On November 2, 2005, Mobile Mini, Inc. issued a press release announcing its financial results for the third quarter ended September 30, 2005. A copy of the press release is furnished as Exhibit 99.01 to this report.

In accordance with general instruction B.2 to Form 8-K, information in this Item 2.02 and the exhibit attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise subject to the liabilities of such section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.

The press release includes the financial measure EBITDA and certain pro forma financial results. The EBITDA and other pro forma financial measurements may be deemed a non-GAAP financial measure under rules of the Securities and Exchange Commission, including Regulation G. We define EBITDA as net income before interest expense, provision for income taxes, depreciation and amortization, and debt restructuring expense. We use EBITDA as a financial measure in management decision-making because we believe it provides useful supplemental information regarding our financial and liquidity position and facilitate internal comparisons to historical financial position and operating performance of prior periods and external comparisons to competitors financial position and operating performance. In addition, several of the financial covenants under our revolving credit facility are expressed by reference to this financial measure, similarly computed. The pro forma financial results reported show our operating results absent: (i) an estimated expense of \$1.7 million (\$1.0 million after taxes) due to losses sustained as a result of Hurricane Katrina, which includes certain limited insurance reimbursements; (ii) a one-time, pre-tax gain of \$3.2 million or \$0.13 per diluted share after tax, which was the result of a settlement of a third party claim related to litigation that concluded in 2003; and (iii) a \$0.5 million tax benefit or \$0.03 per diluted share, due to recognition of certain state net operating loss carry forwards that were previously scheduled to expire in 2005 and 2006, that management now believes are recoverable. Management reached this conclusion due to the improved results of operations achieved in 2005 and expected in 2006. The information included for certain periods in 2004 has been reclassified to conform to the current presentation. We include EBITDA in the earnings announcement to provide transparency to investors. A reconciliation of net income to EBITDA follows (in thousands), which includes effects of rounding:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2004	2005	2004	2005
Net income	\$ 5,837	\$ 7,623	\$ 13,574	\$ 24,153
Interest expense	5,152	5,849	15,114	16,999
Provision for income taxes	3,891	4,874	9,049	14,589

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On October 31, 2005, Barry J. Feld, resigned as a member of the Board of Directors effective on November 2, 2005. Mr. Feld resigned due to the increased time and attention required of his recently assumed position as the Chief Executive Officer and President of Cost Plus, Inc. and consistent with the internal policies of Cost Plus, Inc.
