independent auditor for the year 2006. The designated proxies will vote in their discretion on any other matter that may properly come before the meeting. At the date the Proxy Statement went to press, we did not anticipate that any other matters would be raised at the Annual Meeting.

Voting of Shares

Each share of TSYS stock represented at the Annual Meeting is entitled to one vote on each matter properly brought before the meeting. All shares entitled to vote and represented in person or by valid proxies received by phone, Internet or mail will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies.

TSYS Dividend Reinvestment and Direct Stock Purchase Plan: If you participate in this Plan, your proxy card represents shares held in the Plan, as well as shares you hold in certificate form registered in the same name.

Required Votes

Directors are elected by a plurality of the votes cast, which means the six nominees who receive the largest number of properly executed votes will be elected as directors. Each share of TSYS stock is entitled to one vote for each of six director nominees. Shares that are represented by

Table of Contents

proxies which are marked "withhold authority" for the election of one or more director nominees will not be counted in determining the number of votes cast for those persons.

Pursuant to TSYS' Articles of Incorporation, the affirmative vote of the holders of at least eighty percent (80%) of the issued and outstanding shares of TSYS stock is required to fix the number of TSYS' directors at 19.

The affirmative vote of a majority of the votes cast is needed to approve the Synovus Financial Corp. Executive Cash Bonus Plan and to ratify the appointment of KPMG LLP as TSYS' independent auditor for 2006.

CB&T, the beneficial owner of 81% of the outstanding shares of TSYS stock, has indicated that it intends to vote FOR all proposals.

Tabulation of Votes

Under certain circumstances, brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies to the brokers (a "broker non-vote"). In these cases, and in cases where the shareholder abstains from voting on a matter, those shares will be counted for the purpose of determining if a quorum is present, but will not be included as votes cast with respect to those matters and, therefore, will have no effect on the vote to elect directors, approve the Synovus Financial Corp. Executive Cash Bonus Plan or ratify the appointment of KPMG as TSYS' independent auditor. Because the proposal to fix the number of TSYS' directors at 19 requires the affirmative vote of 80% of the issued and outstanding shares of TSYS stock, abstentions and broker non-votes will have the same effect as a vote against this proposal.

How You Can Vote

You may vote by proxy or in person at the meeting. To vote by proxy, you may select one of the following options:

Vote By Telephone:

You can vote your shares by telephone by calling the toll-free telephone number (at no cost to you) shown on your proxy card. Telephone voting is available 24 hours a day, seven days a week. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. Our telephone voting procedures are designed to authenticate the shareholder by using individual control numbers. If you vote by telephone, you do NOT need to return your proxy card.

Vote By Internet:

You can also choose to vote on the Internet. The website for Internet voting is shown on your proxy card. Internet voting is available 24 hours a day, seven days a week. You will be given the opportunity to confirm that your instructions have been properly recorded, and you can consent to view future proxy statements and annual reports on the Internet instead of receiving them in the mail. If you vote on the Internet, you do NOT need to return your proxy card.

Vote By Mail:

If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided.

Revocation of Proxy

If you vote by proxy, you may revoke that proxy at any time before it is voted at the meeting. You may do this by (a) signing another proxy card with a later date and returning it to us prior to the meeting, (b) voting again by telephone or on the Internet prior to the meeting, or (c) attending the meeting in person and casting a ballot.

CORPORATE GOVERNANCE AND BOARD MATTERS

Corporate Governance Philosophy

The business affairs of TSYS are managed under the direction of the Board of Directors in accordance with the Georgia Business Corporation Code, as implemented by TSYS Articles of Incorporation and bylaws. The role of the Board of Directors is to effectively govern the affairs of TSYS for the benefit of its shareholders and other constituencies. The Board strives to ensure the success and continuity of business through the election of qualified management. It is also responsible for ensuring that TSYS activities are conducted in a responsible and ethical manner. TSYS is committed to having sound corporate governance principles.

Independence

The listing standards of the New York Stock Exchange provide that a director does not qualify as independent unless the Board of Directors affirmatively determines that the director has no material relationship with TSYS. The Board has established categorical standards of independence to assist it in determining director independence which conform to the independence requirements in the NYSE listing standards. The categorical standards of independence are incorporated within our Corporate Governance Guidelines and are attached to this Proxy Statement as Appendix A. The Board has determined that a majority of its members are independent as defined by the listing standards of the NYSE and meet the categorical standards of independence set by the Board as G. Wayne Clough has no relationships with TSYS (other than being a director and shareholder) and each of the other independent directors has only immaterial relationships with TSYS. TSYS Board has determined that the following directors are independent: Richard Y. Bradley, Kriss Cloninger III, G. Wayne Clough, Walter W. Driver, Jr., Sidney E. Harris, John P. Illges, III, Mason H. Lampton, W. Walter Miller, Jr., H. Lynn Page and Rebecca K. Yarbrough. Please see

Compensation Committee Interlocks and Insider Participation and Certain Relationships and Related Transactions on page 26 which includes information with respect to immaterial relationships between TSYS and its independent directors. This information was considered by the Board in determining a director's independence from TSYS under TSYS categorical standards of independence and NYSE listing standards.

Although TSYS is a controlled company under the rules of the NYSE as a result of its 81% ownership by Synovus and CB&T, and as such is entitled to an exemption from the independence requirements for its Board and its Corporate Governance and Nominating Committee and Compensation Committee, TSYS is not currently taking advantage of this exemption.

Attendance at Meetings

The Board of Directors held five meetings in 2005. All directors attended at least 75% of Board and committee meetings held during their tenure during 2005. The average attendance by directors at the aggregate number of Board and committee meetings they were scheduled to attend was 94%. Although TSYS has no formal policy with respect to Board members' attendance at its annual meetings, it is customary for all Board members to attend as there is a Board meeting immediately preceding the annual meeting. All of TSYS directors who were serving at the time attended the 2005 Annual Meeting of Shareholders.

Committees of the Board

TSYS Board of Directors has four principal standing committees – an Executive Committee, an Audit Committee, a Corporate Governance and Nominating Committee and a Compensation Committee. Each committee has a written charter adopted by the Board of Directors that complies with the listing standards of the NYSE pertaining to corporate governance. Copies of the committee charters are available in the Corporate Governance section of our website at www.tsys.com/ir/governance. The Board has determined that each member of the Audit, Corporate Governance and Nominating and Compensation Committees is an independent director as defined

Table of Contents

by the listing standards of the NYSE and our Corporate Governance Guidelines. The following table shows the membership of the various committees.

Executive	Audit	Corporate Governance and Nominating	Compensation
James H. Blanchard, Chair Richard Y. Bradley G. Wayne Clough Mason H. Lampton H. Lynn Page Philip W. Tomlinson M. Troy Woods	H. Lynn Page, Chair Kriss Cloninger III Sidney E. Harris John P. Illges, III	Richard Y. Bradley, Chair W. Walter Miller, Jr. Rebecca K. Yarbrough	Mason H. Lampton, Chair G. Wayne Clough Walter W. Driver, Jr.

Executive Committee. TSYS Executive Committee held four meetings in 2005. During the intervals between meetings of TSYS Board of Directors, TSYS Executive Committee possesses and may exercise any and all of the powers of TSYS Board of Directors in the management and direction of the business and affairs of TSYS with respect to which specific direction has not been previously given by TSYS Board of Directors unless Board action is required by TSYS governing documents, law or rule.

Audit Committee. TSYS Audit Committee held nine meetings in 2005. Its Report begins on page 16. The Board has determined that all four members of the Committee are independent and financially literate under the rules of the NYSE and that at least one member, H. Lynn Page, is an audit committee financial expert as defined by the rules of the Securities and Exchange Commission. The primary functions of TSYS Audit Committee include:

Monitoring the integrity of TSYS financial statements, TSYS systems of internal controls and TSYS compliance with regulatory and legal requirements;

Monitoring the independence, qualifications and performance of TSYS independent auditor and internal auditing activities; and

Providing an avenue of communication among the independent auditor, management, internal audit and the Board of Directors.

Corporate Governance and Nominating Committee. TSYS Corporate Governance and Nominating Committee held four meetings in 2005. The primary functions of TSYS Corporate Governance and Nominating Committee include:

Identifying qualified individuals to become Board members;

Recommending to the Board the director nominees for each annual meeting of shareholders and director nominees to be elected by the Board to fill interim director vacancies;

Overseeing the annual review and evaluation of the performance of the Board and its committees; and

Developing and recommending to the Board corporate governance guidelines.

Compensation Committee. TSYS Compensation Committee held six meetings in 2005. Its Report on Executive Compensation begins on page 22. The primary functions of TSYS Compensation Committee include:

Designing and overseeing TSYS executive compensation program;

Designing and overseeing all compensation and benefit programs in which employees and officers of TSYS are eligible to participate; and

Performing an annual evaluation of the Chief Executive Officer.

Consideration of Director Candidates

Shareholder Candidates. The Corporate Governance and Nominating Committee will consider candidates for nomination as a director submitted by shareholders. Although the Committee does not have a separate policy that addresses the consideration of director candidates recommended by shareholders, the Board does not believe that such a separate policy is necessary

Table of Contents

as TSYS bylaws permit shareholders to nominate candidates and as one of the duties set forth in the Corporate Governance and Nominating Committee charter is to review and consider director candidates submitted by shareholders. The Committee will evaluate individuals recommended by shareholders for nomination as directors according to the criteria discussed below and in accordance with TSYS bylaws and the procedures described under Shareholder Proposals and Nominations on page 30.

Director Qualifications. TSYS Corporate Governance Guidelines contain Board membership criteria considered by the Corporate Governance and Nominating Committee in recommending nominees for a position on TSYS Board. The Committee believes that, at a minimum, a director candidate must possess personal and professional integrity, sound judgment and forthrightness. A director candidate must also have sufficient time and energy to devote to the affairs of TSYS, be free from conflicts of interest with TSYS, must not have reached the retirement age for TSYS directors and be willing to make, and financially capable of making, the required investment in TSYS stock pursuant to TSYS Director Stock Ownership Guidelines. The Committee also considers the following criteria when reviewing a director candidate:

The extent of the director's/potential director's business acumen and experience;

Whether the director/potential director assists in achieving a mix of Board members that represents a diversity of background and experience, including with respect to age, gender, race, place of residence and specialized experience;

Whether the director/potential director meets the independence requirements of the listing standards of the NYSE;

Whether the director/potential director would be considered a financial expert or financially literate as defined in the listing standards of the NYSE;

Whether the director/potential director, by virtue of particular technical expertise, experience or specialized skill relevant to TSYS current or future business, will add specific value as a Board member; and

Whether the director/potential director possesses a willingness to challenge and stimulate management and the ability to work as part of a team in an environment of trust.

Identifying and Evaluating Nominees

The Corporate Governance and Nominating Committee has two primary methods for identifying director candidates (other than those proposed by TSYS shareholders, as discussed above). First, on a periodic basis, the Committee solicits ideas for possible candidates from a number of sources including members of the Board, TSYS executives and individuals personally known to the members of the Board. Second, the Committee is authorized to use its authority under its charter to retain at TSYS expense one or more search firms to identify candidates (and to approve such firms' fees and other retention terms).

The Committee will consider all director candidates identified through the processes described above, and will evaluate each of them, including incumbents, based on the same criteria. The director candidates are evaluated at regular or special meetings of the Committee and may be considered at any point during the year. If based on the Committee's initial evaluation a director candidate continues to be of interest to the Committee, the Chair of the Committee will interview the candidate and communicate his evaluation to the other Committee members and executive management. Additional interviews are conducted, if necessary, and ultimately the Committee will meet to finalize its list of recommended candidates for the Board's consideration.

Meetings of Non-Management and Independent Directors

The non-management directors of TSYS meet separately at least four times a year after each regularly scheduled meeting of the Board of Directors. TSYS independent directors meet at least once a year. G. Wayne Clough, TSYS Lead Director, presides at the meetings of non-management and independent directors.

Additional Information about Corporate Governance

We have also adopted a Code of Business Conduct and Ethics which is applicable to all directors, officers and employees. In addition, we maintain procedures for the confidential, anonymous submission of any complaints or concerns about TSYS, including complaints regarding accounting, internal accounting controls or auditing matters. Shareholders may access TSYS Corporate Governance Guidelines, Code of Business Conduct and Ethics, each committee's current charter, procedures for shareholders and other interested parties to communicate with the Lead Director or with the non-management or independent directors individually or as a group and procedures for reporting complaints and concerns about TSYS, including complaints concerning accounting, internal accounting controls and auditing matters in the Corporate Governance section of our website at www.tsys.com/ir/governance. PROPOSALS TO BE VOTED ON**PROPOSAL 1: ELECTION OF DIRECTORS**

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR ALL NOMINEES.

Number

The Board of Directors of TSYS consists of 18 members, which is the number currently authorized by TSYS shareholders. The Board is divided into three classes whose terms are staggered so that the term of one class expires at each Annual Meeting of Shareholders. The terms of office of the Class I directors expire at the 2008 Annual Meeting, the terms of office of the Class II directors expire at the 2006 Annual Meeting and the terms of office of the Class III directors expire at the 2007 Annual Meeting. Proxies cannot be voted at the 2006 Annual Meeting for a greater number of persons than the number of nominees named.

Nominees

The following nominees have been selected by the Corporate Governance and Nominating Committee and approved by the Board for submission to the shareholders: James H. Blanchard, Richard Y. Bradley, Walter W. Driver, Jr., Gardiner W. Garrard, Jr., John P. Illges, III and W. Walter Miller, Jr., each to serve a three year term expiring at the 2009 Annual Meeting.

The Board believes that each director nominee will be able to stand for election. If any nominee becomes unable to stand for election, proxies in favor of that nominee will be voted in favor of the remaining nominees and in favor of any substitute nominee named by the Board upon the recommendation of the Corporate Governance and Nominating Committee. If you do not wish your shares voted for one or more of the nominees, you may so indicate on the proxy.

**PROPOSAL 2: FIXING THE NUMBER OF TSYS DIRECTORS AT 19
THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR FIXING THE NUMBER
OF DIRECTORS AT 19.**

Our bylaws provide that the Board of Directors shall consist of a minimum of eight and a maximum of 60 members, the exact number within these limits to be fixed and determined from time to time by resolutions adopted by TSYS shareholders. In 1988, the number of members of the Board was fixed at a level of 18. The Board has determined that it is desirable to increase TSYS Board membership to a level of 19 members. Richard E. Anthony, President and Chief Executive Officer of Synovus, will be elected by the Board of TSYS to fill this newly created directorship. Mr. Anthony will not be appointed to serve a classified, three year term but will only serve as a director until the 2007 Annual Meeting. At the 2007 Annual Meeting, Mr. Anthony will stand before TSYS shareholders for election to a classified term of office as a director.

**PROPOSAL 3: APPROVAL OF THE SYNOVUS FINANCIAL CORP.
EXECUTIVE CASH BONUS PLAN**

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE SYNOVUS FINANCIAL CORP. EXECUTIVE CASH BONUS PLAN.

TSYS executive compensation program will include short-term incentive bonus awards under the Synovus Financial Corp. Executive Cash Bonus Plan (the Plan). The purposes of the Plan are to reward selected executive officers for superior corporate performance and to attract and retain top quality executive officers. Subject to approval by TSYS shareholders, compensation paid pursuant to the Plan to TSYS officers is intended, to the extent reasonable, to qualify for tax deductibility under Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, as may be amended from time to time (Section 162(m)). The Plan is being submitted to shareholders for approval as required by Section 162(m).

Eligibility and Participation. The Chief Executive Officer and the four highest compensated officers of Synovus and any publicly-traded subsidiary of Synovus (including TSYS) are eligible to participate in the Plan. Approximately 10 employees are eligible to participate in the Plan. The Compensation Committee, as described below, has discretion to select participants from among eligible employees from year to year.

Description of Awards Under the Plan. Pursuant to the Plan, TSYS may award incentive bonus opportunities to participants. Each fiscal year, the Compensation Committee establishes, in writing, the performance goals applicable to the current and/or any succeeding fiscal year. The performance measures which are used to determine the amount of the incentive bonus award for each performance period are chosen from among the following for Synovus, any of its business segments and/or any of its business units, unless and until the Compensation Committee proposes a change in the measures for shareholder vote or applicable tax and/or other regulatory laws change to permit the Compensation Committee discretion to alter the performance measures without obtaining shareholder approval:

(i) number of cardholder, merchant and/or other customer accounts processed and/or converted by TSYS; (ii) successful negotiation or renewal of contracts with new and/or existing customers by TSYS; (iii) productivity and expense control; (iv) stock price; (v) return on capital compared to cost of capital; (vi) net income; (vii) operating income; (viii) earnings per share and/or earnings per share growth; (ix) return on equity; (x) return on assets; (xi) nonperforming assets and/or loans as a percentage of total assets and/or loans; (xii) noninterest expense as a percentage of total expense; (xiii) loan charge-offs as a percentage of total loans; and (xiv) asset growth. Awards are determined based on the achievement of the preestablished performance goals and are awarded based on a percentage of a participant's base salary.

The Compensation Committee has no discretion to increase the amount of any award under the Plan but will retain the ability to eliminate or decrease an award otherwise payable to a participant. The Compensation Committee must certify, in writing, that the performance goals have been met before any payments to participants may be made. Payment of the incentive bonus award earned, if any, are made in cash, as soon as practicable after Compensation Committee approval or deferred pursuant to the provisions of the Synovus/ TSYS Deferred Compensation Plan.

Termination of Employment. Any participant not employed by Synovus or a publicly-traded subsidiary of Synovus on December 31 of any fiscal year will not be entitled to an award unless otherwise determined by the Compensation Committee.

Maximum Amount Payable to Any Participant. The maximum amount payable for each performance period under the Plan to any participant is \$2 million.

Amendment of the Plan. The Board of Directors of Synovus may amend the Plan at any time, including amendments that increase the costs of the Plan and allocate benefits differently between persons and groups in the table below; provided, however, that no amendment can be made without shareholder approval that increases the maximum amount payable to any participant in excess of the limit set forth above.

Table of Contents

Duration of the Plan. The Plan will remain in effect from the date it is approved by TSYS shareholders until the date it is terminated by the Board of Directors of Synovus. The Board of Directors of Synovus may terminate the Plan at any time.

Administration. The Plan will be administered by the Compensation Committee of the TSYS Board of Directors with respect to TSYS participants. The TSYS Compensation Committee will be comprised of two or more outside directors within the meaning of Section 162(m).

Estimate of Benefits. For the fiscal year 2005, only Messrs. Tomlinson and Woods would have been selected to participate in the Plan, while Messrs. Pruett, Tye and Lipham would have participated in the Synovus Incentive Bonus Plan. Because the amounts that will be paid pursuant to the Plan are not currently determinable, the following chart sets forth the amounts that would have been awarded for fiscal year 2005 if the Chief Executive Officer and the four other highest compensated officers of TSYS participated in the Plan.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is comprised of four directors, each of whom the Board has determined to be an independent director as defined by the listing standards of the New York Stock Exchange. The duties of the Audit Committee are summarized in this Proxy Statement under "Committees of the Board" on page 4 and are more fully described in the Audit Committee charter adopted by the Board of Directors.

One of the Audit Committee's primary responsibilities is to assist the Board in its oversight responsibility regarding the integrity of TSYS' financial statements and systems of internal controls. Management is responsible for TSYS' accounting and financial reporting processes, the establishment and effectiveness of internal controls and the preparation and integrity of TSYS' consolidated financial statements. KPMG LLP, TSYS' independent auditor, is responsible for performing an independent audit of TSYS' consolidated financial statements and management's assessment of the effectiveness of internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing opinions on whether those financial statements are presented fairly in conformity with accounting principles generally accepted in the United States, on management's assessment of the effectiveness of internal control over financial reporting and on the effectiveness of TSYS' internal control over financial reporting. The Audit Committee is directly responsible for the compensation, appointment and oversight of KPMG LLP. The function of the Audit Committee is not to duplicate the activities of management or the independent auditor, but to monitor and oversee TSYS' financial reporting process.

[In discharging its responsibilities regarding the financial reporting process, the Audit Committee:

Reviewed and discussed with management and KPMG LLP TSYS' audited financial statements as of and for the year ended December 31, 2005;

Discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees); and

Received from KPMG LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with KPMG LLP their independence.

Based upon the review and discussions referred to in the preceding paragraph, the Audit Committee recommended to the Board of Directors that the audited financial statements referred to above be included in TSYS' Annual Report on Form 10-K for the year ended December 31, 2005, to be filed with the Securities and Exchange Commission.]

Policy on Audit Committee Pre-Approval

The Audit Committee has the responsibility for appointing, setting the compensation for and overseeing the work of TSYS independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor in order to assure that the provision of these services does not impair the independent auditor's independence. TSYS Audit Committee Pre-Approval Policy addresses services included within the four categories of audit and permissible non-audit services, which include Audit Services, Audit Related Services, Tax Services and All Other Services.

The annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. In addition, the Audit Committee must specifically approve permissible non-audit services classified as All Other Services.

Prior to engagement, management submits to the Committee for approval a detailed list of the Audit Services, Audit Related Services and Tax Services that it recommends the Committee engage the independent auditor to provide for the fiscal year. Each specified service is allocated to the appropriate category and accompanied by a budget estimating the cost of that service. The Committee will, if appropriate, approve both the list of Audit Services, Audit Related Services and Tax Services and the budget for such services.

The Committee is informed at each Committee meeting as to the services actually provided by the independent auditor pursuant to the Pre-Approval Policy. Any proposed service that is not separately listed in the Pre-Approval Policy or any service exceeding the pre-approved fee levels must be specifically pre-approved by the Committee. The Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee. The Chairman must report any pre-approval decisions made by him to the Committee at its next scheduled meeting.

Change in Control Arrangements

Long-Term Incentive Plans. Under the terms of the TSYS 2000 and 2002 Long-Term Incentive Plans and Synovus 1992, 1994, 2000 and 2002 Long-Term Incentive Plans, all awards become automatically vested in the event of a Change of Control, as defined below, unless otherwise determined by the Compensation Committee at grant. Awards under the Plans may include stock options, restricted stock, stock appreciation rights and performance awards. Messrs. Tomlinson, Woods, Pruett, Tye and Lipham each have received restricted stock and stock options under the Synovus/ TSYS Long-Term Incentive Plans.

Change of Control Agreements. TSYS has entered into Change of Control Agreements with Messrs. Tomlinson, Woods, Pruett, Tye and Lipham, and certain other officers. In the event of a Change of Control, an executive would receive the following:

Three times the executive's base salary and bonus (bonus is defined as the average bonus over the past three years measured as a percentage multiplied by the executive's current base salary);

Three years of medical, life, disability and other welfare benefits; and

A pro rata bonus through the date of termination for the separation year.

In order to receive these benefits, an executive must be actually or constructively terminated within two years following a Change of Control.

With respect to Synovus, a Change of Control under these agreements is defined as: (i) the acquisition of 20% or more of the beneficial ownership of Synovus outstanding voting stock, with certain exceptions for Turner family members; (ii) the persons serving as directors of Synovus as of January 20, 2005, and their replacements or additions, ceasing to comprise at least two-thirds of the Board members; or (iii) a merger, consolidation, reorganization or sale of Synovus assets unless the prior owners of Synovus own more than 60% of the new company, no person owns more than 20% of the new company, and two-thirds of the new company's Board members are prior Board members of Synovus. With respect to TSYS, a Change of Control is generally defined the same as a Change of Control of Synovus, except that (a) a spin-off of TSYS stock to Synovus shareholders, and (b) any transaction in which Synovus continues to own more than 50% of the outstanding stock of TSYS are specifically excluded from the Change of Control definition. In the event an executive is impacted by the Internal Revenue Service excise tax that applies to certain Change of Control arrangements, and the Change of Control payments exceed the IRS cap by more than 110%, the executive would receive additional payments so that he or she would be in the same position as if the excise tax did not apply. The Change of Control Agreements do not provide for any retirement benefits or perquisites.

**COMPENSATION COMMITTEE REPORT
ON EXECUTIVE COMPENSATION**

The Compensation Committee of TSYS is responsible for the oversight and administration of the TSYS executive compensation program. The Committee's charter reflects these responsibilities. To fulfill its responsibilities, the Committee meets at scheduled times during the year, and also takes action by written consent. The Chairman of the Committee reports on Committee actions at meetings of the TSYS Board of Directors. Under its charter, the Committee has the authority to retain outside advisors to assist the Committee in fulfilling its responsibilities. In this regard, the Committee has directly engaged an outside compensation consultant to assist the Committee in its review of the compensation for TSYS executive officers.

Overall Compensation Philosophy

The Committee's overall compensation philosophy is that a substantial portion (though not necessarily a majority) of an executive's compensation should be at risk and vary with the performance of TSYS (and, in some circumstances, Synovus). Both the short-term and long-term performance of TSYS (and Synovus) directly affect executive compensation each executive's annual bonus and retirement plan contributions vary with TSYS short-term performance and each executive's long-term incentive awards vary with the long-term performance of TSYS (and Synovus). The Committee believes that the TSYS executive compensation program has a higher proportion of total compensation at risk based upon performance than the executive compensation programs at competitor companies. The Committee believes that its at risk philosophy effectively aligns the executive compensation program with the interests of shareholders.

Primary Components of Executive Compensation

The primary components of the TSYS executive compensation program are:

Base Salary

Annual Bonus

Long-Term Incentives

Each of these primary components is discussed below in detail.

Base Salary. Base salary is an executive's annual rate of pay without regard to any other elements of compensation. The primary consideration used by the Committee to determine an executive's base salary is a market comparison of comparable positions with companies engaged in business services with similar total revenues (similar companies), based upon the executive's level of responsibility and experience. Base salaries are targeted in the median range of similar companies. In addition to market comparisons, internal equity and individual performance are also considered in determining an executive's base salary. Based upon market comparisons, the Committee increased Mr. Tomlinson's base salary in 2005, as well as the base salaries of TSYS other executive officers.

Annual Bonus. The Committee currently awards annual bonuses under two different plans, the Synovus Executive Bonus Plan (which was approved by TSYS shareholders in 2001) and the Synovus Incentive Bonus Plan. The Committee selects the participants in each Plan from year to year. For 2005, the Committee selected Messrs. Tomlinson and Woods to participate in the Executive Bonus Plan while Messrs. Pruett, Tye and Lipham were selected to participate in the Incentive Bonus Plan. Under the terms of the Plans, bonus amounts are paid as a percentage of base earnings based on the achievement of performance goals that are established each year by the Committee. The performance goals are chosen by the Committee from variety of performance measurements. For 2005, the Committee established a payout matrix based on attainment of growth in diluted earnings per share goals for Mr. Tomlinson and Woods and TSYS other executive officers. The target percentage payouts under the Plans for 2005 were 100% for Messrs. Tomlinson and Woods and 70% for Messrs. Pruett, Tye and Lipham. TSYS financial performance and each

Table of Contents

executive's individual performance can reduce the bonus awards determined by the attainment of the goals. TSYS exceeded its earnings per share growth goal for 2005. However, based upon a recommendation from management, the Committee exercised downward discretion and reduced the bonus awards by 25% based upon affordability and pending deconversions of TSYS clients. After exercising downward discretion, the Committee awarded Messrs. Tomlinson, Woods, Pruett, Tye and Lipham the bonus amounts as set forth in the Summary Compensation Table.

Long-Term Incentives. The Committee has awarded long-term incentives in the form of stock options and restricted stock awards to executives. Because of the relatively low number of publicly traded shares of TSYS, the Committee has awarded Synovus stock options and restricted stock awards to TSYS executives, linking their compensation to the returns to Synovus and TSYS shareholders. Restricted stock awards are designed to create equity ownership and to focus executives on the long-term performance of TSYS and Synovus. Stock options provide executives with the opportunity to buy and maintain an equity interest in TSYS and Synovus and to share in their capital appreciation. The Committee has established a payout matrix for long-term grants that uses total shareholder return measured by Synovus' performance (stock price increases plus dividends) and how Synovus' total shareholder return compares to the return of a peer group of companies. For the 2005 long-term incentive awards, total shareholder return and peer comparisons were measured during the 2002 to 2004 performance period. Based upon Synovus performance as measured by the payout matrix during the performance period, the Committee awarded Messrs. Tomlinson, Woods, Pruett, Tye and Lipham Synovus stock options of 65,772, 22,371, 14,010, 12,374 and 12,164 shares, respectively, and the Committee awarded Messrs. Woods, Pruett, Tye and Lipham TSYS restricted shares of 8,696, 5,446, 4,810, and 4,728 shares, respectively, which options and restricted shares vest on January 20, 2008. In addition, in order to reflect their promotion into new roles and their assumption of new responsibilities, the Committee granted Mr. Tomlinson and Mr. Woods performance-based restricted shares of 73,913 and 52,174 shares, respectively. These performance-based restricted shares have seven 1-year performance periods (2005-2011) during which the Committee establishes an earnings per share goal and, if such goal is attained during any performance period, 20% of the restricted shares will vest.

Stock Ownership Guidelines. The Committee has adopted Executive Stock Ownership Guidelines to align the interests of TSYS' executive officers to that of TSYS' shareholders. For the named executive officers, the Guideline is a number of shares equal to five (for Mr. Tomlinson), four (for Mr. Woods), or three (for Messrs. Pruett, Tye and Lipham) times the executive's base salary as of January 1, 2006, divided by the average closing price of TSYS stock for the 2005 calendar year. The Guideline, which was initially effective January 1, 2004, is recalculated at the beginning of each calendar year. Executives have a five year grace period to fully achieve the Guideline, with an interim three year grace period to attain a specified percentage of the Guideline. Until the Guideline is achieved, executives are required to retain all net shares received upon the exercise of stock options, excluding shares used to pay the option's exercise price and any taxes due upon exercise. The Guidelines permit the development of an alternative ownership plan by the Chairman of the Board and Chairman of the Compensation Committee in the event of an executive's severe financial hardship.

Other Compensation Components

TSYS executives receive other benefits in addition to the components described above. Those benefits, which are described below, are retirement and health and welfare benefits, perquisites and change of control/severance agreements.

Retirement Plans. TSYS participates in three qualified retirement benefit plans: the Synovus/ TSYS Money Purchase Pension Plan, the Synovus/ TSYS Profit Sharing Plan and the Synovus/ TSYS 401(k) Savings Plan (collectively the Retirement Plans). The Retirement Plans, which are designed to provide retirement income, are directly related to TSYS' performance because, in addition to the annual 7% of compensation money purchase pension contribution, additional contributions can be made (up to a maximum of 14% of compensation), depending upon TSYS' performance. For 2005, Mr. Tomlinson and TSYS' other executive officers received a contribution of 7% of compensation under the Synovus/ TSYS Profit Sharing Plan and 6% of

Table of Contents

compensation under the Synovus/ TSYS 401(k) Savings Plan based upon TSYS performance. The Synovus/ TSYS Deferred Compensation Plan (Deferred Plan) is a non-qualified deferred compensation plan that replaces benefits lost under the qualified retirement plans due to legal limits. The Deferred Plan does not provide executives with an above market rate of return. Instead, executives' deferred accounts under the Deferred Plan are invested among the investment alternatives offered under the Synovus/ TSYS 401(k) Savings Plan at the election of each executive.

Health and Welfare Benefits. Health and welfare benefits are designed to protect against catastrophic events, such as illness, disability and death. Executives generally receive the same health and welfare benefits offered to other TSYS team members. There were no premiums paid on split-dollar life insurance policies on behalf of Mr. Tomlinson or any executive officer during 2005 and, due to recent legislative changes, the Committee does not anticipate that there will be any split-dollar premiums paid in the future.

Perquisites. The Committee's philosophy is that perquisites should be an extremely small portion of total compensation, although some perquisites are offered as a part of the executive compensation program in order to attract and retain executives. The perquisites provided to Mr. Tomlinson and TSYS executives during 2005 included an auto allowance, personal use of corporate aircraft, payment of club dues, and financial planning assistance. Valued on an incremental cost basis, the perquisites do not exceed the lesser of \$50,000 or 10% of the annual salary and bonus for Mr. Tomlinson and the named executives.

Change of Control/ Severance Arrangements. With respect to severance arrangements, the Committee's philosophy is that compensation should be earned while an executive is employed, and not after the executive has separated employment. The Committee has approved limited arrangements, however, when it deems appropriate under the circumstances. For example, the Committee has approved change of control arrangements for its executives. During 2004 and the beginning of 2005, the Committee reviewed the change of control arrangements and determined that certain provisions were not in line with the Committee's philosophy or market practice. As a result, the Change of Control Agreements were amended at the beginning of 2005 to: (1) change the definition of a change in control from a merger in which less than two-thirds (2/3) of shareholders carryover to a merger in which less than sixty percent (60%) of shareholders carryover, (2) eliminate the ability of an executive to trigger benefits by voluntarily resigning during the 13th month following a change of control, (3) extend the time during which an executive can receive benefits under the agreement upon an involuntary termination without cause or a voluntary termination for good reason from one year to two years, and (4) provide that a gross-up for excise taxes only occurs if the total change of control payments exceed 110% of the applicable IRS cap.

Section 162(m). Internal Revenue Code Section 162(m) limits the deductibility for federal income tax purposes of annual compensation paid by a publicly held corporation to its chief executive officer and four other highest paid executives for amounts in excess of \$1 million, unless certain conditions are met. Because the Committee seeks to maximize shareholder value, the Committee has taken steps to ensure that any compensation paid to its executives in excess of \$1 million is deductible. When necessary to meet the requirements for deductibility under the Internal Revenue Code, a member of the Committee may abstain from voting on performance based compensation. For 2005, Messrs. Tomlinson and Woods would have been affected by this provision, but for the steps taken by the Committee. The Committee reserves the ability to make awards which do not qualify for full deductibility under the Internal Revenue Code, however, if the Committee determines that the benefits of doing so outweigh full deductibility.

Total Compensation Review

During 2005, the Committee reviewed all components of executive compensation for Mr. Tomlinson and TSYS other executive officers and concluded that the total compensation amounts (and, in the case of the change of control arrangements, the potential payout amounts) are reasonable and not excessive. In addition, a tally sheet for Mr. Tomlinson was prepared and reviewed by the Committee. The tally sheet added all of the components of Mr. Tomlinson's

Table of Contents

compensation, including base salary, bonus, long-term incentive compensation, health and welfare benefits, retirement benefits and perquisites. The tally sheet also set forth the value of accumulated stock option and restricted stock gains with respect to both previous and outstanding equity grants. In addition, the tally sheet projected future salary and bonus amounts and the potential value of future stock option and restricted stock grants. The tally sheet also projected dollar amounts that would be payable to Mr. Tomlinson in the event of a change of control or under several potential severance scenarios. The Committee believes that the executive compensation program's pay-for-performance philosophy has aligned executive pay at TSYS with the interests of TSYS shareholders.

**SECTION 16(a) BENEFICIAL OWNERSHIP
REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires TSYS officers and directors, and persons who own more than ten percent of TSYS stock, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and greater than ten percent shareholders are required by SEC regulations to furnish TSYS with copies of all Section 16(a) forms they file.

To TSYS knowledge, based solely on its review of the copies of such forms received by it, and written representations from certain reporting persons that no Forms 5 were required for those persons, TSYS believes that during the fiscal year ended December 31, 2005, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were complied with.

GENERAL INFORMATION

Financial Information

Detailed financial information for TSYS and its subsidiaries for its 2005 fiscal year is included in TSYS' 2005 Annual Report that is being mailed to TSYS' shareholders together with this Proxy Statement.

Solicitation of Proxies

TSYS will pay the cost of soliciting proxies. Proxies may be solicited on behalf of TSYS by directors, officers or employees by mail, in person or by telephone, facsimile or other electronic means. TSYS will reimburse brokerage firms, nominees, custodians and fiduciaries for their out-of-pocket expenses for forwarding proxy materials to beneficial owners.

Householding

The Securities and Exchange Commission has adopted amendments to its proxy rules which permit companies and intermediaries, such as brokers and banks, to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement to those shareholders. This method of delivery, often referred to as householding, should reduce the amount of duplicate information that shareholders receive and lower printing and mailing costs for companies. TSYS is not householding proxy materials for its shareholders of record in connection with its 2006 Annual Meeting. However, we have been notified that certain intermediaries will household proxy materials. If you hold your shares of TSYS stock through a broker or bank that has determined to household proxy materials:

Only one annual report and proxy statement will be delivered to multiple shareholders sharing an address unless you notify your broker or bank to the contrary;

You can contact TSYS by calling (706) 649-5220 or by writing Investor Relations Manager, Total System Services, Inc., P.O. Box 120, Columbus, Georgia 31902 to request a separate copy of the annual report and proxy statement for the 2006 Annual Meeting and for future meetings or you can contact your bank or broker to make a similar request; and

You can request delivery of a single copy of annual reports or proxy statements from your bank or broker if you share the same address as another TSYS shareholder and your bank or broker has determined to household proxy materials.

The above Notice of Annual Meeting and Proxy Statement are sent by order of the TSYS Board of Directors.

**APPENDIX A
TOTAL SYSTEM SERVICES, INC.
DIRECTOR INDEPENDENCE STANDARDS**

The following independence standards have been approved by the Board of Directors and are included within TSYS' Corporate Governance Guidelines.

A majority of the Board of Directors will be independent directors who meet the criteria for independence required by the NYSE. The Corporate Governance and Nominating Committee will make recommendations to the Board annually as to the independence of directors as defined by the NYSE. To be considered independent under the NYSE Listing Standards, the Board must determine that a director does not have any direct or indirect material relationship with the Company. The Board has established the following standards to assist it in determining director independence. A director is not independent if:

The director is, or has been within the last three years, an employee of the Company or an immediate family member is, or has been within the last three years, an executive officer of the Company.

The director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service). (Compensation received by an immediate family member for service as an employee of the Company (other than an executive officer) is not taken into consideration under this independence standard).

(A) The director or an immediate family member is a current partner of a firm that is the Company's internal or external auditor; (B) the director is a current employee of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (D) the director or an immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time.

The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that company's compensation committee.

The director is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

The following relationships will not be considered to be material relationships that would impair a director's independence:

The director is a current employee, or an immediate family member of the director is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services (including financial services) in an amount which, in the prior fiscal year, is less than the greater of \$1 million, or 2% of such other company's consolidated gross revenues. (In the event this threshold is exceeded, and where applicable in the standards set forth below, the three year look back period referenced above will apply to future independence determinations).

The director or an immediate family member of the director is a partner of a law firm that provides legal services to the Company and the fees paid to such law firm by the Company in the prior fiscal year were less than the greater of \$1 million, or 2% of the law firm's total revenues.

Table of Contents

The director or an immediate family member of the director is an executive officer of a tax exempt organization and the Company's contributions to the organization in the prior fiscal year were less than the greater of \$1 million, or 2% of the organization's consolidated gross revenues.

The director received less than \$100,000 in direct compensation from the Company during the prior twelve month period, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).

The director's immediate family member received in his or her capacity as an employee of the Company (other than as an executive officer of the Company), less than \$250,000 in direct compensation from the Company in the prior fiscal year, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).

The director or an immediate family member of the director has, directly, in his or her individual capacities, or, indirectly, in his or her capacity as the owner of an equity interest in a company of which he or she is not an employee, lending relationships, deposit relationships or other banking relationships (such as depository, trusts and estates, private banking, investment banking, investment management, custodial, securities brokerage, insurance, cash management and similar services) with the Company provided that:

1) such relationships are in the ordinary course of business of the Company and are on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons; and

2) no event of default has occurred under any extension of credit from an affiliate of the Company.

For relationships not described above or otherwise not covered in the above examples, a majority of the Company's independent directors, after considering all of the relevant circumstances, may make a determination whether or not such relationship is material and whether the director may therefore be considered independent under the NYSE Listing Standards. The Company will explain the basis of any such determinations of independence in the next proxy statement.

For purposes of these independence standards an immediate family member includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person's home.

For purposes of these independence standards Company includes any parent or subsidiary in a consolidated group with the Company.
