GENERAL

We have sent you this booklet and proxy on or about March 24, 2005 because the Board of Directors of Michael Baker Corporation is soliciting your proxy to vote at the Company's 2005 annual meeting of shareholders.

WHO MAY VOTE

Shareholders of Michael Baker Corporation as reflected in our stock records at the close of business on March 17, 2005 may vote. You have one vote for each share of Michael Baker Corporation common stock you own. You have cumulative voting rights in the election of directors. Cumulative voting entitles you to that number of votes in the election of directors equal to the number of shares you hold of record multiplied by the total number of directors to be elected, and to cast the whole number of your votes for one nominee or distribute them among any two or more nominees as you choose. Shares represented by proxies, unless otherwise indicated on the proxy card, will be voted cumulatively in such manner that the number of shares voted for each nominee (and for any substitute nominated by the Board of Directors if any nominee listed becomes unable or is unwilling to serve) will be as nearly equal as possible. The nine nominees receiving the highest number of affirmative votes cast at the annual meeting by the holders of common stock voting in person or by proxy, a quorum being present, will be elected as directors.

HOW TO VOTE

You may vote in person at the meeting or by proxy. Shareholders of record have a choice of voting by proxy over the internet, by telephone, or by using a traditional proxy card. If you hold shares through someone else such as a stockbroker, you may get material from them asking how you want to vote. Please check your proxy card or the information forwarded by your bank, stockbroker or other holder of record to see which options are available to you. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

HOW A PROXY WORKS

Giving us a proxy means you authorize us to vote your shares in accordance with your directions. If you give us a proxy, but do not make any selections, your shares will be voted in favor of our director candidates.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are generally covered by one card. If you hold shares through someone else, such as a stockbroker, you may get material from them asking how you want to vote.

CHANGING YOUR VOTE

You may revoke your proxy before it is voted by submitting a new proxy with a later date, by voting in person at the meeting or by notifying our Secretary in writing.

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

COMMON STOCK OUTSTANDING

As of the close of business on March 17, 2005, there were 8,538,916 shares of Michael Baker Corporation common stock issued and outstanding.

QUORUM AND VOTING INFORMATION

In order to conduct the business of the meeting, we must have a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the meeting, either in person or by proxy. You are considered a part of the quorum if you submit a properly signed proxy card, vote over the internet or vote by telephone.

If a quorum is present at the meeting, votes with respect to the election of directors will be counted as discussed above. Approval of any other matter that properly comes before the Board requires the favorable vote of the holders of shares representing the majority of the votes cast at the annual meeting (in person or by

1

proxy) unless the matter requires more than a majority vote under statute or our bylaws. Under Pennsylvania law, an abstention or broker non-vote is not a vote cast and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

5

The Board committees that help the Board fulfill its responsibilities are discussed below.

THE EXECUTIVE COMMITTEE

The Executive Committee of the Board of Directors, consisting of Mr. Shaw as Chairman, and Mr. Copeland, Mr. Fusilli and Dr. Murray, held four meetings in 2004. The Executive Committee has all the powers and the right to exercise all the authority of the Board of Directors in the management of the business and affairs of Michael Baker Corporation.

THE AUDIT COMMITTEE

The Audit Committee, consisting of Dr. Bontempo as Chairman, and Mr. Constantakis and Dr. Larson, held 23 meetings in 2004. The Board of Directors in its best business judgment has concluded that all Audit Committee members are independent as defined by the American Stock Exchange listing standards. In addition, the Board has determined that Mr. Constantakis qualifies as an "audit committee financial expert" as such is defined by the regulations of the Securities and Exchange Commission. The Audit Committee acts under a written charter which was amended by the Board of Directors on February 19, 2004. A current copy of the Audit Committee Charter is available on Michael Baker Corporation's website at www.mbakercorp.com. The Audit Committee assists the Board in overseeing the accounting and financial reporting process of the Company. It is directly responsible for appointing, compensating, retaining and overseeing the work of the independent registered public accounting firm engaged by the Company. The functions performed by the Audit Committee include:

- appointing the independent registered public accountants,
- reviewing with the independent registered public accountants the plan for, and the results of, the auditing engagement,
- approving professional services to be provided by the independent registered public accountants before the services are performed,
- reviewing the independence of the independent registered public accountants,
- overseeing the work of the independent registered public accountants,
- discussing the Company's financial statements with the independent registered public accountants and management, and
- reviewing the Company's system of internal accounting controls.

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

The Audit Committee has established procedures for the receipt, retention and treatment of complaints received by Michael Baker Corporation regarding accounting, internal controls or auditing matters.

The Audit Committee has considered whether the independent registered public accountant's provision of non-audit related services is compatible with maintaining the independence of the independent registered public accountants.

THE AUDIT COMMITTEE REPORT

The Audit Committee is responsible for reviewing the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In the performance of our oversight function, we meet with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. We meet privately with the independent registered public accountants, who have unrestricted access to the Audit Committee. Specifically, we have reviewed and discussed the consolidated balance sheet of Michael Baker Corporation and subsidiaries as of December 31, 2004, and the related consolidated statements of income, shareholders investment and cash flows, for the year then ended, with management of the Company and the independent registered public accountants. These financial statements, which are the responsibility of the Company's management, are included in the Company's annual report to shareholders and in the Company's annual report on Form 10-K as filed with the Securities and Exchange Commission. They have been audited by PricewaterhouseCoopers LLP, independent

6

registered public accounting firm, and their report thereon, which accompanies the financial statements, is an important part of the Company's reporting responsibility to its shareholders. Based on our review of the financial statements and the discussions with Company management and the independent registered public accountants, we are responsible for making a recommendation to the Board of Directors of the Company regarding inclusion of the audited financial statements in the Company's annual report on Form 10-K.

We have met with the independent registered public accountants and discussed the matters that they are required to communicate to us by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards), as amended. These items include, but are not limited to, significant issues identified during the audit such as management judgments and accounting estimates, accounting policies, proposed audit adjustments, financial statement disclosure items and internal control issues, and if there were any disagreements with management or difficulties encountered in performing the audit.

The Company's independent registered public accountants also provided us with the written disclosures and the letter required by Independence Standards Board Statement No. 1 (Independence Discussions with Audit Committees). We have met with and discussed the independent registered public accountants' independence.

Based on our review and discussions, we have recommended to the Company's Board of Directors that the aforementioned 2004 audited financial statements be included in the Company's annual report on Form 10-K for filing with the Securities and Exchange Commission.

As part of the ongoing oversight process, the Audit Committee, with the

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

advice of legal counsel, the Company's independent registered public accountants and other advisors, has adopted and implemented in a timely manner the new rules and regulations of the Securities and Exchange Commission and the American Stock Exchange.

Respectfully submitted,

Robert N. Bontempo

THE COMPENSATION COMMITTEE

The Compensation Committee, consisting of Mr. Gavert as Chairman, and Dr. Bontempo and Dr. Larson, held six meetings in 2004. The Compensation Committee reviews and recommends to the Board the compensation of senior executives and directors. A current copy of the Compensation Committee Charter is available on Michael Baker Corporation's website at www.mbakercorp.com.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPANTS

The members of the Compensation Committee in 2004, Mr. Gavert as Chairman, Dr. Bontempo and Dr. Larson, are non-employee directors who are independent as defined by American Stock Exchange listing standards. During 2004, no executive officer of the Company served on a compensation committee (or other board committee performing equivalent functions) or on the board of directors of any entity (other than the Company's Board of Directors) related to any member of the Company's Board of Directors.

EVEN IF MICHAEL BAKER CORPORATION'S PREVIOUS FILINGS UNDER THE SECURITIES LAWS INCORPORATE FUTURE FILINGS, INCLUDING THIS PROXY STATEMENT, THE FOLLOWING REPORT AND THE STOCK PERFORMANCE GRAPH ON PAGE 14 ARE NOT INCORPORATED BY REFERENCE INTO ANY SUCH FILINGS.

THE COMPENSATION COMMITTEE REPORT

Introduction. Decisions regarding compensation of the Company's executives generally are made by the Compensation Committee of the Board. In 2004, the Compensation Committee consisted of Mr. Gavert as the Chairman and Drs. Bontempo and Larson.

All recommendations of the Compensation Committee relating to compensation of the Company's executive officers are reviewed and approved by the full Board. Set forth below is a report submitted by

7

Mr. Gavert and Drs. Bontempo and Larson in their capacity as the Board's Compensation Committee addressing the Company's compensation policies for 2004 as they affected executive officers of the Company.

Compensation Philosophy. The Company's philosophy on compensation places a share of employee compensation "at risk", thereby rewarding employees based on the overall performance of the Company. The Company's "Line-of-Sight" annual Incentive Compensation Plan adopted in 2001 utilizes this philosophy. The following are the Company compensation objectives:

- to attract and retain executive officers and other key employees of outstanding ability, and to motivate all employees to perform to the full extent of their abilities;
- to ensure that pay is competitive with other leading companies in the Company's industries;

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

- to reward executive officers and other key employees for corporate, group and individual performance; and
- to ensure that total compensation to the executive officers as a group is not disproportionate when compared to the Company's total employee population.

Compensation. The Compensation Committee reviews data from multiple sources (Hay Group Inc., Hewitt Associates LLC, Watson Wyatt Data Services and William M. Mercer Incorporated) in connection with performance of its duties. In addition, William M. Mercer Incorporated assists in the development of incentive compensation plans and policies.

Effective April 25, 2001, when Mr. Fusilli succeeded Mr. Shaw as Chief Executive Officer, Mr. Shaw entered into a Consulting Agreement to provide for performance of consulting services to the Company until April 26, 2003 with annual compensation equal to 25% of his salary of \$425,006 in effect on April 25, 2001. In addition, pursuant to the Consulting Agreement, the Company covers the costs of health insurance and maintains a life insurance policy for Mr. Shaw. The Agreement also provides for a supplemental retirement benefit of \$5,000 per month commencing at the expiration of the Agreement. During 2003, the Company agreed to extend the term of this Agreement for two years until April 26, 2005. During 2005, the Company intends to extend the term of this Agreement for an additional year. During 2005, the Company agreed to compensate Mr. Shaw at the rate of \$35,000 per month in lieu of the monthly compensation under his consulting agreement for the 3-month period commencing on January 24, 2005 and ending on April 21, 2005 in return for his increased services provided to the Company during Mr. Fusilli's previously announced medical leave. This adjusted arrangement covers the period until Mr. Fusilli's anticipated full-time return in April. During 2004, life insurance premiums were paid on Mr. Shaw's behalf pursuant to the Agreement in the amount of \$45,038.

On April 25, 2001, Mr. Fusilli became the President and Chief Executive Officer of the Company at an annual base salary of \$400,000. On February 18, 2003, Mr. Fusilli's salary was increased to \$410,010, effective April 1, 2003. The Compensation Committee believes this salary is in line with the Company's philosophy for executive officers and is in accord with the responsibilities of Mr. Fusilli as Chief Executive Officer. In addition to his base salary, Mr. Fusilli may be awarded a bonus by the Compensation Committee based on the Committee's evaluation of Mr. Fusilli's performance. In assessing Mr. Fusilli's performance, the Compensation Committee reviews a variety of areas affecting the Company's performance for which Mr. Fusilli is held accountable such as leadership, strategic planning, financial results, succession planning, human resources, communications, and external and Board relations. The Committee awarded a bonus to Mr. Fusilli for fiscal year 2004 of \$270,606. Mr. Fusilli also received an award under the 2003 Long-Term Incentive Compensation Plan as set forth in the table on page 12. No stock options were granted to Mr. Fusilli or any other executive officers in 2005 for fiscal year 2004 performance.

The Company applies a compensation program consisting of base salary, annual incentive compensation and long-term incentive compensation. In determining base salaries for 2004, the Compensation Committee reviewed the relationship of an executive's compensation to that of other executive officers of the Company, similar executive officers in comparable companies, and the Company's current and projected growth and profitability performance. In determining annual and long-term incentive compensation, the Compensation Committee reviewed the Company's performance in 2004.

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

The Chief Executive Officer recommends to the Compensation Committee salary adjustments for executive officers. The Committee reviews these recommendations in light of the above referenced factors. A final comparison is made to verify that the total percentage increase in compensation paid to the executive officers as a group is not disproportionate to the percentage increase applicable to other Company employee groups.

2001 "Line of Sight" Incentive Compensation Plan. In keeping with its philosophy of placing a portion of employee compensation "at-risk", the Committee administers the Company's 2001 "Line-of-Sight" Incentive Compensation Plan, in which all employees have an opportunity to participate on an annual basis. Under the Plan, the Committee established a Company performance goal measured by earnings per share and revenue. Upon achievement of the Company earnings per share performance goal and other Company goals established based upon an employee's group within the Plan, the employee may receive payment of an incentive award up to the amount of a pre-established incentive target. The incentive targets are based upon market comparisons to ensure that incentive compensation opportunities are competitive with other leading companies in the Company's industries or lines of business. Providing an incentive compensation payment opportunity contingent upon the achievement of the Company's performance goals facilitates the objective of establishing a clear line-of-sight between the overall performance of the Company and the individual contribution of each employee.

1995 Stock Incentive Plan. The 1995 Stock Incentive Plan provides long-term incentive compensation to eligible employees. Stock options awarded under the Plan are based on the Compensation Committee's judgment concerning the position and responsibilities of the employee being considered, the nature and value of his or her services, his or her current contribution to the long-term success of the Company, the employee's cash compensation, the expected rate of appreciation in the value of the stock option, and any other factors which the Compensation Committee may deem relevant. No stock options were granted by the Committee in 2004. This plan expired on December 14, 2004.

2003 Long-Term Incentive Compensation Plan. In February 2003, the Board adopted the 2003 Long-Term Incentive Compensation Plan, subject to shareholder approval. The shareholders approved this Plan at the annual meeting on April 24, 2003. The new long-term incentive compensation plan is designed to award employees for specific performance factors, which are defined in the Plan, over a three (3) year time period. During the first three year time period, the awards are paid annually based on performance factors for a single year. The Compensation Committee and the Board believe that this plan design provides a commitment to long-term performance. The Plan provides for the payment of performance-based incentive awards to employees and includes provisions that protect the Company's ability to take a tax deduction for such awards. Payment of incentive awards will be, in part, in the form of restricted stock, which will assist in aligning the interests of employees and shareholders.

Respectfully submitted,

THE GOVERNANCE AND NOMINATING COMMITTEE

The Governance and Nominating Committee, consisting of Dr. Murray as Chairman, Mr. Constantakis and Mr. Copeland, held one meeting during 2004. The Governance and Nominating Committee considers and recommends candidates to sit on the Board of Directors and addresses issues related to governance relative to the Company. In order to comply with the new listing standards of the American Stock Exchange requiring that all members of the Governance and Nominating Committee be independent directors as defined by the listing standards, effective February 19, 2004, Mr. Shaw resigned as a member of the Committee.

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

The Board has determined in its best business judgment that, following the resignation of Mr. Shaw, the members of the Governance and Nominating Committee are independent as defined by the American Stock Exchange listing standards. The Governance and Nominating Committee acts under a written charter which was adopted by the Board of Directors on February 20, 2003. A current copy of the Governance and Nominating Committee Charter is available on Michael Baker Corporation's website at www.mbakercorp.com.

9

The Governance and Nominating Committee will consider nominees for Director recommended by shareholders. Shareholders wishing to recommend a director candidate for consideration by the Committee can do so by writing to the Secretary of Michael Baker Corporation, Airside Business Park, 100 Airside Drive, Moon Township, PA 15108; giving the candidate's name, biographical data and qualifications. Any such recommendation should be accompanied by a current resume of the individual and a written statement from the individual of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director. Such nominations must be received at least 60 days prior to the annual meeting of shareholders. No candidates for Board membership have been put forward by shareholders for election at the 2005 annual meeting.

In considering candidates for the Board, the Governance and Nominating Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a Board nominee. The Governance and Nominating Committee is guided by the objectives set forth in its charter that the Board of Directors consists of individuals of the highest integrity, able to provide insightful, intelligent and effective guidance to management, coming from diverse educational and professional experiences and backgrounds who, collectively, provide meaningful counsel to management. If candidates are recommended by the Company's shareholders, such candidates will be evaluated using the same criteria. With respect to nominations of continuing directors for re-election, the individual's previous contributions to the Board are also considered.

The Committee has the authority under its charter to hire and pay a fee to a consultant or search firm to assist in the process of identifying and evaluating director candidates. The Committee did not use a consultant or search firm in the last fiscal year.

THE HEALTH, SAFETY, ENVIRONMENTAL AND COMPLIANCE COMMITTEE

The Health, Safety, Environmental and Compliance Committee, consisting of Dr. Larson as Chairman, and Mr. Fusilli and Mr. Gavert, held three meetings in 2004. The Committee reviews and considers health, safety, environmental and related compliance issues relative to the Company.

EMPLOYMENT CONTINUATION AGREEMENTS

The Company entered into Employment Continuation Agreements in October 2000 with Messrs. Fusilli, Mooney and McKnight; in September 2002 with Mr. Giffhorn; and in February 2004 with Mr. Mallory. Under the Agreements with Messrs. Fusilli, Mooney and McKnight, the executives agree to remain in the employ of the Company for thirty-six months following the date of a change of control (as defined in the Agreements), and the Company agrees to provide salary and benefits at levels commensurate with those prior to the change of control for that period. The Agreements further provide that if the executive's employment is terminated by reasons other than death, disability, voluntary termination (except a voluntary termination for good reason as defined in the Agreements), or is terminated by the Company other than for cause (as defined in the Agreements), during that period, the Company will pay the executives their (i) earned salary, (ii) a severance amount equal to three times the sum of the executives' annual base salary and the executive's average bonus for the five fiscal years preceding the change of control, and (iii) obligations accrued under applicable benefit plans and programs, and continue their benefits for three years. The payments under the Agreements may be subject to reduction to the extent that they are considered excess parachute payments under the Internal Revenue Code. Furthermore, the executives will under certain circumstances receive similar benefits if their employment is terminated in contemplation of a change of control and a change of control occurs within one year following such termination.

The Agreements with Mr. Giffhorn and Mr. Mallory are the same except that the executive agrees to remain in the employ of the Company for twenty-four months following a change of control and the severance amount is an amount equal to two times the sum of the executive's annual base salary and the executive's average bonus for the five fiscal years preceding the change of control with continued benefits for two years.

RELATED PARTY TRANSACTIONS

The Company entered into an Employment Agreement with Richard L. Shaw in April 1988, which was supplemented in March 1992, October 1994, June 1995, March 1998 and September 1999. During 2001, Mr. Shaw, as Chief Executive Officer of the Company until April 25, 2001, was compensated under the terms of his Employment Agreement at an annual salary of \$425,006. In addition, the Company covered the costs of health insurance and maintained a life insurance policy for Mr. Shaw as provided for in the Agreement. This Agreement also provided for a

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

supplemental retirement benefit of \$5,000 per month commencing on expiration of the Agreement. Effective April 25, 2001, Mr. Shaw retired from the position of Chief Executive Officer of the Company, and the Company and Mr. Shaw entered into a Consulting Agreement for Mr. Shaw's consulting services for the period April 26, 2001 through April 26, 2003. The Consulting Agreement provides an annual compensation equal to 25% of Mr. Shaw's previous salary of \$425,006. In addition, under the Consulting Agreement, the Company covers the costs of health insurance and maintains a life insurance policy for Mr. Shaw. The Consulting Agreement also provides for a supplemental retirement benefit of \$5,000 per month commencing at the expiration of the consulting term. During 2003, the Company

13

agreed to extend the term of this Agreement for two years until April 26, 2005. During 2005, the Company intends to extend the term of this Agreement for an additional year. During 2005, the Company agreed to compensate Mr. Shaw at the rate of \$35,000 per month in lieu of the monthly compensation under his consulting agreement for the 3-month period commencing on January 24, 2005 and ending on April 21, 2005 in return for his increased services provided to the Company during Mr. Fusilli's previously announced medical leave. This adjusted arrangement covers the period until Mr. Fusilli's anticipated full-time return in April.

For a portion of 2004, Ms. Pierce was President of Huber Energy, an operating company of J.M. Huber Corporation, from whom Baker Energy, a unit of Michael Baker Corporation, received revenues of \$44,550,107 during the year ended December 31, 2004.
